ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD REPEALING AND RECREATING RULES

The Wisconsin Natural Resources Board proposes an order to repeal and recreate NR 10.01(1)(b) and (g)1.a.-k., (g)2., (g)3., (u)1 and (u)2. relating to the 1996 migratory game bird season.

WM-26-96

Analysis Prepared by Department of Natural Resources

Statutory authority: ss. 29.085, 29.174(3), and 227.11(2)(a), Stats.

Statutes interpreted: ss. 29.085, 29.174(1) and (2), Stats.

The proposed rules establish the regulations for the 1996 migratory game bird season. The significant regulations are:

Ducks. The state is divided into two zones each with 50-day seasons. The season in the southern duck zone begins at noon September 28 and continues through October 6 and, following a 5-day closed period, reopens October 12 and continues through November 21. The north duck zone season begins at noon September 28 and continues through November 16. The daily bag limit in both zones is 5 ducks, including four mallards and one canvasback for the entire 50 days in both zones.

Canada Geese. The state is apportioned into 3 goose hunting zones: Horicon, Collins and Exterior. Other special goose management subzones within the Exterior Zone include Brown County, Burnett County, New Auburn, Rock Prairie and the Mississippi River. Season lengths are: Collins Zone - 65 days; Horicon Zone - 86 days; Exterior Zone - 79 days; and Mississippi River Subzone - 70 days. The Burnett County and New Auburn subzones are closed to Canada goose hunting.

SECTION 1. NR 10.01(1)(b) and (g)1.a.-k., (g)2, (g)3., (u)1 and (u)2. are repealed and recreated to read:
