### *Analysis by the Legislative Reference Bureau*

Under current law, a program sponsor for continuing education for chiropractors is required to submit its program to the Chiropractic Examining Board for approval. This bill requires that a program sponsor for continuing education for chiropractors, chiropractic technicians, or chiropractic radiological technicians must submit its program to the Chiropractic Examining Board for approval. The bill also adds the Chiropractic Society of Wisconsin, the American Chiropractic Association, and the Federation of Chiropractic Licensing Boards to the list of chiropractic continuing education program sponsors acceptable for license renewal.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
