A statement of facts constituting the emergency is: The removal of the existing deadline for completing and receiving an application for the tuition fee reimbursement program has left the department unable to budget the available resources for this program to ensure maximum coverage for eligible veterans throughout the fiscal year. The department is requesting emergency rules to ensure applications can be processed in a responsive manner and to allow the department to properly manage the program's biennial budget and ensure the welfare of all eligible veterans. The emergency rule will address the need for an application deadline while the department completes the promulgation for a permanent rule for the program.

Assumptions Used in Arriving at Fiscal Estimate

This proposed administrative rule change amends VA 2.02 (2) the tuition reimbursement program process for the Department of Veterans Affairs.

Under current law, provided under the provisions of 2009 Wisconsin Act 29 requires that an application for reimbursement be completed and received by the department in a time limit set by administrative rule. The application may not be submitted until the semester for which reimbursement is requested has been completed.

The amended rule will require the application to be completed and received by the department no later than 60 days after the starting date of the course, term or semester for which reimbursement is requested. The proposed rule amendment will show initially an increase in the department's denial rate and a decrease in expenditures of the tuition reimbursement grant for eligible veterans. Available data shows that based on historic trends the percentage of applications denied by not being submitted within the required time limit; in FY07 13%, FY08 9% and in FY09 0%.

For the purpose of the fiscal impact of this fiscal estimate, the decrease in expenditures is projected to be:

	Base Demand	% denials	Fiscal Impact	Adjusted Demand
FY11	\$1,403,015	13%	\$(182,392)	\$1,220,623
FY12	\$1,487,196	8%	\$(118,976)	\$1,368,220
FY13	\$1,576,428	4%	\$(63,057)	\$1,513,371
FY14	\$1,671,013	4%	\$(66,841)	\$1,604,173

The fiscal effect in FY11 will be (\$182,392) and in FY12 (\$118,976).
