

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2009 Wisconsin Act 388
[2009 Senate Bill 403]

**Release of Identifying Information
of Credential Holders**

2009 Wisconsin Act 388 changes information that a credential holder may withhold from a requester who is requesting the information from the Department of Regulation and Licensing (DRL). Prior to Act 388, the credential holder was permitted to opt out of providing the individual's name, Social Security number, telephone number, street address, post office box number, and zip code.

Under the Act, the information that may be withheld from release is the individual's Social Security number, telephone number, street name and number, post office box number, and electronic mail address. Therefore, the credential holder's name, city, and zip code may be released.
