

ORDER OF THE WISCONSIN DEPARTMENT OF CORRECTIONS

CR 09-075

INTRODUCTORY CLAUSE

The Wisconsin Department of Corrections proposes an order to amend DOC 309.466 (1) and (2), create DOC 309.466 (5), amend DOC 309.48 (title), amend DOC 309.49 (title), and create DOC 309.49 (4m), relating to inmate release accounts.

ANALYSIS PREPARED BY THE DEPARTMENT OF CORRECTIONS

RULE SUMMARY:

- A. **STATUTORY AUTHORITY:** §§ 227.11 (2) and 301.03, Stats.
- B. **STATUTE INTERPRETED:** § 301.32, Stats.
- C. **EXPLANATION OF AGENCY AUTHORITY:**

The Department of Corrections has the authority to control an inmate's funds which are received during the inmate's period of incarceration. In addition, the Department has the responsibility of preparing inmates for their eventual release into the community, including assisting them in establishing a release account which can be used for a variety of purposes.

- D. **RELATED STATUTE OR RULE:** ch. DOC 309, Wis. Adm. Code, Resources for Inmates

E. **PLAIN LANGUAGE ANALYSIS:**

The current rule prohibits the disbursement of funds from inmate release accounts, except for very limited purposes. Specifically, the rule limits the use of funds from inmate release accounts prior to release to the purchase of "adequate clothing for release" and for "out-of-state release transportation." The current rule provides for the Department to deduct fifteen percent (15 %) of all income earned by or received for the benefit of the inmate with the exception of work release or study release funds under ch. DOC 324. The current rule also has a limit on the amount which can be accumulated in the release account of \$500.00.

The rule proposal expands the purposes for which inmate release account funds can be used. Under the proposal, the Department may approve disbursement of funds for purposes which will aid in the inmate's reintegration into the community. The Department reduced the percentage of deduction to ten percent (10 %) but increased the amount which can be accumulated in the release account to \$5,000.00. The Department has also provided for the amount to be increased in accordance with the Consumer Price Index as defined in s. 16.004 (8) (e) 1., Stats., every five (5) years

starting January 1, 2010. The increase in the limit and the process for a continued increase are in response to the increased living costs which inmates face upon release from prison.
