

State of Misconsin 2019 - 2020 LEGISLATURE

LRB-4702/2 EKL:amn

## 2019 ASSEMBLY BILL 753

January 17, 2020 – Introduced by Representatives MACCO and WITTKE, cosponsored by Senators MARKLEIN, KAPENGA and KOOYENGA. Referred to Committee on Ways and Means.

AN ACT to renumber and amend 71.365 (4m) (d) 1.; to amend 71.29 (7) (b) and 71.29 (10) (a); and to create 71.29 (10) (d) and 71.365 (4m) (d) 1. a. and b. of the statutes; relating to: modifications to the tax treatment of tax-option corporations that elect to pay tax at the entity level.

#### Analysis by the Legislative Reference Bureau

This bill makes the following changes to the tax treatment of tax-option corporations that elect to pay income or franchise tax at the entity level:

1. The bill allows these corporations to exclude from tax 30 percent of the gains realized from the sale of assets held more than one year and the sale of all assets acquired from a decedent and 60 percent of the gains realized from the sale of farm assets held more than one year and the sale of all farm assets acquired from a decedent.

2. The bill limits the excess capital loss deduction for these corporations to \$500. As such, under the bill, an electing tax-option corporation with a net loss after netting capital gains and losses may use up to \$500 of the net loss to offset income. A loss in excess of \$500 may be carried forward to the next taxable year in which the corporation makes the election to pay tax at the entity level.

3. The bill provides that an exception from the general requirement to pay interest on the underpayment of estimated taxes for corporations whose Wisconsin net income is less than \$250,000 does not apply to these corporations.

4. The bill provides that these corporations, when making quarterly estimated tax payments, compute the amount due using the standards applicable to taxpayers

with net income of less than \$250,000, regardless of the corporation's actual net income.
