Removal of salary caps for WHEFA employees

Current law allows WHEFA to employ an executive director and limits the compensation of the executive director to the maximum of the salary range established for positions assigned to executive salary group 6. Current law also limits the compensation of each other employee of WHEFA to the maximum of the salary range established for positions assigned to executive salary group 3. This bill removes these limits on compensation of the executive director and employees of WHEFA.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
