10 process in any noncriminal suit, action or proceeding against the person or the  
11 person's successor, executor or administrator which arises out of that conduct and

14 a copy of the process in ~~at~~ the office of the ~~commissioner~~ division, but it is not effective  
15 unless the plaintiff, who may be the ~~commissioner~~ division in a suit, action or  
16 proceeding instituted by the ~~commissioner~~ division, promptly sends notice of the  
17 service and a copy of the process by registered or certified mail to the defendant or  
18 respondent at the person's last-known address or takes other steps which are  
19 reasonably calculated to give actual notice; and the plaintiff's affidavit of compliance  
20 with this subsection is filed in the case on or before the return day of the process or

23 division, a statement containing the person’s name and address, the number of  
24 shares or units of any equity security of the target company which are beneficially  
25 owned directly or indirectly by the person and each of the person’s associates, the

1 date of their acquisition and such other information as the ~~commissioner~~ division  
2 may by rule prescribe, if the person certifies that such securities were acquired by  
3 the person in the ordinary course of the person's business and not for the purpose or  
4 having the effect of changing or influencing the control of the issuer nor in connection  
5 with or as a participant in any transaction having such purpose or effect, and that  
6 the person does not intend to make a take-over offer involving the target company.

7 **SECTION 6772.** 552.03 (4) of the statutes is amended to read:

8 552.03 (4) If any material change occurs in the facts set forth in the statement,  
9 the person filing the statement shall, within 10 days thereafter, file with the

24 552.05 (1) It is unlawful for any person to make a take-over offer involving a  
25 target company in this state, or to acquire any equity securities of a target company

**SECTION 6775**

1 pursuant to the offer, unless the offer is effective under this chapter or is exempted  
2 by rule or order of the ~~commissioner~~ division. The ~~commissioner~~ division may by an  
3 exemption order, with or without petition of the offeror, permit a take-over offer to  
4 be made without prior registration under this chapter if the offeror's purchase of any  
5 securities tendered incident to the offer is conditioned upon subsequent registration  
6 under this chapter. The ~~commissioner~~ division may hold a hearing under sub. (4)  
7 with respect to the registration of a take-over offer which is subject to an exemption  
8 order. Before a take-over offer becomes effective under this chapter, the offeror shall  
9 file with the ~~commissioner~~ division a registration statement containing the  
10 information prescribed in sub. (2), and send a copy of the registration statement by  
11 certified mail to the target company at its principal office and publicly disclose the  
12 material terms of the proposed offer, not later than the date of filing of the  
13 registration statement.

14 **SECTION 6776.** 552.05 (2) (intro.) of the statutes is amended to read:

15 552.05 (2) (intro.) The registration statement shall be filed on forms prescribed  
16 by the ~~commissioner~~ division, and shall be accompanied by a consent by the offeror  
17 to service of process specified in s. 551.65 (1) and the filing fee specified in s. 552.15  
18 (1), and shall contain the following information and such additional information as  
19 the commissioner by rule prescribes:

20 **SECTION 6777.** 552.05 (3) of the statutes is amended to read:

21 552.05 (3) The ~~commissioner~~ division may require the offeror to file any other  
22 documents, exhibits and information that the ~~commissioner~~ division deems material  
23 to the take-over offer, and the ~~commissioner~~ division may permit the omission of any  
24 of the information specified in sub. (2) if the ~~commissioner~~ division determines that  
25 such information is not required for the protection of offerees. The ~~commissioner~~

1 division may by order summarily delay the effective date of the offer if the  
2 ~~commissioner~~ division determines that the registration statement does not contain  
3 all of the information specified in sub. (2) or does not provide full disclosure to offerees  
4 of all material information concerning the offer.

5 **SECTION 6778.** 552.05 (4) of the statutes is amended to read:

6 552.05 (4) A take-over offer becomes effective 10 days after the date of filing  
7 the registration statement with the ~~commissioner~~ division unless delayed by order,  
8 or unless prior thereto the ~~commissioner~~ division calls a hearing with respect to the  
9 offer. The ~~commissioner~~ division may call a hearing if it is necessary or appropriate  
10 for the protection of offerees in this state. Within 5 days after the filing of the  
11 registration statement, the target company, acting through its board of directors,  
12 may petition the ~~commissioner~~ division to hold a hearing with respect to the  
13 take-over offer, except that the target company may not request a hearing if it has  
14 requested a hearing with respect to the take-over offer under a law of any other state  
15 similar to this chapter. The petition shall set forth the specific basis asserted under  
16 sub. (5) for denying, delaying or requiring amendment of the registration statement.  
17 Within 72 hours after the petition is filed the ~~commissioner~~ division shall either call  
18 a hearing or notify the target company in writing or by telephone or telegraph why  
19 a hearing was not called. If a hearing is called by the ~~commissioner~~ division and the  
20 target company subsequently requests a hearing with respect to the take-over offer  
21 under a law of another state similar to this chapter the ~~commissioner~~ division shall  
22 dismiss any hearing proceedings under this chapter. If a hearing is called, the offer  
23 is not effective until registered by order of the ~~commissioner~~ division, except that the  
24 ~~commissioner~~ division may issue an exemption order permitting a conditional  
25 take-over offer under sub. (1) to commence.

1           **SECTION 6779.** 552.05 (5) of the statutes is amended to read:

2           552.05 (5) Any hearing called by the ~~commissioner~~ division under this section  
3 shall be held within 20 days of the date of filing of the registration statement under  
4 sub. (1), and any determination made following the hearing shall be made within 30  
5 days after the filing, unless extended by order of the ~~commissioner~~ division for the  
6 convenience of the parties or for the protection of offerees in this state, but an  
7 extension may not exceed offering period limitations relating to take-over offers  
8 prescribed by the securities exchange act of 1934 or rules and regulations under that  
9 act, if the take-over offer is subject to the securities exchange act of 1934. If,  
10 following the hearing, the ~~commissioner~~ division finds that the take-over offer fails  
11 to provide for full and fair disclosure to offerees of all material information  
12 concerning the offer, the offer will not be made to all stockholders on substantially  
13 equal terms, the offer is in violation of ch. 551 or this chapter or the offeror is  
14 delinquent in the filing of an ownership information statement or has filed an  
15 ownership information statement that contains a false statement of a material fact  
16 or omits to state a material fact necessary to make the statements made not  
17 misleading, the ~~commissioner~~ division may, by order, deny registration of the offer,  
18 prohibit the offeror from filing a registration statement relating to a proposed  
19 take-over offer involving the target company for a period of up to 180 days or permit  
20 the take-over offer to be amended and by order register the amended take-over offer.

21           **SECTION 6780.** 552.05 (6) of the statutes is amended to read:

22           552.05 (6) If the ~~commissioner~~ division does not enter an order denying or  
23 postponing registration under sub. (5), the ~~commissioner~~ division shall, by order,  
24 register the take-over offer or amended take-over offer. Registration of the  
25 take-over offer is not approval of the take-over offer by the ~~commissioner~~ division.

**SECTION 6781**

1           **SECTION 6781.** 552.07 (1) of the statutes is amended to read:

2           552.07 (1) Copies of all advertisements, circulars, letters or other materials

7 security holders of the target company.

9           552.07 (2) Solicitation materials used in connection with a take-over offer shall  
10 not contain any false statement of a material fact or omit to state a material fact  
11 necessary to make the statements therein not misleading. The ~~commissioner~~  
12 division may by rule or order prohibit the use of any solicitation materials deemed  
13 false or misleading.

14           **SECTION 6783.** 552.08 of the statutes is amended to read:

15           **552.08 Comity.** The registration and filing requirements of ss. 552.05 and  
16 552.07 do not apply to a take-over offer subject to this chapter if the ~~commissioner~~  
17 division determines by order that another jurisdiction has statutes or rules which are  
18 applicable to the take-over offer and are being applied which afford protection to  
19 security holders located in this state substantially equal to the protection afforded  
20 security holders by this chapter. The issuance of an order under this section does not  
21 prohibit the ~~commissioner~~ division from participating in any proceeding in the other  
22 jurisdiction to the extent necessary to protect security holders in this state.

23           **SECTION 6784.** 552.09 (5) of the statutes is amended to read:

2 such information as the ~~commissioner~~ division requires and to the extent permitted  
3 by rule or order by the ~~commissioner~~ division, or unless the broker-dealer did not  
4 know and in the exercise of reasonable care could not have known that the person

6 connection with a take-over offer.

7 **SECTION 6785.** 552.11 (2) of the statutes is amended to read:

11 7 days from the date the offer has become effective under this chapter and after 60  
12 days from the date the offer has become effective under this chapter, except as the  
13 ~~commissioner~~ division may otherwise prescribe by rule or order for the protection of  
14 investors. In any offer permitted to commence by an exemption order under s. 552.05  
15 (1), the offeror shall provide that any equity securities tendered or deposited  
16 pursuant to the conditional offer will be purchased by the offeror only in the event  
17 a subsequent registration of the offer occurs under this chapter.

18 **SECTION 6786.** 552.11 (5) of the statutes is amended to read:

19 552.11 (5) No offeror may make a take-over offer involving a target company  
20 subject to s. 552.05, or acquire any equity securities of the target company pursuant  
21 to the offer, at any time when an administrative or injunctive proceeding has been  
22 brought by the ~~commissioner~~ division against the offeror for violation of this chapter  
23 that has not been finally determined.

24 **SECTION 6787.** 552.11 (6) of the statutes is amended to read:

1           552.11 (6) No offeror may acquire, remove or exercise control, directly or  
2 indirectly, over any assets located in this state of a target company subject to s. 552.05

11 the purposes of this chapter, including rules defining fraudulent or deceptive  
12 practices and other terms used in this chapter.

13          **SECTION 6790.** 552.13 (3) of the statutes is amended to read:

14          552.13 (3) The ~~commissioner~~ division may by rule or order exempt from any  
15 provisions of this chapter take-over offers that the ~~commissioner~~ division  
16 determines are not made for the purpose or do not have the effect of changing or  
17 influencing the control of a target company or where compliance with this chapter  
18 is not necessary for the protection of offerees in this state, and may exempt any  
19 person from the filing of statements under this chapter.

1           (1mt) REVISION OF BUILDING PROJECTS FINANCED BY PUBLIC DEBT; REVIEW.  
2       Notwithstanding section 20.924 (1) of the statutes and subsection (1), the building  
3       commission shall not authorize the construction of any building project enumerated  
4       under subsection (1) that is financed in whole or in part from public debt before the  
5       commission submits to the cochairpersons of the joint committee on finance a revised  
6       list of the authorized state building projects under subsection (1) that are financed  
7       in whole or in part from public debt. The list shall contain changes in funding sources  
8       or cost reductions or deletions of projects sufficient to ensure that the maximum  
9       amounts of authorized public debt under section 20.866 (2) of the statutes, as affected  
10      by this act, are not exceeded. If the cochairpersons of the committee do not notify the  
11      commission that the committee has scheduled a meeting for the purpose of reviewing  
12      the revised list of authorized state building projects under this subsection within 14  
13      working days after the date of the commission's submittal, the commission may  
14      authorize projects to be constructed as proposed in the list submitted by the  
15      commission. If, within 14 working days after the date of the commission's submittal,  
16      the cochairpersons of the committee notify the commission that the committee has  
17      scheduled a meeting for the purpose of reviewing the revised list of authorized state  
18      building projects under this subsection, the commission shall not authorize  
19      construction of any project enumerated in subsection (1) that is funded in whole or  
20      in part from public debt without the approval of a revised list of authorized state  
21      building projects by the committee. Notwithstanding subsection (1), the authorized  
22      state building program for the 1995-97 fiscal biennium with respect to all projects  
23      funded in whole or in part from public debt is the program specified in the revised  
24      list, as approved under this subsection if approval is required.

**SECTION 9108**

1           (2) 1993-95 STATE BUILDING PROGRAM DELETIONS. In 1993 Wisconsin Act 16,  
2 section 9108 (1) (m) 2., under projects financed by program revenue supported

4 veterans home at King - Wastewater treatment plant expansion” is deleted and the  
5 appropriate totals are decreased accordingly.

6           (2g) JUVENILE FACILITY CONSTRUCTION PLAN APPROVAL. Prior to acting under  
7 section 13.48 (10) of the statutes to approve the construction, reconstruction,  
8 remodeling of or addition to any of the following projects, the building commission  
9 shall submit to the joint committee on finance plans for that construction,  
10 reconstruction, remodeling or addition and obtain the approval of that committee of  
11 those plans:

12           (a) The 250 juvenile secured correctional program beds authorized under 1993  
13 Wisconsin Act 377, section 9108 (1) (a).

17 Center for the Developmentally Disabled authorized under subsection (1) (d) 1.

18           (3) PROGRAMS PREVIOUSLY AUTHORIZED. In addition to the projects and financing  
19 authority enumerated under subsection (1), the building and financing authority  
20 enumerated under the previous authorized state building programs is continued in
