2003 ASSEMBLY BILL 906

February 25, 2004 - Introduced by Representative SINICKI. Referred to Joint Survey Committee on Tax Exemptions.

AN ACT to amend 71.05 (1) (a); and to create 71.85 (4) of the statutes; relating
to: exempting from income taxation the pension benefits of certain national
guard technicians and interest and penalty waivers for certain payments made
to national guard technicians.

Analysis by the Legislative Reference Bureau

Under current law, the pension benefits of certain public employees are exempt from state taxation. The pensions that are exempt include payments received from the U.S. civil service retirement system, the U.S. military employee retirement system, the Milwaukee city and county retirement systems, the police officer's annuity and benefit fund of Milwaukee, the Milwaukee public school teachers' retirement fund, the Wisconsin state teachers' retirement fund, and the sheriff's annuity and benefit fund of Milwaukee County, which are paid on the account of persons who were members of or retired from the plans as of December 31, 1963.

This bill exempts from taxation payments received from the U.S. civil service retirement system on the account of a person who has a U.S. office of personnel management service computation date as of December 31, 1963, if the person was a national guard technician who worked as a technician for the Wisconsin national guard as of December 31, 1963, and was later recognized as a federal employee under the National Guard Technician Act of 1968.

Also under this bill, such technicians, or the surviving spouses of such technicians, are not liable for any interest or penalties on any outstanding tax liabilities owed on certain payments received from the U.S. civil service retirement
