**CONTENTS**

The text of Engrossed 1995 Assembly Bill 150 consists of the following documents adopted in the assembly on June 21 and 22, 1995: Assembly Substitute Amendment 1 to the bill, as affected by the assembly's adoption of Assembly Amendment 26 (as affected by Assembly Amendments 1, 2, 3, 12, 22, 31, 33, 34 and 36 thereto), Assembly Amendment 27, Assembly Amendment 35 (as affected by Assembly Amendment 1 thereto) and Assembly Amendment 43.

Two of these amendments affect the same bill text. In this engrossed bill, the treatment of page 2193, line 14, of Assembly Substitute Amendment 1 by Assembly Amendment 1 to Assembly Amendment 35 is superseded by the treatment of page 2193, lines 13 to 25 by Assembly Amendment 26 because Assembly Amendment 26, the later adopted amendment, deleted material inserted by Assembly Amendment 1 to Assembly Amendment 35, the earlier adopted amendment.

**GUIDE TO NONSTATUTORY MATERIAL**

As is the case for all other bills, the SECTIONS of the budget bill treating statutory material are displayed in the ascending numerical sequence of the statute units affected. In some parts of the bill, not all consecutive SECTION numbers are used.

Treatments of prior session laws (styled "[year] Wisconsin Act ...." or, before 1983, "laws of [year], chapter ....") are displayed next by year of original enactment and by act number.

Following the treatment of prior session laws, the remaining nonstatutory material is set forth in bill SECTIONS numbered as follows:

**9101 to 9159: Nonstatutory provisions; agency name.**

**9201 to 9259: Appropriation changes; agency name.**

**9301 to 9359: Initial applicability; agency name.**

**9400 to 9459: Effective dates; agency name.**

In each of the 4 categories, there is a separate SECTION number for every agency. In that number, the last 2 digits correspond to the agencies as shown below. For example, for nonstatutory provisions that are not appropriation changes or initial applicability or effective date provisions affecting the historical society, see SECTION 9128. The agencies are listed in alphabetical sequence by key word. For any agency not yet assigned a 2-digit identification number or any provision that does not relate to the functions of any particular agency, see number “59” (other) in each category.

25 (1) (r), in an amount not exceeding the savings accruing to the state during the fiscal

1 biennium in which the transfer is made resulting from the centralization of  
2 document production, reproduction or distribution functions in the department of  
3 administration, as documented by the department.

4 **SECTION 14g.** 13.101 (4b) of the statutes is created to read:

5 13.101 (4b) The committee may transfer appropriated moneys from the  
6 appropriation account of any state agency, as defined in s. 20.001 (1), other than a

17 **SECTION 16.** 13.101 (6) (a) of the statutes is amended to read:

18 13.101 (6) (a) As an emergency measure necessitated by decreased state  
19 revenues and to prevent the necessity for a state tax on general property, the  
20 committee may reduce any appropriation made to any board, commission,

8     to meet the expenditures therefor. For such reason the committee may make  
9     reductions of such appropriations as in its judgment will secure sound financial

4 are increased by the amount transferred during the fiscal year or biennium for which

3 **SECTION 1631c.** 29.415 (1) of the statutes is amended to read:

4 29.415 (1) PURPOSE. The legislature finds that certain wild animals and wild  
5 plants are endangered or threatened and are entitled to preservation and protection  
6 as a matter of general state concern. The federal endangered species act of 1973 and  
7 the Lacey act together provide for the protection of wild animals and wild plants  
8 threatened with worldwide extinction by prohibiting the importation of endangered  
9 or threatened wild animals and wild plants and by restricting and regulating  
10 interstate and foreign commerce in wild animals and wild plants taken in violation  
11 of state, federal and foreign laws. The states, however, must also assume their  
12 responsibility for conserving these wild animals and wild plants and for restricting  
13 the taking, possession, transportation, processing or sale of endangered or  
14 threatened wild animals and wild plants within their respective jurisdictions to  
15 assure their continued survival and propagation for the aesthetic, recreational and  
16 scientific purposes of future generations. The legislature finds that by ~~eliminating~~  
17 restricting the taking, possession or marketing of endangered species in this state  
18 and by establishing a program for conservation and restoration of these endangered  
19 or threatened species, their potential for continued existence will be strengthened.  
20 The legislature further finds that the activities of both individual persons and  
21 governmental agencies are tending to destroy the few remaining whole  
22 plant-animal communities in this state. Since these communities represent the only  
23 standard against which the effects of change can be measured, their preservation is  
24 of highest importance, and the legislature urges all persons and agencies to fully  
25 consider all decisions in this light.

6           5. Any measures required under par. (b) 5. will be met.

25 c. Cost effectiveness, in comparison with other feasible funding uses.

1           d. Sufficient consideration of care for facility residents with dementia or related

17 client's home if the client resides in a nursing home, community-based residential  
18 facility, adult family home or assisted living facility and cannot reasonably be  
19 expected to be discharged from the nursing home, community-based residential  
20 facility, adult family home or assisted living facility and return home. The lien is for  
21 the amount of long-term support community services paid on behalf of the client  
22 under sub. (7).

23          2. The department may not obtain a lien under this paragraph if any of the  
24 following persons lawfully reside in the home:

25          a. The client's spouse.

- 1           b. The client's child who is under age 21 or is disabled.

- 6           3. Before obtaining a lien on a client's home under this paragraph, the  
7 department shall do all of the following:
- 8           a. Notify the client in writing of its determination that the client cannot  
9 reasonably be expected to be discharged from the nursing home, community-based  
10 residential facility, adult family home or assisted living facility, its intent to impose

- 13           b. Provide the client with a hearing if he or she requests one.
- 14           4. The department shall obtain a lien under this paragraph by recording a lien  
15 claim in the office of the register of deeds of the county in which the home is located.
- 16           5. The department may not enforce a lien under this paragraph while the client  
17 lives unless the client sells the home and does not have a living child who is under  
18 age 21 or disabled or a living spouse.
- 19           6. The department may not enforce a lien under this paragraph after the death  
20 of the client as long as any of the following survive the client:
- 21           a. A spouse.
- 22           b. A child who is under age 21 or disabled.
- 23           c. A child of any age who resides in the home, if that child resided in the home  
24 for at least 24 months before the client was admitted to the nursing home,  
25 community-based residential facility, adult family home or assisted living facility

1 and provided care to the client that delayed the client's admission to the nursing  
2 home, community-based residential facility, adult family home or assisted living  
3 facility.

4 d. A sibling who resides in the home, if the sibling resided in the home for at  
5 least 12 months before the client was admitted to the nursing home,  
6 community-based residential facility, adult family home or assisted living facility.

7 7. The department may enforce a lien imposed under this paragraph by  
8 foreclosure in the same manner as a mortgage on real property.

9 8. The department shall file a release of a lien imposed under this paragraph  
10 if the client is discharged from the nursing home, community-based residential  
11 facility, adult family home or assisted living facility and returns to live in the home.

12 (c) 1. Except as provided in subd. 4., the department shall file a claim against  
13 the estate of a client or against the estate of the surviving spouse of a client for the  
14 amount of long-term community support services funded under sub. (7) paid on  
15 behalf of the client after the client attained 55 years of age, unless already recovered  
16 by the department under this subsection.

17 2. The affidavit of a person designated by the secretary to administer this  
18 paragraph is evidence of the amount of the claim.

19 3. The court shall reduce the amount of a claim under subd. 1. by up to \$3,000

23 b. Household furniture, furnishings and appliances.

24 c. Other tangible personal property not used in trade, agriculture or other  
25 business, not to exceed \$1,000 in value.

1           4. A claim under subd. 1. is not allowable if the decedent has a surviving child  
2 who is under age 21 or disabled or a surviving spouse.

3           5. If the department's claim is not allowable because of subd. 4. and the estate  
4 includes an interest in a home, the court exercising probate jurisdiction shall, in the  
5 final judgment, assign the interest in the home subject to a lien in favor of the  
6 department for the amount described in subd. 1. The personal representative shall  
7 record the final judgment as provided in s. 863.29.

8           6. The department may not enforce the lien under subd. 5. as long as any of the  
9 following survive the decedent:

10           a. A spouse.

11           b. A child who is under age 21 or disabled.

12           7. The department may enforce a lien under subd. 5. by foreclosure in the same  
13 manner as a mortgage on real property.

14           (d) The department may require the county department or aging unit selected  
15 to administer the program in each county to gather and provide the department with  
16 information needed to recover payment of long-term community support services  
17 under this subsection. The department shall pay to the county department or aging  
18 unit an amount equal to 5% of the recovery collected by the department relating to  
19 a beneficiary for whom the county department or aging unit made the last  
20 determination of eligibility for funding under sub. (7). A county department or aging  
21 unit may use funds received under this paragraph only to pay costs incurred under  
22 this paragraph and shall remit the remainder, if any, to the department for deposit  
23 in the appropriation account under s. 20.435 (7) (im). The department may withhold  
24 payments under this paragraph for failure to comply with the department's

1 requirements under this paragraph. The department shall treat payments made  
2 under this paragraph as costs of administration of the program.

3 (e) From the appropriation under s. 20.435 (7) (im), the department shall pay  
4 the amount of the payments under par. (d) and shall spend the remainder of the funds  
5 recovered under this subsection for long-term community support services funded  
6 under sub. (7) (b) 1m.

7 (f) 1. The department may recover amounts under this subsection for the  
8 provision of long-term community support services paid on and after January 1,  
9 1996.

10 2. The department may file a claim under par. (c) only with respect to a client  
11 who dies after February 15, 1996.

12 (g) The department shall promulgate rules establishing standards for  
13 determining whether the application of this subsection would work an undue  
14 hardship in individual cases. If the department determines that the application of  
15 this subsection would work an undue hardship in a particular case, the department  
16 shall waive application of this subsection in that case.

24          agreed upon. The county board of supervisors in a county with a single-county  
25          department or the county boards of supervisors in counties with a multicounty

1 department shall approve the contract before January 1 of the year in which it takes  
2 effect unless the department grants an extension. The county board of supervisors  
3 in a county with a single-county department or the county boards of supervisors in

5 to any contract after the contract has been approved.

6 (b) The department may not approve contracts for amounts in excess of  
7 available revenues. Actual expenditure of county funds shall be reported in  
8 compliance with procedures developed by the department.

9 (c) The joint committee on finance may require the department to submit

17 services being provided or purchased by the department or other county  
18 departments receiving grants-in-aid or reimbursement from the department.

19 2. Inconsistent with state or federal statutes, rules or regulations, in which case  
20 the department may also arrange for provision of services under this subchapter by

23 designated by the committee reviews and approves the department's determination.

24 5. Inconsistent with the provisions of the county department's contract under  
25 sub. (2g).

1 (b) If the department withholds a portion of the allocable appropriation under  
2 par. (a), the county department under s. 46.215, 46.22 or 46.23 that is affected by the  
3 action of the department may submit to the county board of supervisors in a county  
4 with a single-county department or to its designated agent or the county boards of  
5 supervisors in counties with a multicounty department or their designated agents  
6 a plan to rectify the deficiency found by the department. The county board of  
7 supervisors or its designated agent in a county with a single-county department or  
8 the county boards of supervisors in counties with a multicounty department or their  
9 designated agents may approve or amend the plan and may submit for departmental  
10 approval the plan as adopted. If a multicounty department is administering a  
11 program, the plan may not be submitted unless each county board of supervisors  
12 which participated in the establishment of the multicounty department, or its  
13 designated agent, adopts it.

14 (3) OPEN PUBLIC PARTICIPATION PROCESS. (a) *Citizen advisory committee.* Except

16 boards of supervisors of 2 or more counties jointly shall establish a citizen advisory  
17 committee to the county departments under ss. 46.215, 46.22 and 46.23. The citizen  
18 advisory committee shall advise in the formulation of the budget under sub. (1).

25 shall reimburse each county from the appropriations under s. 20.445 (3) (d) and (p)

1 for 100% of the cost of aid to families with dependent children granted under s. 49.19  
2 and for funeral expenses paid for recipients of aid under s. 49.30.

3 **SECTION 2936.** 49.33 (10) of the statutes is created to read:

4 49.33 (10) COUNTY CERTIFICATION. (a) The county treasurer and each director  
5 of a county department under s. 46.215, 46.22 or 46.23 shall certify monthly under  
6 oath to the department in such manner as the department prescribes the claim of the  
7 county for state reimbursement under subs. (8) and (9) and if the department  
8 approves such claim it shall certify to the department of administration for  
9 reimbursement to the county for amounts due under these subsections and payment  
10 claimed to be made to the counties monthly. The department may make advance  
11 payments prior to the beginning of each month equal to one-twelfth of the contracted  
12 amount.

13 (b) To facilitate prompt reimbursement the certificate of the department may  
14 be based on the certified statements of the county officers filed under par. (a). Funds  
15 recovered from audit adjustments from a prior fiscal year may be included in  
16 subsequent certifications only to pay counties owed funds as a result of any audit  
17 adjustment. By September 30 annually, the department shall submit a report to the  
18 appropriate standing committees under s. 13.172 (3) on funds recovered and paid out  
19 during the previous calendar year as a result of audit adjustments.

20 **SECTION 2937.** 49.34 of the statutes is created to read:

21 **49.34 Purchase of care and services.** (1) All services under this subchapter  
22 purchased by the department or by a county department under s. 46.215, 46.22 or  
23 46.23 shall be authorized and contracted for under the standards established under  
24 this section. The department may require the county departments to submit the  
25 contracts to the department for review and approval. For purchases of \$10,000 or

1 less the requirement for a written contract may be waived by the department. When  
2 the department directly contracts for services, it shall follow the procedures in this  
3 section in addition to meeting purchasing requirements established in s. 16.75.

4 (2) All services purchased under this subchapter shall meet standards  
5 established by the department and other requirements specified by the purchaser in  
6 the contract. Based on these standards the department shall establish standards for  
7 cost accounting and management information systems that shall monitor the  
8 utilization of the services, and document the specific services in meeting the service  
9 plan for the client and the objective of the service.

10 (3) (a) Purchase of service contracts shall be written in accordance with rules  
11 promulgated and procedures established by the department. Contracts for client  
12 services shall show the total dollar amount to be purchased and for each service the  
13 number of clients to be served, number of client service units, the unit rate per client  
14 service and the total dollar amount for each service.

15 (b) Payments under a contract may be made on the basis of actual allowable  
16 costs or on the basis of a unit rate per client service multiplied by the actual client  
17 units furnished each month. The contract may be renegotiated when units vary from  
18 the contracted number. The purchaser shall determine actual marginal costs for  
19 each service unit less than or in addition to the contracted number.

20 (c) For proprietary agencies, contracts may include a percentage add-on for  
21 profit according to rules promulgated by the department.

22 (d) Reimbursement to an agency may be based on total costs agreed to by the  
23 parties regardless of the actual number of service units to be furnished, when the  
24 agency is entering into a contract for a new or expanded service that the purchaser  
25 recognizes will require a start-up period not to exceed 180 days. This

1 reimbursement applies only if identified client needs necessitate the establishment  
2 of a new service or expansion of an existing service.

3 (e) If the purchaser finds it necessary to terminate a contract prior to the  
4 contract expiration date for reasons other than nonperformance by the provider, the  
5 actual cost incurred by the provider may be reimbursed in an amount determined by  
6 mutual agreement of the parties.

7 (f) Advance payments of up to one-twelfth of an annual contract may be  
8 allowed under the contract. If the advance payment exceeds \$10,000, the provider  
9 shall supply a surety bond in an amount equal to the amount of the advance payment  
10 applied for. No surety bond is required if the provider is a state agency. The cost of  
11 the surety bond shall be allowable as an expense.

12 (4) For purposes of this section and as a condition of reimbursement, each  
13 provider under contract shall:

14 (a) Except as provided in this subsection, maintain a uniform double entry  
15 accounting system and a management information system which are compatible  
16 with cost accounting and control systems prescribed by the department.

17 (b) Cooperate with the department and purchaser in establishing costs for  
18 reimbursement purposes.

19 (c) Unless waived by the department, biennially, or annually if required under  
20 federal law, provide the purchaser with a certified financial and compliance audit  
21 report if the care and services purchased exceed \$25,000. The audit shall follow  
22 standards that the department prescribes.

23 (d) Transfer a client from one category of care or service to another only with  
24 the approval of the purchaser.

1 (e) Charge a uniform schedule of fees as specified under s. 49.32 (1) unless  
2 waived by the purchaser with the approval of the department. Whenever providers  
3 recover funds attributed to the client, such funds shall offset the amount paid under  
4 the contract.

5 (5) Except as provided in sub. (5m), the purchaser shall recover from provider  
6 agencies money paid in excess of the conditions of the contract from subsequent  
7 payments made to the provider.

8 (5m) (a) In this subsection:

9 1. "Provider" means a nonprofit, nonstock corporation organized under ch. 181  
10 that contracts under this section to provide client services on the basis of a unit rate  
11 per client service.

12 2. "Rate-based service" means a service or a group of services, as determined  
13 by the department, that is reimbursed through a prospectively set rate and that is  
14 distinguishable from other services or groups of services by the purpose for which  
15 funds are provided for that service or group of services and by the source of funding  
16 for that service or group of services.

17 (b) 1. Subject to subds. 2. and 3., if revenue under a contract for the provision  
18 of a rate-based service exceeds allowable costs incurred in the contract period, the  
19 provider may retain from the surplus generated by that rate-based service up to 5%  
20 of the contract amount. A provider that retains a surplus under this subdivision  
21 shall use that retained surplus to cover a deficit between revenue and allowable costs  
22 incurred in any preceding or future contract period for the same rate-based service  
23 that generated the surplus or to address the programmatic needs of clients served  
24 by the same rate-based service that generated the surplus.

1           2. Subject to subd. 3., a provider may accumulate funds from more than one  
2 contract period under this paragraph, except that, if at the end of a contract period  
3 the amount accumulated from all contract periods for a rate-based service exceeds  
4 10% of the amount of all current contracts for that rate-based service, the provider  
5 shall, at the request of a purchaser, return to that purchaser the purchaser's  
6 proportional share of that excess and use any of that excess that is not returned to  
7 a purchaser to reduce the provider's unit rate per client for that rate-based service  
8 in the next contract period. If a provider has held for 4 consecutive contract periods  
9 an accumulated reserve for a rate-based service that is equal to or exceeds 10% of  
10 the amount of all current contracts for that rate-based service, the provider shall  
11 apply 50% of that accumulated amount to reducing its unit rate per client for that  
12 rate-based service in the next contract period.

13           3. If on December 31, 1995, the amount accumulated by a provider from all  
14 contract periods ending on or before that date for all rate-based services provided by  
15 the provider exceeds 10% of the provider's total contract amount for all rate-based  
16 services provided by the provider in 1995, the provider shall, at the request of a  
17 purchaser, return to that purchaser the purchaser's proportional share of that  
18 excess.

19           (f) All providers that are subject to this subsection shall comply with any  
20 financial reporting and auditing requirements that the department may prescribe.  
21 Those requirements shall include a requirement that a provider provide to any  
22 purchaser and the department any information that the department needs to claim  
23 federal reimbursement for the cost of any services purchased from the provider and  
24 a requirement that a provider provide audit reports to any purchaser and the

1 department according to standards specified in the provider's contract and any other  
2 standards that the department may prescribe.

3 (6) Contracts may be renegotiated by the purchaser under conditions specified  
4 in the contract.

5 (7) The service provider under this section may appeal decisions of the  
6 purchaser in accordance with terms and conditions of the contract and ch. 68 or 227.

7 **SECTION 2938.** 49.35 of the statutes is created to read:

5 apply if access is prohibited by federal law or regulation or if this state is required  
6 to prohibit such access as a condition precedent to participation in a federal program  
7 in which this state participates.

14 a county with a single-county department or to the county boards of supervisors and
