Analysis by the Legislative Reference Bureau

Under current law, no person may intentionally remove a shopping cart or stroller from either the shopping area or a parking area adjacent to the shopping area to another place without authorization of the owner or person in charge and with the intent to deprive the owner permanently of possession of the cart or stroller. A person who violates this prohibition is subject to a forfeiture (a civil monetary penalty) of not more than \$50. This bill provides that a person who violates the prohibition is guilty of a Class A misdemeanor, which is punishable by a fine of not more than \$10,000 or imprisonment for not more than nine months or both.
