1 **Relating to:** remembrance of April 24, 2015, as the 100th Anniversary of the
2 Armenian Genocide.

3 Whereas, 2015 marks the 100th Anniversary of the Armenian Genocide, when
4 the systematic destruction of thousands of Armenian communities in the Ottoman
5 Empire, through massacres and death marches in which some 1,500,000 Armenians
6 perished and hundreds of thousands more were uprooted from their homes and
7 ancient homeland, was carried out from 1915 to 1923; and

8 Whereas, despite the overwhelming evidence borne out by a wealth of
9 documentation, the Turkish government has never recognized nor accepted
10 responsibility for the genocide of the Armenian people from 1915 to 1923; and

11 Whereas, by denying, and trying to expunge, the record of their genocide, the
12 Turkish government deprives the Armenian people of their own history; and

13 Whereas, recognition of this atrocity is crucial to guarding against the
14 recurrence of genocide and provides the Armenian people with a greater
15 understanding of their heritage; and
