

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2017 Wisconsin Act 353 [2017 Assembly Bill 120]	Class 2 and Class 3 Legal Notices
---	--

BACKGROUND

Under Wisconsin law, publication of a legal notice may be prescribed as a Class 1, 2, or 3 notice, where the class of notice corresponds to the frequency of required insertions. For example, a Class 2 notice must be published once a week for two consecutive weeks and a Class 3 notice must be published once a week for three consecutive weeks. Generally, when multiple insertions are prescribed, the last insertion must occur at least one week before the act or event to which the notice relates.

2017 WISCONSIN ACT 353

The Act allows a municipality the option to publish a summary, instead of publishing any full-text content that may be required under state law, for the second and third insertions that are required for publication of Class 2 and 3 notices, if the summarized notice also indicates that the full-text content may be viewed at all of the following sources: (1) the newspaper in which the initial insertion of the Class 2 or 3 notice was published; (2) the municipal website; (3) the Wisconsin Newspapers Association legal notices website; and (4) a physical location maintained by the municipality.

Under the Act, the authority to summarize the content of a notice does not apply to a legal notice required to be published by a municipality by order of a court or to a legal notice related to court proceedings required to be published by a municipality.
