**ASSEMBLY BILL 143**

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Review of Higher Education Financial Aid Programs.

The bill amends appropriations for various higher education grant programs to make the appropriations sum sufficient rather than sum certain amounts beginning in the 2012-13 fiscal year. Specifically, the bill amends the appropriations for Wisconsin higher education grants awarded to Wisconsin residents enrolled in the University of Wisconsin (UW) System, a technical college, or a tribal college; tuition grants awarded to Wisconsin residents enrolled in accredited, nonprofit institutions; Lawton grants awarded to minority undergraduates enrolled in the UW System; and minority undergraduate retention grants awarded to minority undergraduate students enrolled at least half-time in independent, technical, and tribal institutions in the state.

Under the bill, the sum sufficient appropriations equal the amount appropriated for those grants in the previous fiscal year (base amount), increased by the average percentage by which the undergraduate academic fees for the next academic year are estimated to exceed those charged during the current academic year.
