Interconnected traffic signal and railroad signal systems

Under current law, DOT is appropriated federal, state, and local moneys for the purpose of railroad crossing improvements. This bill appropriates to DOT state and local moneys specifically for the planning and installation of interconnected traffic signal and railroad signal systems.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.395 (2) (gt) of the statutes is created to read:

20.395 (2) (gt) *Interconnected traffic signal and railroad signal systems, state funds.* As a continuing appropriation, the amounts in the schedule for the planning and installation of interconnected traffic signal and railroad signal systems.

***NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.

SECTION 2. 20.395 (2) (gw) of the statutes is created to read:

20.395 (2) (gw) *Interconnected traffic signal and railroad signal systems, local funds.* All moneys received from any local unit of government for the planning and installation of interconnected traffic signal and railroad signal systems, for such purposes.

***NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.
