SENATE BILL 46

1 Board, providing exemptions from emergency rule procedures, granting

Analysis by the Legislative Reference Bureau

This bill makes numerous changes in the campaign financing law. The bill also makes changes to the income tax laws, the lobbying regulation law and the staffing of the Elections Board.

2001 Wisconsin Act 109 made comprehensive changes to campaign finance, ethics, lobbying regulation, income tax, public broadcasting, and cable television laws. Included in the changes were an authorization for the Elections Board to use a portion of the moneys in the Wisconsin election campaign fund (see below) to provide public information regarding the purpose and effect of the fund. Most changes made by Act 109 took effect on July 1, 2003. With the exception of provisions requiring candidate time on public broadcasting stations and public access channels at public expense, these provisions were made nonseverable so that if a court found that any of the provisions were unconstitutional all of the provisions would then be invalid. In *Wisconsin Realtors Association et al. v. Ponto et al.*, 299 F.Supp.2d 889 (2002), the U.S. District Court found that one provision of Act 109 relating to advance reporting of certain independent disbursements before obligations are incurred to make those disbursements violates the First and Fourteenth amendments. This decision apparently precludes enforcement and administration of the Act 109 changes as of December 11, 2002. The Act 109 changes, however, currently remain in the statutes.

This bill deletes all of the changes described above made by Act 109, including the changes not affected by the nonseverability provision, but not including the changes concerning public information relating to the Wisconsin election campaign fund, and also makes other changes to campaign finance and income tax and the staffing of the Elections Board. Unlike Act 109, the bill does not affect the code of ethics for state and local public officials. The following is a description of the changes made by the bill to the statutes in effect before July 1, 2003, and, in each case, a notation as to whether the change was contained in Act 109:

FILING OF CAMPAIGN FINANCE REPORTS***Exemptions from registration and reporting***

Currently, with certain limited exceptions, any individual who accepts contributions, makes disbursements, or incurs obligations, and any committee or group that makes or accepts contributions, makes disbursements, or incurs obligations, in connection with one or more elections for state or local office or one or more state or local referenda exceeding \$25 cumulatively within a calendar year must register and file reports with the appropriate filing officer or agency identifying contributions received and disbursements made and providing certain other information.

This bill provides that no reporting is required under current reporting requirements for, and no registration is required solely on account of, the making of

SENATE BILL 46

an expenditure, other than by a candidate or personal campaign, candidate support, or political party committee, for a mass communication which does not expressly advocate the election, defeat, recall, or retention of a clearly identified candidate or a particular result in a referendum. The bill, however, establishes new reporting requirements for persons making expenditures for certain mass communications (see below).

The bill also provides that no individual who or organization which is subject to a registration requirement may make any contribution prior to the date of registration. In addition, the bill provides that no registrant may accept any contribution from any individual who or organization which is subject to a registration requirement prior to the date of registration of that individual or organization.

None of the above changes was included in Act 109.

Currently, a nonresident registrant need report only contributions and other income received from sources in this state and disbursements made and obligations incurred with respect to an election for state or local office in this state. This bill deletes this exception.

This change was included in Act 109.

Currently, with certain exceptions, a registrant who or which is required to register with a filing officer in this state must file regular reports identifying contributions received and disbursements made and providing certain other information. However, a national political party committee need not file reports for any period covered in a report filed by the committee with the Federal Election Commission. In addition, a state political party committee which is registered with the Federal Election Commission and which makes contributions to candidates for national office, as well as contributions to other state political party committees, need not file reports for any period covered by a report filed by the committee with the Federal Election Commission if the Elections Board receives a copy of that report and the committee makes no contributions to any individual who or organization which is required to register with a filing officer under Wisconsin law. This bill deletes these exceptions to state reporting requirements.

The above changes were not included in Act 109.

Reporting thresholds

The bill also provides that an individual who accepts contributions, makes disbursements, or incurs obligations or a group that makes or accepts contributions, makes disbursements, or incurs obligations in connection with one or more referenda is not subject to registration and reporting requirements until the individual or group engages in activity exceeding \$100 cumulatively within a calendar year.

In addition, the bill permits an individual or committee to claim an exemption from reporting requirements if the individual or committee does not accept contributions, make disbursements, or incur obligations exceeding \$1,000 cumulatively within a calendar year with respect to an election for state office, and does not accept contributions, other than contributions made by a candidate to his or her own campaign, exceeding \$100 from a single source cumulatively within a calendar year. If an individual or committee does not accept contributions, make

SENATE BILL 46

disbursements, or incur obligations with respect to an election for any state office but accepts contributions, makes disbursements, or incurs obligations independently of any candidate with respect to an election for local office, the bill permits the individual or committee to claim an exemption from reporting requirements if the individual or committee does not accept contributions, make disbursements, or incur obligations exceeding \$100 cumulatively within a calendar year.

The above changes were included in Act 109.

Mass communications

Currently, individuals who accept contributions, organizations which make or accept contributions, or individuals who or organizations which incur obligations or make disbursements (expenditures) for the purpose of influencing an election for state or local office are generally required to register with the appropriate filing officer and to file financial reports with that officer, regardless of whether they act in conjunction with or independently of any candidate who is supported or opposed.

With certain exceptions, this bill imposes reporting requirements, in addition, upon any individual who or organization that, during the period beginning on the 30th day before a primary election for an office to be filled at a general, special, or spring election and the date of that general, special, or spring election or, if no primary is held, during a similar 60-day period preceding a general, special, or spring election and by means of a printed advertisement, commercial billboard, radio or television advertisement, mass mailing, telephone call, or similar means, makes any expenditure independently of a candidate for the purpose of making one or more communications which include the name, photograph, or drawing of, or an unambiguous reference to, a candidate for a state office other than court of appeals judge, circuit judge, or district attorney to be filled at that election. This requirement applies to expenditures to finance what is commonly referred to as "issue advocacy" and to certain independent disbursements by individuals other than candidates and organizations that are not primarily organized for a political purpose that are exempt from reporting under current law. The reporting requirement does not apply unless the individual or organization makes one or more expenditures for these communications exceeding \$500 cumulatively with respect to an election. In addition, the reporting requirement does not apply to bona fide news or editorial coverage, or to a communication made by a corporation, cooperative, or nonpolitical voluntary association that is limited to the organization's members, shareholders, or subscribers.

The report required under the bill must be made within 24 hours after the date on which a communication is made (regardless of whether it has been paid for at that time) and must include the name, address, and telephone number of the individual or organization that makes the expenditure or expenditures, the name of each candidate identified in each communication, a statement as to whether the communication is intended to support or oppose that candidate (and, if so, an identification of the candidate who is supported or opposed), the total amount or value of the expenditure used to fund the communication, and the cumulative total expenditures made by the individual or organization with respect to that election. The bill permits the board to obtain a copy of any reported communication, under

SENATE BILL 46

certain circumstances, in order to determine whether the communication was intended to support or oppose a candidate. Any such determination applies for purposes of granting exemptions from disbursement limits (see below) and to potentially enable an opposing candidate to qualify for a matching grant from the Wisconsin election campaign fund (see below).

Act 109 contained similar but not identical provisions.

Special reporting by certain registrants

Currently, a committee making contributions or a candidate or other individual or committee accepting contributions, making disbursements, or incurring obligations in support of or opposition to a candidate is generally required to file a report no later than the eighth day before a primary or election at which the candidate seeks nomination or election to office. The report must disclose contributions made or accepted, disbursements made, and obligations incurred through the 14th day prior to the primary or election. Currently, if a candidate for state office receives one or more contributions from a single contributor aggregating \$500 or more during the 14-day period preceding an election, the candidate must report to the Elections Board the information currently required to be disclosed pertaining to contributions received by the candidate no later than 24 hours following receipt of any such contribution or contributions.

This bill requires each candidate at the general or a special election for a major state office (the office of governor, lieutenant governor, attorney general, secretary of state, state treasurer, superintendent of public instruction, justice of the supreme court, state senator, or representative to the assembly) who does not accept a grant from the Wisconsin election campaign fund (see below) and who makes any disbursement after the candidate has accumulated cash in his or her campaign depository or has made disbursements in his or her campaign exceeding a combined total of 90 percent of the amount of the disbursement limitation for the office that the candidate seeks, to file daily reports, by electronic mail or facsimile transmission, with the Elections Board and with each candidate whose name appears on the ballot for the office in connection with which the disbursement is made. The reports must be filed no later than 24 hours after the date on which each disbursement is made, and must specify the amount of the disbursement. The reports must be filed during the period beginning with the date on which a disbursement is made or the 7th day after the applicable primary election or the date on which a primary would be held, if required, whichever is later, and ending with date of the election at which the candidate seeks office.

The bill also creates additional reporting requirements applicable to special interest committees, other than conduits, that make disbursements independently of a candidate for the purpose of advocating the election or defeat of a clearly identified candidate for a major state office at the general or a special election or any applicable primary election during the period beginning on the 30th day before a primary election for an office to be filled at a general, special, or spring election and the date of that general, special, or spring election or, if no primary is held, during a similar 60-day period preceding a general, special, or spring election. These additional reporting requirements do not apply to communications that are made by

SENATE BILL 46

a corporation, cooperative, or nonpolitical voluntary association and that are limited to the corporation's, cooperative's, or association's members, shareholders, or subscribers. Under the bill, special interest committees must file these additional reports within 24 hours after a reportable transaction occurs. The reports must include the name of each candidate who is supported or opposed by each disbursement and the total amount of disbursements made for such a purpose in support of or opposition to that candidate on the date on which the disbursement is made and the cumulative total of such disbursements made by the committee with respect to that election.

Act 109 established similar requirements, but required certain reporting to occur before a transaction was permitted to occur.

Timeliness in filing reports

Currently, where a requirement is imposed under the campaign finance law for filing of a report by a specified date, the requirement may be satisfied by depositing the report with the U.S. Postal Service no later than the date provided by law for receipt of the report.

This bill permits satisfaction of the filing requirement only by delivering a report to the appropriate filing officer or agency on or before the date provided by law for receipt of the report or by depositing the report with the U.S. postal service no later than the third day before that date.

This change was included in Act 109.

DISBURSEMENT LIMITATIONS AND INDEPENDENT DISBURSEMENTS

Under current law, disbursement (expenditure) levels are specified for candidates for various state and local offices. These levels become a binding limitation upon any candidate for state office who accepts a state grant from the Wisconsin election campaign fund or who agrees to be bound by the limitation, unless the candidate is opposed by a major opponent who could have qualified for a grant but declines to accept one. A candidate for state office who accepts a grant from the Wisconsin election campaign fund and who agrees to be bound by the disbursement limitation applicable to the office which the candidate seeks may receive a grant equal to 45 percent of that disbursement limitation, less contributions accepted by the candidate from committees other than political party and legislative campaign committees, if there are sufficient moneys in the fund to finance the full amount of grants for which candidates qualify.

Current law also imposes registration and financial reporting requirements on committees and individuals making disbursements independently of a candidate in support of or in opposition to a candidate for a state or local office. One requirement is the obligation of the committee or individual to file reports with the appropriate filing officer within 24 hours of making such a disbursement, if the disbursement is made less than 15 days before a primary or election and if the cumulative amount of such disbursements exceeds \$20.

This bill does the following:

1. It revises the current disbursement levels applicable to candidates for the offices shown below as follows:

SENATE BILL 46

<i>Office</i>	<i>Current Level</i>	<i>Proposed Level</i>
Governor	\$1,078,200	\$4,000,000
Lieutenant governor	323,475	500,000
Attorney general	539,000	700,000
Secretary of state	215,625	250,000
State treasurer	215,625	250,000
Supreme court justice	215,625	300,000
State superintendent	215,625	250,000
State senator	34,500	150,000
Representative to the assembly	17,250	75,000

Act 109 also increased disbursement levels, but in some cases by different amounts.

2. It creates a biennial cost-of-living adjustment that causes the statutory disbursement levels to be adjusted biennially, beginning in 2006, in accordance with a formula tied to the “consumer price index” determined by the U.S. Department of Labor.

This change was included in Act 109.

3. It provides that the current provision requiring reports of cumulative independent disbursements exceeding \$20 made later than 15 days prior to a primary or election does not apply to a committee or individual that is required to file a special report concerning the same disbursement (see above), nor to a committee or individual that is subject to an electronic filing requirement (see above).

Act 109 also required reporting of obligations, but subject to a different threshold.

4. It increases the disbursement limitation of any candidate who accepts a public grant by certain amounts for which matching grants from the Wisconsin election campaign fund are potentially available (see grant eligibility requirements and amounts, below). Under the bill, the disbursement limitation of the candidate accepting the grant is increased by a total amount equal to: 1) the amount or value of disbursements made by an opponent in excess of the disbursement limitation; 2) the amount or value of independent disbursements made to expressly advocate the defeat of the candidate or the election of his or her opponents by special interest committees during election campaign periods, as reported to the Elections Board; and 3) the amount or value of expenditures made by individuals or organizations for mass communications in opposition to the candidate or in support of his or her opponent during election campaign periods, as reported to the Elections Board.

Act 109 made similar but not identical changes.

5. It repeals the procedure by which a candidate who would not otherwise be subject to statutory disbursement limitations may voluntarily agree to comply with these limitations.

Act 109 did not include this change.

SENATE BILL 46

6. It repeals the exemption from disbursement and self-contribution limitations that currently applies to any candidate who accepts a grant from the Wisconsin election campaign fund and who is opposed by a major opponent who could have qualified for a grant but declines to accept one.

Act 109 did not include this change.

CONTRIBUTION LIMITATIONS

Under current law, committees other than political party committees and legislative campaign committees are subject to limitations on the amount of contributions made cumulatively to a particular candidate. A committee may contribute up to \$43,238 to a candidate for statewide office. Current law also limits the cumulative amount of contributions that a committee may make annually to a particular political party, limits the cumulative amount of contributions that a political party may accept annually from a particular committee, and limits the aggregate total of contributions that a political party may accept during any biennium from all committees. Currently, a committee may annually contribute up to \$6,000 to a particular political party, a political party may annually accept up to \$6,000 from a particular committee, and a political party may accept up to \$150,000 in contributions from all committees during any biennium.

This bill establishes specified limitations on committee contributions to candidates for statewide office as follows: a) candidates for governor, \$45,000; b) candidates for lieutenant governor, \$15,000; c) candidates for attorney general, \$25,000; and d) candidates for secretary of state, state treasurer, superintendent of public instruction, or justice of the supreme court, \$10,000. Under the bill, the limitation on committee contributions to a particular political party, and on the annual amount that a political party may accept from a particular committee, is increased to \$18,000, and the aggregate limitation on contributions that a political party may accept during a biennium from all committees is increased to \$600,000.

Act 109 included similar changes, but in some cases specified different amounts.

Under current law, the aggregate contributions accepted by a candidate for state or local office from all committees, when combined with any grant received from the Wisconsin election campaign fund, may not exceed 65 percent of the disbursement level or limitation for the office that the candidate seeks. In addition, the contributions received by a candidate for state or local office from all committees other than political party or legislative campaign committees, when combined with any grant received from the Wisconsin election campaign fund, may not exceed 45 percent of the disbursement level or limitation for the office that the candidate seeks. This bill provides that the contributions received by a candidate for state or local office from all committees other than political party committees, when combined with any nonsupplemental grant received from the Wisconsin election campaign fund, may not exceed 35 percent of the disbursement level or limitation for the office that the candidate seeks. Under the bill, a candidate who qualifies to receive a supplemental grant from the Wisconsin election campaign fund (see below) may exceed aggregate committee contribution limitations by the amount of the supplemental grant.

SENATE BILL 46

Act 109 did not include this change, but created other exceptions to this limitation.

Under current law, a candidate who accepts a grant from the Wisconsin election campaign fund may not make contributions to his or her own campaign in an amount or value greater than 200 percent of the contribution limitation that applies to individuals making contributions to his or her campaign. Under the bill, if a candidate's disbursement limitation is increased as a result of disbursements made by an opposing candidate or independent disbursements or expenditures for mass communications made by others, this self-contribution limitation is increased by an amount equal to the ratio that the contribution limitation otherwise applicable to the candidate bears to the disbursement limitation otherwise applicable to the candidate, multiplied by the amount of the increased disbursement limitation authorized under the bill for that candidate.

TREATMENT OF LEGISLATIVE CAMPAIGN COMMITTEES

Currently, the adherents of any political party in either house of the legislature may organize a "legislative campaign committee" to support the candidacy of members of their party for legislative office. Committees other than legislative campaign committees and political party committees are generally subject to a limitation upon the contributions that they may make to candidates for legislative office or to political parties. Legislative campaign committees are subject only to overall limitations on the aggregate contributions that may be accepted by a candidate from entities other than individuals.

This bill eliminates the special status of legislative campaign committees, thus causing them to be treated in the same manner as other special interest committees for the purpose of contribution limitations.

This change was included in Act 109.

OTHER CONTRIBUTION RESTRICTIONS

This bill creates the following new prohibitions on contributions:

1. It prohibits contributions to incumbent partisan state officials for the purpose of promoting their nomination or reelection to their offices during the period from the date of introduction of the executive budget bill through the date of enactment of the biennial budget act. The prohibition does not apply to contributions made to an incumbent who is subject to a recall election beginning on the date on which a petitioner registers an intent to circulate a petition for a recall election against the incumbent and ending on the date of the recall election, except that if the circulation period expires without offering of the recall petition for filing, the filing officer determines not to file the petition, or the incumbent resigns, the period ends on the date of that event.

Act 109 included a similar but not identical provision.

2. It prohibits any committee from making a contribution to any special interest committee. The prohibition does not apply to any contribution made by a committee to another committee if the contribution is made between statewide committees of labor organizations or trade associations and their affiliated local committees.

Act 109 contained a similar but not identical provision.

SENATE BILL 46

Currently, if a registrant receives a contribution, the registrant must deposit the contribution in its campaign depository account no later than the end of the fifth business day commencing after receipt, unless the registrant returns the contribution before that time. A registrant must report the occupation and principal place of employment of any individual who makes any contribution or contributions to a registrant exceeding \$100 in amount or value cumulatively within a calendar year. This bill provides that whenever a registrant receives a contribution in the form of money the registrant must obtain this information from a contributor, if required, before depositing the contributor's contribution in its campaign depository account. Under the bill, if the registrant does not obtain the required information within the period prescribed for making deposits, the registrant must return the contribution.

Act 109 did not include this change.

DISPOSITION OF RESIDUAL OR EXCESS FUNDS

Under current law, residual funds remaining when a person who is required to register under the campaign financing law disbands or ceases incurring obligations, making disbursements, or accepting contributions or excess funds received by a registrant that may not be legally expended may generally be used for any lawful political purpose, returned to the original contributors, or donated to a charitable organization or the common school fund.

This bill allows residual or excess funds to be transferred to the Wisconsin election campaign fund.

This change was included in Act 109.

WISCONSIN ELECTION CAMPAIGN FUND***Sources and uses of funds***

Under current law, the Wisconsin election campaign fund is financed through an individual income tax "checkoff." Every individual filing a state income tax return who has a tax liability or is entitled to a tax refund may direct that \$1 of general purpose revenue be transferred to the fund. Individuals filing a joint return may separately choose whether to direct that the \$1 transfer be made. All moneys transferred to the fund are placed in accounts for specified state offices, and candidates for those offices may qualify for grants from the fund to be used for specified campaign expenses. No moneys in the fund may be used for any other purpose.

This bill does the following:

1. It increases the amount of the individual income tax checkoff for the Wisconsin election campaign fund from \$1 to \$5, effective for tax returns filed for taxable years beginning on or after January 1 following the day on which the bill becomes law. Under the bill, individuals filing a joint return may separately choose whether to make the \$5 checkoff. The bill also permits individuals to determine whether to designate their checkoffs for a "general account," which is distributed to all candidates who qualify for a grant, or for the account of an eligible political party, which is distributed to all candidates representing that party who qualify for a grant.

Except for the political party checkoff, Act 109 did not include these changes, but made diverse other changes to the income tax checkoff.

SENATE BILL 46

2. It directs the executive director of the Elections Board to take steps to incorporate a nonstock, nonprofit corporation to be known as the “Public Integrity Endowment.” The bill directs the executive director to ensure that the foundation is structured so that contributions made to the foundation will be tax deductible to the extent allowed by law. Under the bill, the sole purpose of the endowment is to solicit contributions for the purpose of supplementing the assets of the Wisconsin election campaign fund and transferring those contributions, after deduction of solicitation costs, to the general account of the fund. Currently, any person may make an unrestricted donation to the Wisconsin election campaign fund. The donation is tax deductible to the extent allowed by law. However, the fund does not solicit contributions.

Act 109 did not include this change.

Grant eligibility requirements and amounts

Under current law, grants from the Wisconsin election campaign fund are available to finance specified campaign expenses of eligible candidates for the offices of state senator, representative to the assembly, governor, lieutenant governor, attorney general, state treasurer, secretary of state, justice of the supreme court, and superintendent of public instruction. To receive a grant, a candidate must file an application with the state Elections Board no later than the deadline for filing nomination papers. Following the primary election or the date on which a primary would be held, if required, the board determines whether a candidate who applies for a grant meets the following eligibility requirements:

1. If the candidate seeks a partisan state office at a general election, the candidate must have received at least six percent of the total votes cast in the primary and have won the primary. If the candidate seeks a partisan state office at a special election, the candidate must either: a) appear on the ballot or in the column of a political party whose candidate for the same office at the preceding general election received at least six percent of the vote; or b) receive at least six percent of the votes cast at the special election.

2. The candidate must have an opponent in the election.

3. The candidate must receive, during a specified time period, a specified amount through contributions from individuals of \$100 or less. For a candidate for the office of governor, lieutenant governor, secretary of state, state treasurer, attorney general, justice of the supreme court, or superintendent of public instruction, the amount is five percent of the authorized disbursement level for the office which the candidate seeks. For a candidate for the office of state senator or representative to the assembly, the amount is ten percent of the authorized disbursement level for the office which the candidate seeks.

Under current law, a candidate for any office who accepts a grant must comply with statutorily prescribed contribution and disbursement limitations, unless at least one of the candidate’s opponents who received at least six percent of the votes cast for all candidates for that office at a partisan primary, if a primary was held, does not accept a grant and does not voluntarily agree to comply with the contribution and disbursement limitations for that office. The maximum grant that a candidate may receive is that amount which, when added to all other contributions accepted from

SENATE BILL 46

sources other than individuals, political party committees, and legislative campaign committees, is equal to 45 percent of the authorized disbursement level for the office which the candidate seeks. No grants are available to finance campaign expenses in primary elections.

Currently, the Elections Board must notify the state treasurer that a candidate has qualified to receive a grant as soon as possible after the board is able to determine that the candidate has qualified to receive the grant. The state treasurer then has three business days to transmit the grant to the candidate.

This bill does the following:

1. It provides that a candidate for the office of state senator or representative to the assembly must receive contributions equal to only five percent of the authorized disbursement level for the office which the candidate seeks in order to qualify for a grant, but provides that the contributions of \$100 or less from individuals used by a candidate for any state office to determine eligibility for a grant from the Wisconsin election campaign fund must be made by individuals who reside in this state and, in the case of a candidate for legislative office, at least 50 percent of those contributions must be made by individuals who reside in the district in which the candidate seeks office, except that a candidate may substitute contributions received from political party committees for not more than 50 percent of the contributions required to be received from residents of the district.

Act 109 also made changes to grant-qualifying requirements, but included different provisions.

2. It provides that the maximum grant that a candidate for state office may receive is that amount which, when added to all other contributions accepted by the candidate from committees other than political party committees, is equal to 35 percent of the disbursement limitation for the office that the candidate seeks, if there is sufficient money in the Wisconsin election campaign fund to finance that grant, unless the candidate qualifies to receive a supplemental grant (see below).

Act 109 included other changes to maximum grant amounts.

3. It provides that a candidate who accepts a grant shall receive a supplemental grant in a maximum amount equal to: a) the total amount of disbursements exceeding the amount of the disbursement limitation for that office made by an opposing candidate who does not accept a grant; and b) the total amount of any independent disbursements in close proximity to the election that are made by special interest committees to oppose that candidate, or to support that candidate's opponent, together with the total amount of any expenditures made independently of any candidate in close proximity to the election for the purpose of making certain mass communications to oppose the candidate who accepts a grant or to support that candidate's opponent, if that total amount exceeds ten percent of the disbursement limitation for the office that the candidate seeks, except that the total supplemental grant received by a candidate may not exceed an amount equal to three times the disbursement limitation for the office that the candidate seeks. Supplemental grants are contingent upon availability of moneys in the Wisconsin election campaign fund sufficient to make payment of the grants.

SENATE BILL 46

Act 109 included provisions for supplemental grants, but under different conditions.

4. It requires the state treasurer to electronically transmit supplemental grants to qualifying candidates who so request as soon as possible after the candidates qualify to receive the supplemental grants, but in no case later than the end of the 3rd business day after the Elections Board notifies the treasurer that a candidate has qualified to receive a grant.

Act 109 did not include this change.

PENALTIES FOR VIOLATIONS

Currently, violators of the campaign finance law are subject to a forfeiture (civil penalty) of not more than \$500 for each violation, except that violators of contribution limitations are subject to a forfeiture of not more than treble the amount unlawfully contributed. In addition, currently, any person who is delinquent in filing a report is subject to a forfeiture of not more than \$50 or one percent of the annual salary of the office for which a candidate is being supported or opposed, whichever is greater, for each day of delinquency. Currently, any person who makes an unlawful contribution is subject to a forfeiture of treble the amount of the unlawful contribution.

Currently, whoever intentionally violates certain provisions of the campaign finance law, such as registration requirements, contribution limitations, the prohibition against making contributions in the name of another person, the prohibition against using contributions for most nonpolitical purposes, and the prohibition against filing false reports and statements may be fined not more than \$1,000 or imprisoned for not more than six months, or both, if the violation does not exceed \$100 in amount or value, and may be fined not more than \$10,000 or imprisoned for not more than three years and six months, or both, if the violation exceeds \$100 in amount or value.

This bill provides that if any person, including a candidate or committee other than a conduit, makes a disbursement, or makes any other expenditure for the purpose of making certain mass media communications (see above) to support or oppose a candidate for a major state office (governor, lieutenant governor, attorney general, secretary of state, state treasurer, state superintendent of public instruction, or justice of the supreme court) without first reporting to the extent required under the bill, the offender is subject to a forfeiture (civil penalty) of not more than \$500 for each day of violation. The bill also provides that if any person, including any of these candidates or committees, makes one or more disbursements or other expenditures for such a purpose in an amount that is more or less than the amount reported by that person:

1. By more than five percent but not more than ten percent, the person must forfeit four times the amount of the difference.

2. By more than ten percent but not more than 15 percent, the person must forfeit six times the amount of the difference.

3. By more than 15 percent, the person must forfeit eight times the amount of the difference.

Act 109 did not include this change.

SENATE BILL 46**PUBLIC BROADCASTING TELEVISION STATIONS AND PUBLIC ACCESS CHANNELS**

Act 109 requires, effective on July 1, 2003, that free time on public broadcasting television stations and public access channels be provided to candidates for state office. Under current law, the Federal Communications Commission grants licenses for the operation of public broadcasting television stations. Also under current law, a city, village, or town is authorized to grant a franchise to a person that allows that person to operate a cable television system in the city, village, or town. Under the franchise, the person may be required to provide cable television channels that the city, village, or town may use for public, educational, or governmental purposes. A channel that is used exclusively for public, rather than educational or governmental purposes, is commonly referred to as a public access channel. A city, village, or town may operate a public access channel, or a city, village, or town may allow another person to operate the channel. Act 109 also required the Elections Board to promulgate rules that require licensees of public broadcasting stations and operators of public access channels to provide a minimum amount of free time to candidates for state office at general, spring, and special elections. The rules must require the same amount of time for each candidate for a particular state office, but may require different amounts of time for different offices. These changes are not affected by the court decision in *Wisconsin Realtors Association v. Ponto* (see above).

This bill repeals these provisions.

INDIVIDUAL INCOME TAX CREDIT

This bill creates a nonrefundable individual income tax credit for contributions to the Public Integrity Endowment. Under the bill, an individual may claim as an income tax credit, up to the amount of the individual's income tax liability, any amount that he or she contributes to the Public Integrity Endowment. If a married couple files a joint return, each spouse may claim the credit.

INITIAL APPLICABILITY

All campaign finance changes under the bill apply to elections held on or after January 1, 2006, except that the directive to incorporate a Public Integrity Endowment and the creation of an individual income tax credit for contributions to the endowment takes effect on the day on which the bill becomes law and changes to the income tax checkoff apply to taxable years beginning on January 1 of the year in which the bill becomes law, if the bill becomes law by July 31, in any year, or otherwise to taxable years beginning on January 1 of the following year.

NONSEVERABILITY

Currently, if any part of an act is found by a court to be invalid, those parts that are valid are severed from the invalid part and the severed parts continue in force. This bill provides that, if any of the following parts of the bill is unconstitutional, then all of the following parts are void: a) parts relating to the reporting of certain expenditures for mass communications; b) parts relating to the provision of supplemental grants to candidates whose opponents exceed disbursement limitations or who are opposed or whose opponents are supported by any reportable expenditures for mass communications or independent disbursements, including those that are reportable under current law; c) parts relating to the reporting such

SENATE BILL 46

expenditures or disbursements; d) parts relating to the provision of supplemental grants to candidates who are intended to be opposed or whose opponents are intended to be supported through the use of such contributions; and e) parts relating to prohibiting contributions from being made by committees to special interest committees.

11 disclosure of all communications made near the time of an election that include a
12 reference to a clearly identified candidate at that election in order to permit

18 general, special, or spring election at which an office is filled and the date of that
19 election; that contains a reference to a clearly identified candidate for an office
20 specified in s. 11.31 (1) (a) to (de), (e), or (f) to be filled at that election; that is made
21 without cooperation or consultation with such a candidate, or any authorized

5 support, or political party committee, an act for “political purposes” does not include
6 the making of an expenditure, including a noncandidate election expenditure under
7 s. 11.065, for a communication which does not expressly advocate the election, defeat,

23 general account under s. 71.10 (3) (a) during that year to the account for the office
24 in which the vacancy occurs, such moneys to be drawn from any account within the

SENATE BILL 46

1 accounts in the general account created under sub. (4) in the amount or amounts
2 specified by the board.

3 **SECTION 147.** 11.50 (4) of the statutes, as affected by 2003 Wisconsin Act 109,

19 of each grant to an eligible candidate from the political party account of that
20 candidate's political party, if any, if there are sufficient moneys in that account to
21 make full payment of the grant, and then from the general account. If there are
22 sufficient moneys in the political party account of a candidate's political party to
23 make full payment of a grant under sub. (9) (a) but there are insufficient moneys in
24 that account to make full payment of any grant for which the candidate qualifies
25 under sub. (9) (ba) or (bb), the board shall first make payment of grants under sub.

SENATE BILL 46

1 (9) (ba) and (bb) to all candidates of the candidate's political party at the election from
2 available moneys in the political party account in the manner provided in sub. (2s)
3 (b) and shall then make payments to those candidates from available moneys in the
4 general account in the manner provided in sub. (9) (c). If there are insufficient
5 moneys in the general account to make full payment of a grant, the board shall
6 proportionately reduce the grant as provided in sub. (9) (c).

7 **SECTION 149.** 11.50 (5) of the statutes, as affected by 2001 Wisconsin Act 109,
8 is repealed and recreated to read:

9 11.50 (5) TIME OF GRANT PAYMENTS. (a) Except as provided in par. (b), the state
10 treasurer shall make each grant payment that becomes payable to an eligible

12 end of the 3rd business day following notice from the board under s. 7.08 (2) (c) or (cm)
13 of the amount to be paid.

14 (b) If an eligible candidate notifies the state treasurer of the information

17 candidate any grant payment that becomes payable to the candidate under sub. (9)
18 as soon as possible following notice from the board under s. 7.08 (2) (c) or (cm), but
19 no later than the time specified in par. (a).

20 (c) Eligible candidates for governor and lieutenant governor of the same
21 political party may combine campaign depository accounts if desired.

22 **SECTION 150.** 11.50 (6) of the statutes, as affected by 2001 Wisconsin Act 109,

SENATE BILL 46

1 candidate may accept under sub. (9), or more than the amount which a candidate
2 elects to accept under sub. (10), the excess moneys shall be retained in the fund.

3 **SECTION 151.** 11.50 (7) (intro.) of the statutes, as affected by 2001 Wisconsin
4 Act 109, is repealed and recreated to read:

5 11.50 (7) UTILIZATION. (intro.) Grants distributed under this section may be
6 utilized only for deposit in a campaign depository account under s. 11.10. Grants may

8 **SECTION 152.** 11.50 (8) of the statutes, as affected by 2001 Wisconsin Act 109,
9 is repealed and recreated to read:

10 11.50 (8) LAPSING GRANTS. All grants disbursed under sub. (5) remain the
11 property of the state until disbursed or encumbered for a lawful purpose. All grant
12 moneys that are unspent and unencumbered by a candidate on the day after the
13 election in which the candidate participates shall revert to the state. All deposits and
14 refunds derived from grant moneys that are received by a candidate at any time after
15 the day of the election in which the candidate participates shall revert to the state.
16 All reversions shall be returned to the board by the candidate and shall be deposited
17 in the fund.

18 **SECTION 153.** 11.50 (9) of the statutes, as affected by 2001 Wisconsin Act 109,
19 is repealed and recreated to read:

20 11.50 (9) (a) AMOUNT OF GRANTS. Except as provided in this paragraph and pars.
21 (ba), (bb), and (c) and sub. (10), the total grant available to an eligible candidate may
22 not exceed that amount which, when added to all other contributions accepted by the
23 candidate from sources other than individuals and political party committees, is
24 equal to 35 percent of the disbursement level specified for the office that the
25 candidate seeks, as determined under s. 11.31 (1) and adjusted as provided under s.

SENATE BILL 46

1 11.31 (9). The board shall scrutinize accounts and reports and records kept under
2 this chapter to assure that applicable limitations under ss. 11.26 (9) and 11.31 are
3 not exceeded and any violation is reported. No candidate or campaign treasurer may
4 accept grants exceeding the amount authorized by this subsection.

5 (ba) Except as provided in par. (c) and sub. (10), if an eligible candidate at a
6 primary or election, or both, who accepts a grant is opposed by one or more candidates
7 who are required, or whose personal campaign committees are required, to file a
8 report under s. 11.12 (8), then the board shall make an additional grant to the eligible
9 candidate who accepts a grant from the account for the applicable office in an amount
10 equal to the total amount or value of disbursements, as reported under s. 11.12 (8),
11 made by the opposing candidate or candidates exceeding the amount specified under
12 s. 11.31 (1) (a) to (de), (e), or (f) for the office which the candidate seeks, as adjusted
13 under s. 11.31 (9), but not more than, together with any additional grant provided
14 under par. (bb), an amount equal to 3 times the amount specified in s. 11.31 (1) (a)
15 to (de), (e), or (f) for the office that the eligible candidate seeks, as adjusted under s.
16 11.31 (9).

17 (bb) Except as provided in par. (c) and sub. (10), if the sum of the aggregate
18 disbursements and noncandidate election expenditures made against an eligible
19 candidate and the aggregated disbursements and noncandidate election
20 expenditures made for an opponent of that candidate, as reported under ss. 11.065
21 and 11.12 (6) (c), exceeds 10 percent of the amount specified under s. 11.31 (1) (a) to
22 (de), (e), or (f) for the office that the candidate seeks, as adjusted under s. 11.31 (9),
23 then the board shall make an additional grant to the eligible candidate who accepts
24 a grant from the account for the applicable office in an amount equivalent to the
25 amount of those disbursements and expenditures, as reported under ss. 11.065 and

SENATE BILL 46

1 11.12 (6) (c), but not more than, together with any additional grant provided under
2 par. (ba), an amount equal to 3 times the amount specified in s. 11.31 (1) (a) to (de),
3 (e), or (f) for the office that the eligible candidate seeks, as adjusted under s. 11.31
4 (9). The board shall immediately file a written copy of its determination with each
5 of the candidates for the office that the candidate seeks.

6 (c) If on any business day the balance within an account in the fund is
7 insufficient to make full payment of grants to all eligible candidates who qualify to
8 receive a grant from that account, the board shall first make full payment of grants
9 to all eligible candidates under par. (a) before making any payments of grants under
10 par. (ba) or (bb), and, if full payments of grants cannot be made to all eligible
11 candidates who qualify to receive a grant on that business day, the board shall
12 proportionately reduce the grants payable to all eligible candidates whose grants are
13 payable from that account for that business day and shall credit any eligible
14 candidate who does not receive full payment with any balance that remains payable
15 to that candidate for that business day. If on any subsequent business day prior to
16 the date of an election at which one or more eligible candidates qualify to receive
17 grants the balance available in the account from which a grant is payable becomes
18 sufficient to make additional grant payments, the board shall make those payments
19 to candidates in the same chronological sequence that the candidates were credited,
20 and, if the balance within an account is insufficient to make full payment of grants
21 to all candidates who have credits of equal priority that would entitle them to receive
22 payments for that business day, the board shall proportionately reduce the grants
23 payments to candidates for that business day.

24 **SECTION 154.** 11.50 (10) of the statutes is created to read:
