15 code in effect for the taxable year for which the return is filed, except that property  
16 first placed in service by the taxpayer on or after January 1, 1983, but before

24 tax purposes and the adjusted basis under this chapter shall be taken into account  
25 in determining net income or loss in the year or years for which the gain or loss is

1 reportable under this chapter. If that property was placed in service by the taxpayer

7           5. Whether the child has been screened by his or her resident school board  
8 under s. 115.80 (2) to determine if there is reasonable cause to believe that the child  
9 is a child with exceptional educational needs.

10          6. Whether the child has been reported to his or her resident school board under  
11 s. 115.80 (1) or identified by his or her resident school board under s. 115.80 (2) but  
12 not yet evaluated by a multidisciplinary team appointed by his or her resident school  
13 board under s. 115.80 (3).

14           (b) *Rejection after initial acceptance.* The criteria under par. (a) may provide  
15 that, notwithstanding the nonresident school board's acceptance of an application  
16 under sub. (3) (a) 3., at any time prior to the beginning of the school year in which  
17 the pupil will first attend school in the school district under this section, the school  
18 board may notify the pupil that he or she may not attend school in the school district  
19 if the school board determines that any of the criteria under par. (a) 2. are met.

20           (c) *Required preference.* A nonresident school board shall give preference in  
21 accepting applications under sub. (3) (a) to pupils and to siblings of pupils who are  
22 already attending public school in the nonresident school district.

23           **(6) RESIDENT SCHOOL DISTRICT TRANSFER LIMITATIONS.** A school board may limit  
24 the number of its resident pupils attending public school in other school districts  
25 under this section in the 1998-99 school year to 3% of its membership. In each of the

1 7 succeeding school years, a school board may limit the number of its resident pupils  
2 attending public school in other school districts to an additional 1% of its  
3 membership. If more than the maximum allowable number of resident pupils apply  
4 to attend public school in other school districts in any school year under this section,  
5 the school board shall determine which pupils will be allowed to attend public school  
6 in other school districts on a random basis, except that the school board shall give  
7 preference to pupils who are already attending public school in the school district to  
8 which they are applying under this section and to siblings of such pupils.

9 (7) RACIAL BALANCE. (a) The school board of a school district that is eligible for  
10 aid under subch. VI of ch. 121 shall reject any application for transfer into or out of  
11 the school district made under this section if the transfer would increase racial  
12 imbalance in the school district. A pupil who transfers out of a school district under  
13 subch. VI of ch. 121 shall not be counted in that school district's membership, as  
14 defined in s. 121.004 (5), for the purpose of determining the school district's racial  
15 balance under this paragraph.

16 (b) The school board of a school district that receives applications for transfer  
17 into the school district under subch. VI of ch. 121 and this section may not accept  
18 applications made under this section until it has accepted or rejected all applications  
19 made under subch. VI of ch. 121.

20 (8) DISCIPLINARY RECORDS. Notwithstanding s. 118.125, the resident school  
21 board shall provide to the nonresident school board to which a pupil has applied  
22 under this section, upon request by that school board, a copy of any expulsion  
23 findings and orders pertaining to the pupil, a copy of records of any pending  
24 disciplinary proceeding involving the pupil, a written explanation of the reasons for

1 the expulsion or pending disciplinary proceeding and the length of the term of the  
2 expulsion or the possible outcomes of the pending disciplinary proceeding.

3 (9) APPEAL OF REJECTION. If the nonresident school board rejects an application  
4 under sub. (3) (a) or (7) or the resident school board prohibits a pupil from attending  
5 public school in a nonresident school district under sub. (6), (7) or (12) (b) 1., the  
6 pupil's parent may appeal the decision to the department within 30 days after the  
7 decision. The department shall affirm the school board's decision unless the  
8 department finds that the decision was arbitrary or unreasonable.

9 (10) PUPIL ASSIGNMENT. A nonresident school board may assign pupils accepted  
10 to attend public school in the school district under this section to a school or program  
11 within the school district. The school board may give preference in attendance at a  
12 school, program, class or grade to residents of the school district who live outside the  
13 school's attendance area.

14 (12) SPECIAL EDUCATION PROGRAM OR RELATED SERVICES. (a) *Unavailable after*  
15 *enrollment*. If the individualized education program for a pupil, developed or revised  
16 under s. 115.80 (4) after a child begins attending public school in a nonresident school  
17 district under this section, requires a special education program or related service  
18 that is not available in the nonresident school district or if there is no space available  
19 in the special education program identified in the child's individualized education  
20 program, including any class size limits, pupil-teacher ratios or enrollment  
21 projections established by the nonresident school board, the nonresident school  
22 board may notify the child's parent and the child's resident school board that the  
23 program or service is not available in the nonresident school district. If such notice  
24 is provided, the child shall be transferred to his or her resident school district, which

1 shall provide an educational placement for the child under ss. 115.80 (4m) and 115.85  
2 (2).

3 (b) *Undue financial burden.* 1. If the costs of the special education program  
4 or services required in the individualized education program under s. 115.80 (4) for  
5 a child with exceptional educational needs whose parent has submitted an  
6 application under sub. (3) (a), as proposed to be implemented by the nonresident  
7 school district, would impose upon the child's resident school district an undue  
8 financial burden in light of the resident school district's total economic  
9 circumstances, including its revenue limit under subch. VII of ch. 121, its ability to  
10 pay tuition costs for the pupil and the per pupil special education program or services  
11 costs for children with exceptional educational needs continuing to be served by the  
12 resident school district, the child's resident school board may notify the child's parent  
13 and the nonresident school board by the first Friday following the first Monday in  
14 April that the pupil may not attend the nonresident school district to which the child  
15 has applied.

16 2. If the costs of the special education program or services required in an  
17 individualized education program for a pupil, developed or revised under s. 115.80  
18 (4) after a child begins attending public school in a nonresident school district under  
19 this section, as implemented or proposed to be implemented by the nonresident  
20 school district, would impose upon the child's resident school district an undue  
21 financial burden in light of the resident school district's total economic  
22 circumstances, including its revenue limit under subch. VII of ch. 121, its ability to  
23 pay tuition costs for the pupil and the per pupil special education program or services  
24 costs for children with exceptional educational needs continuing to be served by the  
25 resident school district, the child's resident school board may notify the pupil's

1 parent and the nonresident school board that the program or services impose such  
2 an undue financial burden on the resident school district. If such notice is provided,  
3 the child shall be transferred to his or her resident school district, which shall provide  
4 an educational placement for the child under ss. 115.80 (4m) and 115.85 (2). The  
5 pupil's parent may appeal a required transfer under this subdivision to the  
6 department within 30 days after receipt of the notice. The department shall affirm  
7 the resident school board's determination unless the department finds that the  
8 determination was arbitrary or unreasonable.

9 **(13) RIGHTS AND PRIVILEGES OF NONRESIDENT PUPILS.** A pupil attending a public  
10 school in a nonresident school district under this section has all of the rights and  
11 privileges of pupils residing in that school district and is subject to the same rules  
12 and regulations as pupils residing in that school district.

13 **(13m) PARTICIPATION IN CERTAIN PROGRAMS.** A pupil attending a public school in  
14 a nonresident school district under this section shall be considered a resident of the  
15 nonresident school district for the purposes of participating in programs of a  
16 cooperative educational service agency or a county handicapped children's education  
17 board.

18 **(14) TRANSPORTATION.** (a) *Responsibility.* 1. Except as provided in subd. 2., the  
19 parent of a pupil attending public school in a nonresident school district under this  
20 section is responsible for transporting the pupil to and from school in the nonresident  
21 school district attended by the pupil.

22 2. If the pupil is a child with exceptional educational needs and transportation  
23 of the pupil is required in the individualized education program developed for the  
24 child under s. 115.80 (4) or is required under s. 121.54 (3), the nonresident school  
25 district shall provide such transportation for the child.

1           (b) *Low-income assistance.* The parent of a pupil who is eligible for a free or  
2 reduced-price lunch under 42 USC 1758 (b) and who will be attending public school  
3 in a nonresident school district in the following school year under this section may  
4 apply to the department, on the form prepared under sub. (15) (a), for the  
5 reimbursement of costs incurred by the parent for the transportation of the pupil to  
6 and from the pupil's residence and the school that the pupil will be attending. The  
7 department shall determine the reimbursement amount and shall pay the amount  
8 from the appropriation under s. 20.255 (2) (cy). The reimbursement amount may not  
9 exceed the actual transportation costs incurred by the parent or 3 times the  
10 statewide average per pupil transportation costs, whichever is less. If the  
11 appropriation under s. 20.255 (2) (cy) in any one year is insufficient to pay the full  
12 amount of approved claims under this paragraph, payments shall be prorated among  
13 the parents entitled thereto. By the 2nd Friday following the first Monday in May  
14 following receipt of the parent's application under sub. (3) (a), the department shall  
15 provide to each parent requesting reimbursement under this paragraph an estimate  
16 of the amount of reimbursement that the parent will receive if the pupil attends  
17 public school in the nonresident school district in the following school year.

18           **(15) DEPARTMENT DUTIES.** The department shall do all of the following:

19           (a) *Application form.* Prepare, distribute to school districts and make available  
20 to parents an application form to be used by parents under sub. (3) (a). The form shall  
21 include provisions that permit a parent to apply for transportation reimbursement  
22 under sub. (14) (b).

23           (b) *Information and assistance.* Develop and implement an outreach program  
24 to educate parents about the open enrollment program under this section, including  
25 activities specifically designed to educate low-income parents, and services to

1 answer parents' questions about the program and assist them in exercising the open  
2 enrollment option provided under this section.

3 (c) *Annual report.* Annually submit a report to the governor, and to the  
4 appropriate standing committees of the legislature under s. 13.172 (3), on the  
5 number of pupils who applied to attend public school in a nonresident school district  
6 under this section, the number of applications denied and the bases for the denials,  
7 and the number of pupils attending public school in a nonresident school district  
8 under this section.

9 **(16) STATE AID ADJUSTMENTS.** (a) Annually, the department shall determine all  
10 of the following:

11 1. For each school district, the number of nonresident pupils attending public  
12 school in the school district under this section, other than pupils for whom tuition is  
13 paid under sub. (17).

14 2. For each school district, the number of resident pupils attending public  
15 school in a nonresident school district under this section, other than pupils for whom  
16 tuition is paid under sub. (17).

17 3. The statewide average per pupil school district cost for regular instruction,  
18 cocurricular activities, instructional support services and pupil support services in  
19 the previous school year.

20 (b) 1. If the number determined in par. (a) 1. is greater than the number  
21 determined in par. (a) 2. for a school district, the department shall increase that  
22 school district's state aid payment under s. 121.08 by an amount equal to the  
23 difference multiplied by the amount determined under par. (a) 3.

24 2. If the number determined in par. (a) 1. is less than the number determined  
25 in par. (a) 2. for a school district, the department shall decrease that school district's

1 state aid payment under s. 121.08 by an amount equal to the difference multiplied  
2 by the amount determined under par. (a) 3. If the state aid payment under s. 121.08  
3 is insufficient to cover the reduction, the department shall decrease other state aid  
4 payments made by the department to the school district by the remaining amount.  
5 If the state aid payment under s. 121.08 and other state aid payments made by the  
6 department to the school district are insufficient to cover the reduction, the  
7 department shall use the moneys appropriated under s. 20.255 (2) (cg) to pay the  
8 balance to school districts under subd. 1.

9 (c) If a pupil attends public school in a nonresident school district under this  
10 section for less than a full school term, the department shall prorate the state aid  
11 adjustments under this subsection based on the number of days that school is in  
12 session and the pupil attends public school in the nonresident school district.

13 (d) The department shall ensure that the aid adjustment under par. (b) does  
14 not affect the amount determined to be received by a school district as state aid under  
15 s. 121.08 for any other purpose.

16 **(17) SPECIAL EDUCATION TUITION.** The resident school board shall pay to the  
17 nonresident school board, for each child who is attending public school in the  
18 nonresident school district under this section and is enrolled in a program for  
19 children with exceptional educational needs, tuition calculated using the daily  
20 tuition rate under s. 121.83 for children enrolled in such programs in the nonresident  
21 school district, or an amount agreed to by the school boards of the 2 school districts.

22 **SECTION 2843r.** 118.52 of the statutes is created to read:

23 **118.52 Part-time open enrollment. (1) DEFINITIONS.** In this section:

24 (a) "Nonresident school board" means the school board of a nonresident school  
25 district.

1 (b) "Nonresident school district" means a school district, other than a pupil's  
2 resident school district, in which the pupil is attending a course or has applied to  
3 attend a course under this section.

4 (c) "Parent" includes a guardian.

5 (d) "Resident school board" means the school board of a resident school district.

6 (e) "Resident school district" means the school district in which a pupil resides.

7 **(2) APPLICABILITY.** Beginning in the 1998-99 school year, a pupil enrolled in a  
8 public school in the high school grades may attend public school in a nonresident  
9 school district under this section for the purpose of taking a course offered by the  
10 nonresident school district. A pupil may attend no more than 2 courses at any time  
11 in nonresident school districts under this section.

12 **(3) APPLICATION PROCEDURES.** (a) The parent of a pupil who wishes to attend  
13 public school in a nonresident school district for the purpose of taking a course under  
14 this section shall submit an application, on a form provided by the department, to the  
15 school board of the nonresident school district in which the pupil wishes to attend a  
16 course not later than 6 weeks prior to the date on which the course is scheduled to  
17 commence. The application shall specify the course that the pupil wishes to attend  
18 and may specify the school or schools at which the pupil wishes to attend the course.  
19 The nonresident school board shall send a copy of the application to the pupil's  
20 resident school board.

21 (b) If a nonresident school board receives more applications for a particular  
22 course than there are spaces available in the course, the nonresident school board  
23 shall determine which pupils to accept on a random basis.

24 (c) No later than one week prior to the date on which the course is scheduled  
25 to commence, the nonresident school board shall notify the applicant and the

1 resident school board, in writing, whether the application has been accepted and, if  
2 the application is accepted, the school at which the pupil may attend the course. The  
3 acceptance applies only for the following semester, school year or other session in  
4 which the course is offered. If the nonresident school board rejects an application,  
5 it shall include in the notice the reason for the rejection.

6 (d) No later than one week prior to the date on which the course is scheduled  
7 to commence, the resident school board shall do all of the following:

8 1. If it denies an application to attend public school in a nonresident school  
9 district under sub. (6), notify the applicant and the nonresident school board, in  
10 writing, that the application has been denied and include in the notice the reason for  
11 the rejection.

12 2. If it determines that the course does not satisfy high school graduation  
13 requirements under s. 118.33 in the resident school district, notify the applicant in  
14 writing.

15 (e) Following receipt of a notice of acceptance but prior to the date on which the  
16 course is scheduled to commence, the pupil's parent shall notify the resident school  
17 board and nonresident school board of the pupil's intent to attend the course in the  
18 nonresident school district.

19 **(4) ADOPTION OF POLICIES AND CRITERIA.** By December 1, 1997, each school board  
20 shall adopt a resolution specifying the criteria and policies described in subs. (5) and  
21 (6). If the school board wishes to revise the criteria or policies, it shall do so by  
22 resolution.

23 **(5) NONRESIDENT SCHOOL DISTRICT ACCEPTANCE AND REJECTION CRITERIA.** School  
24 board policies and criteria for accepting and rejecting applications under sub. (3)  
25 from pupils who reside in another school district shall be the same as the policies and

1 criteria for entry into the course that apply to pupils who reside in the school district,  
2 except that the school board may give preference in attendance in a course to  
3 residents of the school district.

4 **(6) RESIDENT SCHOOL DISTRICT REJECTION CRITERIA.** (a) *Individualized education*  
5 *program requirements.* The school board of a pupil's resident school district shall  
6 reject a pupil's application to attend a course in a public school in a nonresident  
7 school district if the resident school board determines that the course conflicts with  
8 the individualized education program for the pupil under s. 115.80 (4).

9 (b) *Undue financial burden.* The school board of a pupil's resident school  
10 district may reject an application to attend a course in a public school in a  
11 nonresident school district if the cost of the course would impose upon the resident  
12 school district an undue financial burden in light of the resident school district's total  
13 economic circumstances, including its revenue limit under subch. VII of ch. 121, its  
14 ability to pay tuition costs for the pupil and the per pupil costs for children continuing  
15 to be served by the resident school district.

16 **(8) APPEAL OF REJECTION.** If an application is rejected under sub. (5) or a pupil  
17 is prohibited from attending a course in a public school in a nonresident school  
18 district under sub. (6), the pupil's parent may appeal the decision to the department  
19 within 30 days after the decision. The department shall affirm the school board's  
20 decision unless the department finds that the decision was arbitrary or  
21 unreasonable. The department's decision is final and is not subject to judicial review  
22 under subch. III of ch. 227.

23 **(9) RIGHTS AND PRIVILEGES OF NONRESIDENT PUPILS.** A pupil attending a course  
24 in a public school in a nonresident school district under this section has all of the

1 rights and privileges of pupils residing in that school district and is subject to the  
2 same rules and regulations as pupils residing in that school district.

3 (10) DISCIPLINARY RECORDS. Notwithstanding s. 118.125, the resident school  
4 board shall provide to the nonresident school board to which a pupil has applied  
5 under this section, upon request by that school board, a copy of any expulsion  
6 findings and orders, a copy of records of any pending disciplinary proceeding  
7 involving the pupil, a written explanation of the reasons for the expulsion or pending  
8 disciplinary proceeding and the length of the term of the expulsion or the possible  
9 outcomes of the pending disciplinary proceeding.

10 (11) TRANSPORTATION. (a) *Responsibility*. The parent of a pupil attending a  
11 course in a public school in a nonresident school district under this section is  
12 responsible for transporting the pupil to and from the course that the pupil is  
13 attending.

14 (b) *Low-income assistance*. The parent of a pupil who is attending a course in  
15 a public school in a nonresident school district under this section may apply to the  
16 department for reimbursement of the costs incurred by the parent for the  
17 transportation of the pupil to and from the pupil's residence or school in which the  
18 pupil is enrolled and the school at which the pupil is attending the course if the pupil  
19 and parent are unable to pay the cost of such transportation. The department shall  
20 determine the reimbursement amount and shall pay the amount from the  
21 appropriation under s. 20.255 (2) (cw). The department shall give preference under  
22 this paragraph to those pupils who are eligible for a free or reduced-price lunch  
23 under 42 USC 1758 (b).

24 (12) TUITION. The resident school board shall pay to the nonresident school  
25 board, for each pupil attending a course in a public school in the nonresident school

1 district under this section, an amount equal to the cost of providing the course to the  
2 pupil, calculated in a manner determined by the department.

3 **SECTION 2844.** 118.55 (7r) of the statutes is created to read:

4 118.55 (7r) ATTENDANCE AT TECHNICAL COLLEGE. (a) Upon the pupil's request  
5 and with the written approval of the pupil's parent or guardian, any public school  
6 pupil who satisfies the following criteria may apply to attend a technical college for  
7 the purpose of taking one or more courses:

8 1. The pupil has completed the 10th grade.

9 2. The pupil is in good academic standing.

10 3. The pupil notifies the school board of his or her intent to attend a technical  
11 college under this subsection by March 1 if the pupil intends to enroll in the fall  
12 semester and by October 1 if the pupil intends to enroll in the spring semester.

13 4. The pupil is not a child at risk, as defined in s. 118.153 (1) (a).

14 (am) A school board may refuse to permit a pupil to attend a technical college  
15 under this subsection if the pupil is a child with exceptional educational needs, as  
16 defined in s. 115.76 (3), and the school board determines that the cost to the school  
17 district under par. (dm) would impose an undue financial burden on the school  
18 district.

19 (b) The technical college district board shall admit the pupil if he or she meets  
20 the requirements and prerequisites of the course or courses for which he or she  
21 applied, except that the district board may reject an application from a pupil who has  
22 a record of disciplinary problems, as determined by the district board, or if the  
23 district board determines that there is no space available for the pupil.

24 (c) If a child attends a technical college under this subsection, the technical  
25 college shall ensure that the child's educational program meets the high school

1 graduation requirements under s. 118.33. At least 30 days before the beginning of  
2 the technical college semester in which the pupil will be enrolled, the school board  
3 of the school district in which the pupil resides shall notify the pupil, in writing, if  
4 a course in which the pupil will be enrolled does not meet the high school graduation  
5 requirements and whether the course is comparable to a course offered in the school  
6 district. If the pupil disagrees with the school board's decision regarding  
7 comparability of courses or satisfaction of high school graduation requirements, the  
8 pupil may appeal the school board's decision to the state superintendent within 30  
9 days after the decision. The state superintendent's decision is final and is not subject  
10 to review under subch. III of ch. 227. The pupil is eligible to receive both high school  
11 and technical college credit for courses successfully completed at the technical  
12 college.

13 (d) 1. Except as provided in par. (dg), for each pupil attending a technical college  
14 under this subsection, the school board shall pay to the technical college district  
15 board, in 2 instalments payable upon initial enrollment and at the end of the  
16 semester, the following amount:

17 a. If the pupil is attending the technical college for less than 7 credits that are  
18 eligible for high school credit, for those courses taken for high school credit, an  
19 amount equal to the cost of tuition, course fees and books for the pupil at the technical  
20 college.

21 b. If the pupil is attending the technical college for 7 credits or more that are  
22 eligible for high school credit, an amount equal to 50% of the school district's average  
23 per pupil cost for regular instruction and instructional support services in the  
24 previous school year, as determined by the department, multiplied by a fraction the  
25 numerator of which is the number of credits taken for high school credit for which

1 the pupil is enrolled and the denominator of which is 15. Annually by the 3rd Monday  
2 in February, the department shall make available to school boards and technical  
3 college district boards estimates of the amounts under this subd. 1. b.

4 2. Notwithstanding subd. 1., if the pupil is attending the technical college for  
5 less than 10 credits during any semester, the school board is not responsible for  
6 payment for any courses that are comparable to courses offered in the school district.  
7 If the pupil is attending the technical college for 10 or more credits during any  
8 semester, the school board is responsible for payment for courses that are comparable  
9 to courses offered in the school district for one-half of the credits taken but no more  
10 than 6 credits.

11 (dg) 1. If, by September 15, 1997, or within 30 days after the effective date of  
12 this subdivision .... [revisor inserts date], whichever is later, the technical college  
13 system board, the Wisconsin Association of School Boards and the School  
14 Administrators Alliance agree on a different method than the method under par. (d)  
15 for determining the amount that a school board must pay a technical college district  
16 board for each pupil attending a technical college under this subsection, they shall  
17 submit it to the department by September 15, 1997, or within 30 days after the  
18 effective date of this subdivision .... [revisor inserts date], whichever is later.

19 2. Within 30 days after receiving the recommended method under subd. 1., the  
20 department shall approve or reject it. If the department approves the method it shall  
21 immediately submit the method to the cochairpersons of the joint committee on  
22 finance. If the cochairpersons of the joint committee on finance do not notify the  
23 department that the committee has scheduled a meeting for the purpose of reviewing  
24 the method within 14 working days after the date that the method was submitted,  
25 the method is approved. If, within 14 working days after the date that the method

1 was submitted, the cochairpersons of the committee notify the department that the  
2 committee has scheduled a meeting for the purpose of reviewing the method, the  
3 method is not approved until the committee approves it.

2 applicant for eligible costs paid. The department may not make an award for an  
3 investigation before it approves the investigation. The department may not make  
4 an award for remedial action activities before it approves the remedial action

17 77.9963.
- 18 8. The dry cleaning solvent discharge was caused by a person who provided  
19 services or products to the owner or operator or to a prior owner or operator of the  
20 dry cleaning facility.

21 (e) *Deductible.* 1. The department may reimburse the owner or operator of a  
22 dry cleaning facility that is operating at the time that the owner or operator applies  
23 under par. (a) only for eligible costs incurred at each dry cleaning facility that exceed  
24 the following deductible:

- 25 a. If eligible costs are \$200,000 or less, \$10,000.

1           b. If eligible costs exceed \$200,000 but do not exceed \$400,000, \$10,000 plus 8%  
2 of the amount by which eligible costs exceed \$200,000.

3           c. If eligible costs exceed \$400,000, \$26,000 plus 10% of the amount by which  
4 eligible costs exceed \$400,000, but the maximum deductible is \$46,000.

5           3. The department may reimburse the owner or operator of a dry cleaning  
6 facility that has ceased operation before the owner or operator applies under par. (a)  
7 only for eligible costs that exceed the sum of the following:

8           a. Ten thousand dollars.

9           b. For each year in which the owner or operator has not paid the annual license  
10 fee under s. 77.9961 (1) for the dry cleaning facility, an amount equal to the average  
11 annual license fee paid under s. 77.9961 (1) for that year.

12           c. For each year in which the dry cleaning solvents fee under s. 77.9962 was  
13 imposed and the dry cleaning facility was not in operation, an amount equal to the  
14 total amount collected under s. 77.9962 for that year divided by the number of dry  
15 cleaning facilities in operation during that year.

16           d. If the owner or operator did not pay the inventory fee under s. 77.9963 with  
17 respect to the dry cleaning facility, an amount equal to the total amount collected  
18 under s. 77.9963 divided by the number of dry cleaning facilities paying the  
19 inventory fee.

20           (f) *Maximum awards.* 1. The department may not issue financial assistance  
21 under this section that exceeds \$600,000 for reimbursement for costs incurred at a

5 department waives the requirement that an owner or operator pay the deductible,  
6 the department shall record a statement of lien with the register of deeds of the  
7 county in which the dry cleaning facility is located. If the department records the  
8 statement of lien, the department has a lien on the property on which the dry  
9 cleaning facility is located in the amount of the deductible that was waived. The  
10 property remains subject to the lien until that amount is paid in full.

11           (h) *Contributory negligence.* The department may not diminish or deny an  
12 award under this section as a result of negligence attributable to the applicant or any  
13 person who is entitled to submit an application, except as provided in par. (d) 3.

14           (i) *Assignment of awards.* The filing by an applicant with the department of  
15 an assignment of an award under this section to a person who loans money to the  
16 applicant for the purpose of conducting activities required under sub. (4) creates and  
17 perfects a lien in favor of the assignee in the proceeds of the award. The lien secures  
18 all principal, interest, fees, costs and expenses of the assignee related to the loan.  
19 The lien under this paragraph has priority over any previously existing or  
20 subsequently created lien, assignment, security interest or other interest in the  
21 proceeds of the award.

22           (j) *Reduction of awards.* 1. If an owner or operator prepares and submits an  
23 application that includes ineligible costs that are identified under subd. 3., the  
24 department shall calculate the award by determining the amount that the award  
25 would otherwise be under pars. (e) and (f) based only on the eligible costs and then

1 by reducing that amount by 50% of the ineligible costs under subd. 2. that are  
2 included in the application.

3 2. If a consultant prepares an application that is submitted by an owner or  
4 operator and that includes ineligible costs that are identified under subd. 3., the  
5 consultant shall pay to the department an amount equal to 50% of the ineligible costs  
6 identified under subd. 3. that are included in the application. A consultant may not  
7 charge the owner or operator for any amount that the consultant is required to pay  
8 under this subdivision. Payments made under this subdivision shall be deposited  
9 in the dry cleaner environmental response fund.

10 3. The department shall promulgate a rule identifying the ineligible costs to  
11 which subds. 1. and 2. apply.

12 **(9) RECOVERY OF AWARDS.** (a) *Right of action.* A right of action under this section  
13 shall accrue to the state against an owner or operator only if the owner or operator  
14 submits a fraudulent application or does not meet the requirements under this  
15 section and if an award is issued under this section to the owner or operator for  
16 eligible costs under this section.

17 (b) *Action to recover awards.* The attorney general shall take appropriate  
18 actions to recover awards to which the state is entitled under par. (a). The  
19 department shall request that the attorney general take action if the department  
20 discovers a fraudulent application after an award is issued.

21 (c) *Disposition of funds.* The net proceeds of the recovery under par. (b) shall  
22 be paid into the dry cleaner environmental response fund.

23 **(10) LIABILITY.** (a) No common law liability, and no statutory liability that is  
24 provided in a statute other than this section, for damages resulting from a dry

5 amount of eligible costs equal to the amount of the award that may be issued under  
6 this section.

7 (c) If a person conducts a remedial action activity for a discharge at a dry  
8 cleaning facility site, whether or not the person files an application under this  
9 section, the remedial action activity conducted and any application filed under this  
10 section are not evidence of liability or an admission of liability for any potential or  
11 actual environmental pollution.

12 **(11) INTERVENTION IN 3RD-PARTY ACTIONS.** An owner or operator of a dry cleaning  
13 facility shall notify the department of any action by a 3rd party against the owner  
14 or operator for compensation for bodily injury or property damage caused by a dry  
15 cleaning solvent discharge from the dry cleaning facility if the owner or operator may  
16 be eligible for an award under this section. The department may intervene in any  
17 action by a 3rd party against an owner or operator for compensation for bodily injury  
18 or property damage caused by a dry cleaning solvent discharge from a dry cleaning  
19 facility if the owner or operator may be eligible for an award under this section for  
20 compensation awarded in the action.

21 **(12) RECORDS.** (a) The department shall promulgate rules prescribing  
22 requirements for the records to be maintained by an owner, operator or service  
23 provider and the periods for which they must retain those records.

1 (b) The department may inspect any document in the possession of an owner,  
2 operator or service provider or any other person if the document is relevant to an  
3 application for reimbursement under this section.

4 (13) COUNCIL. The dry cleaner environmental response council shall advise the  
5 department concerning the programs under this section and s. 292.66. The dry

14 variance, the department may grant a variance from that requirement.

15 (b) If a variance is not authorized under par. (a), the department may grant a  
16 participant a variance from a requirement in chs. 280 to 295 that would otherwise

19 consistent with subs. (2) and (3) (g) and does one of the following:

20 1. Promotes the reduction in overall levels of pollution to below the levels

14 each application submitted under sub. (5). Upon completion of that review, the  
15 department shall decide whether to enter into negotiations with the applicant. In  
16 determining whether to enter into negotiations and in selecting participants, the  
17 department shall seek to ensure participation by a variety of types, sizes and  
18 locations of facilities and shall consult with the federal environmental protection  
19 agency. A decision by the department not to enter into negotiations is not subject to  
20 review under ch. 227. If the department decides to enter into negotiations, it shall

7 complies with sub. (3) and that entering into the agreement will assist the  
8 department to comply with sub. (2). The decision by the department to enter into a  
9 cooperative agreement is not subject to review under ch. 227. A cooperative  
10 agreement is subject to review under ch. 227.

11 (e) The department may not enter into an initial cooperative agreement after  
12 the first day of the 60th month beginning after the effective date of this paragraph  
13 .... [revisor inserts date].

14 **(6e) EXTENSION OF COOPERATIVE AGREEMENT.** If the department determines that  
15 renewal of a cooperative agreement is consistent with sub. (2) and if the participant  
16 agrees to renewal, the department may notify the joint committee on finance that the  
17 department proposes to renew the cooperative agreement. If, within 14 working  
18 days after the date that the department submits the proposal, the cochairpersons of  
19 the committee notify the secretary that the committee has scheduled a meeting for  
20 the purpose of reviewing the proposal, the department may not renew the  
21 cooperative agreement until the committee approves the proposal. If the  
22 cochairpersons of the committee do not so notify the secretary, the department may  
23 renew the cooperative agreement. A cooperative agreement may be renewed for one  
24 5-year term.

1           **(6m)** EXPIRATION OF COOPERATIVE AGREEMENT. If a participant timely submits an  
2 application for an approval that is replaced by a cooperative agreement and submits  
3 any information requested by the department to enable the department to act on the  
4 application, but the department does not issue the approval before the cooperative  
5 agreement expires, sub. (9) (a) continues to apply and the provisions of the  
6 cooperative agreement continue to apply until the approval is issued.

7           **(7)** AMENDMENT, REVOCATION OF COOPERATIVE AGREEMENT. (a) This subsection  
8 applies to the amendment or revocation of a cooperative agreement, notwithstanding  
9 any provisions of chs. 280 to 295 concerning the amendment or revocation of  
10 approvals.

11           (b) 1. The department may amend a cooperative agreement with the consent

2 which the cooperative agreement does not grant a variance.

3 b. That the participant has refused the department's request to amend the  
4 cooperative agreement.

5 c. That the participant is unable, or has shown an unwillingness, to comply  
6 with pollution reduction goals that apply to the participant under the cooperative  
7 agreement.

8 d. That the participant has not satisfactorily addressed a substantive issue  
9 raised by a majority of the members of the interested persons group, established  
10 under sub. (5) (b), within a reasonable time after receiving notice of the issue.

11 3. If the department revokes a cooperative agreement, it shall do all of the  
12 following in a written revocation decision:

13 a. Delay any compliance deadlines established in the cooperative agreement  
14 if a delay is necessary to provide the participant with a reasonable amount of time  
15 to obtain approvals required under chs. 280 to 295 that were replaced by the  
16 cooperative agreement.

17 b. Establish practical interim requirements, that do not allow pollution in  
18 excess of that allowed under chs. 280 to 295 at the time that the cooperative  
19 agreement was entered into, to replace specified requirements of the cooperative  
20 agreement until the department issues the approvals required under chs. 280 to 295  
21 that were replaced by the cooperative agreement.

22 4. A participant shall comply with the department's revocation decision and  
23 with all requirements of the cooperative agreement for which the department does  
24 not establish interim requirements until the department issues the approvals  
25 required under chs. 280 to 295 that were replaced by the cooperative agreement.

1 (d) A final decision under par. (b) or (c) is subject to review under ch. 227.

15 (a) that does all of the following:

16 1. Briefly describes the facility that is the subject of the proposed action.

17 2. Identifies the proposed action and states whether any variances would be  
18 granted under sub. (4) by the proposed action.

19 3. Identifies an employe of the department and an employe of the applicant or  
20 participant who may be contacted for additional information about the proposed  
21 action.

22 4. States that the draft of the proposed action and the fact sheet under par. (b)  
23 are available upon request.

1           5. States that comments concerning the proposed action may be submitted to  
2 the department during the comment period and states the last date of the comment  
3 period.

4           6. Describes the procedures that the department will use to make a final  
5 decision on the proposed action, describes how persons may request public  
6 informational meetings, contested case hearings or public hearings and how persons  
7 may make requests to appear at those meetings and hearings.

8           (d) Before the start of the public comment period, the department shall mail  
9 the public notice under par. (c) to the applicant or participant, the federal  
10 environmental protection agency, the members of the interested persons group  
11 established under sub. (5) (b) and all persons who have asked to receive notice of  
12 proposed actions under par. (a). The department shall mail the public notice to any  
13 other person upon request. The department shall make a copy of the public notice  
14 available at the department's main office, at any other department office in the area  
15 of the facility subject to the proposed action and at public libraries in that area. The  
16 department shall circulate the public notice in the area of the facility subject to the  
17 proposed action by posting the notice in public buildings, publishing the notice in  
18 local newspapers and by any other methods that the department determines are  
19 effective.

20           (e) The department shall hold a public informational meeting on a proposed  
21 action under par. (a) if the comments received during the public comment period  
22 demonstrate considerable public interest in the proposed action.

23           **(9) EFFECT OF COOPERATIVE AGREEMENT.** (a) For the purposes of chs. 280 to 295,  
24 a cooperative agreement entered into under this section is considered to be an

1 approval that is identified under sub. (3) (b) as being replaced by the cooperative  
2 agreement.

3 (b) A provision of an approval that is identified under sub. (3) (b) as being  
4 replaced by a cooperative agreement is superceded by the cooperative agreement.

5 (10) FEES. A participant shall pay the same fees under chs. 280 to 295 that it  
6 would be required to pay if it had not entered into a cooperative agreement.

7 (11) REPORTING BY PARTICIPANTS. (a) Reports submitted under a cooperative  
8 agreement fulfill the reporting requirements under chs. 280 to 295 relating to the  
9 facility, activities and pollutants that are covered by the cooperative agreement,  
10 except for any requirements for immediate reporting.

11 (b) A participant shall notify the department before it increases the amount of  
12 the discharge or emission of a pollutant from a covered facility and before it begins  
13 to discharge or emit a pollutant that it did not discharge or emit from a covered  
14 facility when the cooperative agreement was entered into. The notification shall  
15 describe any proposed facility expansion, production increase or process  
16 modification that would result in the increased or new discharge or emission and  
17 shall state the identity and quantity of the pollutant planned to be emitted or  
18 discharged. If the increased or new discharge or emission is not authorized under  
19 the cooperative agreement, the department may amend the cooperative agreement  
20 under sub. (7) in a manner consistent with subs. (2) and (3) or require the participant  
21 to obtain an approval if an approval is required under chs. 280 to 295.

22 (12) REPORTS OF VIOLATIONS. A participant shall submit a report to the  
23 department within 45 days after completion of a performance evaluation if the  
24 performance evaluation reveals violations at a facility covered by a cooperative  
25 agreement. The report shall contain all of the following:

1 (a) A description of the performance evaluation, including who conducted the  
2 performance evaluation, when it was completed, what activities and operations were  
3 examined and what was revealed by the performance evaluation.

4 (b) A description of all violations revealed by the performance evaluation.

5 (c) A description of the actions taken or proposed to be taken to correct the  
6 violations.

7 (d) A commitment to correct the violations within 90 days of submitting the  
8 report or within a compliance schedule approved by the department.

10 violations, a proposed compliance schedule that contains the shortest reasonable  
11 periods for correcting the violations, a statement that justifies the proposed  
12 compliance schedule, a description of measures that the participant will take to  
13 minimize the effects of the violations during the period of the compliance schedule  
14 and proposed stipulated penalties if the participant violates the compliance  
15 schedule.

16 (f) A description of the measures that the participant has taken or will take to  
17 prevent future violations.

18 **(13) COMPLIANCE SCHEDULES.** (a) If the department receives a report under sub.  
19 (12) that contains a proposed compliance schedule under sub. (12) (e), the  
20 department shall review the proposed compliance schedule. The department may  
21 approve the compliance schedule as submitted or propose a different compliance  
22 schedule. If the participant does not agree to implement a compliance schedule  
23 proposed by the department, the department shall schedule a meeting with the  
24 participant to attempt to reach an agreement on a compliance schedule. If the  
25 department and the participant do not reach an agreement on a compliance

1 schedule, the department shall initiate the procedure under sub. (7) (c) 2. to revoke  
2 the cooperative agreement. If the parties agree to a compliance schedule, the  
3 department shall amend the cooperative agreement to incorporate the compliance  
4 schedule.

5 (b) The department may not approve a compliance schedule that extends longer  
6 than 12 months beyond the date of approval of the compliance schedule. The  
7 department shall consider the following factors in determining whether to approve  
8 a compliance schedule:

9 1. The environmental and public health consequences of the violations.

10 2. The time needed to implement a change in raw materials or method of  
11 production if that change is an available alternative to other methods of correcting  
12 the violations.

13 3. The time needed to purchase any equipment or supplies that are needed to  
14 correct the violations.

15 (14) DEFERRED CIVIL ENFORCEMENT. (a) 1. This state may not commence a civil  
16 action to collect forfeitures for violations at a facility covered by a cooperative  
17 agreement that are disclosed in a report that meets the requirements of sub. (12) for  
18 at least 90 days after the department receives the report.

19 2. If the participant corrects violations that are disclosed in a report that meets  
20 the requirements of sub. (12) within 90 days after the department receives a report  
21 that meets the requirements of sub. (12), this state may not commence a civil action  
22 to collect forfeitures for the violations.

23 3. This state may not commence a civil action to collect forfeitures for violations  
24 covered by a compliance schedule that is approved under sub. (13) during the period  
25 of the compliance schedule if the participant is not violating the compliance schedule.

1 If the participant violates the compliance schedule, the department may collect the  
2 stipulated penalties in the compliance schedule or may revoke the cooperative  
3 agreement. After the department revokes a cooperative agreement, this state may  
4 commence civil action to collect forfeitures for the violations.

5 4. If the department approves a compliance schedule under sub. (13) and the  
6 participant corrects the violations according to the compliance schedule, this state  
7 may not commence a civil action to collect forfeitures for the violations.

8 (b) Notwithstanding par. (a), this state may at any time commence a civil action

4 1. If the person becomes a dependent through marriage, not later than the first

10 **(8)** (a) A health maintenance organization that offers a group health benefit  
11 plan and that does not impose any preexisting condition exclusion under sub. (1) with  
12 respect to a particular coverage option may impose an affiliation period for that  
13 coverage option, but only if all of the following apply:

14 1. The affiliation period is applied uniformly without regard to any health  
15 status-related factors.

16 2. The affiliation period does not exceed 2 months, or 3 months with respect to  
17 a late enrollee.

18 (b) A health maintenance organization that imposes an affiliation period under  
19 this subsection is not required to provide health care services or benefits during the  
20 affiliation period. A health maintenance organization may not charge a premium to  
21 a participant or beneficiary for any coverage that is provided during an affiliation  
22 period. An affiliation period shall begin on the enrollment date and run concurrently  
23 with any waiting period under the group health benefit plan.

1 (c) A health maintenance organization under par. (a) may use methods other  
2 than those described in par. (a) to address adverse selection, if the methods are  
3 approved by the commissioner.

4 (9) (a) Except as provided in pars. (b) and (c), requirements used by an insurer  
5 in determining whether to provide coverage under a group health benefit plan to an  
6 employer, including requirements for minimum participation of eligible employes  
7 and minimum employer contributions, shall be applied uniformly among all  
8 employers that apply for or receive coverage from the insurer.

9 (b) An insurer may do all of the following:

10 1. Vary its minimum participation requirements or minimum employer  
11 contribution requirements only by the size of the employer group based on the  
12 number of eligible employes.

13 2. Unless the commissioner by rule permits more frequent change, increase the  
14 minimum participation requirements or minimum employer contribution  
15 requirements no more than one time during a calendar year and, except as otherwise  
16 permitted under this subsection, only if the requirements are applied uniformly to  
17 all employers applying for coverage and to all renewing employers effective on the  
18 date of renewal.

19 3. Except as limited or restricted by rule of the commissioner, establish  
20 separate participation requirements or employer contribution requirements that  
21 uniformly apply to all employers that provide a choice of coverage to employes or  
22 their dependents. Except as limited or restricted by rule of the commissioner, an  
23 insurer may establish separate uniform requirements based on the number or type  
24 of choice of coverage provided by the employer.

1 (c) Except as provided in par. (b), an insurer may vary requirements used by  
2 the insurer in determining whether to provide coverage under a group health benefit  
3 plan to a large employer, but only if the requirements are applied uniformly among  
4 all large employers that have the same number of eligible employes.

5 (d) In applying minimum participation requirements with respect to an  
6 employer, an insurer may not count eligible employes who have other coverage that  
7 is creditable coverage in determining whether the applicable percentage of  
8 participation is met, except that an insurer may count eligible employes who have  
9 coverage under another health benefit plan that is sponsored by that employer and  
10 that is creditable coverage.

11 (e) This subsection does not apply to a group health benefit plan offered by the  
12 state under s. 40.51 (6) or by the group insurance board under s. 40.51 (7).

13 **(10)** (a) 1. Except as provided in rules promulgated under subd. 3. or 4., if an  
14 insurer offers a group health benefit plan to an employer, the insurer shall offer  
15 coverage to all of the eligible employes of the employer and their dependents. Except  
16 as provided in rules promulgated under subd. 3. or 4., an insurer may not offer  
17 coverage to only certain individuals in an employer group or to only part of the group,  
18 except for an eligible employe who has not yet satisfied an applicable waiting period,  
19 if any.

20 2. Except as provided in rules promulgated under subd. 3., if the state or a  
21 county, city, village, town or school district offers coverage under a self-insured  
22 health plan, it shall offer coverage to all of its eligible employes and their dependents.  
23 Except as provided in rules promulgated under subd. 3., the state or a county, city,  
24 village, town or school district may not offer coverage to only certain individuals in

1 the employer group or to only part of the group, except for an eligible employe who  
2 has not yet satisfied an applicable waiting period, if any.

3 3. The secretary of employe trust funds, with the approval of the group  
4 insurance board, shall promulgate rules related to offering coverage to eligible  
5 employes under a group health benefit plan, or a self-insured health plan, offered  
6 by the state under s. 40.51 (6) or by the group insurance board under s. 40.51 (7). The  
7 rules shall conform to the intent of subds. 1. and 2. and may not allow the state or  
8 the group insurance board to refuse to offer coverage to an eligible employe or  
9 dependent for reasons related to health condition.

10 4. The commissioner may promulgate rules permitting exceptions to the  
11 requirement under subd. 1. for classes of eligible employes or their dependents. No  
12 rule promulgated under this subdivision may permit an insurer to refuse to offer to  
13 provide coverage to an eligible employe or his or her dependent for reasons related  
14 to health condition.

15 (b) 1. An insurer may not modify a group health benefit plan with respect to  
16 an employer or an eligible employe or dependent, through riders, endorsements or  
17 otherwise, to restrict or exclude coverage for certain diseases or medical conditions  
18 otherwise covered by the group health benefit plan.

19 2. The state or a county, city, village, town or school district may not modify a  
20 self-insured health plan with respect to an eligible employe or dependent, through  
21 riders, endorsements or otherwise, to restrict or exclude coverage for certain diseases  
22 or medical conditions otherwise covered by the self-insured health plan.

23 3. Nothing in this paragraph limits the authority of the group insurance board  
24 to fulfill its obligations as trustee under s. 40.03 (6) (d) or to design or modify

17 health benefit plan that the insurer offers in the large group market.

18 3. In exercising the option to discontinue coverage of this particular type and

19 individual health benefit plan coverage in this state, but only if all of the following  
20 apply:

13 **769.503 Compliance with multiple income-withholding orders.** If an  
14 obligor's employer receives multiple orders to withhold support from the earnings of  
15 the same obligor, the employer shall be considered to have satisfied the terms of the

12 enforce a support order or an income-withholding order, or both, issued by a tribunal  
13 of another state may send the documents required for registering the order to a

15          (2) Upon receipt of the documents, the support enforcement agency, without  
16 initially seeking to register the order, shall consider and, if appropriate, use any

18 order or an income-withholding order, or both. If the obligor does not contest  
19 administrative enforcement, the order need not be registered. If the obligor contests  
20 the validity or administrative enforcement of the order, the support enforcement  
21 agency shall register the order as provided in this chapter.

22          **SECTION 5128.** 769.605 (1) of the statutes is amended to read:

23          769.605 (1) Whenever a support order or income-withholding order issued in

9 **SECTION 5130.** 769.611 (1) (intro.) of the statutes is amended to read:

10 769.611 (1) (intro.) After a child support order issued in another state has been  
11 registered in this state, unless s. 769.613 applies the responding tribunal of this state  
12 may modify that child support order only if, after notice and hearing, it finds at least  
13 one of the following:

14 **SECTION 5131.** 769.611 (1) (b) of the statutes is amended to read:

15 769.611 (1) (b) That an individual party or the child is subject to the personal  
16 jurisdiction of the tribunal and that all of the individual parties have filed a written  
17 consent in the issuing tribunal providing that a tribunal of this state may modify the  
18 child support order and assume continuing, exclusive jurisdiction over the child  
19 support order. However, if the issuing state is a foreign jurisdiction that has not  
20 enacted this chapter, the written consent of the individual party residing in this state

24 769.611 (3) A tribunal of this state may not modify any aspect of a child support

9 that had continuing, exclusive jurisdiction over the earlier child support order, and  
10 in each tribunal in which the party knows that the earlier child support order has  
11 been registered. Failure of the party obtaining the modified child support order to  
12 file a certified copy as required by this section subjects the party to appropriate  
13 sanctions by a tribunal in which the issue of failure to file arises, but that failure has  
14 no effect on the validity or enforceability of the modified child support order of the  
15 new tribunal of continuing, exclusive jurisdiction.

16       **SECTION 5134.** 769.613 of the statutes is created to read:

17       **769.613 Jurisdiction to modify support order of another state when**  
18 **individual parties reside in this state.** (1) If all of the individual parties reside  
19 in this state and the child does not reside in the issuing state, a tribunal of this state

22       (2) A tribunal of this state exercising jurisdiction as provided in sub. (1) shall  
23 apply the provisions of this subchapter and subchs. I and II to the enforcement or  
24 modification proceeding. Subchapters III to V, VII and VIII do not apply, and the  
25 tribunal shall apply the procedural and substantive law of this state.

2           769.701 (1) A tribunal of this state may serve as an initiating or responding  
3 tribunal in a proceeding brought under this chapter or a law substantially similar

14 state makes a demand that the governor of this state surrender an individual  
15 charged criminally in that state with having failed to provide for the support of a  
16 child or other individual to whom a duty of support is owed, the governor may require  
17 a prosecutor to investigate the demand and report whether a proceeding for support  
18 has been initiated or would be effective. If it appears that a proceeding would be  
19 effective but has not been initiated, the governor may delay honoring the demand for  
20 a reasonable time to permit the initiation of a proceeding.
