- 1 AN ACT to renumber and amend 645.58 (1); and to create 645.58 (1) (a) and
- 2 645.58 (1) (b) of the statutes; **relating to:** reduction in amount recoverable by a liquidator from a reinsurer.

Analysis by the Legislative Reference Bureau

Current law provides that, regardless of any provision in a reinsurance contract, the amount recoverable by a liquidator from the reinsurer of an insurer (ceding insurer) subject to delinquency proceedings is not reduced as a result of the delinquency proceedings, and that no payment made directly to an insured or other creditor reduces the reinsurer's obligation to the ceding insurer's estate except when the reinsurance contract provides for direct coverage of a named insured and payment is made in discharge of that obligation.

This bill clarifies when the amount recoverable by a liquidator from a reinsurer of a ceding insurer is reduced. Those situations are: 1) when the reinsurance contract specifically provides for another payee in the event of delinquency proceedings, the reinsurer pays the other payee, and the payment extinguishes the liability of the ceding insurer to the extent of the payment made by the reinsurer; and 2) when the reinsurer has assumed policy obligations of the ceding insurer as direct obligations of the reinsurer, the reinsurer makes payment with respect to those

obligations, and the assumption extinguishes the liability of the ceding insurer to the extent assumed.
