Analysis by the Legislative Reference Bureau

This bill allows persons who are interested in supporting the Milwaukee Bucks to obtain special motor vehicle registration plates.

Under current law, a group or organization that meets certain criteria may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special plates expressing support for certain professional basketball teams. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and to annually include a voluntary payment of \$25. Eighty percent of the voluntary payment is deposited in the general fund until the state is

SENATE BILL 550

fully reimbursed for its contributions to a professional basketball arena, and all other amounts are paid to the Milwaukee Bucks Foundation. The bill requires the special plates to display a logo or symbol associated with the professional basketball team and that the plates' design be approved by the president of the Milwaukee Bucks. DOT may not issue these special plates until DOT has obtained authority to use any applicable trademark or service mark associated with the team on these special plates and until DOT receives a contribution from any interested person or group in the amount of the initial costs of production of these special plates or \$23,700, whichever is less.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
