Analysis by the Legislative Reference Bureau

This bill prohibits issuance of an underage alcohol beverage citation to, or related student disciplinary action by the University of Wisconsin System against, an underage person who is a victim of, or bystander to, specified crimes and who cooperates with emergency responders when they arrive.

Under current law, a person who has not attained the legal drinking age of 21 years and who is not accompanied by his or her parent, guardian, or spouse who is at least age 21 (underage person) may not: 1) procure or attempt to procure alcohol beverages from an alcohol retailer; 2) possess or consume alcohol beverages on licensed retail premises or knowingly possess or consume alcohol beverages elsewhere; 3) enter or be on licensed retail premises, subject to various exceptions; or 4) falsely represent his or her age to obtain alcohol beverages from a retailer (underage violation). A person who commits an underage violation is subject to various penalties, including a forfeiture ranging in amount from \$250 to \$1,000 depending on the number of prior underage violations the person has committed.

Under this bill, an underage person may not be issued a citation for, or convicted of, an underage violation if all of the following apply:

SENATE BILL 656

1. The underage person claims to have been the victim of sexual assault, human trafficking, sexual assault of a child, sexual exploitation of a child, or specified other sex-related crimes (crime victim) or is present with the crime victim at the time of or immediately following the alleged crime (bystander).

2. The crime victim or bystander requested emergency assistance in connection with the alleged crime or encountered a law enforcement officer at a medical facility at which the crime victim received treatment in connection with the alleged crime.

3. The underage person remains at the scene until emergency assistance arrives and thereafter cooperates with providers of emergency assistance. If the underage person encounters a law enforcement officer at a medical facility, the underage person cooperates with the officer and furnishes any requested information. This requirement to cooperate, however, does not apply if the underage person lacks capacity to cooperate.

4. The underage person has not fraudulently requested emergency assistance to avoid a citation for an underage violation.

The bill also prohibits the Board of Regents of the UW System and any two-year or four-year UW System school from imposing specified disciplinary sanctions against a student who commits an underage violation, but only if the bill exempts the student from a citation or conviction for the violation. The prohibited disciplinary sanctions are the following: 1) removal from a course in progress; 2) enrollment restrictions on a course or program; 3) suspension or expulsion; and 4) exclusion from student housing.
