22 vacate, amend or enjoin the enforcement of the order of the department.

1 unless prior to the beginning of the prosecution for the violation a proceeding for  
2 judicial review of such order has been instituted as provided in ch. 227.

3 (9) A substantial compliance with the requirements of chs. 103 to 106 shall be  
4 sufficient to give effect to an order of the department, and no order may be declared  
5 inoperative, illegal or void for any omission of a technical nature.

9 finding the commission shall conduct a referendum. If the continuance of the  
10 all-union agreement is supported on any such referendum by a vote at least equal  
11 to that provided in this subdivision for its initial authorization, it may be continued  
12 in force thereafter, subject to the right to petition for a further vote by the procedure  
13 set forth in this subdivision. If the continuance of the all-union agreement is not

16 announcement by the commission of the result of the referendum, whichever is  
17 earlier. The commission shall declare any all-union agreement terminated  
18 whenever it finds that the labor organization involved has unreasonably refused to  
19 receive as a member any employe of such employer, and each such all-union  
20 agreement shall be made subject to this duty of the commission. Any person  
21 interested may come before the commission as provided in s. 111.07 and ask the

4 ss. 111.05 (5) and 111.17 (2); provided, however, that where an employer files with  
5 the commission a petition requesting a determination as to majority representation,  
6 the employer shall not be deemed to have refused to bargain until an election has  
7 been held and the result thereof has been certified to the employer by the  
8 commission.

9           **SECTION 3782q.** 111.06 (1) (i) of the statutes is amended to read:

14 unless there is an all-union, fair-share or maintenance of membership agreement  
15 in effect. The employer shall give notice to the labor organization of receipt of such  
16 notice of termination.

2 complaint to all other parties in interest. Any other person claiming interest in the  
3 dispute or controversy, as an employer, an employe, or their representative, shall be  
4 made a party upon application. The commission may bring in additional parties by  
5 service of a copy of the complaint. Only one such complaint shall issue against a  
6 person with respect to a single controversy, but any such complaint may be amended  
7 in the discretion of the commission at any time prior to the issuance of a final order  
8 based thereon. The person or persons so complained of shall have the right to file an  
9 answer to the original or amended complaint and to appear in person or otherwise  
10 and give testimony at the place and time fixed in the notice of hearing. The  
11 commission shall fix a time for the hearing on such complaint, which will be not less  
12 than 10 nor more than 40 days after the filing of such complaint, and notice shall be  
13 given to each party interested by service on the party personally or by mailing a copy  
14 thereof to the party at the party's last-known post-office address at least 10 days  
15 before such hearing. In case a party in interest is located without the state and has  
16 no known post-office address within this state, a copy of the complaint and copies  
17 of all notices shall be filed ~~in the office of the secretary of state~~ with the department  
18 of financial institutions and shall also be sent by registered mail to the last-known  
19 post-office address of such party. Such filing and mailing shall constitute sufficient  
20 service with the same force and effect as if served upon the party located within this  
21 state. Such hearing may be adjourned from time to time in the discretion of the  
22 commission and hearings may be held at such places as the commission shall  
23 designate.

24 **SECTION 3784.** 111.07 (2) (b) 1. of the statutes is amended to read:

1           111.07 (2) (b) 1. The commission shall have the power to issue subpoenas and  
2 administer oaths. Depositions may be taken in the manner prescribed by s. 101.02  
3 ~~(14) 103.005 (13)~~ (c). No person may be excused from attending and testifying or from  
4 producing books, records, correspondence, documents or other evidence in obedience  
5 to the subpoena of the commission on the ground that the testimony or evidence  
6 required of him or her may tend to incriminate him or her or subject him or her to  
7 a penalty or forfeiture under the laws of the state of Wisconsin; but no individual may  
8 be prosecuted or subjected to any penalty or forfeiture for or on account of testifying  
9 or producing evidence, documentary or otherwise, before the commission in  
10 obedience to a subpoena issued by it; provided, that an individual so testifying shall  
11 not be exempt from prosecution and punishment for perjury committed in so  
12 testifying.

13           **SECTION 3785m.** 111.075 of the statutes is created to read:

14           **111.075 Fair-share and maintenance of membership agreements. (1)**

15           (a) No fair-share or maintenance of membership agreement may become effective  
16 unless authorized by a referendum. The commission shall order a referendum  
17 whenever it receives a petition supported by proof that at least 30% of the employes  
18 in a collective bargaining unit desire that a fair-share or maintenance of  
19 membership agreement be entered into between the employer and a labor  
20 organization. A petition may specify that a referendum is requested on a  
21 maintenance of membership agreement only, in which case the ballot shall be limited  
22 to that question.

23           (b) For a fair-share agreement to be authorized, at least two-thirds of the  
24 eligible employes voting in a referendum shall vote in favor of the agreement. For  
25 a maintenance of membership agreement to be authorized, at least a majority of the

1 eligible employes voting in a referendum shall vote in favor of the agreement. In a  
2 referendum on a fair-share agreement, if less than two-thirds but more than  
3 one-half of the eligible employes vote in favor of the agreement, a maintenance of  
4 membership agreement is authorized.

5 (c) If a fair-share or maintenance of membership agreement is authorized in  
6 a referendum, the employer shall enter into such an agreement with the labor  
7 organization named on the ballot in the referendum. Each fair-share or  
8 maintenance of membership agreement shall contain a provision requiring the  
9 employer to deduct the amount of dues as certified by the labor organization from the  
10 earnings of the employes affected by the agreement and to pay the amount so  
11 deducted to the labor organization. Unless the parties agree to an earlier date, the  
12 agreement shall take effect 60 days after certification by the commission that the  
13 referendum vote authorized the agreement. The employer shall be held harmless  
14 against any claims, demands, suits and other forms of liability made by employes or  
15 local labor organizations which may arise for actions taken by the employer in  
16 compliance with this section. All such lawful claims, demands, suits and other forms  
17 of liability are the responsibility of the labor organization entering into the  
18 agreement.

19 (d) Under each fair-share or maintenance of membership agreement, an  
20 employe who has religious convictions against dues payments to a labor organization  
21 based on teachings or tenets of a church or religious body of which he or she is a  
22 member shall, on request to the labor organization, have his or her dues paid to a  
23 charity mutually agreed upon by the employe and the labor organization. Any  
24 dispute concerning this paragraph may be submitted to the commission for  
25 adjudication.

1           **(2)** (a) Once authorized, a fair-share or maintenance of membership  
2 agreement shall continue in effect, subject to the right of the employer or labor  
3 organization concerned to petition the commission to conduct a new referendum.  
4 Such petition must be supported by proof that at least 30% of the employees in the  
5 collective bargaining unit desire that the fair-share or maintenance of membership  
6 agreement be discontinued. Upon so finding, the commission shall conduct a new  
7 referendum. If the continuance of the fair-share or maintenance of membership  
8 agreement is approved in the referendum by at least the percentage of eligible voting  
9 employes required for its initial authorization, it shall be continued in effect, subject  
10 to the right of the employer or labor organization to later initiate a further vote  
11 following the procedure prescribed in this subsection. If the continuation of the  
12 agreement is not supported in any referendum, it is deemed terminated at the  
13 termination of the collective bargaining agreement, or one year from the date of the  
14 certification of the result of the referendum, whichever is earlier.

15           (b) The commission shall declare any fair-share or maintenance of  
16 membership agreement suspended upon such conditions and for such time as the  
17 commission decides whenever it finds that the labor organization involved has  
18 refused on the basis of race, color, sexual orientation or creed to receive as a member  
19 any employe in the collective bargaining unit involved, and the agreement shall be  
20 made subject to the findings and orders of the commission. Any of the parties to the  
21 agreement, or any employe covered thereby, may come before the commission, as  
22 provided in s. 111.07, and petition the commission to make such a finding.

23           **(3)** A stipulation for a referendum executed by an employer and a labor  
24 organization may not be filed until after the representation election has been held  
25 and the results certified.

**SECTION 3785m**

1           (4) The commission may, under rules adopted for that purpose, appoint as its  
2 agent an official of the University of Wisconsin Hospitals and Clinics Authority to  
3 conduct the referenda provided for in this section.

4           (5) Notwithstanding sub. (1), if on July 1, 1997, there is a fair-share or  
5 maintenance of membership agreement in effect in any of the collective bargaining  
6 units specified in s. 111.825 (1) (f) 1., 5. or 9., that fair-share or maintenance of  
7 membership agreement shall apply to the corresponding collective bargaining unit  
8 under s. 111.05 (5) (a) 1. to 3. without the necessity of filing a petition or conducting  
9 a referendum, subject to the right of the employees in each collective bargaining unit  
10 to file a petition requesting a referendum under sub. (2) (a).

11           (6) This section applies only in collective bargaining units comprised of  
12 employees of the University of Wisconsin Hospitals and Clinics Authority.

22 bargaining includes the reduction of any agreement reached to a written and signed  
23 document. The municipal employer shall not be required to bargain on subjects  
24 reserved to management and direction of the governmental unit except insofar as the  
25 manner of exercise of such functions affects the wages, hours and conditions of

24 organization by a municipal employer that includes all of the following, except as  
25 provided in subd. 2.:

11 to provide for a salary increase of at least one full step for each 12-month period  
12 covered by the proposed collective bargaining agreement, beginning with the  
13 expiration date of any previous collective bargaining agreement, for each municipal  
14 employe who is eligible for a within range salary increase, unless the increased cost  
15 of providing such a salary increase, as determined under sub. (4) (cm) 8s., exceeds  
16 2.1% of the total compensation and fringe benefit costs for all municipal employes in

12 expiration date of any previous collective bargaining agreement, for the municipal

17 collective bargaining agreement, including that percentage required to provide for  
18 any step increase and any increase due to a promotion or the attainment of increased  
19 professional qualifications, as determined under sub. (4) (cm) 8s., unless the  
20 increased cost of providing such a salary increase, as determined under sub. (4) (cm)  
21 8s., exceeds 2.1% of the total compensation and fringe benefit costs for all municipal  
22 employes in the collective bargaining unit for any 12-month period covered by the  
23 proposed collective bargaining agreement, or unless the increased cost required to  
24 maintain the percentage contribution by the municipal employer to the municipal  
25 employes' existing fringe benefit costs and to maintain all fringe benefits provided

1 to the municipal employes, as determined under sub. (4) (cm) 8s., in addition to the  
2 increased cost of providing such a salary increase, exceeds 3.8% of the total  
3 compensation and fringe benefit costs for all municipal employes in the collective  
4 bargaining unit for any 12-month period covered by the collective bargaining  
5 agreement, in which case the offer shall include provision for a salary increase for  
6 each such period for the municipal employes covered by the agreement at least  
7 equivalent to an average of that percentage, if any, for each such period of the  
8 prorated portion of 2.1% of the total compensation and fringe benefit costs for all  
9 municipal employes in the collective bargaining unit that remains, if any, after the  
10 increased cost of such maintenance exceeding 1.7% of the total compensation and  
11 fringe benefit costs for all municipal employes in the collective bargaining unit for  
12 each 12-month period and the cost of a salary increase of at least one full step for each  
13 municipal employe in the collective bargaining unit who is eligible for a within range

20 percentage contribution by the municipal employer to the municipal employes'  
21 existing fringe benefit costs, as determined under sub. (4) (cm) 8s., and the average  
22 percentage increased cost of maintenance of all fringe benefits provided to the

**SECTION 3793e**

1 collective bargaining unit required for maintenance of those contributions and  
2 benefits for that 12-month period if the increased cost of maintenance of those costs  
3 and benefits exceeds 3.8% of the total compensation and fringe benefit costs for all  
4 municipal employees in the collective bargaining unit for that 12-month period.

5 **SECTION 3794am.** 111.70 (1) (ne) of the statutes is amended to read:

6 111.70 (1) (ne) "School district professional employe" means a municipal  
7 employe who is a professional employe and who is employed by to perform services  
8 for a school district, who holds a license issued by the state superintendent of public  
9 instruction under s. 115.28 (7), and whose employment requires that license.

10 **SECTION 3794c.** 111.70 (1) (nm) of the statutes, as affected by 1993 Wisconsin  
11 Act 16, is repealed is recreated to read:

12 111.70 (1) (nm) "Strike" includes any strike or other concerted stoppage of work  
13 by municipal employes, and any concerted slowdown or other concerted interruption  
14 of operations or services by municipal employes, or any concerted refusal to work or  
15 perform their usual duties as municipal employes, for the purpose of enforcing  
16 demands upon a municipal employer. Such conduct by municipal employes which  
17 is not authorized or condoned by a labor organization constitutes a "strike", but does  
18 not subject such labor organization to the penalties under this subchapter. This  
19 paragraph does not apply to collective bargaining units composed of municipal  
20 employes of any county or municipal employes who are engaged in law enforcement  
21 or fire fighting functions.

22 **SECTION 3794d.** 111.70 (3) (a) 4. of the statutes is amended to read:

23 111.70 (3) (a) 4. To refuse to bargain collectively with a representative of a  
24 majority of its employes in an appropriate collective bargaining unit. Such refusal  
25 shall include action by the employer to issue or seek to obtain contracts, including

**SECTION 3794d**

1 those provided for by statute, with individuals in the collective bargaining unit while  
2 collective bargaining, mediation or fact-finding concerning the terms and conditions  
3 of a new collective bargaining agreement is in progress, unless such individual  
4 contracts contain express language providing that the contract is subject to  
5 amendment by a subsequent collective bargaining agreement. Where the employer  
6 has a good faith doubt as to whether a labor organization claiming the support of a  
7 majority of its employees in an appropriate bargaining unit does in fact have that  
8 support, it may file with the commission a petition requesting an election to that  
9 claim. An employer shall not be deemed to have refused to bargain until an election  
10 has been held and the results thereof certified to the employer by the commission.  
11 The violation shall include, though not be limited thereby, to the refusal to execute  
12 a collective bargaining agreement previously agreed upon. A violation also includes  
13 a failure to advise a labor organization whether the municipal employer accepts or  
14 rejects a fact-finder's recommendations under sub. (4) (ce) 2. The term of any  
15 collective bargaining agreement shall not exceed 3 years.

16 **SECTION 3794e.** 111.70 (3) (a) 7. of the statutes, as affected by 1993 Wisconsin  
17 Act 16, is repealed and recreated to read:

18 111.70 (3) (a) 7. To refuse or otherwise fail to implement an arbitration decision  
19 lawfully made under sub. (4) (cm).

20 **SECTION 3794f.** 111.70 (3) (b) 3. of the statutes is amended to read:

21 111.70 (3) (b) 3. To refuse to bargain collectively with the duly authorized officer  
22 or agent of a municipal employer, provided it is the recognized or certified exclusive  
23 collective bargaining representative of employees in an appropriate collective  
24 bargaining unit. Such refusal to bargain shall include, but not be limited to, the  
25 refusal to execute a collective bargaining agreement previously agreed upon. A

1 violation also includes a failure by a labor organization to advise a municipal  
2 employer whether it accepts or rejects a fact-finder's recommendations under sub.  
3 (4) (ce) 2.

4 **SECTION 3794g.** 111.70 (3) (b) 6. of the statutes, as affected by 1993 Wisconsin  
5 Act 16, is repealed and recreated to read:

6 111.70 (3) (b) 6. To refuse or otherwise fail to implement an arbitration decision  
7 lawfully made under sub. (4) (cm).

8 **SECTION 3794gg.** 111.70 (3) (b) 7. of the statutes is created to read:

9 111.70 (3) (b) 7. In the case of municipal employes of a county, other than those  
10 engaged in law enforcement or fire fighting functions, to engage in, or induce or  
11 encourage any municipal employes to engage in a strike or other concerted refusal  
12 to perform their usual duties as municipal employes.

13 **SECTION 3794h.** 111.70 (4) (c) (title) of the statutes is amended to read:

14 111.70 (4) (c) (title) *Methods for peaceful settlement of disputes; law enforcement*  
15 *and fire fighting personnel.*

16 **SECTION 3794i.** 111.70 (4) (c) 4. of the statutes, as affected by 1993 Wisconsin  
17 Act 16, is repealed and recreated to read:

18 111.70 (4) (c) 4. 'Applicability.' This paragraph applies only to municipal  
19 employes who are engaged in law enforcement or fire fighting functions.

20 **SECTION 3794j.** 111.70 (4) (ce) of the statutes is created to read:

21 111.70 (4) (ce) *Methods for peaceful settlement of disputes; nonprotective county*  
22 *employes.* 1. 'Mediation.' The commission may function as a mediator in any labor  
23 dispute. Such mediation may be carried on by a person designated to act by the  
24 commission upon request of one or both of the parties or upon initiation of the  
25 commission. The function of the mediator shall be to bring the parties together

1 voluntarily under such favorable auspices as will tend to effectuate settlement of the  
2 dispute, but neither the commission nor a mediator shall have the power of  
3 compulsion.

4 2. 'Fact-finding.' a. If a dispute has not been settled after a reasonable period  
5 of negotiation and after the settlement procedures, if any, established by the parties  
6 have been exhausted, the parties jointly may petition the commission, in writing, to  
7 initiate fact-finding and to make recommendations to resolve the dispute.

8 b. Upon receipt of a petition to initiate fact-finding, the commission shall make  
9 an investigation with or without a formal hearing, to determine whether a deadlock  
10 exists. After its investigation the commission shall certify the results thereof. If the  
11 commission certifies that a deadlock exists, it shall appoint a qualified, disinterested  
12 person or, if jointly requested by the parties, a 3-member panel to function as a fact  
13 finder.

14 c. The fact finder may establish dates and places of hearings, and shall conduct  
15 the hearings pursuant to rules established by the commission. Upon request, the  
16 commission shall issue subpoenas for hearings conducted by the fact finder. The fact  
17 finder may administer oaths. Upon completion of the hearing, the fact finder shall  
18 make written findings of fact and recommendations for resolution of the dispute and  
19 shall cause them to be served on the parties and the commission. Costs of  
20 fact-finding proceedings shall be divided equally between the parties. At the time  
21 the fact finder submits a statement of his or her costs to the parties, the fact finder  
22 shall submit a copy thereof to the commission at its Madison office.

23 d. Any fact finder may endeavor to mediate the dispute in which the fact finder  
24 is involved at any time prior to the issuance of the fact finder's recommendations.

1 e. Within the time period mutually agreed upon by the parties, or if no time  
2 period is agreed to within 30 days after receipt of the fact-finder's recommendations,  
3 each party shall advise the other, in writing, as to its acceptance or rejection, in whole  
4 or in part, of the fact finder's recommendations and, at the same time, transmit a  
5 copy of such notice to the commission at its Madison office.

6 3. 'Remedies in event of strike.' Upon establishing that a strike is in progress,  
7 the employer may either seek an injunction or file a prohibited practice charge with  
8 the commission under sub. (3) (b) 7. or both. The existence of an administrative  
9 remedy does not constitute grounds for denial of injunctive relief. The occurrence of  
10 a strike and the participation therein by municipal employes do not affect the rights  
11 of the municipal employer, in law or in equity, to deal with the strike, including:

12 a. The right to impose discipline, including discharge, or suspension without  
13 pay, of any municipal employe participating in the strike.

14 b. The right to cancel the reinstatement eligibility of any municipal employe  
15 engaging in the strike.

16 c. The right of the municipal employer to request the imposition of fines, either  
17 against the labor organization or against any municipal employe engaging in the  
18 strike, or to sue for damages because of such strike activity.

19 4. 'Application.' This paragraph applies only to municipal employes of a county,  
20 other than municipal employes who are engaged in law enforcement or fire fighting  
21 functions.

22 **SECTION 3794k.** 111.70 (4) (cm) of the statutes, as affected by 1993 Wisconsin  
23 Act 16, is repealed and recreated to read:

24 111.70 (4) (cm) *Methods for peaceful settlement of disputes; other personnel.* 1.  
25 'Notice of commencement of contract negotiations.' For the purpose of advising the

1 commission of the commencement of contract negotiations, whenever either party  
2 requests the other to reopen negotiations under a binding collective bargaining  
3 agreement, or the parties otherwise commence negotiations if no such agreement  
4 exists, the party requesting negotiations shall immediately notify the commission in  
5 writing. Upon failure of the requesting party to provide such notice, the other party  
6 may so notify the commission. The notice shall specify the expiration date of the  
7 existing collective bargaining agreement, if any, and shall set forth any additional  
8 information the commission may require on a form provided by the commission.

9 2. 'Presentation of initial proposals; open meetings.' The meetings between  
10 parties to a collective bargaining agreement or proposed collective bargaining  
11 agreement under this subchapter which are held for the purpose of presenting initial  
12 bargaining proposals, along with supporting rationale, shall be open to the public.  
13 Each party shall submit its initial bargaining proposals to the other party in writing.  
14 Failure to comply with this subdivision is not cause to invalidate a collective  
15 bargaining agreement under this subchapter.

16 3. 'Mediation.' The commission or its designee shall function as mediator in  
17 labor disputes involving municipal employes upon request of one or both of the  
18 parties, or upon initiation of the commission. The function of the mediator shall be  
19 to encourage voluntary settlement by the parties. No mediator has the power of  
20 compulsion.

21 4. 'Grievance arbitration.' Parties to a dispute pertaining to the meaning or  
22 application of the terms of a written collective bargaining agreement may agree in  
23 writing to have the commission or any other appropriate agency serve as arbitrator  
24 or may designate any other competent, impartial and disinterested person to so  
25 serve.

1           5. 'Voluntary impasse resolution procedures.' In addition to the other impasse  
2 resolution procedures provided in this paragraph, a municipal employer and labor  
3 organization may at any time, as a permissive subject of bargaining, agree in writing  
4 to a dispute settlement procedure, including authorization for a strike by municipal  
5 employees or binding interest arbitration, which is acceptable to the parties for  
6 resolving an impasse over terms of any collective bargaining agreement under this  
7 subchapter. A copy of such agreement shall be filed by the parties with the  
8 commission. If the parties agree to any form of binding interest arbitration, the  
9 arbitrator shall give weight to the factors enumerated under subd. 7.

10           5s. 'Issues subject to arbitration.' In a collective bargaining unit consisting of  
11 school district professional employees, the municipal employer or the labor  
12 organization may petition the commission to determine whether the municipal  
13 employer has submitted a qualified economic offer. The commission shall appoint an  
14 investigator for that purpose. If the investigator finds that the municipal employer  
15 has submitted a qualified economic offer, the investigator shall determine whether  
16 a deadlock exists between the parties with respect to all economic issues. If the  
17 municipal employer submits a qualified economic offer applicable to any period  
18 beginning on or after July 1, 1993, no economic issues are subject to interest  
19 arbitration under subd. 6. for that period. In such a collective bargaining unit,  
20 economic issues concerning the wages, hours or conditions of employment of the  
21 school district professional employees in the unit for any period prior to July 1, 1993,  
22 are subject to interest arbitration under subd. 6. for that period. In such a collective  
23 bargaining unit, noneconomic issues applicable to any period on or after July 1, 1993,  
24 are subject to interest arbitration after the parties have reached agreement and  
25 stipulate to agreement on all economic issues concerning the wages, hours or

1 conditions of employment of the school district professional employes in the unit for  
2 that period. In such a collective bargaining unit, if the commission's investigator  
3 finds that the municipal employer has submitted a qualified economic offer and that  
4 a deadlock exists between the parties with respect to all economic issues, the parties  
5 are deemed to have stipulated to the inclusion in a new or revised collective  
6 bargaining agreement of all provisions of any predecessor collective bargaining  
7 agreement concerning economic issues, or of all provisions of any existing collective  
8 bargaining agreement concerning economic issues if the parties have reopened  
9 negotiations under an existing agreement, as modified by the terms of the qualified  
10 economic offer and as otherwise modified by the parties. In such a collective  
11 bargaining unit, a municipal employer that unilaterally implements the terms of a  
12 stipulation under this subdivision does not violate sub. (3) (a) 4. Any such unilateral  
13 implementation after August 11, 1993, operates as a full, final and complete  
14 settlement of all economic issues between the parties for the period included within  
15 the qualified economic offer. The failure of a labor organization to recognize the  
16 validity of such a lawful qualified economic offer does not affect the obligation of the  
17 municipal employer to submit economic issues to arbitration under subd. 6.

18 6. 'Interest arbitration.' a. If in any collective bargaining unit a dispute  
19 relating to one or more issues, qualifying for interest arbitration under subd. 5s. in  
20 a collective bargaining unit to which subd. 5s. applies, has not been settled after a  
21 reasonable period of negotiation and after mediation by the commission under subd.  
22 3. and other settlement procedures, if any, established by the parties have been  
23 exhausted, and the parties are deadlocked with respect to any dispute between them  
24 over wages, hours and conditions of employment to be included in a new collective  
25 bargaining agreement, either party, or the parties jointly, may petition the

1 commission, in writing, to initiate compulsory, final and binding arbitration, as  
2 provided in this paragraph. At the time the petition is filed, the petitioning party  
3 shall submit in writing to the other party and the commission its preliminary final  
4 offer containing its latest proposals on all issues in dispute. Within 14 calendar days  
5 after the date of that submission, the other party shall submit in writing its  
6 preliminary final offer on all disputed issues to the petitioning party and the  
7 commission. If a petition is filed jointly, both parties shall exchange their  
8 preliminary final offers in writing and submit copies to the commission at the time  
9 the petition is filed.

10 am. Upon receipt of a petition to initiate arbitration, the commission shall  
11 make an investigation, with or without a formal hearing, to determine whether  
12 arbitration should be commenced. If in determining whether an impasse exists the  
13 commission finds that the procedures set forth in this paragraph have not been  
14 complied with and such compliance would tend to result in a settlement, it may order  
15 such compliance before ordering arbitration. The validity of any arbitration award  
16 or collective bargaining agreement shall not be affected by failure to comply with  
17 such procedures. Prior to the close of the investigation each party shall submit in  
18 writing to the commission its single final offer containing its final proposals on all  
19 issues in dispute that are subject to interest arbitration under this subdivision or  
20 under subd. 5s. in collective bargaining units to which subd. 5s. applies. If a party  
21 fails to submit a single, ultimate final offer, the commission shall close the  
22 investigation based on the last written position of the party. The municipal employer  
23 may not submit a qualified economic offer under subd. 5s. after the close of the  
24 investigation. Such final offers may include only mandatory subjects of bargaining,  
25 except that a permissive subject of bargaining may be included by a party if the other

1 party does not object and shall then be treated as a mandatory subject. No later than  
2 such time, the parties shall also submit to the commission a stipulation, in writing,  
3 with respect to all matters which are agreed upon for inclusion in the new or  
4 amended collective bargaining agreement. The commission, after receiving a report  
5 from its investigator and determining that arbitration should be commenced, shall  
6 issue an order requiring arbitration and immediately submit to the parties a list of  
7 7 arbitrators. Upon receipt of such list, the parties shall alternately strike names  
8 until a single name is left, who shall be appointed as arbitrator. The petitioning party  
9 shall notify the commission in writing of the identity of the arbitrator selected. Upon  
10 receipt of such notice, the commission shall formally appoint the arbitrator and  
11 submit to him or her the final offers of the parties. The final offers shall be considered  
12 public documents and shall be available from the commission. In lieu of a single  
13 arbitrator and upon request of both parties, the commission shall appoint a tripartite  
14 arbitration panel consisting of one member selected by each of the parties and a  
15 neutral person designated by the commission who shall serve as a chairperson. An  
16 arbitration panel has the same powers and duties as provided in this section for any  
17 other appointed arbitrator, and all arbitration decisions by such panel shall be  
18 determined by majority vote. In lieu of selection of the arbitrator by the parties and  
19 upon request of both parties, the commission shall establish a procedure for  
20 randomly selecting names of arbitrators. Under the procedure, the commission shall  
21 submit a list of 7 arbitrators to the parties. Each party shall strike one name from  
22 the list. From the remaining 5 names, the commission shall randomly appoint an  
23 arbitrator. Unless both parties to an arbitration proceeding otherwise agree in  
24 writing, every individual whose name is submitted by the commission for  
25 appointment as an arbitrator shall be a resident of this state at the time of

1 submission and every individual who is designated as an arbitration panel  
2 chairperson shall be a resident of this state at the time of designation.

3 b. The arbitrator shall, within 10 days of his or her appointment, establish a  
4 date and place for the conduct of the arbitration hearing. Upon petition of at least  
5 5 citizens of the jurisdiction served by the municipal employer, filed within 10 days  
6 after the date on which the arbitrator is appointed, the arbitrator shall hold a public  
7 hearing in the jurisdiction for the purpose of providing the opportunity to both  
8 parties to explain or present supporting arguments for their positions and to  
9 members of the public to offer their comments and suggestions. The final offers of  
10 the parties, as transmitted by the commission to the arbitrator, shall serve as the  
11 basis for continued negotiations, if any, between the parties with respect to the issues  
12 in dispute. At any time prior to the arbitration hearing, either party, with the consent  
13 of the other party, may modify its final offer in writing.

14 c. Prior to the arbitration hearing, either party may, within a time limit  
15 established by the arbitrator, withdraw its final offer and mutually agreed upon  
16 modifications thereof, if any, and shall immediately provide written notice of such  
17 withdrawal to the other party, the arbitrator and the commission. If both parties  
18 withdraw their final offers and mutually agreed upon modifications, the labor  
19 organization, after giving 10 days' written advance notice to the municipal employer  
20 and the commission, may strike. Unless both parties withdraw their final offers and  
21 mutually agreed upon modifications, the final offer of neither party shall be deemed  
22 withdrawn and the arbitrator shall proceed to resolve the dispute by final and  
23 binding arbitration as provided in this paragraph.

24 d. Before issuing his or her arbitration decision, the arbitrator shall, on his or  
25 her own motion or at the request of either party, conduct a meeting open to the public

1 for the purpose of providing the opportunity to both parties to explain or present  
2 supporting arguments for their complete offer on all matters to be covered by the  
3 proposed agreement. The arbitrator shall adopt without further modification the  
4 final offer of one of the parties on all disputed issues submitted under subd. 6. am.,  
5 except those items that the commission determines not to be mandatory subjects of  
6 bargaining and those items which have not been treated as mandatory subjects by  
7 the parties, and including any prior modifications of such offer mutually agreed upon  
8 by the parties under subd. 6. b., which decision shall be final and binding on both  
9 parties and shall be incorporated into a written collective bargaining agreement.  
10 The arbitrator shall serve a copy of his or her decision on both parties and the  
11 commission.

12 e. Arbitration proceedings shall not be interrupted or terminated by reason of  
13 any prohibited practice complaint filed by either party at any time.

14 f. The costs of arbitration shall be divided equally between the parties. The  
15 arbitrator shall submit a statement of his or her costs to both parties and to the  
16 commission.

17 g. If a question arises as to whether any proposal made in negotiations by either  
18 party is a mandatory, permissive or prohibited subject of bargaining, the commission  
19 shall determine the issue pursuant to par. (b). If either party to the dispute petitions  
20 the commission for a declaratory ruling under par. (b), the proceedings under subd.  
21 6. c. and d. shall be delayed until the commission renders a decision in the matter,  
22 but not during any appeal of the commission order. The arbitrator's award shall be  
23 made in accordance with the commission's ruling, subject to automatic amendment  
24 by any subsequent court reversal thereof.

1           7. 'Factors considered.' In making any decision under the arbitration  
2 procedures authorized by this paragraph, the arbitrator shall give weight to the  
3 following factors:

4           a. The lawful authority of the municipal employer.

5           b. Stipulations of the parties.

6           c. The interests and welfare of the public and the financial ability of the unit  
7 of government to meet the costs of any proposed settlement.

8           d. Comparison of wages, hours and conditions of employment of the municipal  
9 employes involved in the arbitration proceedings with the wages, hours and  
10 conditions of employment of other employes performing similar services.

11           e. Comparison of the wages, hours and conditions of employment of the  
12 municipal employes involved in the arbitration proceedings with the wages, hours  
13 and conditions of employment of other employes generally in public employment in  
14 the same community and in comparable communities.

15           f. Comparison of the wages, hours and conditions of employment of the  
16 municipal employes involved in the arbitration proceedings with the wages, hours  
17 and conditions of employment of other employes in private employment in the same  
18 community and in comparable communities.

19           g. The average consumer prices for goods and services, commonly known as the  
20 cost of living.

21           h. The overall compensation presently received by the municipal employes,  
22 including direct wage compensation, vacation, holidays and excused time, insurance  
23 and pensions, medical and hospitalization benefits, the continuity and stability of  
24 employment, and all other benefits received.

1 hm. Any state law or directive lawfully issued by a state legislative or  
2 administrative officer, body or agency which places limitations on expenditures that  
3 may be made or revenues that may be collected by a municipal employer.

4 i. Changes in any of the foregoing circumstances during the pendency of the  
5 arbitration proceedings.

6 j. Such other factors, not confined to the foregoing, which are normally or  
7 traditionally taken into consideration in the determination of wages, hours and  
8 conditions of employment through voluntary collective bargaining, mediation,  
9 fact-finding, arbitration or otherwise between the parties, in the public service or in  
10 private employment.

11 8. 'Rule making.' The commission shall adopt rules for the conduct of all  
12 arbitration proceedings under subd. 6., including, but not limited to, rules for:

13 a. The appointment of tripartite arbitration panels when requested by the  
14 parties.

15 b. The expeditious rendering of arbitration decisions, such as waivers of briefs  
16 and transcripts.

17 c. The removal of individuals who have repeatedly failed to issue timely  
18 decisions from the commission's list of qualified arbitrators.

19 d. Proceedings for the enforcement of arbitration decisions.

20 8m. 'Term of agreement; reopening of negotiations.' a. Except for the initial  
21 collective bargaining agreement between the parties and except as the parties  
22 otherwise agree, every collective bargaining agreement covering municipal  
23 employes subject to this paragraph other than school district professional employes  
24 shall be for a term of 2 years. No collective bargaining agreement for any collective

1 bargaining unit consisting of municipal employees subject to this paragraph other  
2 than school district professional employees shall be for a term exceeding 3 years.

3 b. Except for the initial collective bargaining agreement between the parties,  
4 every collective bargaining agreement covering municipal employees who are school  
5 district professional employees shall be for a term of 2 years expiring on June 30 of  
6 the odd-numbered year. An initial collective bargaining agreement between parties  
7 covering municipal employees who are school district professional employees shall be  
8 for a term ending on June 30 following the effective date of the agreement, if that date  
9 is in an odd-numbered year, or otherwise on June 30 of the following year.

10 c. No arbitration award may contain a provision for reopening of negotiations  
11 during the term of a collective bargaining agreement, unless both parties agree to  
12 such a provision. The requirement for agreement by both parties does not apply to  
13 a provision for reopening of negotiations with respect to any portion of an agreement  
14 that is declared invalid by a court or administrative agency or rendered invalid by  
15 the enactment of a law or promulgation of a federal regulation.

16 8p. 'Professional school employe salaries.' In every collective bargaining unit  
17 covering municipal employees who are school district professional employees in which  
18 the municipal employe positions were, on the effective date of this subdivision ...  
19 [revisor inserts date], assigned to salary ranges with steps that determine the levels  
20 of progression within each salary range, unless the parties otherwise agree, no new  
21 or modified collective bargaining agreement may contain any provision altering the  
22 salary range structure, the number of steps or the requirements for attaining a step  
23 or assignment of a position to a salary range, except that if the cost of funding the  
24 attainment of a step is greater than the amount required for the municipal employer  
25 to submit a qualified economic offer, the agreement may contain a provision altering

1 the requirements for attaining a step to no greater extent than is required for the  
2 municipal employer to submit a qualified economic offer at the minimum possible  
3 cost to the municipal employer.

4 8s. 'Forms for determining costs.' The commission shall prescribe forms for  
5 calculating the total increased cost to the municipal employer of compensation and  
6 fringe benefits provided to school district professional employes. The cost shall be  
7 determined based upon the total cost of compensation and fringe benefits provided  
8 to school district professional employes who are represented by a labor organization  
9 on the 90th day before expiration of any previous collective bargaining agreement  
10 between the parties, or who were so represented if the effective date is retroactive,  
11 or the 90th day prior to commencement of negotiations if there is no previous  
12 collective bargaining agreement between the parties, without regard to any change  
13 in the number, rank or qualifications of the school district professional employes. For  
14 purposes of such determinations, any cost increase that is incurred on any day other  
15 than the beginning of the 12-month period commencing with the effective date of the  
16 agreement or any succeeding 12-month period commencing on the anniversary of  
17 that effective date shall be calculated as if the cost increase were incurred as of the  
18 beginning of the 12-month period beginning on the effective date or anniversary of  
19 the effective date in which the cost increase is incurred. In each collective bargaining  
20 unit to which subd. 5s. applies, the municipal employer shall transmit to the  
21 commission and the labor organization a completed form for calculating the total  
22 increased cost to the municipal employer of compensation and fringe benefits  
23 provided to the school district professional employes covered by the agreement as  
24 soon as possible after the effective date of the agreement.

1           9. 'Application.' a. Chapter 788 does not apply to arbitration proceedings under  
2 this paragraph.

3           b. This paragraph does not apply to labor disputes involving municipal  
4 employes of any county or municipal employes who are engaged in law enforcement  
5 or fire fighting functions.

6           **SECTION 3794m.** 111.70 (4) (cn) of the statutes, as created by 1993 Wisconsin  
7 Act 16, is repealed and recreated to read:

8           111.70 (4) (cn) *Term of professional school employe agreements.* Except for the  
9 initial collective bargaining agreement between the parties, every collective  
10 bargaining agreement covering municipal employes who are school district  
11 professional employes shall be for a term of 2 years expiring on June 30 of the  
12 odd-numbered year. An initial collective bargaining agreement between parties  
13 covering municipal employes who are school district professional employes shall be  
14 for a term ending on June 30 following the effective date of the agreement, if that date  
15 is in an odd-numbered year, or otherwise on June 30 of the following year.

16           **SECTION 3800am.** 111.70 (4) (d) 2. a. of the statutes is amended to read:

17           111.70 (4) (d) 2. a. The commission shall determine the appropriate collective  
18 bargaining unit for the purpose of collective bargaining and shall whenever possible,  
19 unless otherwise required under this subchapter, avoid fragmentation by  
20 maintaining as few collective bargaining units as practicable in keeping with the size  
21 of the total municipal work force. In making such a determination, the commission  
22 may decide whether, in a particular case, the municipal employes in the same or  
23 several departments, divisions, institutions, crafts, professions or other  
24 occupational groupings constitute a collective bargaining unit. Before making its  
25 determination, the commission may provide an opportunity for the municipal

3800am**

1 employes concerned to determine, by secret ballot, whether or not they desire to be  
2 established as a separate collective bargaining unit. The commission shall not  
3 decide, however, that any ~~unit is~~ group of municipal employes constitutes an  
4 appropriate collective bargaining unit if the ~~unit group~~ includes both municipal  
5 employes who are school district professional employes and municipal employes who  
6 are not school district professional employes. The commission shall not decide that  
7 any other group of municipal employes constitutes an appropriate collective  
8 bargaining unit if the group includes both professional employes and  
9 nonprofessional employes, unless a majority of the professional employes vote for  
10 inclusion in the unit. The commission shall not decide that any ~~unit is~~ group of  
11 municipal employes constitutes an appropriate collective bargaining unit if the ~~unit~~  
12 group includes both craft employes and noncraft employes unless a majority of the  
13 craft employes vote for inclusion in the unit. The commission shall place the  
14 professional employes who are assigned to perform any services at a charter school,  
15 as defined in s. 115.001 (1), in a separate collective bargaining unit from a unit that  
16 includes any other professional employes whenever at least 30% of those  
17 professional employes request an election to be held to determine that issue and a  
18 majority of the professional employes at the charter school who cast votes in the  
19 election decide to be represented in a separate collective bargaining unit. Any vote  
20 taken under this subsection shall be by secret ballot.

21 **SECTION 3800m.** 111.70 (4) (L) of the statutes, as affected by 1993 Wisconsin  
22 Act 16, is repealed and recreated to read:

23 111.70 (4) (L) *Strikes prohibited.* Except as authorized under par. (cm) 5. and  
24 6. c., nothing contained in this subchapter constitutes a grant of the right to strike  
25 by any municipal employe or labor organization, and such strikes are hereby

**SECTION 3800m**

1 expressly prohibited. Paragraph (cm) does not authorize any strike after an  
2 injunction has been issued against such strike under sub. (7m).

3 **SECTION 3801.** 111.70 (4) (m) of the statutes is created to read:

4 111.70 (4) (m) *Prohibited subjects of bargaining.* In a school district, the  
5 municipal employer is prohibited from bargaining collectively with respect to:

6 1. Reassignment of municipal employes who perform services for a board of  
7 school directors under ch. 119, with or without regard to seniority, as a result of a  
8 decision of the board of school directors to contract with an individual or group to  
9 operate a school as a charter school, as defined in s. 115.001 (1), or to convert a school  
10 to a charter school, or the impact of any such reassignment on the wages, hours or  
11 conditions of employment of the municipal employes who perform those services.

12 2. Reassignment of municipal employes who perform services for a board of  
13 school directors, with or without regard to seniority, as a result of the decision of the  
14 board to close or reopen a school under s. 119.18 (23), or the impact of any such  
15 reassignment on the wages, hours or conditions of employment of the municipal  
16 employes who perform those services.

17 4. Any decision of a board of school directors to contract with a school or agency  
18 to provide educational programs under s. 119.235, or the impact of any such decision  
19 on the wages, hours or conditions of employment of the municipal employes who  
20 perform services for the board.

21 5. Any decision of a school board or board of school directors to contract for the  
22 establishment of a charter school under s. 118.40, in which one or more of the  
23 employes of the charter school is not a school district employe, or the impact of any  
24 such decision on the wages, hours or conditions of employment of the municipal  
25 employes who perform services for the school board or board of school directors.

**SECTION  
3801am**

1           **SECTION 3801am.** 111.70 (4) (n) of the statutes is created to read:

2           111.70 (4) (n) *Permissive subjects of collective bargaining.* The municipal  
3 employer is not required to bargain collectively with the representative of a collective  
4 bargaining unit consisting of school district professional employees with respect to the  
5 identity of any group health care benefits provider.

6           **SECTION 3801b.** 111.70 (7) of the statutes, as affected by 1993 Wisconsin Act  
7 16, is renumbered 111.70 (7) (a).

8           **SECTION 3801d.** 111.70 (7) (b) of the statutes, as affected by 1993 Wisconsin Act  
9 16, is repealed and recreated to read:

10          111.70 (7) (b) This subsection applies only to municipal employees who are  
11 engaged in law enforcement or fire fighting functions.

12          **SECTION 3801f.** 111.70 (7m) of the statutes, as affected by 1993 Wisconsin Act  
13 16, is repealed and recreated to read:

14          111.70 (7m) INJUNCTIVE RELIEF; PENALTIES; CIVIL LIABILITY. (a) *Injunction;*  
15 *prohibited strike.* At any time after the commencement of a strike which is prohibited  
16 under sub. (4) (L), the municipal employer or any citizen directly affected by such  
17 strike may petition the circuit court for an injunction to immediately terminate the  
18 strike. If the court determines that the strike is prohibited under sub. (4) (L), it shall  
19 issue an order immediately enjoining the strike, and in addition shall impose the  
20 penalties provided in par. (c).

21          (b) *Injunction; threat to public health or safety.* At any time after a labor  
22 organization gives advance notice of a strike under sub. (4) (cm) which is expressly  
23 authorized under sub. (4) (cm), the municipal employer or any citizen directly  
24 affected by such strike may petition the circuit court to enjoin the strike. If the court  
25 finds that the strike poses an imminent threat to the public health or safety, the court

1 shall, within 48 hours after the receipt of the petition but after notice to the parties  
2 and after holding a hearing, issue an order immediately enjoining the strike, and in  
3 addition shall order the parties to submit a new final offer on all disputed issues to  
4 the commission for final and binding arbitration as provided in sub. (4) (cm). The  
5 commission, upon receipt of the final offers of the parties, shall transmit them to the  
6 arbitrator or a successor designated by the commission. The arbitrator shall omit  
7 preliminary steps and shall commence immediately to arbitrate the dispute.

8 (c) *Penalties.* 1. 'Labor organizations.' a. Any labor organization which  
9 violates sub. (4) (L) shall be penalized by the suspension of any dues check-off  
10 agreement and fair-share agreement between the municipal employer and such  
11 labor organization for a period of one year. At the end of the period of suspension,  
12 any such agreement shall be reinstated unless the labor organization is no longer  
13 authorized to represent the municipal employes covered by such dues check-off or  
14 fair-share agreement or the agreement is no longer in effect.

15 b. Any labor organization which violates sub. (4) (L) after an injunction has  
16 been issued shall be required to forfeit \$2 per member per day, but not more than  
17 \$10,000 per day. Each day of continued violation constitutes a separate offense.

18 2. 'Individuals.' Any individual who violates sub. (4) (L) after an injunction  
19 against a strike has been issued shall be fined \$10. Each day of continued violation  
20 constitutes a separate offense. After the injunction has been issued, any municipal  
21 employe who is absent from work because of purported illness is presumed to be on  
22 strike unless the illness is verified by a written report from a physician to the  
23 municipal employer. The court shall order that any fine imposed under this  
24 subdivision be paid by means of a salary deduction at a rate to be determined by the  
25 court.

1           3. 'Strike in violation of award.' Any person who authorizes or otherwise  
2 participates in a strike after the issuance of any final and binding arbitration award  
3 or decision under sub. (4) (cm) and prior to the end of the term of the agreement which  
4 the award or decision amends or creates shall forfeit not less than \$15. Each day of  
5 continued violation constitutes a separate offense.

6           4. 'Contempt of court.' The penalties provided in this paragraph do not preclude  
7 the imposition by the court of any penalty for contempt provided by law.

8           (d) *Compensation forfeited.* No municipal employe may be paid wages or  
9 salaries by the municipal employer for the period during which he or she engages in  
10 any strike.

11           (e) *Civil liability.* Any party refusing to include an arbitration award or  
12 decision under sub. (4) (cm) in a written collective bargaining agreement or failing  
13 to implement the award or decision, unless good cause is shown, shall be liable for  
14 attorney fees, interest on delayed monetary benefits, and other costs incurred in any  
15 action by the nonoffending party to enforce the award or decision.

16           (f) *Application.* This subsection does not apply to strikes involving municipal  
17 employes of any county or municipal employes who are engaged in law enforcement  
18 or fire fighting functions.

19           **SECTION 3801h.** 111.70 (8) (a) of the statutes, as affected by 1993 Wisconsin Act  
20 16, is repealed and recreated to read:

21           111.70 (8) (a) This section, except subs. (1) (nm), (4) (cm) and (7m), applies to  
22 law enforcement supervisors employed by a 1st class city. This section, except subs.  
23 (1) (nm), (4) (cm) and (jm) and (7m), applies to law enforcement supervisors employed  
24 by a county having a population of 500,000 or more. For purposes of such application,  
25 the term "municipal employe" includes such a supervisor.

**SECTION 3803d**

6 under this paragraph, the modification, extension or renewal of the agreement may

13 agreement may be made only upon approval of the committee.

14 (b) If the committee schedules a meeting under par. (a) with respect to an  
15 extension or renewal of the agreement and does not approve the agreement, the  
16 on-campus facilities and all assets and liabilities, tangible personal property,  
17 contracts, rules, policies and procedures and pending matters of the authority shall

24           (c) A provision that gives the state ownership of all of the following:

1           1. Any improvements or modifications made by the authority to on-campus

14 to accept liability for all encumbrances against the appropriation on that date.

15           (g) A provision that protects the board of regents from all liability associated  
16 with the management, operation, use or maintenance of the on-campus facilities.  
17 No such provision shall make the authority liable for the acts or omissions of any

5 days after the date of the submittal under this paragraph, the cochairpersons of the  
6 committee notify the authority and the board of regents that the committee has  
7 scheduled a meeting for the purpose of reviewing the proposed modification,  
8 extension or renewal of the agreement, the modification, extension or renewal of the  
9 agreement may be made only upon approval of the committee.

10 (b) If the committee schedules a meeting under par. (a) with respect to an  
11 extension or renewal of the agreement and does not approve the agreement, the  
12 on-campus facilities and all assets and liabilities, tangible personal property,

23 (b) Provisions that ensure support of the educational, research and clinical  
24 activities of the University of Wisconsin-Madison by the authority.

1 (c) A provision that requires the development of standards relating to the  
2 selection and financing by the authority of any corporation or partnership that

17 cochairpersons of the committee notify the authority and the board of regents that  
18 the committee has scheduled a meeting for the purpose of reviewing the proposed  
19 modification, extension or renewal of the agreement, the modification, extension or  
20 renewal of the agreement may be made only upon approval of the committee.

21 (b) If the committee schedules a meeting under par. (a) with respect to an  
22 extension or renewal of the agreement and does not approve the agreement, the  
23 on-campus facilities and all assets and liabilities, tangible personal property,  
24 contracts, rules, policies and procedures and pending matters of the authority shall  
25 transfer to or otherwise become the obligation of the board of regents.

1           **(7s)** Prior to negotiation of extension or renewal of the initial lease agreement  
2 under sub. (7) or the initial affiliation agreement under sub. (7m), notify the  
3 legislative audit bureau and cooperate with the bureau in its performance of the  
4 audit required under s. 13.94 (1) (o).

5           **(8)** Use the building commission as a financial consultant to assist and  
6 coordinate the issuance of bonds under this chapter.

7           **(9)** Provide, on a monthly basis, the secretary of administration with such  
8 financial and statistical information as is required by the secretary of  
9 administration.

10           **(10)** Operate a poison control center under s. 146.57. If Children's Hospital of

21 determine all of the following:

22           (a) The compensation of the employes of the authority.

23           (b) The kinds of leave to which an employe of the authority is entitled, including

3 (c) Any other employment benefits to which an employe of the authority is

21 ending on June 30, 1997, do all of the following:

22 1. Pay to the carry-over employe the same compensation that the employe

10 jury service leave and voting leave in accordance with s. 230.35 (3) and (4) (e) and,  
11 to the extent applicable, rules of the department of employment relations governing  
12 such leaves for employes in the classified service as of the last day of the employe's  
13 employment as a state employe if the employe was entitled to those benefits on that

15           5. Grant to the carry-over employe the same opportunity for employe training  
16 provided under s. 230.046 as of the last day of his or her employment as a state  
17 employe if the employe was entitled to those benefits on that day.

18           (d) If an employe of the authority is not a carry-over employe and is an employe

20 1997, provide that employe the same rights, benefits and compensation provided to

24 3. Grant to the carry-over employe, except when he or she is on an unpaid leave

5 academic staff appointment.

6 4. Grant to the carry-over employe the same paid annual leave of absence, paid  
7 sick leave and unpaid leave of absence that the employe received as of the last day  
8 of his or her employment in the academic staff appointment.

9 5. Grant to the carry-over employe military leave, treatment of military leave,  
10 jury service leave and voting leave in accordance with policies and procedures  
11 established by the board of regents under s. 36.15 (2) and, as of the last day of the

15 board of regents under s. 36.15 (2) as of the last day of his or her employment in the  
16 academic staff appointment.

17 **(3t)** Unless expressly prohibited under ch. 40 or under federal law, the  
18 authority shall, from June 29, 1996, to June 30, 1997, not change to the detriment  
19 of a carry-over employe any employe benefit plan provided to the carry-over employe  
20 as of the last day of the employe's employment in the academic staff appointment.

21 **(4)** Notwithstanding the requirement that an employe be a state employe, a  
22 carry-over employe of the authority who was employed in a position in the classified  
23 service immediately prior to beginning employment with the authority shall, from  
24 June 29, 1996, to June 30, 1997, have the same transfer rights under s. 230.29 and

1 the rules of the department of employment relations governing transfers as a person  
2 who holds a position in the classified service.

3 (6) An employe of the authority to whom s. 230.44 (1) (g) applies may appeal  
4 personnel decisions of the authority to the personnel commission.

5 **233.13 Closed records.** Except as provided in s. 103.13, the authority may  
6 keep records of the following personnel matters closed to the public:

7 (1) Examination scores and ranks and other evaluations of applicants.

8 (2) Dismissals, demotions and other disciplinary actions.

9 (3) Addresses and home telephone numbers of employes.

10 (4) Pay survey data obtained from identifiable nonpublic employers.

11 (5) Names of nonpublic employers contributing pay survey data.

12 **233.17 Liability limited.** (1) Neither the state, any political subdivision of  
13 the state nor any officer, employe or agent of the state or a political subdivision who  
14 is acting within the scope of employment or agency is liable for any debt, obligation,  
15 act or omission of the authority.

16 (2) (a) No officer, employe or agent of the board of regents, including any  
17 student who is enrolled at an institution or center within the University of Wisconsin  
18 System, is an agent of the authority unless the officer, employe or agent acts at the  
19 express written direction of the authority.

20 (b) Notwithstanding par. (a), no member of the faculty or academic staff of the  
21 University of Wisconsin System, acting within the scope of his or her employment,  
22 may be considered, for liability purposes, as an agent of the authority.

23 **233.20 Issuance of bonds.** (1) The authority may issue bonds for any  
24 corporate purpose. All bonds are negotiable for all purposes, notwithstanding their  
25 payment from a limited source.

1           **(2)** The bonds of each issue shall be payable from sources specified in the bond  
2 resolution under which the bonds are issued or in a related trust agreement, trust  
3 indenture, indenture of mortgage or deed of trust.

4           **(3)** The authority may not issue bonds unless the issuance is first authorized  
5 by a bond resolution. Bonds shall bear the dates, mature at the times not exceeding  
6 30 years from their dates of issue, bear interest at the rates, be payable at the times,  
7 be in the denominations, be in the form, carry the registration and conversion  
8 privileges, be executed in the manner, be payable in lawful money of the United  
9 States at the places, and be subject to the terms of redemption, that the bond  
10 resolution provides. The bonds shall be executed by the manual or facsimile  
11 signatures of the officers of the authority designated by the board. The bonds may  
12 be sold at public or private sale at the price, in the manner and at the time  
13 determined by the board. Pending preparation of definitive bonds, the authority may  
14 issue interim receipts or certificates that shall be exchanged for the definitive bonds.

15           **(4)** Any bond resolution may contain provisions, which shall be a part of the  
16 contract with the holders of the bonds that are authorized by the bond resolution,  
17 regarding any of the following:

18           (a) Pledging or assigning specified assets or revenues of the authority.

19           (b) Setting aside reserves or sinking funds, and the regulation, investment and  
20 disposition of these funds.

21           (c) Limitations on the purpose to which or the investments in which the  
22 proceeds of the sale of any issue of bonds may be applied.

23           (d) Limitations on the issuance of additional bonds, the terms upon which  
24 additional bonds may be issued and secured and the terms upon which additional  
25 bonds may rank on a parity with, or be subordinate or superior to, other bonds.

1 (e) Funding, refunding, advance refunding or purchasing outstanding bonds.

2 (f) Procedures, if any, by which the terms of any contract with bondholders may  
3 be amended, the amount of bonds the holders of which must consent to the  
4 amendment and the manner in which this consent may be given.

5 (g) Defining the acts or omissions to act that constitute a default in the duties  
6 of the authority to the bondholders, and providing the rights and remedies of the  
7 bondholders in the event of a default.

8 (h) Other matters relating to the bonds that the board considers desirable.

9 (5) Neither the members of the board nor any person executing the bonds is  
10 liable personally on the bonds or subject to any personal liability or accountability  
11 by reason of the issuance of the bonds, unless the personal liability or accountability  
12 is the result of wilful misconduct.

13 **233.21 Bond security.** The authority may secure bonds by a trust agreement,  
14 trust indenture, indenture of mortgage or deed of trust by and between the authority  
15 and one or more corporate trustees. A bond resolution providing for the issuance of  
16 bonds so secured shall mortgage, pledge, assign or grant security interests in some  
17 or all of the revenues to be received by, and property of, the authority and may contain  
18 those provisions for protecting and enforcing the rights and remedies of the  
19 bondholders that are reasonable and proper and not in violation of law. A bond  
20 resolution may contain other provisions determined by the board to be reasonable  
21 and proper for the security of the bondholders.

22 **233.22 Bonds not public debt. (1)** The state is not liable on bonds and the  
23 bonds are not a debt of the state. All bonds shall contain a statement to this effect  
24 on the face of the bond. A bond issue does not, directly or indirectly or contingently,  
25 obligate the state or a political subdivision of the state to levy any tax or make any

1 appropriation for payment of the bonds. Nothing in this section prevents the  
2 authority from pledging its full faith and credit to the payment of bonds.

3 (2) Nothing in this chapter authorizes the authority to create a debt of the state,  
4 and all bonds issued by the authority are payable, and shall state that they are  
5 payable, solely from the funds pledged for their payment in accordance with the bond  
6 resolution authorizing their issuance or in any trust indenture or mortgage or deed  
7 of trust executed as security for the bonds. The state is not liable for the payment  
8 of the principal of or interest on a bond or for the performance of any pledge,  
9 mortgage, obligation or agreement that may be undertaken by the authority. The  
10 breach of any pledge, mortgage, obligation or agreement undertaken by the  
11 authority does not impose pecuniary liability upon the state or a charge upon its  
12 general credit or against its taxing power.

13 **233.23 State pledge.** The state pledges to and agrees with the bondholders,  
14 and persons that enter into contracts with the authority under this chapter, that the  
15 state will not limit or alter the rights vested in the authority by this chapter before  
16 the authority has fully met and discharged the bonds, and any interest due on the  
17 bonds, and has fully performed its contracts, unless adequate provision is made by  
18 law for the protection of the bondholders or those entering into contracts with the  
19 authority.

20 **233.26 Refunding bonds.** (1) The authority may issue bonds to fund or  
21 refund any outstanding bond, including the payment of any redemption premium on  
22 the outstanding bond and any interest accrued or to accrue to the earliest or any  
23 subsequent date of redemption, purchase or maturity.

24 (2) The authority may apply the proceeds of any bond issued to fund or refund  
25 any outstanding bond to purchase, retire at maturity or redeem any outstanding

1 bond. The authority may, pending application, place the proceeds in escrow to be  
2 applied to the purchase, retirement at maturity or redemption of any outstanding  
3 bond at any time.

4 **233.27 Limit on the amount of outstanding bonds.** The authority may not  
5 issue bonds or incur indebtedness described under s. 233.03 (12) if, after the bonds  
6 are issued or the indebtedness is incurred, the aggregate principal amount of the  
7 authority's outstanding bonds, together with all indebtedness described under s.  
8 233.03 (12) would exceed \$50,000,000. Bonds issued to fund or refund outstanding  
9 bonds, or indebtedness incurred to pay off or purchase outstanding indebtedness, is
