

2005 SENATE BILL 417

November 1, 2005 - Introduced by Senator A. LASEE, cosponsored by Representative BIES. Referred to Committee on Labor and Election Process Reform.

1 **AN ACT to amend** 13.63 (2), 13.69 (4) and 13.69 (7); and **to create** 13.691 of the
2 statutes; **relating to:** ineligibility of convicted felons for licensure as lobbyists.

Analysis by the Legislative Reference Bureau

Currently, a lobbyist who is convicted of procuring his or her license by fraud or perjury or any other person who is convicted of acting as a lobbyist without being licensed is not eligible to be licensed as a lobbyist for a period of three years from the date of that conviction. In addition, the license of any lobbyist who is convicted of a violation of the lobbying regulation law may be revoked by the Ethics Board for a period of not more than three years from the date of that conviction, and a lobbyist who is convicted of a criminal violation of the lobbying regulation law is ineligible for licensure as a lobbyist for a period of five years from the date of that conviction.

This bill provides that no person who is convicted of a felony in any court of this state or of the United States is eligible to be licensed as a lobbyist for a period of five years from the date of conviction or until the person has served his or her sentence and has otherwise satisfied the judgment against him or her, whichever is longer, unless the person is pardoned of the conviction. The bill also directs the Ethics Board to revoke the license of any lobbyist upon conviction of the lobbyist of a felony in any court of this state or of the United States. The bill provides that any person who becomes ineligible for licensure as a lobbyist or whose license is revoked may apply to the Ethics Board for reinstatement of his or her license after the mandatory

revocation period. The board may then reinstate the person's license if the board finds that the person is rehabilitated and of good professional repute.
