LEHMAN, JESKEWITZ, TOWNSEND, KREUSER, VRAKAS, KEDZIE, OTT and HUNDERTMARK, cosponsored by Senators BURKE, ROESSLER and HUELSMAN. Referred to Committee on Transportation.

1 AN ACT *to repeal* 343.237 (11); and *to amend* 343.237 (9) of the statutes;
2 relating to: access by law enforcement agencies to photographs taken for
3 drivers' licenses and identification cards.

Analysis by the Legislative Reference Bureau

Under current law, the department of transportation (DOT) maintains copies of all photographs taken, on or after September 1, 1997, by DOT for drivers' licenses and identification cards. DOT is required to keep the photographs confidential except that DOT may release a photograph to a law enforcement agency of this state or of an adjacent state for any of the following purposes: 1) to investigate unlawful activity; 2) to investigate a missing person; 3) to identify an accident victim; or 4) to identify a missing person. DOT may not release any photograph taken for a driver's license or identification card to a law enforcement agency after December 31, 2002.

This bill removes that sunset provision.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
