## **2019 SENATE BILL 796**

February 11, 2020 - Introduced by Senators Nass, Craig and Stroebel, cosponsored by Representatives Neylon, Ballweg and Ott. Referred to Committee on Labor and Regulatory Reform.

 ${
m AN~ACT}$  to amend 227.135 (5); and to create 227.135 (6), 227.135 (7) and 227.14

(6) (c) 1. c. of the statutes; **relating to:** statements of scope for administrative rules.

### Analysis by the Legislative Reference Bureau

Under current law, in order to promulgate a rule, an agency must submit a statement of scope for the proposed rule for review by the Department of Administration and approval by the governor. Once the governor approves the statement, the agency must send the approved statement of scope to the Legislative Reference Bureau for publication in the Wisconsin Administrative Register before continuing with the rule promulgation process. A statement of scope expires after 30 months, after which the agency may not promulgate any rule based on that statement of scope that has not been submitted for legislative review by the expiration date. This bill does the following:

- 1. Limits an agency to promulgating one permanent and one emergency rule per statement of scope.
- 2. Allows an agency to formally withdraw a statement of scope prior to its expiration date by sending a withdrawal notice for the statement to the LRB for publication in the Wisconsin Administrative Register. Once a statement of scope has been withdrawn, the agency may not promulgate a rule based upon that statement of scope and all proposed rules based upon that statement of scope that are in the process of being promulgated are automatically withdrawn.

#### **SENATE BILL 796**

3. Clarifies that, when a statement of scope expires, an agency also may not promulgate an emergency rule based upon that statement of scope.

# The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

**Section 1.** 227.135 (5) of the statutes is amended to read:

227.135 (5) A statement of scope shall expire on the date that is 30 months after the date on which it is published in the register. After a statement of scope expires, an agency may not submit a proposed <u>permanent</u> rule based upon that statement of scope to the legislature for review under s. 227.19 (2), and any such rule that has not been submitted to the legislature for review before that date shall be considered withdrawn on that date as provided in s. 227.14 (6) (c) 1. a. <u>After a statement of scope expires</u>, an agency may not promulgate a proposed emergency rule based upon that statement of scope. For purposes of this subsection, a revised statement of scope prepared under sub. (4) shall expire on the date that is 30 months after the date on which the revised statement is published in the register.

**Section 2.** 227.135 (6) of the statutes is created to read:

227.135 (6) (a) Except as provided in par.
