

2013 ASSEMBLY BILL 689

1 **AN ACT** *to amend* 6.50 (1), 6.50 (2) and 6.50 (7); and *to create* 6.50 (2g) and 6.50
2 (2r) of the statutes; **relating to:** transferring responsibility over biennial
3 updating of voter registration list to the Government Accountability Board.

Analysis by the Legislative Reference Bureau

Current law requires the municipal clerk or the board of election commissioners of each municipality (municipal clerk) to examine the voter registration records for that municipality within 90 days of each general election to identify any elector who was qualified to vote over the preceding four years but who has not voted within that four-year period (nonvoting elector). The municipal clerk must mail a "Notice of Suspension of Registration" to each nonvoting elector informing the elector that the elector's registration will be suspended if the elector does not apply for continuation of registration within 30 days. If the nonvoting elector fails to apply for continuation of registration as directed, the municipal clerk must change the elector's registration status from eligible to ineligible.

This bill transfers responsibility for reviewing each municipality's voter registration records and mailing the Notice of Suspension of Registration forms from the municipal clerk to the Government Accountability Board (GAB). The bill authorizes GAB to delegate back to the municipal clerk the responsibility to change the registration status of electors who have not timely applied for continuation of registration. The bill also changes the date by which this notification must occur from within 90 days following each general election to no later than June 15 following each general election. Under the bill, the nonvoting elector must return the application for continuation of registration to the elector's municipal clerk.

ASSEMBLY BILL 689

The bill also requires GAB to compile and post on its Internet site certain information about the notices of suspension of registration sent by and returned to GAB, including the total number of notices mailed, the number of notices returned as undeliverable, and the number of electors whose status changed from eligible to ineligible.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
