April 6, 2010 - Introduced by Representatives COLON and TURNER. Referred to Committee on Judiciary and Ethics.

1 **AN ACT to amend** 805.05 (2) of the statutes; **relating to:** bifurcating claims
2 related to interest due on insurance payments.

Analysis by the Legislative Reference Bureau

Under current law, a trial court may bifurcate a trial to hear certain claims separate from other claims at issue. If a court bifurcates a trial, it may order that the separate claims be heard by separate juries or by the same jury.

Under this bill, if a trial court bifurcates a trial with respect to a claim for interest that is allegedly due on insurance proceeds that were not timely paid, all claims must be heard by the same jury. Under the bill, an order for bifurcation may not delay discovery in any claim related to the timely payment of the insurance proceeds.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
