1 **AN ACT to amend** 343.305 (9) (a) (intro.), 343.305 (9) (am) (intro.), 343.305 (9) (c)
2 and 343.305 (11) of the statutes; **relating to:** allowing municipal courts to hold
3 refusal hearings.

Analysis by the Legislative Reference Bureau

Under current law, if an operator of a motor vehicle refuses to submit to a test to determine the presence of an intoxicant in the person's breath, blood or urine, the law enforcement officer that requested the test takes possession of the person's driver's license and gives the person a notice that the person's operating privilege will be revoked if the refusal was improper. The notice also informs the person that he or she may request a hearing before a circuit court to determine if the refusal was proper. If the person requests a hearing within 10 days after receipt of the notice, current law requires the circuit court to hold a hearing to determine if the refusal was proper. Currently, if the person does not request a hearing or if the circuit court determines that the refusal was not proper, the court revokes the person's operating privilege.

This bill allows municipal courts to hold refusal hearings and issue revocation orders based on the results of those hearings.
