AN ACT to amend 20.625 (1) (g), 950.04 (1v) (g), 973.015 (1m) (a) 1. and 973.015 (1m) (b); and to create 973.015 (1m) (a) 3. c. and 973.015 (1m) (c) of the statutes; relating to: expungement of certain offenses committed before the age of 25 and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, a court may order that a record be expunged of certain offenses that a person committed before the age of 25. Current law specifies that the expungement order must be made only at sentencing and then the record is expunged when the person completes his or her sentence. This bill eliminates, for most offenses, the requirement that the sentencing court make the expungement order and requires instead that such a person may petition the court for expungement no sooner than one year after completing his or her sentence. Under this bill, the fee for filing the petition is \$100.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
