#### Analysis by the Legislative Reference Bureau

This bill requires the state superintendent of public instruction to incorporate cursive writing into the model academic standards for English language arts. The bill also requires all school boards, independent charter schools, and private schools participating in a parental choice program to include cursive writing in its respective curriculum for the elementary grades. Specifically, each elementary school curriculum must include the objective that pupils be able to write legibly in cursive by the end of fifth grade.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
