AMENDMENT MEMO

2009 Assembly Bill 693

**Assembly
Amendment 1**

Memo published: February 25, 2010

Contact: Richard Sweet, Senior Staff Attorney (266-2982)

Assembly Bill 693 makes various changes in the laws relating to athletic trainers.

One of the provisions of the bill states that a licensed athletic trainer may provide athletic training to an individual without a referral, except that an athletic trainer may not provide specified rehabilitation and physical reconditioning in an outpatient rehabilitation setting without a written referral from a specified type of practitioner.

Assembly Amendment 1 states that the above provision is subject to the provision in current law that states that an athletic trainer may engage in athletic training only in accordance with an evaluation and treatment protocol that is established by the athletic trainer and approved by the consulting physician in accordance with rules promulgated jointly by the Athletic Trainers Affiliated Credentialing Board and the Medical Examining Board and recorded on a protocol form prescribed by the Affiliated Credentialing Board.
