- 1 **AN ACT to amend** 71.07 (9) (b) 4. of the statutes; **relating to:** the school property
2 tax and rent credit.

Analysis by the Legislative Reference Bureau

Under current law, for taxable years beginning after December 31, 1998, an individual may not receive a school property tax rent credit for property taxes paid on the individual's principal dwelling, or rent constituting property taxes paid on the individual's principal dwelling, during the taxable year for which the credit is claimed.

Under this bill, for taxable years beginning after December 31, 1999, and before January 1, 2001, an individual may claim and receive a school property tax rent credit for property taxes paid on the individual's principal dwelling, or rent constituting property taxes paid on the individual's principal dwelling, during the taxable year for which the credit is claimed. Under the bill, the credit, which may be claimed up to the amount of the individual's tax liability, is 15.4% of the first \$2,500 of property taxes, or rent constituting property taxes, paid or 15.4% of the first \$1,250 of property taxes, or rent constituting property taxes, paid by a married person filing separately.

The bill also requires that the department of administration propose reductions in sum certain appropriations, or reestimates of expenditures that are made from sum sufficient appropriations, from the general fund for the 1999-2001 biennium and report the proposed reductions or reestimates to the joint committee on finance. The total amount of the reductions or reestimates must be \$410,000,000.
