Statement Explaining Need for Rule

This rule-making is needed to make technical updates to existing ETF rules, create consistency with statutes recently amended by the legislature, and to make other minor substantive changes.

Analysis Prepared by the Department of Employee Trust Funds

1. Statutes interpreted:
Sections 40.01 (1), 40.01 (2), 40.02 (55), 40.05 (1), 40.05 (2), 40.06 (1), 40.06 (2), 40.06 (3), 40.22 (1), 40.22 (2), 40.22 (2m), 40.22 (2r), 40.22 (3), 40.51 (7), Stats.
2. Statutory authority:
Sections 40.03 (2) (i), (ig), 40.51 (7) (a), and 227.11 (2) (a), Stats.
3. Explanation of agency authority:
By statute, the ETF Secretary is expressly authorized, with appropriate board approval, to promulgate rules required for the efficient administration of any benefit plan established in ch. 40 of the Wisconsin statutes.

Section 40.51 (7) (a) allows the department to establish by rule different eligibility standards or contribution requirements for any employer, other than the state, including an employer that is not a participating employer, that elects to offer to all of its employees a health care coverage plan through a program offered by the group insurance board.

In addition, each state agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency if the agency considers it necessary to effectuate the purpose of the statute.

4. Related statutes or rules:
There are no other related statutes or administrative rules directly related to this technical rule.
5. Plain language analysis:
The purpose of this rule is to revise existing administrative rules of the Department of Employee Trust Funds to make them conform with 2011 Wisconsin Acts 10, 32 and 133, to reflect current practices of the department, to provide flexibility regarding due dates for filing reports with the department, and to make other technical changes.
6. Summary of, and comparison with, existing or proposed federal statutes and regulations:
The only federal regulations that may be affected by this proposed rule are provisions of the Internal Revenue Code regulating qualified pension plans. The Wisconsin Retirement System is required to be maintained as a qualified plan by s. 40.015, Stats.
7. Comparison with rules in adjacent states:
Periodically, retirement systems in adjacent states promulgate technical rules to update existing administrative rules.
8. Summary of factual data and analytical methodologies:
The department is proposing this rule to update existing rules and interpretations of existing statutes.
9. Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis:
This rule does not have an effect on small businesses because private employers and their employees do not participate in, and are not covered by, the Wisconsin Retirement System. Please see attached economic impact analysis.
10. Effect on small business:
The rule has no effect on small businesses.

Regulatory Flexibility Analysis:

The proposed rule has no effect on small businesses because only governmental employers and their employees may participate in the benefit programs under ch. 40 of the statutes administered by the Department of Employee Trust Funds.

Fiscal Estimate and Economic Impact Statement:

Please see the attached Fiscal Estimate and Economic Impact Statement.

CLEARINGHOUSE RULE 12-054

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

2. Form, Style and Placement in Administrative Code

a. In the introductory clause, the enumeration of provisions treated by the proposed rule should be revised as follows: “AN ORDER to amend ETF 10.01 (3i), 10.63 (1) (a) to (f), (2) and (3), and 40.10 (1), (2) and (3) (e); to repeal and recreate ETF 20.015 (1) and (2); and to create ETF 10.86”.

b. Under the statutes interpreted section of the analysis, the sections described should be concluded with “, Stats.”.

c. Throughout the proposed rule, the use of underscores should be reviewed with regard to indicating commas and periods as new or old material.

d. In SECTIONS 8 and 9, would the rule text be more easily clarified by reference to previous subsections, rather than referring to the lengthy subject created by the department’s amendment?

e. IN SECTION 10, the creation of s. ETF 10.86 should include a title (perhaps “Electronic Deposits”) and the paragraph should be preceded by the selected title.

f. The form of titles in SECTION 11 should conform to s. 1.05, Manual. A period should follow s. ETF 20.015 (title).

g. The note in s. ETF 40.10 (1) (a) is confusing. The paragraph refers to two-thirds of full-time employment; the note refers to the definition of full-time employment. The department

may wish to clarify the note by indicating that two-thirds of full-time employment is equal to $(2/3) \times (1904)$.

h. The rule text should include an effective date section. [s. 1.02 (4), Manual.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

The second "2." in s. ETF 10.63 (1) (e) 2. is duplicative and should be eliminated.

Response to Legislative Council Staff Recommendations

ETF implemented all of the Legislative Council Staff recommendations contained in the Clearinghouse Report. As concerns recommendation 2. g., ETF decided not to include the note in the rule in order to prevent any confusion.
