This bill requires that whenever a person younger than 18 years of age (minor) is riding a bicycle upon a highway, bicycle lane or bicycle way, the person wear an approved bicycle helmet properly fastened to his or her head. The bill also:

- 1. Prohibits parents and guardians of minors from knowingly permitting a minor to ride or be a passenger on a bicycle without properly wearing an approved bicycle helmet.
- 2. Prohibits any person from renting or leasing a bicycle for the use of a minor unless the minor is in possession of an approved bicycle helmet.

A violator may be required to forfeit not more than \$30, except that no forfeiture may be assessed against a parent, guardian or minor if the parent, guardian or minor provides proof that, within 30 days after the citation was issued, he or she obtained a helmet for his or her regular use.
