### *Analysis by the Legislative Reference Bureau*

This bill gives the department of veterans affairs (DVA) the authority to coordinate a program that uses national guard members and local units of member organizations of the council on veteran programs to provide military honors funerals to deceased veterans. Under the bill, the adjutant general is given authority to activate national guard members to serve on honors details at military honors funerals for deceased veterans. The bill also allows DVA to reimburse the local units of veterans organizations for the costs of providing military honors funerals for deceased veterans. The maximum reimbursement to a local veterans organization is \$50 per funeral. Currently, local veterans groups provide military honors funerals for deceased veterans on an ad hoc basis, using volunteers.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
