1 **AN ACT** *to renumber and amend* 125.17 (2); *to amend* 125.17 (4) (intro.); and
2 *to create* 125.17 (2) (b) of the statutes; **relating to:** reciprocity within a county
3 for alcohol beverages operators' licenses.

Analysis by the Legislative Reference Bureau

Current law requires cities, villages, and towns (municipalities) to issue operators' licenses (commonly called bartenders' licenses). An operator's license is valid only in the municipality that issued the license. No retail seller of alcohol beverages may be open for business unless the licensee or permittee, or a person who possesses a manager's license or an operator's license, is present and responsible for the acts of all persons serving alcohol beverages.

This bill generally requires a municipality to accept an operator's license issued by another municipality located in the same county, if the person to whom the operator's license is issued files a certified copy of the operator's license with the municipality and pays the applicable license fee. A municipality is not required to accept a person's operator's license issued by another municipality if the person made a false representation to the issuing municipality in obtaining the operator's license; does not meet the qualifications for an operator's license; or engaged in certain prohibited conduct. A municipality that does not accept the validity of a person's operator's license issued by another municipality must notify the person in writing of the reasons for the decision. This bill does not require a municipality to accept the validity of a temporary or provisional operator's license issued by another municipality.
