### ***Analysis by the Legislative Reference Bureau***

Current law, as created by 2005 Wisconsin Act 25 (budget act), provides the remission of tuition for certain students attending the University of Wisconsin System and technical college campuses. Under that budget act, the spouses, children, or surviving spouses of certain veterans are eligible for a full remission of tuition at the University of Wisconsin System and at the technical colleges. For the spouse, surviving spouse, or child to be eligible, the veteran must have entered service while a resident of this state and either died while on duty or incurred a service-connected disability that is rated as 30 percent or more while a resident of this state.

This bill adds fee remission eligibility to spouses, surviving spouses, or children of veterans if the veteran is a resident of this state and was a resident of this state for at least 15 continuous years before the student registers.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.
