***Regional transit authorities***

This bill creates, or authorizes the creation of, a southeast regional transit authority (SE RTA), a Dane County regional transit authority (DC RTA), a Fox Cities regional transit authority (FC RTA), and a regional transit authority in any other metropolitan statistical area in which qualifying political subdivisions agree to create one (statewide RTA). Upon creation, each transit authority is a public body corporate and politic and a separate governmental entity.

The SE RTA is created if the governing body of Milwaukee County or Kenosha County, or of any municipality located within that portion of Racine County east of I 94, adopts a resolution authorizing the county or municipality to become a member of the SE RTA. If any of these counties or municipalities fails to adopt a resolution creating the SE RTA, these counties and municipalities, as well as Racine County, may also join the SE RTA after it has been created by one or more other counties or municipalities. If Milwaukee County or Kenosha County joins the SE RTA, all municipalities located within Milwaukee County or Kenosha County, respectively, become members of the SE RTA. Any of the counties of Waukesha, Ozaukee, and Washington may join the SE RTA upon adoption of a resolution by the county's

governing body, and any municipality located within the county may join the SE RTA upon adoption of a resolution by the municipality's governing body and approval of the SE RTA's board of directors. The jurisdictional area of the SE RTA is the geographic area formed by the combined territorial boundaries of counties and municipalities that are members of the SE RTA.

The DC RTA is created if the governing body of Dane County adopts a resolution authorizing the county to become a member of the DC RTA. Once created, the members of the DC RTA consist of Dane County and all municipalities located within the Madison metropolitan planning area (MMPA). Any municipality located within Dane County but not within the MMPA may join the DC RTA upon adoption of a resolution by the municipality's governing body and approval of the DC RTA's board of directors. The jurisdictional area of the DC RTA is the geographic area formed by the MMPA combined with the territorial boundaries of all municipalities outside the MMPA that join the DC RTA.

The members of the FC RTA consist of Outagamie County, Calumet County, and Winnebago County and all municipalities located within the urbanized area of the Fox Cities metropolitan planning area (UFCMPA). Any municipality located within Outagamie County, Calumet County, or Winnebago County but not within the UFCMPA may join the FC RTA upon adoption of a resolution by the municipality's governing body and approval of the FC RTA's board of directors. The jurisdictional area of the FC RTA is the geographic area formed by UFCMPA combined with the territorial boundaries of all municipalities outside the UFCMPA that join the FC RTA.

A statewide RTA is created if any two or more political subdivisions located within a metropolitan statistical area adopt resolutions authorizing the political subdivision to become members of the RTA. Once created, the members of a statewide RTA consist of all political subdivisions that adopt resolutions authorizing participation. Any political subdivision located in whole or in part within a metropolitan statistical area located in whole or in part within a statewide RTA's jurisdiction may join the statewide RTA. The jurisdictional area of an authority created under this paragraph is the geographic area formed by the combined territorial boundaries of all participating political subdivisions.

An RTA's authority is vested in its board of directors. Directors serve four-year terms. An RTA's bylaws govern its management, operations, and administration and must include provisions specifying all of the following:

1. The functions or services to be provided by the RTA.
2. The powers, duties, and limitations of the RTA.
3. The maximum rate of the sales and use tax, not exceeding the statutory limit, that may be imposed by the RTA.

An RTA may do all of the following:

1. Establish or acquire a comprehensive unified local transportation system, which is a transportation system comprised of bus lines and other public transportation facilities generally within the jurisdictional area of the RTA. "Transportation system" is defined to include land, structures, equipment, and other property for transportation of passengers, including by bus, rail, or other form of

mass transportation. The RTA may operate this transportation system or provide for its operation by another. The RTA may contract with a public or private organization to provide transportation services in lieu of directly providing these services and may purchase and lease transportation facilities to public or private transit companies. With two exceptions, an RTA may not directly or by contract provide service outside the RTA's jurisdictional area.

2. Coordinate specialized transportation services for persons who are disabled or aged 60 or older.

3. Own or lease real or personal property.

4. Acquire property by condemnation.

5. Enter upon highways to install, maintain, and operate the RTA's facilities.

6. Impose, by the adoption of a resolution by the RTA's board of directors, a sales and use tax in the RTA's jurisdictional area at a rate of not more than 0.5 percent of the sales price.

7. Impose a fee of \$2 per transaction on the rental of passenger cars without drivers.

8. Incur debts and obligations. An RTA may issue tax-exempt revenue bonds, secured by a pledge of any income or revenues from any operations or other source of moneys for the RTA. The bonds of an RTA are not a debt of its member political subdivisions and neither the member political subdivisions nor the state are liable for the payment of the bonds.

9. Set fees and charges for functions, facilities, and services provided by the RTA.

10. Adopt bylaws and rules to carry out the powers and purposes of the RTA.

11. Sue and be sued in its own name.

12. Employ agents, consultants, and employees; engage professional services; and purchase furniture, supplies, and materials reasonably necessary to perform its duties and exercise its powers.

13. Invest funds not required for immediate disbursement.

14. Do and perform any authorized acts by means of an agent or by contracts with any person.

15. Exercise any other powers that the board of directors considers necessary and convenient to effectuate the purposes of the RTA, including providing for passenger safety.

The board of directors of an RTA must annually prepare a budget for the RTA. Rates and other charges received by the RTA must be used only for the general expenses and capital expenditures of the RTA, to pay interest, amortization, and retirement charges on the RTA's revenue bonds, and for specific purposes of the RTA and may not be transferred to any political subdivision. The RTA must maintain an accounting system in accordance with generally accepted accounting principles and must have its financial statements and debt covenants audited annually by an independent certified public accountant.

An RTA must provide, or contract for the provision of, transit service within the RTA's jurisdictional area. An RTA that acquires a transportation system for the purpose of operating the system must assume all of the employer's obligations under

any contract between the employees and management of the system to the extent allowed by law. An RTA that acquires, constructs, or operates a transportation system must negotiate an agreement with the representative of the labor organization that covers the employees affected by the acquisition, construction, or operation to protect the interests of employees affected, and that agreement must include specified provisions. Employees of the RTA are participatory employees under the Wisconsin Retirement System (WRS) if the RTA elects to join the WRS.

A member political subdivision for which joinder into an RTA is optional may withdraw from an RTA if the governing body of the political subdivision adopts a resolution requesting withdrawal from the RTA and the political subdivision has paid, or made provision for the payment of, all obligations of the political subdivision to the RTA. A member of the SE RTA that must become a member as a result of the membership of the county in which the municipality is located must withdraw from the SE RTA if the county in which the municipality is located withdraws from the SE RTA.

Current law provides limited immunity for cities, villages, towns, counties, and other political corporations and governmental subdivisions, and for officers, officials, agents, and employees of these entities, for acts done in an official capacity or in the course of employment. Claimants must generally follow a specified claims procedure and liability for damages is generally limited to \$50,000 except that no liability may be imposed for performance of a discretionary duty or for punitive damages. If a person suffers damage resulting from the negligent operation of a motor vehicle owned and operated by a county, city, village, town, school district, sewer district, or other political subdivision of the state in the course of its business, the person may file a claim for damages following this claims procedure and the amount of damages recoverable is limited to \$250,000. This bill specifies that this provision related to claims and liability for negligent operation of a motor vehicle by a political subdivision applies to an RTA.

The bill also allows RTAs to participate in organizing municipal insurance mutuals to provide insurance and risk management services.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.

(b) Whenever the proposed operations of an authority would be competitive with the operations of a common carrier in existence prior to the time the authority commences operations, the authority shall coordinate proposed operations with the common carrier to eliminate adverse financial impact for the carrier. This coordination may include route overlapping, transfers, transfer points, schedule coordination, joint use of facilities, lease of route service, and acquisition of route and corollary equipment. If this coordination does not result in mutual agreement, the proposals of the authority and the common carrier shall be submitted to the department of transportation for arbitration.

(c) In exercising its powers under sub. (4), an authority shall consider any plan of a metropolitan planning organization under [23 USC 134](#) that covers any portion of the authority's jurisdictional area.

**(6) AUTHORITY OBLIGATIONS TO EMPLOYEES OF MASS TRANSPORTATION SYSTEMS.** (a) An authority acquiring a comprehensive unified local transportation system for the purpose of the authority's operation of the system shall assume all of the employer's obligations under any contract between the employees and management of the system to the extent allowed by law.

Bonds of an authority are issued for an essential public and governmental purpose and are public instrumentalities and, together with interest and income, are exempt from taxes.

(b) The authority may sell the bonds at public or private sales at the price or prices determined by the authority.

(c) If an officer whose signatures appear on any bonds or coupons ceases to be an officer of the authority before the delivery of the bonds or coupons, the officer's

An authority may issue refunding bonds at such time prior to the maturity or redemption of the refunded bonds as the authority deems to be in the public interest. The refunding bonds may be issued in sufficient amounts to pay or provide the principal of the bonds being refunded, together with any redemption premium on the bonds, any interest accrued or to accrue to the date of payment of the bonds, the expenses of issue of the refunding bonds, the expenses of redeeming the bonds being refunded, and such reserves for debt service or other capital or current expenses from the proceeds of such refunding bonds as may be required by the resolution, trust indenture, or other security instruments. To the extent applicable, refunding bonds are subject to subs. (8) and (9).

Any person who is required to register; including any person authorized to act on behalf of a corporation, partnership, or other person who is required to register; who fails to do so is guilty of a misdemeanor.

(5) A retailer who collects a fee under this subchapter shall identify the fee as a separate item on a receipt the retailer provides to a rental customer.

**77.9973 Discontinuation.** Retailers and the department of revenue may not collect fees under this subchapter for any regional transit authority after the calendar quarter during which the regional transit authority ceases to exist, except that the department may collect from retailers fees that accrued before that calendar

quarter and interest and penalties that relate to those fees. If fees are collected, the authority may use the revenue for any lawful purpose.
