**WHEREAS**, certified copies of the resolutions were filed with the Office of the Governor and have been found to be in proper form; and

**WHEREAS**, an agreement was reached by local governments in Dane County that represents an excellent example of local cooperation to protect and restore water quality and minimize water quality degradation while promoting economic development and sound land development practices; and

**WHEREAS**, the resolutions requesting the creation of the Capital Area Regional Planning Commission embody an agreement between the local units of government in Dane County that provides for an agency that is capable of developing effective water quality plans for Dane County; establishes a membership plan for the Commission that provides an equitable voice for all Dane County local governments; charges the Commission to develop a Water Quality Plan that will define areas to be protected from development, areas that can be developed with measures to protect, restore or minimize degradation of water quality; and establishes a Budget and Personnel Panel; and

**WHEREAS**, a hearing was held in Madison on the petitions from the governing bodies on December 20, 2006; and

**WHEREAS**, those citizens that provided public comments at the hearing or in conjunction with the hearing overwhelmingly endorsed the creation of the Capital Area Regional Planning Commission;
