1     **AN ACT to amend** 20.255 (2) (ac); and **to create** 121.15 (3m) of the statutes;  
2           **relating to:** requiring a determination of the amount of general school aid  
3           necessary to fund two-thirds of statewide school costs and making an  
4           appropriation.

---

***Analysis by the Legislative Reference Bureau***

Before the enactment of the 2003-05 biennial budget bill, the state was required to estimate the amount of equalization aid necessary, in combination with other state aid and the school levy tax credit, to fund two-thirds of statewide school costs (two-thirds funding). The bill resurrects two-thirds funding.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
