

State of Misconsin 2015 - 2016 LEGISLATURE

LRB-3103/2 FFK:amn&wlj

2015 ASSEMBLY BILL 332

September 4, 2015 – Introduced by Representative Sanfelippo, cosponsored by Senator Stroebel. Referred to Committee on Education.

AN ACT to amend 118.60 (2) (be) 2.; and to create 118.60 (2) (be) 2m. of the statutes; relating to: the pupil participation limit in the statewide parental choice program.

Analysis by the Legislative Reference Bureau

Under current law, the limit on the total number of pupils residing in a school district who may participate in the statewide parental choice program (pupil participation limit) in the 2015–16 and 2016–17 school years is 1 percent of the school district's membership in the previous school year. Beginning with the 2017–18 school year, the pupil participation limit increases one percentage point each school year until the limit reaches 10 percent in the 2025–26 school year, after which there is no pupil participation limit in the statewide parental choice program.

This bill creates an exception to the pupil participation limit. The exception allows a pupil who attended a private school under the statewide parental choice program in the previous year to attend a private school under the statewide parental choice program if the pupil's application to attend a private school under the statewide parental choice program is not accepted because the pupil's resident school district has exceeded its pupil participation limit.
