7 each service unit less than or in addition to the contracted number.

14 reimbursement applies only if identified client needs necessitate the establishment
15 of a new service or expansion of an existing service.

16 (e) If the purchaser finds it necessary to terminate a contract prior to the
17 contract expiration date for reasons other than nonperformance by the provider, the
18 actual cost incurred by the provider may be reimbursed in an amount determined by
19 mutual agreement of the parties.

11 standards that the department prescribes.

12 (d) Transfer a client from one category of care or service to another only with
13 the approval of the purchaser.

14 (e) Charge a uniform schedule of fees as specified under s. 49.32 (1) unless
15 waived by the purchaser with the approval of the department. Whenever providers
16 recover funds attributed to the client, such funds shall offset the amount paid under
17 the contract.

18 **(5)** Except as provided in sub. (5m), the purchaser shall recover from provider
19 agencies money paid in excess of the conditions of the contract from subsequent
20 payments made to the provider.

21 **(5m)** (a) In this subsection:

22 1. "Provider" means a nonprofit, nonstock corporation organized under ch. 181
23 that contracts under this section to provide client services on the basis of a unit rate
24 per client service.

1 2. “Rate-based service” means a service or a group of services, as determined
2 by the department, that is reimbursed through a prospectively set rate and that is
3 distinguishable from other services or groups of services by the purpose for which
4 funds are provided for that service or group of services and by the source of funding
5 for that service or group of services.

6 (b) 1. Subject to subds. 2. and 3., if revenue under a contract for the provision
7 of a rate-based service exceeds allowable costs incurred in the contract period, the
8 provider may retain from the surplus generated by that rate-based service up to 5%
9 of the contract amount. A provider that retains a surplus under this subdivision
10 shall use that retained surplus to cover a deficit between revenue and allowable costs
11 incurred in any preceding or future contract period for the same rate-based service
12 that generated the surplus or to address the programmatic needs of clients served
13 by the same rate-based service that generated the surplus.

14 2. Subject to subd. 3., a provider may accumulate funds from more than one
15 contract period under this paragraph, except that, if at the end of a contract period
16 the amount accumulated from all contract periods for a rate-based service exceeds
17 10% of the amount of all current contracts for that rate-based service, the provider
18 shall, at the request of a purchaser, return to that purchaser the purchaser’s
19 proportional share of that excess and use any of that excess that is not returned to
20 a purchaser to reduce the provider’s unit rate per client for that rate-based service
21 in the next contract period. If a provider has held for 4 consecutive contract periods
22 an accumulated reserve for a rate-based service that is equal to or exceeds 10% of
23 the amount of all current contracts for that rate-based service, the provider shall
24 apply 50% of that accumulated amount to reducing its unit rate per client for that
25 rate-based service in the next contract period.

1 3. If on December 31, 1995, the amount accumulated by a provider from all
2 contract periods ending on or before that date for all rate-based services provided by
3 the provider exceeds 10% of the provider's total contract amount for all rate-based
4 services provided by the provider in 1995, the provider shall, at the request of a
5 purchaser, return to that purchaser the purchaser's proportional share of that
6 excess.

7 (f) All providers that are subject to this subsection shall comply with any
8 financial reporting and auditing requirements that the department may prescribe.
9 Those requirements shall include a requirement that a provider provide to any
10 purchaser and the department any information that the department needs to claim
11 federal reimbursement for the cost of any services purchased from the provider and
12 a requirement that a provider provide audit reports to any purchaser and the
13 department according to standards specified in the provider's contract and any other
14 standards that the department may prescribe.

15 **(6)** Contracts may be renegotiated by the purchaser under conditions specified
16 in the contract.

25 with the intention of reaching an agreement, or to resolve questions arising under

SECTION 3793

1 such an agreement, with respect to wages, hours and conditions of employment, and
2 with respect to a requirement of the municipal employer for a municipal employe to
3 perform law enforcement and fire fighting services under s. 61.66, except as provided
4 in sub. (4) (m) and s. 40.81 (3), except that a municipal employer that is a school
5 district is not required to meet and confer concerning any decision to create a
6 performance recognition plan under s. 118.39 or concerning the amount of any
7 performance recognition award made under such a plan, and except that a municipal
8 employer shall not meet and confer with respect to any proposal to diminish or
9 abridge the rights guaranteed to municipal employes under ch. 164. The duty to
10 bargain, however, does not compel either party to agree to a proposal or require the
11 making of a concession. Collective bargaining includes the reduction of any
12 agreement reached to a written and signed document. The employer shall not be
13 required to bargain on subjects reserved to management and direction of the
14 governmental unit except insofar as the manner of exercise of such functions affects
15 the wages, hours and conditions of employment of the employes. In creating this
16 subchapter the legislature recognizes that the public employer must exercise its
17 powers and responsibilities to act for the government and good order of the
18 municipality, its commercial benefit and the health, safety and welfare of the public
19 to assure orderly operations and functions within its jurisdiction, subject to those
20 rights secured to public employes by the constitutions of this state and of the United
21 States and by this subchapter.

22 **SECTION 3794.** 111.70 (1) (ne) of the statutes is amended to read:

2 whose employment requires that license.

3 **SECTION 3795.** 111.70 (4) (c) 1. of the statutes is repealed.

4 **SECTION 3796.** 111.70 (4) (c) 3. c. of the statutes is amended to read:

5 111.70 (4) (c) 3. c. Nothing herein shall be construed as prohibiting any fact
6 finder who is not employed by the commission from endeavoring to mediate the
7 dispute, in which the fact finder is involved, at any time prior to the issuance of the
8 fact finder's recommendations.

9 **SECTION 3797.** 111.70 (4) (cm) 3. of the statutes is repealed.

10 **SECTION 3798.** 111.70 (4) (cm) 6. (intro.) of the statutes is amended to read:

11 111.70 (4) (cm) 6. (intro.) 'Interest arbitration.' If a dispute relating to one or
12 more issues, qualifying for interest arbitration under subd. 5s₂ in collective
13 bargaining units to which subd. 5s₂ applies, has not been settled after a reasonable
14 period of negotiation ~~and after mediation by the commission under subd. 3. and other~~
15 any settlement procedures, if any, established by the parties have been exhausted,
16 and the parties are deadlocked with respect to any dispute between them over wages,
17 hours and conditions of employment to be included in a new collective bargaining
18 agreement, either party, or the parties jointly, may petition the commission, in
19 writing, to initiate compulsory, final and binding arbitration, as provided in this
20 paragraph. At the time the petition is filed, the petitioning party shall submit in
21 writing to the other party and the commission its preliminary final offer containing
22 its latest proposals on all issues in dispute. Within 14 calendar days of the date of
23 that submission, the other party shall submit in writing its preliminary final offer
24 on all disputed issues to the petitioning party and the commission. If a petition is

SECTION 3798

1 filed jointly, both parties shall exchange their preliminary final offers in writing and
2 submit copies to the commission at the time the petition is filed.

3 **SECTION 3799.** 111.70 (4) (cm) 6. a. of the statutes is amended to read:

4 111.70 (4) (cm) 6. a. Upon receipt of a petition to initiate arbitration, the
5 commission shall make an investigation, with or without a formal hearing, to
6 determine whether arbitration should be commenced. ~~If in determining whether an~~
7 ~~impasse exists the commission finds that the procedures set forth in this paragraph~~
8 ~~have not been complied with and such compliance would tend to result in a~~
9 ~~settlement, it may order such compliance before ordering arbitration. The validity~~
10 ~~of any arbitration award or collective bargaining agreement shall not be affected by~~
11 ~~failure to comply with such procedures.~~ Prior to the close of the investigation each
12 party shall submit in writing to the commission its single final offer containing its
13 final proposals on all issues in dispute that are subject to interest arbitration under
14 this subdivision or under subd. 5s, in collective bargaining units to which subd. 5s,
15 applies. If a party fails to submit a single, ultimate final offer, the commission shall
16 close the investigation based on the last written position of the party. The municipal
17 employer may not submit a qualified economic offer under subd. 5s, after the close
18 of the investigation. Such final offers may include only mandatory subjects of
19 bargaining, except that a permissive subject of bargaining may be included by a
20 party if the other party does not object and shall then be treated as a mandatory
21 subject. No later than such time, the parties shall also submit to the commission a
22 stipulation, in writing, with respect to all matters which are agreed upon for
23 inclusion in the new or amended collective bargaining agreement. The commission,
24 after receiving a report from its investigator and determining that arbitration should
25 be commenced, shall issue an order requiring arbitration and immediately submit

1 to the parties a list of 7 arbitrators. Upon receipt of such list, the parties shall
2 alternately strike names until a single name is left, who shall be appointed as
3 arbitrator. The petitioning party shall notify the commission in writing of the
4 identity of the arbitrator selected. Upon receipt of such notice, the commission shall
5 formally appoint the arbitrator and submit to him or her the final offers of the
6 parties. The final offers shall be considered public documents and shall be available
7 from the commission. In lieu of a single arbitrator and upon request of both parties,
8 the commission shall appoint a tripartite arbitration panel consisting of one member
9 selected by each of the parties and a neutral person designated by the commission
10 who shall serve as a chairperson. An arbitration panel has the same powers and
11 duties as provided in this section for any other appointed arbitrator, and all
12 arbitration decisions by such panel shall be determined by majority vote. In lieu of
13 selection of the arbitrator by the parties and upon request of both parties, the
14 commission shall establish a procedure for randomly selecting names of arbitrators.
15 Under the procedure, the commission shall submit a list of 7 arbitrators to the
16 parties. Each party shall strike one name from the list. From the remaining 5
17 names, the commission shall randomly appoint an arbitrator. Unless both parties
18 to an arbitration proceeding otherwise agree in writing, every individual whose
19 name is submitted by the commission for appointment as an arbitrator shall be a
20 resident of this state at the time of submission and every individual who is
21 designated as an arbitration panel chairperson shall be a resident of this state at the
22 time of designation.

23 **SECTION 3800.** 111.70 (4) (d) 2. a. of the statutes is amended to read:

24 111.70 (4) (d) 2. a. The commission shall determine the appropriate bargaining
25 unit for the purpose of collective bargaining and shall whenever possible, unless

SECTION 3800

1 otherwise required under this subchapter, avoid fragmentation by maintaining as
2 few units as practicable in keeping with the size of the total municipal work force.
3 In making such a determination, the commission may decide whether, in a particular
4 case, the employees in the same or several departments, divisions, institutions, crafts,
5 professions or other occupational groupings constitute a unit. Before making its
6 determination, the commission may provide an opportunity for the employees
7 concerned to determine, by secret ballot, whether or not they desire to be established
8 as a separate collective bargaining unit. The commission shall not decide, however,
9 that any unit is appropriate if the unit includes both professional employees and
10 nonprofessional employees, unless a majority of the professional employees vote for
11 inclusion in the unit. The commission shall not decide that any unit is appropriate
12 if the unit includes both craft and noncraft employees unless a majority of the craft
13 employees vote for inclusion in the unit. The commission shall place the professional
14 employees who are assigned to perform any services at a charter school, as defined in
15 s. 115.001 (1), in a separate collective bargaining unit from a unit that includes any
16 other professional employees whenever at least 30% of those professional employees
17 request an election to be held to determine that issue and a majority of the
18 professional employees at the charter school who cast votes in the election decide to
19 be represented in a separate collective bargaining unit. Any vote taken under this
20 subsection shall be by secret ballot.

2 a school as a charter school, as defined in s. 115.001 (1), or to convert a school to a

4 conditions of employment of the municipal employes who perform those services.

5 2. Reassignment of municipal employes who perform services for a board of
6 school directors, with or without regard to seniority, as a result of the decision of the
7 board to close or reopen a school under s. 119.18 (23), or the impact of any such
8 reassignment on the wages, hours or conditions of employment of the municipal
9 employes who perform those services.

10 3. Any decision of a board of school directors to contract for the management
11 or operation of any school under s. 119.18 (24), or the impact of any such decision on
12 the wages, hours or conditions of employment of the municipal employes who
13 perform services for the board.

14 4. Any decision of a board of school directors to contract with a school or agency
15 to provide educational programs under s. 119.235, or the impact of any such decision

21 other person.

22 (b) The parties to a labor dispute may retain any person other than an officer
23 or employe of the commission to engage in mediation of the dispute. The cost of
24 mediation services shall be divided equally between the parties.

1 (c) Whenever the parties to a labor dispute retain any person to provide
2 mediation services, each party or the parties jointly shall notify the commission in
3 writing of the name and address of the person so retained as promptly as possible
4 following the retention.

5 **SECTION 3803.** 111.71 (1) of the statutes is amended to read:

6 111.71 (1) The commission may adopt reasonable rules relative to the exercise
7 of its powers and authority and proper rules to govern its proceedings and to regulate
8 the conduct of all elections and hearings. The commission shall, upon request,
9 provide a transcript of a proceeding to any party to the proceeding for a fee prescribed
10 by the commission at a uniform rate of not less than 60 cents per page. All transcript

16 bargaining units for employes in the classified service of the state are structured on
17 a statewide basis with one collective bargaining unit for each of the following
18 occupational groups:

19 **SECTION 3824.** 111.825 (5) of the statutes is amended to read:

20 111.825 (5) Although supervisors are not considered employes for purposes of
21 this subchapter, the commission may consider a petition for a statewide collective
22 bargaining unit of professional supervisors or a statewide unit of nonprofessional
23 supervisors in the classified service, but the representative of supervisors may not
24 be affiliated with any labor organization representing employes. ~~For purposes of this~~

11 the applicable period shall, notwithstanding the terms of any agreement, constitute
12 approval of the proposed action by the grantor. If an affected grantor files a written

18 disclosed to any other person, the ~~commissioner~~, division of hearings and appeals or
19 licensor shall notify the person providing the information. The person providing the

15 ending on June 30, 1997, do all of the following:

16 1. Pay to the carry-over employe the same compensation that the employe
17 would have received if he or she were employed by the state in the position at the
18 University of Wisconsin Hospitals and Clinics on July 1, 1996.

22 any employe benefit plan provided to the carry-over employe as of the last day of the

7 (b) If an employe of the authority is a carry-over employe, the authority shall,

9 beginning on July 1, 1996, and ending on June 30, 1997, do all of the following:

10 1. Enter into an employment contract for such period with the carry-over

14 2. Pay to the carry-over employe the same compensation that the employe

21 off that may be specified in policies and procedures established by the board of
22 regents under s. 36.15 (2) as of the last day of the employe's employment in the

5 established by the board of regents under s. 36.15 (2) and, as of the last day of the
6 employe's employment in the academic staff appointment.

7 6. Grant to the carry-over employe the same opportunity for any employe
8 training that may be provided under policies and procedures established by the
9 board of regents under s. 36.15 (2) as of the last day of his or her employment in the
10 academic staff appointment.

11 (3t) Unless expressly prohibited under ch. 40 or under federal law, the
12 authority shall, from July 1, 1996, to June 30, 1997, not change to the detriment of
13 a carry-over employe any employe benefit plan provided to the carry-over employe
14 as of the last day of the employe's employment in the academic staff appointment.

15 (4) Notwithstanding the requirement that an employe be a state employe, a
16 carry-over employe of the authority who was employed in a position in the classified
17 service immediately prior to beginning employment with the authority shall, from
18 July 1, 1996, to June 30, 1997, have the same transfer rights under s. 230.29 and the
19 rules of the department of employment relations governing transfers as a person who

22 personnel decisions of the authority to the personnel commission.

23 **233.17 Liability limited.** Neither the state, any political subdivision of the
24 state nor any officer, employe or agent of the state or a political subdivision who is

1 acting within the scope of employment or agency is liable for any debt, obligation, act
2 or omission of the authority.

3 **233.20 Issuance of bonds.** (1) The authority may issue bonds for any
4 corporate purpose. All bonds are negotiable for all purposes, notwithstanding their
5 payment from a limited source.

6 (2) The bonds of each issue shall be payable from sources specified in the bond
7 resolution under which the bonds are issued or in a related trust agreement, trust
8 indenture, indenture of mortgage or deed of trust.

9 (3) The authority may not issue bonds unless the issuance is first authorized
10 by a bond resolution. Bonds shall bear the dates, mature at the times not exceeding
11 30 years from their dates of issue, bear interest at the rates, be payable at the times,
12 be in the denominations, be in the form, carry the registration and conversion
13 privileges, be executed in the manner, be payable in lawful money of the United
14 States at the places, and be subject to the terms of redemption, that the bond
15 resolution provides. The bonds shall be executed by the manual or facsimile
16 signatures of the officers of the authority designated by the board. The bonds may
17 be sold at public or private sale at the price, in the manner and at the time
18 determined by the board. Pending preparation of definitive bonds, the authority may
19 issue interim receipts or certificates that shall be exchanged for the definitive bonds.

20 (4) Any bond resolution may contain provisions, which shall be a part of the
21 contract with the holders of the bonds that are authorized by the bond resolution,
22 regarding any of the following:

23 (a) Pledging or assigning specified assets or revenues of the authority.

24 (b) Setting aside reserves or sinking funds, and the regulation, investment and
25 disposition of these funds.

1 (c) Limitations on the purpose to which or the investments in which the
2 proceeds of the sale of any issue of bonds may be applied.

3 (d) Limitations on the issuance of additional bonds, the terms upon which
4 additional bonds may be issued and secured and the terms upon which additional
5 bonds may rank on a parity with, or be subordinate or superior to, other bonds.

6 (e) Funding, refunding, advance refunding or purchasing outstanding bonds.

7 (f) Procedures, if any, by which the terms of any contract with bondholders may
8 be amended, the amount of bonds the holders of which must consent to the
9 amendment and the manner in which this consent may be given.

10 (g) Defining the acts or omissions to act that constitute a default in the duties
11 of the authority to the bondholders, and providing the rights and remedies of the
12 bondholders in the event of a default.

13 (h) Other matters relating to the bonds that the board considers desirable.

14 (5) Neither the members of the board nor any person executing the bonds is
15 liable personally on the bonds or subject to any personal liability or accountability
16 by reason of the issuance of the bonds, unless the personal liability or accountability
17 is the result of wilful misconduct.

18 **233.21 Bond security.** The authority may secure bonds by a trust agreement,
19 trust indenture, indenture of mortgage or deed of trust by and between the authority
20 and one or more corporate trustees. A bond resolution providing for the issuance of
21 bonds so secured shall mortgage, pledge, assign or grant security interests in some
22 or all of the revenues to be received by, and property of, the authority and may contain
23 those provisions for protecting and enforcing the rights and remedies of the
24 bondholders that are reasonable and proper and not in violation of law. A bond

1 resolution may contain other provisions determined by the board to be reasonable
2 and proper for the security of the bondholders.

3 **233.22 Bonds not public debt.** (1) The state is not liable on bonds and the
4 bonds are not a debt of the state. All bonds shall contain a statement to this effect
5 on the face of the bond. A bond issue does not, directly or indirectly or contingently,
6 obligate the state or a political subdivision of the state to levy any or make any
7 appropriation for payment of the bonds. Nothing in this section prevents the
8 authority from pledging its full faith and credit to the payment of bonds.

9 (2) Nothing in this chapter authorizes the authority to create a debt of the state,
10 and all bonds issued by the authority are payable, and shall state that they are
11 payable, solely from the funds pledged for their payment in accordance with the bond
12 resolution authorizing their issuance or in any trust indenture or mortgage or deed
13 of trust executed as security for the bonds. The state is not liable for the payment
14 of the principal of or interest on a bond or for the performance of any pledge,
15 mortgage, obligation or agreement that may be undertaken by the authority. The
16 breach of any pledge, mortgage, obligation or agreement undertaken by the
17 authority does not impose pecuniary liability upon the state or a charge upon its
18 general credit or against its taxing power.

19 **233.23 State pledge.** The state pledges to and agrees with the bondholders,
20 and persons that enter into contracts with the authority under this chapter, that the
21 state will not limit or alter the rights vested in the authority by this chapter before
22 the authority has fully met and discharged the bonds, and any interest due on the
23 bonds, and has fully performed its contracts, unless adequate provision is made by
24 law for the protection of the bondholders or those entering into contracts with the
25 authority.

1 **233.26 Refunding bonds.** (1) The authority may issue bonds to fund or
2 refund any outstanding bond, including the payment of any redemption premium on
3 the outstanding bond and any interest accrued or to accrue to the earliest or any
4 subsequent date of redemption, purchase or maturity.

5 (2) The authority may apply the proceeds of any bond issued to fund or refund
6 any outstanding bond to purchase, retire at maturity or redeem any outstanding
7 bond. The authority may, pending application, place the proceeds in escrow to be
8 applied to the purchase, retirement at maturity or redemption of any outstanding
9 bond at any time.

10 **233.27 Limit on the amount of outstanding bonds.** The authority may not
11 issue bonds or incur indebtedness described under s. 233.03 (12) if, after the bonds
12 are issued or the indebtedness is incurred, the aggregate principal amount of the
13 authority's outstanding bonds, together with all indebtedness described under s.
14 233.03 (12) would exceed \$90,000,000. Bonds issued to fund or refund outstanding
15 bonds, or indebtedness incurred to pay off or purchase outstanding indebtedness, is
16 not included in calculating compliance with the \$90,000,000 limit.

12 provide full disclosure to offerees of all material information concerning the offer.

13 **SECTION 6778.** 552.05 (4) of the statutes is amended to read:

14 552.05 (4) A take-over offer becomes effective 10 days after the date of filing
15 the registration statement with the ~~commissioner~~ department unless delayed by
16 order, or unless prior thereto the ~~commissioner~~ department calls a hearing with

5 the ~~commissioner~~ department shall dismiss any hearing proceedings under this
6 chapter. If a hearing is called, the offer is not effective until registered by order of

16 state, but an extension may not exceed offering period limitations relating to
17 take-over offers prescribed by the securities exchange act of 1934 or rules and
18 regulations under that act, if the take-over offer is subject to the securities exchange
19 act of 1934. If, following the hearing, the ~~commissioner~~ department finds that the

7 postponing registration under sub. (5), the ~~commissioner~~ department shall, by order,
8 register the take-over offer or amended take-over offer. Registration of the

4 effect and that the payer may, within a 10-day period, by motion request a hearing
5 on the issue of whether the assignment should be withdrawn.

6 (5) If the payer makes a timely request for a hearing, the court or family court
7 commissioner shall hold a hearing to determine, in accordance with s. 767.32,

15 To the debtor:

16 The creditor was awarded a judgment against you or your spouse by... (County
17 Circuit or Federal District) Court on the.... day of...., 19.. That judgment not having
18 been fully paid, the creditor has now filed a garnishment proceeding against your
19 earnings from the garnishee. This means that the creditor is seeking to take some
20 of your earnings to satisfy part or all of the judgment against you or your spouse.

21 The total amount of the creditor's claim is as follows:

22 Unpaid balance on judgment \$....

23 Unpaid postjudgment interest \$....

24 Costs:

25 a. Garnishment filing fee \$....

1	b. Garnishee fee	\$....
2	c. Service of process (estimate)	\$....
3	TOTAL	\$....

4 By law, you are entitled to an exemption of not less than 80% of your disposable
5 earnings. Your “disposable earnings” are those remaining after social security and
6 federal and state income taxes are withheld.

7 Your earnings are completely exempt from garnishment if:

8 1. Your household income is below the federal poverty level, or this
9 garnishment would cause that to happen. See the enclosed schedules and worksheet
10 to determine if you qualify for this exemption.

11 2. You receive aid to families with dependent children, ~~general~~ emergency
12 medical relief, relief to ~~needy~~ Indian persons provided by counties under section
13 59.07 (154) of the Wisconsin Statutes, medical assistance, supplemental security
14 income, food stamps, or veterans benefits based on need under USC 501 to 562 or

16 the past 6 months.

17 3. At least 25% of your disposable earnings are assigned by court order for
18 support.

19 If you qualify for a complete exemption, you must give or mail a copy of the
20 enclosed debtor’s answer form to the garnishee in order to receive that increased
21 exemption.

22 If your circumstances change while the garnishment is in effect, you may file
23 a new answer at any time.

24 If you do not qualify for a complete exemption, but you will not be able to acquire
25 the necessities of life for yourself and your dependents if your earnings are reduced

1 by this earnings garnishment, you may ask the court in which this earnings
2 garnishment was filed to increase your exemption or grant you other relief.

3 **IF YOU NEED ASSISTANCE**

4 **CONSULT AN ATTORNEY**

5 If you have earnings that are being garnisheed that are exempt or subject to a
6 defense, the sooner you file your answer or seek relief from the court, the sooner such
7 relief can be provided. This earnings garnishment affects your earnings in pay
8 periods beginning within 13 weeks after it was served on the garnishee. You may
9 agree in writing with the creditor to extend it for additional 13-week periods until
10 the debt is paid.

11 **PENALTIES**

12 If you wrongly claim an exemption or defense in bad faith, or if the creditor
13 wrongly objects to your claim in bad faith, the court may order the person who acted
14 in bad faith to pay court costs, actual damages and reasonable attorney fees.
