

1999 ASSEMBLY BILL 7

January 14, 1999 - Introduced by Representatives SCHNEIDER, J. LEHMAN and BOYLE. Referred to Committee on Labor and Employment.

1 **AN ACT to amend** 103.16 of the statutes; **relating to:** seating for employes.

Analysis by the Legislative Reference Bureau

Under current law, every employer employing employes in any manufacturing, mechanical or mercantile establishment in this state must provide suitable seats for its employes, and must permit its employes to use those seats when not necessarily engaged in the active duties for which they are employed. This bill specifically includes retail stores in the coverage of those requirements, specifies that the seat provided for an employe must be in reasonable proximity to the area in which the employe is employed and requires the employer to permit the employe to use the seat for intermittent rest not only when the employe is not necessarily engaged in the active duties for which the employe is employed, but also when the employe is not required to stand in order to perform the duties for which the employe is employed.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
