*Analysis by the Legislative Reference Bureau*

**AGRICULTURE**

Current law authorizes a court to order a defendant to pay enforcement costs incurred by the department of agriculture, trade and consumer protection (DATCP) in cases under most of the laws that DATCP enforces. This bill authorizes a court to order a defendant to pay DATCP's enforcement costs in cases under the drainage district laws.

**COMMERCE AND ECONOMIC DEVELOPMENT**

**FINANCIAL INSTITUTIONS**

Under the 1995-97 biennial budget act, the administrator of the Wisconsin consumer act is changed from the commissioner of banking to the division of banking. The division of banking is attached to the department of financial institutions (DFI), which was created in the biennial budget act. This bill changes the administrator of the Wisconsin consumer act from the division of banking to the secretary of financial institutions. The 1995-97 biennial budget act also transferred, from the commissioner of banking to the division of banking, responsibility for establishing and maintaining computer and any other services necessary to support the uniform commercial code statewide lien system. This bill transfers this responsibility from the division of banking to DFI.

**ECONOMIC DEVELOPMENT**

Under current law, \$100,000 is transferred in each fiscal year of the 1995-97 fiscal biennium from the development fund appropriation to an appropriation that provides grants and loans for minority business projects. The appropriation for the minority business projects grants and loans is repealed on July 1, 1997, and its

unencumbered balance lapses to the general fund. This bill provides instead for the unencumbered balance in that appropriation account to transfer to the development fund on July 1, 1997. The development fund is used to provide funding for the technology development grant and loan program, the research grant and loan program, the customized labor training grant and loan program, the major economic development projects program, the employe ownership assistance loan program and the Wisconsin trade project program.

Under current law, the department of development (DOD) may not award in grants for early planning projects more than 10% of the moneys appropriated for providing grants and loans for minority business projects. Two other appropriations to DOD are also used for providing grants and loans for minority business projects. This bill prohibits DOD from awarding in grants for early planning projects more than 10% of the total of the moneys appropriated under all 3 of those appropriations.

### **CORRECTIONAL SYSTEM**

Under current law, the department of health and social services (DHSS) must provide a secured adolescent treatment unit at the Mendota Mental Health Institute. Currently, DHSS may designate not more than 43 beds at the unit as secured correctional facility beds. Current law defines a "secured correctional facility" as a correctional institution operated or contracted for by DHSS for holding in secure custody children who have been adjudged delinquent.

This bill eliminates the secured adolescent treatment unit and instead requires DHSS to establish, operate and maintain a Mendota juvenile treatment center (center) on the grounds of the Mendota Mental Health Institute. The bill eliminates the limitation of 43 beds that DHSS may designate as secured correctional facility beds and instead requires DHSS to operate the entire center as a secured correctional facility. Further, the bill expressly provides that the center is not a hospital, inpatient facility, state treatment facility or treatment facility and that DHSS and, after July 1, 1996, the department of corrections, may transfer to the center any child who has been placed in another secured correctional facility in the same manner that children are transferred between other secured correctional facilities, that is, on notice to the parent, guardian or legal custodian and committing court. Finally, the bill requires the center to provide psychological and psychiatric evaluations and treatment for children whose behavioral problems present a serious problem to themselves or others in other secured correctional facilities and whose mental health needs can be met at the center.

### **EDUCATION**

Current law allows up to 7% of the enrollment of the Milwaukee Public Schools (MPS) to attend, at no charge, any private school located in the city of Milwaukee under certain circumstances. (In the 1996-97 school year, the limit is increased to 15%.) The state pays the parent or guardian of the pupil an amount equal to the amount of per pupil aid that MPS receives from the state or an amount equal to the private school's educational cost per pupil, whichever is less. The parent or guardian must endorse the check for the use of the private school. The state reduces the MPS school aid entitlement, for each pupil participating in the program, by the amount of per pupil aid that MPS would otherwise receive.

Under this bill, if in any school year there are more spaces available in the participating schools than the maximum number of pupils allowed to participate, the department of education must prorate the number of spaces available at each participating private school. Currently, there is no such provision.

#### **EMINENT DOMAIN**

Under current law, an owner-occupant of property being acquired for a public purpose by an entity vested with the power of eminent domain (a condemnor) may waive his or her right to receive any relocation payments or services from the condemnor if the property is not contiguous to any property which may be acquired by the condemnor and is not part of a previously identified or proposed project where it is reasonable to conclude that acquisition by the condemnor may occur in the foreseeable future. In addition, current law prohibits a condemnor from proceeding with any activity that may involve the displacement of persons, business concerns or farm operations until the condemnor has filed a relocation payment plan and relocation assistance service plan and has had both plans approved by the department of industry, labor and human relations (beginning on July 1, 1996, the department of development).

This bill provides that, unless the property being acquired is part of a program or project receiving federal financial assistance, the owner-occupant may waive his or her right to receive any relocation payments or services from the condemnor, may agree to indemnify the condemnor for all relocation payments and services that are associated with the acquisition of the property and may agree to prepare and file the plans described above on behalf of the condemnor.

#### **EMPLOYMENT**

Under current law, the Wisconsin employment relations commission (WERC) is required to assess and collect a filing fee from the party or parties requesting that WERC initiate compulsory, final and binding arbitration with respect to a contract dispute involving a collective bargaining unit consisting of members of a fire department or a city or county law enforcement agency. This bill requires WERC to assess and collect a filing fee from the party or parties requesting that WERC initiate compulsory, final and binding arbitration with respect to a contract dispute involving a collective bargaining unit consisting of other local government employees. In addition, the bill provides that WERC is required to assess and collect a filing fee from the party or parties requesting that WERC act as a mediator in any labor dispute involving local government employees other than law enforcement or fire fighting personnel.

#### **GAMBLING**

Under current law, the state levies a 2% tax on the total amount wagered on a single dog race if the total amount wagered on all previous race days during the year is not more than \$25,000,000; a 2 2/3% tax if the amount is more than \$25,000,000 but not more than \$100,000,000; a 4 2/3% tax if the amount is more than \$100,000,000 but not more than \$150,000,000; a 6 2/3% tax if the amount is more than \$150,000,000 but not more than \$200,000,000; a 7 2/3% tax if the amount is more than \$200,000,000 but not more than \$250,000,000; and an 8 2/3% tax if the amount is more than \$250,000,000. In addition, under current law, the state levies

a 1% tax on the total amount wagered on a single horse race if the total amount wagered on all previous race days during the year is more than \$50,000,000 but not more than \$100,000,000; a 2% tax if the amount is more than \$100,000,000 but not more than \$150,000,000; and a 3% tax if the amount is more than \$150,000,000. (At present, there is no horse racing in this state.)

This bill specifies that the tax on the total amount wagered on dog races is for live, on-track dog races conducted at the racetrack of a person licensed by the gaming commission and that the tax on the total amount wagered on horse races is for live, on-track horse races conducted at the racetrack of a person licensed by the gaming commission. In addition, the bill specifies that the tax on simulcast racing conducted at the racetrack of a person licensed by the gaming commission is the same as the tax applicable to live, on-track dog races conducted at the racetrack.

Under current law, for horse races, a person licensed by the gaming commission is required to use at least 8% of the total amount wagered on each race day for purses for races held on that day. This bill specifies that the person is only required to use at least 8% of the total amount wagered on each race day from live, on-track races conducted at the licensee's racetrack for purses for races held on that day.

### **HEALTH AND SOCIAL SERVICES**

Under current law, the department of health and social services (renamed the department of health and family services (DHFS) by the 1995-97 biennial budget act) must implement a plan that is approved by DOA to assure that, by July 1, 1997, there are revenues sufficient to pay for care provided to patients of the Mendota Mental Health Institute and the Winnebago Mental Health Institute. DHFS must report to DOA every 3 months, beginning on October 1, 1993, and ending on July 1, 1997, concerning the implementation of the plan.

This bill changes to July 1, 1999, the date by which DHFS must implement the plan described above and extends the period during which DHFS must report to DOA concerning implementation of the plan until July 1, 1999.

### **LOCAL GOVERNMENT**

Under current law, any combination of cities, villages or towns may determine the boundary lines between them under a cooperative plan that is approved by the department of administration (DOA). Under this bill, authority to approve such a plan is transferred from DOA to the department of commerce.

Under current law, a municipality (which includes a city, village, town, county, lake district, metropolitan sewerage district, town sanitary district and municipal water or power district) may issue revenue bonds to finance the purchase, acquisition, construction, improvement, operation or management of a public utility. A public utility is a revenue-producing facility or enterprise owned by a municipality for a public purpose, and includes public works projects such as swimming pools, tennis courts, golf links, municipal halls, courthouses, jails, schools, hospitals, waste collection and disposal facilities and sewerage systems. Current law also allows a municipality to issue new revenue bonds to provide funds for refunding certain specified types of obligations that are issued for a purpose related to a public utility or a public transportation system.

This bill allows revenue bonds to be issued to refund any municipal obligation, including interest on any municipal obligation, that is issued for a purpose related to a public utility or a public transportation system.

#### **STATE GOVERNMENT**

Under current law, the board of directors of the University of Wisconsin Hospitals and Clinics Authority (UWHCA) is required to negotiate and enter into a lease agreement and an affiliation agreement with the board of regents of the University of Wisconsin (UW) System for the management and operation of the UW Hospitals and Clinics by UWHCA, beginning on June 29, 1996. The initial agreements are subject to the approval of the governor and the joint committee on finance (JCF). The initial period of the lease agreement and the affiliation agreement, and of any extension or renewal of either agreement, may not be longer than 5 years. Any modification, extension or renewal of the lease agreement or the affiliation agreement is subject to the approval of JCF. Before UWHCA and the board of regents may negotiate an extension or renewal of either the lease agreement or the affiliation agreement, the legislative audit bureau (LAB) must perform a performance evaluation audit of UWHCA.

This bill removes the 5-year limitation on the initial period of the lease agreement and the affiliation agreement, and of any extensions or renewals of either agreement. The bill allows UWHCA and the board of regents to modify the initial period of the lease agreement and the affiliation agreement without the approval of JCF if that period is for 5 years or less. The bill also removes the requirement that LAB perform a performance evaluation audit before extension or renewal of either agreement may be negotiated.

Under current law, UWHCA is required to negotiate and enter into a contractual services agreement with the University of Wisconsin Hospitals and Clinics Board (UWHCB) for employes of UWHCB to perform services at the University of Wisconsin Hospitals and Clinics, beginning on June 29, 1996.

This bill provides that the contractual services agreement may authorize UWHCA to perform specified ministerial duties for UWHCB with respect to UWHCB employes, including duties related to supervision, disciplinary action and the recommendation of new hires or layoffs. The agreement may also authorize UWHCB to use the services of UWHCA with respect to UWHCB employes in ministerial matters relating to collective bargaining, claims, complaints, or benefits and records administration.

Currently, the department of administration (DOA) advises and assists state agencies in the establishment and operation of records management programs and audits those programs. DOA also operates a state records center, central microfilm storage facility and a facility for the storage of records of state agencies in optical disk or electronic format, and charges agencies for the use of the center and facilities.

Currently, DOA prescribes, by rule, procedures for the transfer of the records of state agencies to optical disk or electronic format and qualitative standards for optical disks and for copies of documents generated from optical disks used to store those records. If a state agency follows those rules and certain statutory requirements in transferring its records to optical disk or electronic format, any

microfilm reproduction or copy of a record of the agency stored in optical disk or electronic format is considered an original record for evidentiary purposes.

This bill treats UWHCA as a state agency for the purposes described above.

Under current law, a local professional baseball park district may, under certain conditions, enter into an agreement with DOA for DOA to provide building construction services or work to the district. Construction undertaken by such a district is generally subject to the ordinances and regulations of the municipality in which the construction takes place.

This bill provides that, if DOA undertakes construction on behalf of a local professional baseball park district of a building, structure or facility that is constructed for the benefit or use of the district, the building, structure or facility is exempt from all ordinances and regulations, except zoning ordinances and regulations, of the municipality in which the construction takes place.

This bill changes the name of the Kickapoo valley governing board to the Kickapoo reserve management board.

16 a pledge of the revenues of the public utility to the holders of the bonds and to the  
17 holders of any coupons of the bonds and may be additionally secured by a mortgage  
18 lien upon the public utility to the holders of the bonds and to the holders of any  
19 coupons of the bonds. If a mortgage lien is created by ordinance or resolution, the  
20 lien shall be perfected by publication of the ordinance or resolution or by recording  
21 of the ordinance or resolution in the records of the municipality. In addition, the  
22 municipality may record the lien by notifying the register of deeds of the county in  
23 which the public utility is located concerning its issuance of bonds. If the register of  
24 deeds receives notice from the municipality, the register of deeds shall record any  
25 mortgage lien created. The public utility shall remain subject to the pledge and, if

1 created, the mortgage lien until the payment in full of the principal and interest of  
2 the bonds. Upon repayment of bonds for which a mortgage lien has been created, the  
3 register of deeds shall, upon notice from the municipality, record a satisfaction of the  
4 mortgage lien. Any holder of a bond or of any coupons attached to a bond may either  
5 at law or in equity protect and enforce this pledge and, if created, the mortgage lien  
6 and compel performance of all duties required of the municipality by this section.  
7 Any municipality may provide for additions, extensions and improvements to a  
8 public utility that it owns by additional issues of bonds under this section. Such  
9 additional issues of bonds shall be subordinate to all prior issues of bonds under this  
10 section, but a municipality may in the ordinance or resolution authorizing bonds  
11 permit the issue of additional bonds on a parity therewith. Any municipality may  
12 issue new bonds under this section to provide funds for refunding any outstanding  
13 ~~bonds, bond anticipation notes or promissory notes~~ municipal obligations, including  
14 interest, issued under this section or under ch. 67 for any of the purposes stated in  
15 sub. (1m). Refunding bonds issued under this section are subject to the following  
16 provisions:

17 **SECTION 50.** 66.066 (2) (b) 1. of the statutes is amended to read:

18 66.066 (2) (b) 1. Refunding bonds may be issued to refinance more than one  
19 issue of outstanding ~~bonds or promissory notes~~ municipal obligations  
20 notwithstanding that such outstanding ~~bonds or promissory notes~~ municipal  
21 obligations may have been issued at different times and may be secured by the  
22 revenues of more than one public utility. Any such public utilities may be operated  
23 as a single public utility, subject however to contract rights vested in holders of bonds  
24 or promissory notes being refinanced. A determination by the governing body that  
25 any refinancing is advantageous or necessary to the municipality shall be conclusive.

1           **SECTION 51.** 66.066 (2) (b) 5. of the statutes is amended to read:

2           66.066 (2) (b) 5. The governing body may, in addition to other powers conferred  
3 by this section, include a provision in any ordinance or resolution authorizing the  
4 issuance of refunding bonds pledging all or any part of the revenues of any public  
5 utility or utilities or combination thereof originally financed or extended or improved  
6 from the proceeds of any of the ~~bonds, bond anticipation notes or promissory notes~~  
7 municipal obligations being refunded, and pledging all or any part of the surplus  
8 income derived from the investment of any trust created in relation to the refunding.

9           **SECTION 52.** 93.20 (1) of the statutes is amended to read:

10          93.20 (1) DEFINITION. In this section, “action” means an action that is  
11 commenced in court by, or on behalf of, the department of agriculture, trade and  
12 consumer protection to enforce chs. 88, 91 to 100 or 127.

13          **SECTION 53.** 111.71 (2) of the statutes, as affected by 1995 Wisconsin Act 27,  
14 section 3803t, is amended to read:

15          111.71 (2) The commission shall assess and collect a filing fee for filing a  
16 complaint alleging that a prohibited practice has been committed under s. 111.70 (3).  
17 The commission shall assess and collect a filing fee for filing a request that the  
18 commission act as an arbitrator to resolve a dispute involving the interpretation or  
19 application of a collective bargaining agreement under s. 111.70 (4) (c) 2. or (cm) 4.  
20 The commission shall assess and collect a filing fee for filing a request that the  
21 commission initiate fact-finding under s. 111.70 (4) (c) 3. The commission shall  
22 assess and collect a filing fee for filing a request that the commission act as a  
23 mediator under s. 111.70 (4) (c) 1. or (cm) 3. The commission shall assess and collect  
24 a filing fee for filing a request that the commission initiate compulsory, final and  
25 binding arbitration under s. 111.70 (4) (cm) 6. or (jm) or 111.77 (3). For the

1 performance of commission actions under ss. 111.70 (4) (c) 1., 2. and 3., (cm) 3., 4. and  
2 6. and (jm) and 111.77 (3), the commission shall require that the parties to the dispute  
3 equally share in the payment of the fee and, for the performance of commission  
4 actions involving a complaint alleging that a prohibited practice has been committed  
5 under s. 111.70 (3), the commission shall require that the party filing the complaint  
6 pay the entire fee. If any party has paid a filing fee requesting the commission to act  
7 as a mediator for a labor dispute and the parties do not enter into a voluntary  
8 settlement of the dispute, the commission may not subsequently assess or collect a  
9 filing fee to initiate fact-finding or arbitration to resolve the same labor dispute. If  
10 any request for the performance of commission actions concerns issues arising as a  
11 result of more than one unrelated event or occurrence, each such separate event or  
12 occurrence shall be treated as a separate request. The commission shall promulgate  
13 rules establishing a schedule of filing fees to be paid under this subsection. Fees  
14 required to be paid under this subsection shall be paid at the time of filing the  
15 complaint or the request for fact-finding, mediation or arbitration. A complaint or  
16 request for fact-finding, mediation or arbitration is not filed until the date such fee  
17 or fees are paid, except that the failure of the respondent party to pay the filing fee  
18 for having the commission initiate compulsory, final and binding arbitration under  
19 s. 111.70 (4) (cm) 6. or (jm) or 111.77 (3) shall not prohibit the commission from  
20 initiating such arbitration. The commission may initiate collection proceedings  
21 against the respondent party for the payment of the filing fee. Fees collected under  
22 this subsection shall be credited to the appropriation account under s. 20.425 (1) (i).

23 **SECTION 54.** 119.23 (2) (b) of the statutes, as affected by 1995 Wisconsin Act 27,  
24 is amended to read:

1           119.23 (2) (b) In the 1995-96 school year, no more than 7% of the school  
2 district's membership may attend private schools under this section. Beginning in  
3 the 1996-97 school year, no more than 15% of the school district's membership may  
4 attend private schools under this section. If in any school year there are more spaces  
5 available in the participating private schools than the maximum number of pupils  
6 allowed to participate, the department shall prorate the number of spaces available  
7 at each participating private school.
