February 22, 2005 - Introduced by Representatives AINSWORTH, BALLWEG, BIES, HAHN, HINES, LEHMAN, OTT, PETTIS, SUDER, TOWNSEND and VAN ROY, cosponsored by Senators COWLES, GROTHMAN and LASSA. Referred to Committee on Transportation.

1 **AN ACT to amend** 341.135 (1), 341.135 (2) and 341.14 (1) of the statutes; **relating**
2 **to:** motor vehicle registration plates for disabled veterans.

Analysis by the Legislative Reference Bureau

Under current law, a person who submits to the Department of Transportation (DOT) a certification from the U.S. Department of Veterans Affairs that the person sustained injuries while in active military service that limit or impair the person's ability to walk may obtain from DOT special distinguishing registration plates for certain vehicles, including automobiles, light-duty trucks, and motor homes, that identify the owner or lessee of the vehicle as a disabled veteran. Current law requires the design of special plates for disabled veterans to include a light blue background, a white border, and mostly blue lettering but with the word "VET" and the plate numbers displayed in red.

This bill allows DOT to determine the design of special plates for disabled veterans, but requires these plates to be colored red, white, and blue.

Current law also requires DOT to redesign and reissue every seven years most motor vehicle registration plates for certain vehicles, primarily automobiles and light-duty trucks. However, special plates for disabled veterans are exempt from this seven-year redesign and reissuance requirement.

This bill makes special plates for disabled veterans subject to the seven-year redesign and reissuance requirement.
