

## WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

**2013 Wisconsin Act 328**  
[2013 Assembly Bill 226]

**Workforce Advancement  
Training Program**

2013 Wisconsin Act 328 expands one type of Workforce Advancement Training program grant administered by the Wisconsin Technical College System Board. The program, as modified by Act 328, now allows such grants to be used not only for providing skills training or other education to a business, but also for assistance with market expansion or business diversification.

Under prior law, this type of grant was available for a business in this state that either had 100 employees or less, or made no more than \$10,000,000 in gross annual income in its most recent fiscal year. Act 328 expands the program so that it is available to businesses that either have 250 employees or less, or meet the \$10,000,000 annual income limit.

*Effective date:* April 25, 2014.
