3 project of public works erected, constructed, repaired, remodeled, or demolished for  
4 a local governmental unit, including all of the following:

7 local governmental unit for another local governmental unit under a contract under  
8 s. 66.0301 (2), 83.03, 83.035, or 86.31 (2) (b) or under any other statute specifically  
9 authorizing cooperation between local governmental units.

10          (c) A project in which the completed facility is leased, purchased, lease  
11 purchased, or otherwise acquired by, or dedicated to, a local governmental unit in  
12 lieu of the local governmental unit contracting for the erection, construction, repair,  
13 remodeling, or demolition of the facility.

14          (d) A road, street, bridge, sanitary sewer, or water main project in which the  
15 completed road, street, bridge, sanitary sewer, or water main is acquired by, or

17 or maintenance by the local governmental unit.

18          **(3) PREVAILING WAGE RATES AND HOURS OF LABOR.** (am) A local governmental  
19 unit, before making a contract by direct negotiation or soliciting bids on a contract  
20 for the erection, construction, remodeling, repairing, or demolition of any project of  
21 public works, shall apply to the department to determine the prevailing wage rate  
22 for each trade or occupation required in the work contemplated. The department  
23 shall conduct investigations and hold public hearings as necessary to define the

**ASSEMBLY BILL 50****SECTION 1163**

1 trades or occupations that are commonly employed on projects of public works that  
2 are subject to this section and to inform itself of the prevailing wage rates in all  
3 areas of the state for those trades or occupations, in order to determine the  
4 prevailing wage rate for each trade or occupation. The department shall issue its  
5 determination within 30 days after receiving the request and shall file the  
6 determination with the requesting local governmental unit.

7 (ar) The department shall, by January 1 of each year, compile the prevailing  
8 wage rates for each trade or occupation in each area. The compilation shall, in  
9 addition to the current prevailing wage rates, include future prevailing wage rates  
10 when those prevailing wage rates can be determined for any trade or occupation in  
11 any area and shall specify the effective date of those future prevailing wage rates.  
12 If a project of public works extends into more than one area, the department shall  
13 determine only one standard of prevailing wage rates for the entire project.

14 (av) In determining prevailing wage rates under par. (am) or (ar), the  
15 department may not use data from projects that are subject to this section, s. 103.49  
16 or 103.50, or 40 USC 3142 unless the department determines that there is  
17 insufficient wage data in the area to determine those prevailing wage rates, in  
18 which case the department may use data from projects that are subject to this  
19 section, s. 103.49 or 103.50, or 40 USC 3142. In determining prevailing wage rates  
20 under par. (am) or (ar), the department may not use data from any construction  
21 work that is performed by a local governmental unit or a state agency.

22 (bm) Any person may request a recalculation of any portion of an initial  
23 determination within 30 days after the initial determination date if the person

**ASSEMBLY BILL 50****SECTION 1163**

1 submits evidence with the request showing that the prevailing wage rate for any  
2 given trade or occupation included in the initial determination does not represent  
3 the prevailing wage rate for that trade or occupation in the area. The evidence shall  
4 include wage rate information reflecting work performed by individuals working in  
5 the contested trade or occupation in the area during the current survey period. The  
6 department shall affirm or modify the initial determination within 15 days after  
7 the date on which the department receives the request for recalculation.

8 (br) In addition to the recalculation under par. (bm), the local governmental  
9 unit that requested the determination under this subsection may request a review  
10 of any portion of a determination within 30 days after the date of issuance of the  
11 determination if the local governmental unit submits evidence with the request  
12 showing that the prevailing wage rate for any given trade or occupation included in  
13 the determination does not represent the prevailing wage rate for that trade or  
14 occupation in the city, village, or town in which the proposed project of public works  
15 is located. That evidence shall include wage rate information for the contested  
16 trade or occupation on at least 3 similar projects located in the city, village, or town  
17 where the proposed project of public works is located and on which some work has  
18 been performed during the current survey period and which were considered by the  
19 department in issuing its most recent compilation under par. (ar). The department  
20 shall affirm or modify the determination within 15 days after the date on which the  
21 department receives the request for review.

22 (dm) A local governmental unit that is subject to this section shall include a  
23 reference to the prevailing wage rates determined by the department and to the

**ASSEMBLY BILL 50****SECTION 1163**

1 prevailing hours of labor in the notice published for the purpose of securing bids for  
2 the project of public works. Except as otherwise provided in this paragraph, if any  
3 contract or subcontract for a project of public works is entered into, the prevailing  
4 wage rates determined by the department and the prevailing hours of labor shall be  
5 physically incorporated into and made a part of the contract or subcontract. For a  
6 minor subcontract, as determined by the department, the department shall  
7 prescribe by rule the method of notifying the minor subcontractor of the prevailing  
8 wage rates and prevailing hours of labor applicable to the minor subcontract. The  
9 prevailing wage rates and prevailing hours of labor applicable to a contract or  
10 subcontract may not be changed during the time that the contract or subcontract is  
11 in force.

12 (e) No contractor, subcontractor, or contractor's or subcontractor's agent that  
13 is subject to this section may do any of the following:

14 1. Pay an individual performing the work described in sub. (4) less than the  
15 prevailing wage rate in the same or most similar trade or occupation determined  
16 under this subsection.

17 2. Allow an individual performing the work described in sub. (4) to work a  
18 greater number of hours per day or per week than the prevailing hours of labor,  
19 unless the contractor, subcontractor, or contractor's or subcontractor's agent pays  
20 the individual for all hours worked in excess of the prevailing hours of labor at a  
21 rate of at least 1.5 times the individual's hourly basic rate of pay.

22 (4) COVERED EMPLOYEES. (a) Subject to par. (b), any person subject to this  
23 section shall pay all of the following employees the prevailing wage rate determined

**ASSEMBLY BILL 50****SECTION 1163**

1 under sub. (3) and may not allow such employees to work a greater number of hours  
2 per day or per week than the prevailing hours of labor, unless the person pays the  
3 employee for all hours worked in excess of the prevailing hours of labor at a rate of  
4 at least 1.5 times the employee's hourly basic rate of pay:

5 1. All laborers, workers, mechanics, and truck drivers employed on the site of  
6 a project of public works that is subject to this section.

7 2. All laborers, workers, mechanics, and truck drivers employed in the  
8 manufacturing or furnishing of materials, articles, supplies, or equipment on the  
9 site of a project of public works that is subject to this section or from a facility  
10 dedicated exclusively, or nearly so, to a project of public works that is subject to this  
11 section by a contractor, subcontractor, agent, or other person performing any work  
12 on the site of the project.

13 (b) A laborer, worker, mechanic, or truck driver who is employed to process,  
14 manufacture, pick up, or deliver materials or products from a commercial  
15 establishment that has a fixed place of business from which the establishment  
16 supplies processed or manufactured materials or products or from a facility that is  
17 not dedicated exclusively, or nearly so, to a project of public works that is subject to  
18 this section is not entitled to receive the prevailing wage rate determined under  
19 sub. (3) or to receive at least 1.5 times his or her hourly basic rate of pay for all hours  
20 worked in excess of the prevailing hours of labor unless any of the following applies:

21 1. The laborer, worker, mechanic, or truck driver is employed to go to the  
22 source of mineral aggregate such as sand, gravel, or stone and deliver that mineral  
23 aggregate to the site of a project of public works that is subject to this section by

1 depositing the material directly in final place, from the transporting vehicle or  
2 through spreaders from the transporting vehicle.

3 2. The laborer, worker, mechanic, or truck driver is employed to go to the site  
4 of a project of public works that is subject to this section, pick up excavated material  
5 or spoil from the site of the project, and transport that excavated material or spoil  
6 away from the site of the project.

7 (c) A person subject to this section shall pay a truck driver who is an owner-  
8 operator of a truck separately for his or her work and for the use of his or her truck.

11 of completion is less than \$48,000, a multiple-trade project of public works for which  
12 the estimated project cost of completion is less than \$100,000, or, in the case of a  
13 multiple-trade project of public works erected, constructed, repaired, remodeled, or  
14 demolished by a private contractor for a city or village having a population of less  
15 than 2,500 or for a town, a multiple-trade project of public works for which the  
16 estimated project cost of completion is less than \$234,000.

17 (b) Work performed on a project of public works for which the local  
18 governmental unit contracting for the project is not required to compensate any  
19 contractor, subcontractor, contractor's or subcontractor's agent, or individual for  
20 performing the work.

21 (c) Minor service or maintenance work, warranty work, or work under a  
22 supply and installation contract.

1 remodeling, or demolition of a residential property containing 2 dwelling units or  
2 less.

3 (g) A road, street, bridge, sanitary sewer, or water main project that is a part  
4 of a development in which not less than 90 percent of the lots contain or will contain  
5 2 dwelling units or less, as determined by the local governmental unit at the time of  
6 approval of the development, and that, on completion, is acquired by, or dedicated  
7 to, a local governmental unit, including under s. 236.13 (2), for ownership or  
8 maintenance by the local governmental unit.

9 (8) POSTING. A local governmental unit that has contracted for a project of  
10 public works shall post the prevailing wage rates determined by the department,  
11 the prevailing hours of labor, and the provisions of subs. (10) (a) and (11) (a) in at  
12 least one conspicuous place on the site of the project that is easily accessible by  
13 employees working on the project, or, if there is no common site on the project, at the  
14 place normally used by the local governmental unit to post public notices.

15 (9) COMPLIANCE. (a) When the department finds that a local governmental  
16 unit has not requested a determination under sub. (3) (am) or that a local  
17 governmental unit, contractor, or subcontractor has not physically incorporated a  
18 determination into a contract or subcontract as required under this section or has  
19 not notified a minor subcontractor of a determination in the manner prescribed by  
20 the department by rule promulgated under sub. (3) (dm), the department shall  
21 notify the local governmental unit, contractor, or subcontractor of the  
22 noncompliance and shall file the determination with the local governmental unit,  
23 contractor, or subcontractor within 30 days after the notice.

**ASSEMBLY BILL 50****SECTION 1163**

1           (b) Upon completion of a project of public works and before receiving final  
2       payment for his or her work on the project, each agent or subcontractor shall  
3       furnish the contractor with an affidavit stating that the agent or subcontractor has  
4       complied fully with the requirements of this section. A contractor may not  
5       authorize final payment until the affidavit is filed in proper form and order.

6           (c) Upon completion of a project of public works and before receiving final  
7       payment for his or her work on the project, each contractor shall file with the local  
8       governmental unit authorizing the work an affidavit stating that the contractor has  
9       complied fully with the requirements of this section and that the contractor has  
10      received an affidavit under par. (b) from each of the contractor's agents and  
11      subcontractors. A local governmental unit may not authorize a final payment until  
12      the affidavit is filed in proper form and order. If a local governmental unit  
13      authorizes a final payment before an affidavit is filed in proper form and order or if  
14      the department determines, based on the greater weight of the credible evidence,  
15      that any person performing the work specified in sub. (4) has been or may have been  
16      paid less than the prevailing wage rate or less than 1.5 times the hourly basic rate  
17      of pay for all hours worked in excess of the prevailing hours of labor and requests  
18      that the local governmental unit withhold all or part of the final payment, but the  
19      local governmental unit fails to do so, the local governmental unit is liable for all  
20      back wages payable up to the amount of the final payment.

21          **(10) RECORDS; INSPECTION; ENFORCEMENT.** (a) Each contractor,  
22      subcontractor, or contractor's or subcontractor's agent that performs work on a  
23      project of public works that is subject to this section shall keep full and accurate

**ASSEMBLY BILL 50****SECTION 1163**

1 records clearly indicating the name and trade or occupation of every individual  
2 performing the work described in sub. (4) and an accurate record of the number of  
3 hours worked by each of those individuals and the actual wages paid for the hours  
4 worked.

5 (b) The department or the contracting local governmental unit may demand  
6 and examine, and every contractor, subcontractor, and contractor's or  
7 subcontractor's agent shall keep, and furnish upon request by the department or  
8 local governmental unit, copies of payrolls and other records and information

10 for work to which this section applies. The department may inspect records in the  
11 manner provided in ch. 103. Every contractor, subcontractor, or agent performing  
12 work on a project of public works that is subject to this section is subject to the  
13 requirements of ch. 103 relating to the examination of records.

14 (c) If requested by any person, the department shall inspect the payroll  
15 records of any contractor, subcontractor, or agent performing work on a project of  
16 public works that is subject to this section as provided in this paragraph to ensure  
17 compliance with this section. On receipt of such a request, the department shall  
18 request that the contractor, subcontractor, or agent submit to the department a  
19 certified record of the information specified in par. (a), other than personally  
20 identifiable information relating to an employee of the contractor, subcontractor, or  
21 agent, for no longer than a 4-week period. The department may request that a  
22 contractor, subcontractor, or agent submit those records no more than once per  
23 calendar quarter for each project of public works on which the contractor,

**ASSEMBLY BILL 50****SECTION 1163**

1 subcontractor, or agent is performing work. The department may not charge a  
2 requester a fee for obtaining that information. Certified records submitted to the  
3 department under this paragraph are open for public inspection and copying under  
4 s. 19.35 (1).

5 (d) Section 103.005 (5) (f), (11), (12), and (13) applies to this section, except  
6 that s. 103.005 (12) (a) does not apply to a person who fails to provide any  
7 information to the department to assist the department in determining prevailing  
8 wage rates under sub. (3) (am) or (ar). Section 111.322 (2m) applies to discharge  
9 and other discriminatory acts arising in connection with any proceeding under this  
10 section, including proceedings under sub. (11) (a).

11 (11) LIABILITY AND PENALTIES. (a) 1. A contractor, subcontractor, or  
12 contractor's or subcontractor's agent who fails to pay the prevailing wage rate  
13 determined by the department under sub. (3) or who pays less than 1.5 times the  
14 hourly basic rate of pay for all hours worked in excess of the prevailing hours of  
15 labor is liable to any affected employee in the amount of his or her unpaid wages or  
16 his or her unpaid overtime compensation and in an additional amount as liquidated  
17 damages as provided under subd. 2. or 3., whichever is applicable.

18 2. If the department determines upon inspection under sub. (10) (b) or (c) that  
19 a contractor, subcontractor, or contractor's or subcontractor's agent has failed to  
20 pay the prevailing wage rate determined by the department under sub. (3) or has  
21 paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of  
22 the prevailing hours of labor, the department shall order the contractor to pay to  
23 any affected employee the amount of his or her unpaid wages or his or her unpaid

**ASSEMBLY BILL 50****SECTION 1163**

1 overtime compensation and an additional amount equal to 100 percent of the  
2 amount of those unpaid wages or that unpaid overtime compensation as liquidated  
3 damages within a period specified by the department in the order.

4       3. In addition to or in lieu of recovering the liability specified in subd. 1. as  
5 provided in subd. 2., any employee for and on behalf of that employee and other  
6 employees similarly situated may commence an action to recover that liability in  
7 any court of competent jurisdiction. If the court finds that a contractor,  
8 subcontractor, or contractor's or subcontractor's agent has failed to pay the  
9 prevailing wage rate determined by the department under sub. (3) or has paid less  
10 than 1.5 times the hourly basic rate of pay for all hours worked in excess of the  
11 prevailing hours of labor, the court shall order the contractor, subcontractor, or  
12 agent to pay to any affected employee the amount of his or her unpaid wages or his  
13 or her unpaid overtime compensation and an additional amount equal to 100  
14 percent of the amount of those unpaid wages or that unpaid overtime compensation  
15 as liquidated damages.

16       5. No employee may be a party plaintiff to an action under subd. 3. unless the  
17 employee consents in writing to become a party and the consent is filed in the court  
18 in which the action is brought. Notwithstanding s. 814.04 (1), the court shall, in  
19 addition to any judgment awarded to the plaintiff, allow reasonable attorney fees  
20 and costs to be paid by the defendant.

21       (b) 1. Except as provided in subds. 2., 4., and 6., any contractor, subcontractor,  
22 or contractor's or subcontractor's agent who violates this section may be fined not

2 any violation continues is a separate offense.

3 2. Whoever induces any individual who seeks to be or is employed on any  
4 project of public works that is subject to this section to give up, waive, or return any  
5 part of the wages to which the individual is entitled under the contract governing  
6 the project, or who reduces the hourly basic rate of pay normally paid to an

9 section and on a project that is not subject to this section, by threat not to employ, by  
10 threat of dismissal from employment, or by any other means is guilty of an offense  
11 under s. 946.15 (1).

12 3. Any individual employed on a project of public works that is subject to this

14 subcontractor's agent to pay him or her less than the prevailing wage rate set forth  
15 in the contract governing the project, who gives up, waives, or returns any part of  
16 the compensation to which he or she is entitled under the contract, or who gives up,  
17 waives, or returns any part of the compensation to which he or she is normally  
18 entitled for work on a project that is not subject to this section during a week in  
19 which the individual works both on a project of public works that is subject to this  
20 section and on a project that is not subject to this section, is guilty of an offense  
21 under s. 946.15 (2).

4 working on a project that is subject to 40 USC 3142.

5 5. Any individual who is employed on a project of public works that is subject

7 entitled under the contract governing the project to be deducted from his or her pay  
8 is guilty of an offense under s. 946.15 (4), unless the deduction would be allowed  
9 under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is

11 6. Subdivision 1. does not apply to any person who fails to provide any

15 department shall notify any local governmental unit applying for a determination  
16 under sub. (3) of the names of all persons that the department has found to have  
17 failed to pay the prevailing wage rate determined under sub. (3) or has found to  
18 have paid less than 1.5 times the hourly basic rate of pay for all hours worked in  
19 excess of the prevailing hours of labor at any time in the preceding 3 years. The

13 (4) (h) 3. within 45 days after receiving the resolution. With regard to a  
14 multijurisdictional tax incremental district created under this section, each public  
15 member of a participating city must be part of the majority that votes for approval

10 **(3) INVESTIGATION; DETERMINATION.** (a) Before a state agency issues a  
11 request for bids for any work to which this section applies, the state agency having  
12 the authority to prescribe the specifications shall apply to the department to  
13 determine the prevailing wage rate for each trade or occupation required in the  
14 work under contemplation in the area in which the work is to be done. The  
15 department shall conduct investigations and hold public hearings as necessary to  
16 define the trades or occupations that are commonly employed on projects that are  
17 subject to this section and to inform itself of the prevailing wage rates in all areas of  
18 the state for those trades or occupations, in order to determine the prevailing wage  
19 rate for each trade or occupation. The department shall issue its determination  
20 within 30 days after receiving the request and shall file the determination with the  
21 requesting state agency. A state agency that has contracted for a project of public  
22 works subject to this section shall post the prevailing wage rates determined by the  
23 department, the prevailing hours of labor, and the provisions of subs. (2) and (6m)

**ASSEMBLY BILL 50****SECTION 1671**

1 in at least one conspicuous place on the site of the project that is easily accessible by  
2 employees working on the project.

3 (am) The department shall, by January 1 of each year, compile the prevailing  
4 wage rates for each trade or occupation in each area. The compilation shall, in  
5 addition to the current prevailing wage rates, include future prevailing wage rates  
6 when those prevailing wage rates can be determined for any trade or occupation in  
7 any area and shall specify the effective date of those future prevailing wage rates.  
8 If a project of public works extends into more than one area, the department shall  
9 determine only one standard of prevailing wage rates for the entire project.

10 (ar) In determining prevailing wage rates under par. (a) or (am), the  
11 department may not use data from projects that are subject to this section, s.  
12 66.0903, 103.50, or 229.8275, or 40 USC 3142 unless the department determines  
13 that there is insufficient wage data in the area to determine those prevailing wage  
14 rates, in which case the department may use data from projects that are subject to  
15 this section, s. 66.0903, 103.50, or 229.8275, or 40 USC 3142. In determining  
16 prevailing wage rates under par. (a) or (am), the department may not use data from  
17 any construction work performed by a state agency or a local governmental unit, as  
18 defined in s. 66.0903 (1) (d).

19 (b) Any person may request a recalculation of any portion of an initial  
20 determination within 30 days after the initial determination date if the person  
21 submits evidence with the request showing that the prevailing wage rate for any  
22 given trade or occupation included in the initial determination does not represent  
23 the prevailing wage rate for that trade or occupation in the area. The evidence shall

**ASSEMBLY BILL 50****SECTION 1671**

1 include wage rate information reflecting work performed by individuals working in  
2 the contested trade or occupation in the area during the current survey period. The  
3 department shall affirm or modify the initial determination within 15 days after  
4 the date on which the department receives the request for recalculation.

5 (c) In addition to the recalculation under par. (b), the state agency that  
6 requested the determination under this subsection may request a review of any  
7 portion of a determination within 30 days after the date of issuance of the  
8 determination if the state agency submits evidence with the request showing that  
9 the prevailing wage rate for any given trade or occupation included in the  
10 determination does not represent the prevailing wage rate for that trade or  
11 occupation in the city, village, or town in which the proposed project of public works  
12 is located. That evidence shall include wage rate information for the contested  
13 trade or occupation on at least 3 similar projects located in the city, village, or town  
14 where the proposed project of public works is located on which some work has been  
15 performed during the current survey period and that were considered by the  
16 department in issuing its most recent compilation under par. (am). The  
17 department shall affirm or modify the determination within 15 days after the date  
18 on which the department receives the request for review.

19 **(3g) NONAPPLICABILITY.** This section does not apply to any of the following:

20 (a) A single-trade project of public works for which the estimated project cost  
21 of completion is less than \$48,000 or a multiple-trade project of public works for  
22 which the estimated project cost of completion is less than \$100,000.

23 (b) Work performed on a project of public works for which the state or the state

**ASSEMBLY BILL 50****SECTION 1671**

1 agency contracting for the project is not required to compensate any contractor,  
2 subcontractor, contractor's or subcontractor's agent, or individual for performing  
3 the work.

4 (c) Minor service or maintenance work, warranty work, or work under a  
5 supply and installation contract.

6 (f) A public highway, street, or bridge project.

7 (g) A project of public works involving the erection, construction, repair,  
8 remodeling, or demolition of a residential property containing 2 dwelling units or  
9 less.

10 (h) A road, street, bridge, sanitary sewer, or water main project that is a part  
11 of a development in which not less than 90 percent of the lots contain or will contain  
12 2 dwelling units or less, as determined by the local governmental unit at the time of  
13 approval of the development, and that, on completion, is acquired by, or dedicated  
14 to, the state for ownership or maintenance by the state.

15 **(4r)** COMPLIANCE. (a) When the department finds that a state agency has not  
16 requested a determination under sub. (3) (a) or that a state agency, contractor, or  
17 subcontractor has not physically incorporated a determination into a contract or  
18 subcontract as required under sub. (2) or has not notified a minor subcontractor of  
19 a determination in the manner prescribed by the department by rule promulgated  
20 under sub. (2), the department shall notify the state agency, contractor, or  
21 subcontractor of the noncompliance and shall file the determination with the state  
22 agency, contractor, or subcontractor within 30 days after the notice.

23 (b) Upon completion of a project of public works and before receiving final

**ASSEMBLY BILL 50****SECTION 1671**

1 payment for his or her work on the project, each agent or subcontractor shall  
2 furnish the contractor with an affidavit stating that the agent or subcontractor has  
3 complied fully with the requirements of this section. A contractor may not  
4 authorize final payment until the affidavit is filed in proper form and order.

5 (c) Upon completion of a project of public works and before receiving final  
6 payment for his or her work on the project, each contractor shall file with the state  
7 agency authorizing the work an affidavit stating that the contractor has complied  
8 fully with the requirements of this section and that the contractor has received an  
9 affidavit under par. (b) from each of the contractor's agents and subcontractors. A  
10 state agency may not authorize a final payment until the affidavit is filed in proper  
11 form and order. If a state agency authorizes a final payment before an affidavit is  
12 filed in proper form and order or if the department determines, based on the  
13 greater weight of the credible evidence, that any person performing the work  
14 specified in sub. (2m) has been or may have been paid less than the prevailing wage  
15 rate or less than 1.5 times the hourly basic rate of pay for all hours worked in excess  
16 of the prevailing hours of labor and requests that the state agency withhold all or  
17 part of the final payment, but the state agency fails to do so, the state agency is  
18 liable for all back wages payable up to the amount of the final payment.

19 **(5) RECORDS; INSPECTION; ENFORCEMENT.** (a) Each contractor, subcontractor,  
20 or contractor's or subcontractor's agent that performs work on a project of public  
21 works that is subject to this section shall keep full and accurate records clearly  
22 indicating the name and trade or occupation of every individual performing the

**ASSEMBLY BILL 50****SECTION 1671**

1 work described in sub. (2m) and an accurate record of the number of hours worked  
2 by each of those individuals and the actual wages paid for the hours worked.

3 (b) The department shall enforce this section. The department may demand  
4 and examine, and every contractor, subcontractor, and contractor's and  
5 subcontractor's agent shall keep, and furnish upon request by the department,  
6 copies of payrolls and other records and information relating to the wages paid to  
7 individuals performing the work described in sub. (2m) for work to which this  
8 section applies. The department may inspect records in the manner provided in  
9 this chapter. Every contractor, subcontractor, or agent performing work on a project  
10 of public works that is subject to this section is subject to the requirements of this  
11 chapter relating to the examination of records. Section 111.322 (2m) applies to  
12 discharge and other discriminatory acts arising in connection with any proceeding  
13 under this section.

14 (c) If requested by any person, the department shall inspect the payroll  
15 records of any contractor, subcontractor, or agent performing work on a project of  
16 public works that is subject to this section as provided in this paragraph to ensure  
17 compliance with this section. On receipt of such a request, the department shall  
18 request that the contractor, subcontractor, or agent submit to the department a  
19 certified record of the information specified in par. (a), other than personally  
20 identifiable information relating to an employee of the contractor, subcontractor, or  
21 agent, for no longer than a 4-week period. The department may request a

15          **111.01 Declaration of policy.** The public policy of the state as to  
16 employment relations and collective bargaining, in the furtherance of which this  
17 subchapter is enacted, is declared to be as follows:

18          (1) It recognizes that there are 3 major interests involved, namely: the public,  
19 the employee, and the employer. These 3 interests are to a considerable extent  
20 interrelated. It is the policy of the state to protect and promote each of these  
21 interests with due regard to the situation and to the rights of the others.

22          (2) Industrial peace, regular and adequate income for the employee, and  
23 uninterrupted production of goods and services are promotive of all of these  
24 interests. They are largely dependent upon the maintenance of fair, friendly, and

**ASSEMBLY BILL 50****SECTION 1770**

1 mutually satisfactory employment relations and the availability of suitable  
2 machinery for the peaceful adjustment of whatever controversies may arise. It is  
3 recognized that certain employers, including farmers, farmer cooperatives, and  
4 unincorporated farmer cooperative associations, in addition to their general  
5 employer problems, face special problems arising from perishable commodities and  
6 seasonal production that require adequate consideration. It is also recognized that  
7 whatever may be the rights of disputants with respect to each other in any  
8 controversy regarding employment relations, they should not be permitted, in the  
9 conduct of their controversy, to intrude directly into the primary rights of 3rd  
10 parties to earn a livelihood, transact business, and engage in the ordinary affairs of  
11 life by any lawful means and free from molestation, interference, restraint, or  
12 coercion.

13 (3) Negotiations of terms and conditions of work should result from voluntary  
14 agreement between employer and employee. For the purpose of such negotiation an  
15 employee has the right, if the employee desires, to associate with others in  
16 organizing and bargaining collectively through representatives of the employee's  
17 own choosing, without intimidation or coercion from any source.

18 (4) It is the policy of the state, in order to preserve and promote the interests  
19 of the public, the employee, and the employer alike, to establish standards of fair  
20 conduct in employment relations and to provide a convenient, expeditious, and  
21 impartial tribunal by which these interests may have their respective rights and  
22 obligations adjudicated. While limiting individual and group rights of aggression

1 and defense, the state substitutes processes of justice for the more primitive  
2 methods of trial by combat.

3 **SECTION 1771.** 111.04 (1) and (2) of the statutes are consolidated,

6 organization and the right to form, join, or assist labor organizations, to bargain  
7 collectively through representatives of their own choosing, and to engage in lawful,  
8 concerted activities for the purpose of collective bargaining or other mutual aid or  
9 protection. ~~(2) Employees shall also have the right to refrain from self-~~  
10 ~~organization; forming, joining, or assisting labor organizations; bargaining~~  
11 ~~collectively through representatives; or engaging in activities for the purpose of~~

17 discrimination in regard to hiring, tenure, or other terms or conditions of  
18 employment except in a collective bargaining unit where an all-union agreement is  
19 in effect. An employer may enter into an all-union agreement with the voluntarily  
20 recognized representative of the employees in a collective bargaining unit, where at  
21 least a majority of such employees voting have voted affirmatively, by secret ballot,  
22 in favor of the all-union agreement in a referendum conducted by the commission,  
23 except that where the bargaining representative has been certified by either the

**ASSEMBLY BILL 50****SECTION 1773**

commission or the national labor relations board as the result of a representation election, no referendum is required to authorize the entry into an all-union agreement. An authorization of an all-union agreement continues, subject to the right of either party to the all-union agreement to petition the commission to conduct a new referendum on the subject. Upon receipt of the petition, if the commission determines there is reasonable ground to believe that the employees concerned have changed their attitude toward the all-union agreement, the commission shall conduct a referendum. If the continuance of the all-union agreement is supported on a referendum by a vote at least equal to that provided in this paragraph for its initial authorization, it may continue, subject to the right to petition for a further vote by the procedure under this paragraph. If the continuance of the all-union agreement is not supported on a referendum, it terminates at the expiration of the contract of which it is then a part or at the end of one year from the date of the announcement by the commission of the result of the referendum, whichever is earlier. The commission shall declare any all-union agreement terminated whenever it finds that the labor organization involved has unreasonably refused to receive as a member any employee of such employer. An interested person may, as provided in s. 111.07, request the commission to perform this duty.

20 ~~employees in the collective bargaining unit are frontline workers.~~ The commission  
21 may not decide that any group of municipal employees constitutes an appropriate

20 majority of its employees in appropriate collective bargaining unit does in fact have  
21 that support, it may file with the commission a petition requesting an election as to  
22 that claim. It is not deemed to have refused to bargain until an election has been

6 collective bargaining unit containing a frontline worker desire that a fair-share or  
7 maintenance of membership agreement be entered into between the employer and  
8 a labor organization. A petition may specify that a referendum is requested on a  
9 maintenance of membership agreement only, in which case the ballot shall be  
10 limited to that question.

11           (b) For a fair-share agreement to be authorized, at least two-thirds of the  
12 eligible public safety employees voting in a referendum shall vote in favor of the  
13 agreement or at least two-thirds of the employees in a collective bargaining unit  
14 containing a frontline worker shall vote in favor of the agreement. For a

21 membership agreement is authorized.

22           (c) If a fair-share or maintenance of membership agreement is authorized in a

7 commission that the referendum vote authorized the agreement. The employer  
8 shall be held harmless against any claims, demands, suits and other forms of  
9 liability made by ~~public-safety~~ the employees affected by the agreement or by local  
10 labor organizations which may arise for actions taken by the employer in  
11 compliance with this section. All such lawful claims, demands, suits, and other

4 bargaining unit or at least 30 percent of the employees in a collective bargaining  
5 unit containing a frontline worker desire that the fair-share or maintenance of  
6 membership agreement be discontinued. Upon so finding, the commission shall  
7 conduct a new referendum. If the continuance of the fair-share or maintenance of  
8 membership agreement is approved in the referendum by at least the percentage of  
9 eligible voting ~~public safety~~ employees required for its initial authorization, it shall  
10 be continued in effect, subject to the right of the employer or labor organization to  
11 later initiate a further vote following the procedure prescribed in this subsection. If

15 whichever is earlier.

16 (b) The commission shall declare any fair-share or maintenance of  
17 membership agreement suspended upon such conditions and for such time as the  
18 commission decides whenever it finds that the labor organization involved has  
19 refused on the basis of race, color, sexual orientation or creed to receive as a member  
20 any ~~public safety~~ employee in the collective bargaining unit involved, and the  
21 agreement shall be made subject to the findings and orders of the commission. Any

7 such.

8 (10) At the request of the secretary of revenue, the attorney general may  
9 represent this state or assist a district attorney in prosecuting any case arising  
10 under this subchapter.

11 **139.976 Theft of tax moneys.** All marijuana tax moneys received by a  
12 permittee for the sale of marijuana or usable marijuana on which the tax under this  
13 subchapter has become due and has not been paid are trust funds in the permittee's  
14 possession and are the property of this state. Any permittee that fraudulently  
15 withholds, appropriates, or otherwise uses marijuana tax moneys that are the  
16 property of this state is guilty of theft under s. 943.20 (1), whether or not the  
17 permittee has or claims to have an interest in those moneys.

18 **139.977 Seizure and confiscation.** (1) All marijuana and usable  
19 marijuana produced, processed, made, kept, stored, sold, distributed, or  
20 transported in violation of this subchapter, and all tangible personal property used  
21 in connection with the marijuana or usable marijuana, is unlawful property and  
22 subject to seizure by the department or a law enforcement officer. Except as

**ASSEMBLY BILL 50****SECTION 2181**

1 provided in sub. (2), all marijuana and usable marijuana seized under this  
2 subsection shall be destroyed.

3 (2) If marijuana or usable marijuana on which the tax has not been paid is  
4 seized as provided under sub. (1), it may be given to law enforcement officers to use  
5 in criminal investigations or sold to qualified buyers by the department, without  
6 notice. If the department finds that the marijuana or usable marijuana may  
7 deteriorate or become unfit for use in criminal investigations or for sale, or that  
8 those uses would otherwise be impractical, the department may order it destroyed.

9 (3) If marijuana or usable marijuana on which the tax has been paid is seized  
10 as provided under sub. (1), it shall be returned to the true owner if ownership can be  
11 ascertained and the owner or the owner's agent is not involved in the violation  
12 resulting in the seizure. If the ownership cannot be ascertained or if the owner or  
13 the owner's agent was guilty of the violation that resulted in the seizure of the  
14 marijuana or usable marijuana, it may be sold or otherwise disposed of as provided  
15 in sub. (2).

16 (4) If tangible personal property other than marijuana or usable marijuana is  
17 seized as provided under sub. (1), the department shall advertise the tangible  
18 personal property for sale by publication of a class 2 notice under ch. 985. If no  
19 person claiming a lien on, or ownership of, the property has notified the department  
20 of the person's claim within 10 days after last insertion of the notice, the  
21 department shall sell the property. If a sale is not practical, the department may  
22 destroy the property. If a person claiming a lien on, or ownership of, the property  
23 notifies the department within the time prescribed in this subsection, the

**ASSEMBLY BILL 50****SECTION 2181**

1 department may apply to the circuit court in the county where the property was  
2 seized for an order directing disposition of the property or the proceeds from the  
3 sale of the property. If the court orders the property to be sold, all liens, if any, may  
4 be transferred from the property to the sale proceeds. Neither the property seized  
5 nor the proceeds from the sale shall be turned over to any claimant of lien or  
6 ownership unless the claimant first establishes that the property was not used in  
7 connection with any violation under this subchapter or that, if so used, it was done  
8 without the claimant's knowledge or consent and without the claimant's knowledge  
9 of facts that should have given the claimant reason to believe it would be put to such  
10 use. If no claim of lien or ownership is established as provided under this  
11 subsection, the property may be ordered destroyed.

12 **139.978 Interest and penalties.** (1) Any person that makes or signs any  
13 false or fraudulent report under this subchapter or that attempts to evade the tax  
14 imposed by s. 139.971, or that aids in or abets the evasion or attempted evasion of  
15 that tax, may be fined not more than \$10,000 or imprisoned for not more than 9  
16 months or both.

17 (2) Any permittee that fails to keep the records required by s. 139.974 (1) and  
18 (2) shall be fined not less than \$100 nor more than \$500 or imprisoned not more  
19 than 6 months or both.

20 (3) Any person that refuses to permit the examination or inspection  
21 authorized under s. 139.975 (3) may be fined not more than \$500 or imprisoned not  
22 more than 6 months or both. The department shall immediately suspend or revoke

**ASSEMBLY BILL 50****SECTION 2181**

1 the permit of any person that refuses to permit the examination or inspection  
2 authorized under s. 139.975 (3).

3 (4) Any person that violates any of the provisions of this subchapter for which  
4 no other penalty is prescribed shall be fined not less than \$100 nor more than  
5 \$1,000 or imprisoned not less than 10 days nor more than 90 days or both.

6 (5) Any person that violates any of the rules promulgated in accordance with  
7 this subchapter shall be fined not less than \$100 nor more than \$500 or imprisoned  
8 not more than 6 months or both.

9 (6) In addition to the penalties imposed for violating the provisions of this  
10 subchapter or any of the department's rules, the department shall revoke the  
11 permit of any person convicted of such a violation and not issue another permit to  
12 that person for a period of 2 years following the revocation.

13 (7) Unpaid taxes under this subchapter bear interest at the rate of 12 percent  
14 per year from the due date of the return until paid or deposited with the  
15 department, and all refunded taxes bear interest at the rate of 3 percent per year  
16 from the due date of the return to the date on which the refund is certified on the  
17 refund rolls.

18 (8) All nondelinquent payments of additional amounts owed under this  
19 subchapter shall be applied in the following order: penalties, interest, tax principal.

20 (9) Delinquent marijuana taxes bear interest at the rate of 1.5 percent per  
21 month until paid. The taxes imposed by this subchapter shall become delinquent if  
22 not paid by any of the following due dates, whichever is applicable:

**ASSEMBLY BILL 50****SECTION 2181**

1 (a) In the case of a timely filed return, no return filed, or a late return, on or  
2 before the due date of the return.

3 (b) In the case of a deficiency determination of taxes, within 2 months after  
4 the date of demand.

5 (10) If due to neglect an incorrect return is filed under this subchapter, the  
6 entire tax finally determined is subject to a penalty of 25 percent of the tax  
7 exclusive of interest or other penalty. A person filing an incorrect return has the  
8 burden of proving that the error or errors were due to good cause and not due to  
9 neglect.

10 **139.979 Personal use.** An individual who possesses no more than 6  
11 marijuana plants that have reached the flowering stage at any one time is not  
12 subject to the tax imposed under s. 139.971. An individual who possesses more  
13 than 6 marijuana plants that have reached the flowering stage at any one time shall  
14 apply for the appropriate permit under s. 139.972 and pay the appropriate tax  
15 imposed under s. 139.971.

16 **139.980 Agreement with tribes.** The department may enter into an  
17 agreement with a federally recognized American Indian tribe or band in this state  
18 for the administration and enforcement of this subchapter and to provide refunds of  
19 the tax imposed under s. 139.971 on marijuana sold on tribal land by or to enrolled  
20 members of the tribe or band residing on the tribal land.

21 **SECTION 2182.** 145.20 (5) (a) of the statutes, as affected by 2017 Wisconsin  
22 Act 59, is amended to read:

7 department may apply the maintenance program by rule to private on-site  
8 wastewater treatment systems constructed in a governmental unit responsible for  
9 the regulation of private on-site wastewater treatment systems on or before the date  
10 on which the governmental unit adopts the program. The department shall  
11 determine the private on-site wastewater treatment systems to which the  
12 maintenance program applies in governmental units that do not meet the  
13 conditions for eligibility under s. 145.246 (8).

14 **SECTION 2183.** 145.20 (5) (am) of the statutes, as affected by 2017 Wisconsin

22 before October 1, 2017. In order to be eligible for grant funding under s. 145.246, a  
23 governmental unit must comply with these deadlines.

9 as computed for the taxable year prior to the year in which the determination of  
10 failure is made.

11 3. In order to be eligible for grant funds under this section, a person shall

16 submitted under subd. 3. and may determine annual family income based upon  
17 satisfactory evidence of federal adjusted gross income or projected federal adjusted  
18 gross income of the owner and the owner's spouse in the current year. The  
19 department shall promulgate rules establishing criteria for determining what  
20 constitutes satisfactory evidence of federal adjusted gross income or projected

15 establishing criteria for determining what constitutes satisfactory evidence of gross  
16 revenue in a current year.

17 (e) The department of revenue shall, upon request by the department, verify  
18 the income information submitted by an applicant or grant recipient.

19 **(4) DENIAL OF APPLICATION.** (a) The department or a governmental unit shall  
20 deny a grant application under this section if the applicant or a person who would  
21 be directly benefited by the grant intentionally caused the conditions that resulted

**ASSEMBLY BILL 50****SECTION 2184**

1 department or governmental unit shall notify the applicant in writing of a denial,  
2 including the reason for the denial.

3 (b) The department shall notify a governmental unit if an individual's name  
4 appears on the statewide support lien docket under s. 49.854 (2) (b). The  
5 department or a governmental unit shall deny an application under this section if  
6 the name of the applicant or an individual who would be directly benefited by the  
7 grant appears on the statewide support lien docket under s. 49.854 (2) (b), unless  
8 the applicant or individual who would be benefited by the grant provides to the  
9 department or governmental unit a payment agreement that has been approved by  
10 the county child support agency under s. 59.53 (5) and that is consistent with rules  
11 promulgated under s. 49.858 (2) (a).

12 (5) USE OF FUNDS. (a) Except for grants under par. (b), funds available under  
13 a grant under this section shall be applied to the rehabilitation or replacement of  
14 the private on-site wastewater treatment system. An existing private on-site  
15 wastewater treatment system may be replaced by an alternative private on-site  
16 wastewater treatment system or by a system serving more than one principal  
17 residence.

18 (b) Funds available under a grant under this section for experimental private  
19 on-site wastewater treatment systems shall be applied to the installation and  
20 monitoring of the experimental private on-site wastewater treatment systems.

21 (6) ALLOWABLE COSTS; STATE SHARE. (a) Except as provided in par. (e), costs  
22 allowable in determining grant funding under this section may not exceed the costs  
23 of rehabilitating or replacing a private on-site wastewater treatment system that

**ASSEMBLY BILL 50****SECTION 2184**

1 would be necessary to allow the rehabilitated system or new system to meet the  
2 minimum requirements of the state plumbing code promulgated under s. 145.02.

3 (b) Except as provided in par. (e), costs allowable in determining grant  
4 funding under this section may not exceed the costs of rehabilitating or replacing a  
5 private on-site wastewater treatment system by the least costly methods, except  
6 that a holding tank may not be used as the measure of the least costly method for  
7 rehabilitating or replacing a private on-site wastewater treatment system other  
8 than a holding tank.

9 (c) Except as provided in pars. (d) and (e), the state grant share under this  
10 section is limited to \$7,000 for each principal residence or small commercial  
11 establishment to be served by the private on-site wastewater treatment system or to  
12 the amount determined by the department based upon private on-site wastewater  
13 treatment system grant funding tables, whichever is less. The department shall  
14 prepare and publish private on-site wastewater treatment system grant funding  
15 tables that specify the maximum state share limitation for various components and  
16 costs involved in the rehabilitation or replacement of a private on-site wastewater  
17 treatment system based upon minimum size and other requirements specified in  
18 the state plumbing code promulgated under s. 145.02. The maximum state share  
19 limitations shall be designed to pay approximately 60 percent of the average  
20 allowable cost of private on-site wastewater treatment system rehabilitation or  
21 replacement based upon estimated or actual costs of that rehabilitation or  
22 replacement. The department shall revise the grant funding tables when it  
23 determines that 60 percent of current costs of private on-site wastewater treatment

**ASSEMBLY BILL 50****SECTION 2184**

1 system rehabilitation or replacement exceed the amounts in the grant funding  
2 tables by more than 10 percent, except that the department may not revise the  
3 grant funding tables more often than once every 2 years.

4 (d) Except as provided in par. (e), if the income of a person who owns a  
5 principal residence that is served by a category 1 or 2 failing private on-site  
6 wastewater treatment system is greater than \$32,000, the amount of the grant  
7 under this section is limited to the amount determined under par. (c) less 30  
8 percent of the amount by which the person's income exceeds \$32,000.

9 (e) Costs allowable for experimental private on-site wastewater treatment  
10 systems shall include the costs of installing and monitoring experimental private  
11 on-site wastewater treatment systems installed under s. 145.02 (3) (b) and this  
12 section. The department shall promulgate rules that specify how the department  
13 will select, monitor, and allocate the state share for experimental private on-site  
14 wastewater treatment systems that the department funds under this section.

15 (7) APPLICATION. (a) In order to be eligible for a grant under this section, a  
16 governmental unit shall make an application for replacement or rehabilitation of  
17 private on-site wastewater treatment systems of principal residences or small  
18 commercial establishments and shall submit an application for participation to the  
19 department. The application shall be in the form and include the information the  
20 department prescribes. In order to be eligible for funds available in a fiscal year, an  
21 application is required to be received by the department prior to February 1 of the  
22 previous fiscal year.

**ASSEMBLY BILL 50****SECTION 2184**

1           (b) An American Indian tribe or band may submit an application for  
2 participation for any Indian lands under its jurisdiction.

3           **(8) CONDITIONS; GOVERNMENTAL UNITS.** As a condition for obtaining grant  
4 funding under this section, a governmental unit shall do all of the following:

5           (a) Adopt and administer the maintenance program established under s.  
6 145.20 (5).

7           (b) Certify that grants will be used for private on-site wastewater treatment  
8 system replacement or rehabilitation for a principal residence or small commercial  
9 establishment owned by a person who meets the eligibility requirements under sub.  
10 (3), that the funds will be used as provided under sub. (5), and that allowable costs  
11 will not exceed the amount permitted under sub. (6).

12           (c) Certify that grants will be used for private on-site wastewater treatment  
13 systems that will be properly installed and maintained.

14           (d) Certify that grants provided to the governmental unit will be disbursed to  
15 eligible owners.

16           (e) Establish a process for regulation and inspection of private on-site  
17 wastewater treatment systems.

18           (f) Establish a system of user charges and cost recovery if the governmental  
19 unit considers this system to be appropriate. User charges and cost recovery may  
20 include the cost of the grant application fee and the cost of supervising installation  
21 and maintenance.

22           (g) Establish a system that provides for the distribution of grant funds  
23 received among eligible applicants based on the amount requested in the

**ASSEMBLY BILL 50****SECTION 2184**

1 application as approved by the department. If the amount received by a county is  
2 insufficient to fully fund all grants, the county shall prorate grant funds on the  
3 same basis as sub. (12).

4 (9) ASSISTANCE. The department shall make its staff available to provide  
5 technical assistance to each governmental unit. The department shall prepare and  
6 distribute to each participating governmental unit a manual of procedures for the  
7 grant program under this section.

8 (10) DISTRIBUTION OF LITERATURE. The department shall prepare literature  
9 that describes the eligibility for receiving a grant under this section for a principal  
10 residence. The department shall supply the literature to counties, and counties  
11 shall distribute the literature to recipients of public benefits.

12 (11) ALLOCATION OF FUNDS. (a) *Determination of eligible applications.* At the  
13 beginning of each fiscal year the department shall determine the state grant share  
14 for applications from eligible owners received by participating governmental units.  
15 The department may revise this determination if a governmental unit does not  
16 meet the conditions specified under sub. (8) or if it determines that individuals do  
17 not meet eligibility requirements under sub. (3).

18 (b) *Allocation.* The department shall allocate available funds for grants to  
19 each participating governmental unit according to the total amount of the state  
20 grant share for all eligible applications received by that governmental unit.

21 (c) *Limitation; commercial establishments.* The department may not allocate  
22 more than 10 percent of the funds available under this subsection each fiscal year  
23 for grants for small commercial establishments.

**ASSEMBLY BILL 50****SECTION 2184**

1           (d) *Limitation; experimental private on-site wastewater treatment systems.*

2           The department may not allocate more than 10 percent of the funds available under  
3           this subsection each fiscal year for grants for the installation and monitoring of  
4           experimental private on-site wastewater treatment systems.

5           **(12) PRORATING.** (a) Except as provided in par. (d), the department shall  
6           prorate available funds under this subsection if funds are not sufficient to fully  
7           fund all applications. A prorated payment shall be deemed full payment of the  
8           grant.

9           (b) Except as provided in par. (d), if funds are sufficient to fully fund all  
10          category 1 but not all category 2 failing private on-site wastewater treatment  
11          systems, the department shall fully fund all category 1 systems and prorate the  
12          funds for category 2 systems on a proportional basis.

13          (c) Except as provided in par. (d), if funds are not sufficient to fully fund all

8 **601.455 Fair claims processing, health insurance transparency, and**  
9 **claim denial rate audits. (1) DEFINITIONS.** In this section:

10 (a) "Claim denial" means the refusal by an insurer to provide payment under  
11 a disability insurance policy for a service, treatment, or medication recommended  
12 by a health care provider. "Claim denial" includes the prospective refusal to pay for  
13 a service, treatment, or medication when a disability insurance policy requires  
14 advance approval before a prescribed medical service, treatment, or medication is  
15 provided.

16 (b) "Disability insurance policy" has the meaning given in s. 632.895 (1) (a).

17 (c) "Health care provider" has the meaning given in s. 146.81 (1) (a) to (p).

18 **(2) CLAIMS PROCESSING.** (a) Insurers shall process each claim for a disability  
19 insurance policy within a time frame that is reasonable and prevents an undue  
20 delay in an insured's care, taking into account the medical urgency of the claim.

21 (b) If an insurer determines additional information is needed to process a  
22 claim for a disability insurance policy, the insurer shall request the information  
23 from the insured within 5 business days of making the determination and shall  
24 provide at least 15 days for the insured to respond.

**ASSEMBLY BILL 50****SECTION 2887**

3 the exact medical or policy basis for the denial.

4 2. A copy of or a publicly accessible link to any policy, coverage rules, clinical  
5 guidelines, or medical evidence relied upon in making the denial decision, with  
6 specific citation to the provision justifying the denial.

7 3. Additional documentation, medical rationale, or criteria that must be met  
8 or provided for approval of the claim, including alternative options available under  
9 the policy.

10 (d) If an insurer uses artificial intelligence or algorithmic decision-making in  
11 processing a claim for a disability insurance policy, the insurer must notify the  
12 insured in writing of that fact. The notice shall include all of the following:

13 1. A disclosure that artificial intelligence or algorithmic decision-making was  
14 used at any stage in reviewing the claim, even if a human later reviewed the  
15 outcome.

17 decision-making reached its decision, including any factors the artificial  
18 intelligence or algorithmic decision-making weighed.

19 3. A contact point for requesting a human review of the claim if the claim was  
20 denied.

21 **(3) INDEPENDENT REVIEW OF DENIALS.** In addition to an insured's right to an  
22 independent review under s. 632.835, as applicable, insureds have the right to  
23 request a review by the office of the public intervenor of any claim denial.

21   causes harmful delays.

24   network providers.

**ASSEMBLY BILL 50****SECTION 2887**

14 insurer shall annually publish a report detailing the insurer's claim denial rates,  
15 reasons for claim denials, and the outcome of any appeal of a claim denial for the  
16 previous year for all disability insurance policies under which the insurer provides  
17 coverage.

18 (b) The commissioner shall maintain a public database of insurers' claim  
19 denial rates and the outcomes of independent reviews under s. 632.835.

2     artificial intelligence or algorithmic decision-making.

7     made by artificial intelligence or algorithmic decision-making.

8           **(6) CLAIM DENIAL RATE AUDITS.** (a) The commissioner may conduct an audit  
9     of an insurer if the insurer's claim denials are of such frequency as to indicate a  
10    general business practice. This paragraph is supplemental to and does not limit  
11    any other powers or duties of the commissioner.

12          (b) The commissioner may collect any relevant information from an insurer  
13    that is necessary to conduct an audit under par. (a).

14          (c) The commissioner may contract with a 3rd party to conduct an audit under

19    corrective action plan under this paragraph the deadline by which an insurer must  
20    be in compliance with the corrective action plan.

4 an insured's care or an adverse health outcome for an insured shall be subject to a  
5 civil forfeiture of \$10,000 per occurrence, in addition to any other penalties provided  
6 in s. 601.64 (3) or other law.

9 and patients in this state.

10 **(2) AFFORDABILITY REVIEW.** (a) After identifying prescription drug products  
11 under sub. (1), the board shall determine whether to conduct an affordability  
12 review for each identified prescription drug product by seeking stakeholder input  
13 about the prescription drug product and considering the average patient cost share  
14 of the prescription drug product.

15 (b) The information used to conduct an affordability review under par. (a) may  
16 include any document and research related to the manufacturer's selection of the  
17 introductory price or price increase of the prescription drug product, including life

19 projected revenue, and the estimated value or cost-effectiveness of the prescription  
20 drug product.

21 (c) The failure of a manufacturer to provide the board with information for an  
22 affordability review under par. (b) does not affect the authority of the board to  
23 conduct the review.

**ASSEMBLY BILL 50****SECTION 2893**

1           **(3) AFFORDABILITY CHALLENGE.** When conducting an affordability review of a  
2       prescription drug product under sub. (2), the board shall determine whether use of  
3       the prescription drug product that is fully consistent with the labeling approved by  
4       the federal food and drug administration or standard medical practice has led or  
5       will lead to an affordability challenge for the health care system in this state,  
6       including high out-of-pocket costs for patients. To the extent practicable, in  
7       determining whether a prescription drug product has led or will lead to an  
8       affordability challenge, the board shall consider all of the following factors:

9           (a) The wholesale acquisition cost for the prescription drug product sold in  
10       this state.

11          (b) The average monetary price concession, discount, or rebate the  
12       manufacturer provides, or is expected to provide, to health plans in this state as  
13       reported by manufacturers and health plans, expressed as a percentage of the  
14       wholesale acquisition cost for the prescription drug product under review.

15          (c) The total amount of the price concessions, discounts, and rebates the  
16       manufacturer provides to each pharmacy benefit manager for the prescription drug  
17       product under review, as reported by the manufacturer and pharmacy benefit  
18       manager and expressed as a percentage of the wholesale acquisition cost.

19          (d) The price at which therapeutic alternatives to the prescription drug  
20       product have been sold in this state.

21          (e) The average monetary concession, discount, or rebate the manufacturer  
22       provides or is expected to provide to health plan payors and pharmacy benefit  
23       managers in this state for therapeutic alternatives to the prescription drug product.

**ASSEMBLY BILL 50****SECTION 2893**

1 (f) The costs to health plans based on patient access consistent with labeled  
2 indications by the federal food and drug administration and recognized standard  
3 medical practice.

4 (g) The impact on patient access resulting from the cost of the prescription  
5 drug product relative to insurance benefit design.

6 (h) The current or expected dollar value of drug-specific patient access  
7 programs that are supported by the manufacturer.

8 (i) The relative financial impacts to health, medical, or social services costs  
9 that can be quantified and compared to baseline effects of existing therapeutic  
10 alternatives to the prescription drug product.

11 (j) The average patient copay or other cost sharing for the prescription drug  
12 product in this state.

13 (k) Any information a manufacturer chooses to provide.

14 (L) Any other factors as determined by the board by rule.

15 (4) UPPER PAYMENT LIMIT. (a) If the board determines under sub. (3) that use  
16 of a prescription drug product has led or will lead to an affordability challenge, the  
17 board shall establish an upper payment limit for the prescription drug product after  
18 considering all of the following:

- 19 1. The cost of administering the drug.  
20 2. The cost of delivering the drug to consumers.  
21 3. Other relevant administrative costs related to the drug.

22 (b) For a prescription drug product identified in sub. (1) (b) or (d) 2., the board  
23 shall solicit information from the manufacturer regarding the price increase. To

**ASSEMBLY BILL 50****SECTION 2893**

1 the extent that the price increase is not a result of the need for increased  
2 manufacturing capacity or other effort to improve patient access during a public  
3 health emergency, the board shall establish an upper payment limit under par. (a)  
4 that is equal to the cost to consumers prior to the price increase.

5 (c) 1. The upper payment limit established under this subsection shall apply  
6 to all purchases and payor reimbursements of the prescription drug product  
7 dispensed or administered to individuals in this state in person, by mail, or by other  
8 means.

9 2. Notwithstanding subd. 1., while state-sponsored and state-regulated  
10 health plans and health programs shall limit drug reimbursements and drug  
11 payment to no more than the upper payment limit established under this  
12 subsection, a plan subject to the Employee Retirement Income Security Act of 1974  
13 or Part D of Medicare under 42 USC 1395w-101 et seq. may choose to reimburse  
14 more than the upper payment limit. A provider who dispenses and administers a  
15 prescription drug product in this state to an individual in this state may not bill a  
16 payor more than the upper payment limit to the patient regardless of whether a  
17 plan subject to the Employee Retirement Income Security Act of 1974 or Part D of  
18 Medicare under 42 USC 1395w-101 et seq. chooses to reimburse the provider above  
19 the upper payment limit.

20 (5) PUBLIC INSPECTION. Information submitted to the board under this  
21 section shall be open to public inspection only as provided under ss. 19.31 to 19.39.

22 (6) NO PROHIBITION ON MARKETING. Nothing in this section may be construed  
23 to prevent a manufacturer from marketing a prescription drug product approved by

**ASSEMBLY BILL 50****SECTION 2893**

1 the federal food and drug administration while the prescription drug product is  
2 under review by the board.

3 (7) APPEALS. A person aggrieved by a decision of the board may request an  
4 appeal of the decision no later than 30 days after the board makes the  
5 determination. The board shall hear the appeal and make a final decision no later  
6 than 60 days after the appeal is requested. A person aggrieved by a final decision of  
7 the board may petition for judicial review in a court of competent jurisdiction.

8 **SECTION 2894.** 601.83 (1) (a) of the statutes is amended to read:

10 program known as the healthcare stability plan in accordance with the specific

13 request from the federal department of health and human services a modification,

16 legislation has been enacted specifically directing the modification, suspension,  
17 withdrawal, or termination. Before December 31, 2023, the commissioner may  
18 request renewal, without substantive change, of the waiver under 42 USC 18052

14 (b) “Emergency medical services,” with respect to an emergency medical

18 (b) The plan may not deny coverage on the basis of whether or not the health  
19 care provider providing the services is a participating provider or participating

21 (c) If the emergency medical services are provided to an enrollee by a provider  
22 or in a facility that is not a participating provider or participating facility, the plan  
23 complies with all of the following:

**ASSEMBLY BILL 50****SECTION 2898**

1           1. The emergency medical services are covered without imposing on an  
2           enrollee a requirement for prior authorization or any coverage limitation that is  
3           more restrictive than requirements or limitations that apply to emergency medical  
4           services provided by participating providers or in participating facilities.

5           2. Any cost-sharing requirement imposed on an enrollee for the emergency  
6           medical services is no greater than the requirements that would apply if the  
7           emergency medical services were provided by a participating provider or in a  
8           participating facility.

9           3. Any cost-sharing amount imposed on an enrollee for the emergency medical  
10          services is calculated as if the total amount that would have been charged for the  
11          emergency medical services if provided by a participating provider or in a  
12          participating facility is equal to the recognized amount for such services, plan or  
13          coverage, and year.

14          4. The plan does all of the following:

15           a. No later than 30 days after the participating provider or participating  
16          facility transmits to the plan the bill for emergency medical services, sends to the  
17          provider or facility an initial payment or a notice of denial of payment.

18           b. Pays to the participating provider or participating facility a total amount  
19          that, incorporating any initial payment under subd. 4. a., is equal to the amount by  
20          which the out-of-network rate exceeds the cost-sharing amount.

21          5. The plan counts any cost-sharing payment made by the enrollee for the  
22          emergency medical services toward any in-network deductible or out-of-pocket  
23          maximum applied by the plan in the same manner as if the cost-sharing payment

**ASSEMBLY BILL 50****SECTION 2898**

1 was made for emergency medical services provided by a participating provider or in  
2 a participating facility.

3 (3) NONPARTICIPATING PROVIDER IN PARTICIPATING FACILITY. For items or  
4 services other than emergency medical services that are provided to an enrollee of  
5 a defined network plan, preferred provider plan, or self-insured governmental plan  
6 by a provider who is not a participating provider but who is providing services at a  
7 participating facility, the plan shall provide coverage for the item or service in  
8 accordance with all of the following:

9 (a) The plan may not impose on an enrollee a cost-sharing requirement for the  
10 item or service that is greater than the cost-sharing requirement that would have  
11 been imposed if the item or service was provided by a participating provider.

12 (b) Any cost-sharing amount imposed on an enrollee for the item or service is  
13 calculated as if the total amount that would have been charged for the item or  
14 service if provided by a participating provider is equal to the recognized amount for  
15 such item or service, plan or coverage, and year.

16 (c) No later than 30 days after the provider transmits the bill for services, the  
17 plan shall send to the provider an initial payment or a notice of denial of payment.

18 (d) The plan shall make a total payment directly to the provider who provided  
19 the item or service to the enrollee that, added to any initial payment described  
20 under par. (c), is equal to the amount by which the out-of-network rate for the item  
21 or service exceeds the cost-sharing amount.

22 (e) The plan counts any cost-sharing payment made by the enrollee for the  
23 item or service toward any in-network deductible or out-of-pocket maximum

**ASSEMBLY BILL 50****SECTION 2898**

1 applied by the plan in the same manner as if the cost-sharing payment was made  
2 for the item or service when provided by a participating provider.

3 (4) CHARGING FOR SERVICES BY NONPARTICIPATING PROVIDER; NOTICE AND  
4 CONSENT. (a) Except as provided in par. (c), a provider of an item or service who is  
5 entitled to payment under sub. (3) may not bill or hold liable an enrollee for any  
6 amount for the item or service that is more than the cost-sharing amount  
7 calculated under sub. (3) (b) for the item or service unless the nonparticipating  
8 provider provides notice and obtains consent in accordance with all of the following:

9 1. The notice states that the provider is not a participating provider in the  
10 enrollee's defined network plan, preferred provider plan, or self-insured  
11 governmental plan.

12 2. The notice provides a good faith estimate of the amount that the  
13 nonparticipating provider may charge the enrollee for the item or service involved,  
14 including notification that the estimate does not constitute a contract with respect  
15 to the charges estimated for the item or service.

16 3. The notice includes a list of the participating providers at the participating  
17 facility who would be able to provide the item or service and notification that the  
18 enrollee may be referred to one of those participating providers.

19 4. The notice includes information about whether or not prior authorization or  
20 other care management limitations may be required before receiving an item or  
21 service at the participating facility.

22 5. The notice clearly states that consent is optional and that the patient may  
23 elect to seek care from an in-network provider.

**ASSEMBLY BILL 50****SECTION 2898**

1           6. The notice is worded in plain language.

2           7. The notice is available in languages other than English. The commissioner  
3 shall identify languages for which the notice should be available.

4           8. The enrollee provides consent to the nonparticipating provider to be treated  
5 by the nonparticipating provider, and the consent acknowledges that the enrollee  
6 has been informed that the charge paid by the enrollee may not meet a limitation  
7 that the enrollee's defined network plan, preferred provider plan, or self-insured  
8 governmental plan places on cost sharing, such as an in-network deductible.

9           9. A signed copy of the consent described under subd. 8. is provided to the  
10 enrollee.

11           (b) To be considered adequate, the notice and consent under par. (a) shall meet  
12 one of the following requirements, as applicable:

13           1. If the enrollee makes an appointment for the item or service at least 72  
14 hours before the day on which the item or service is to be provided, any notice under  
15 par. (a) shall be provided to the enrollee at least 72 hours before the day of the  
16 appointment at which the item or service is to be provided.

17           2. If the enrollee makes an appointment for the item or service less than 72  
18 hours before the day on which the item or service is to be provided, any notice under  
19 par. (a) shall be provided to the enrollee on the day that the appointment is made.

20           (c) A provider of an item or service who is entitled to payment under sub. (3)  
21 may not bill or hold liable an enrollee for any amount for an ancillary item or  
22 service that is more than the cost-sharing amount calculated under sub. (3) (b) for  
23 the item or service, whether or not provided by a physician or non-physician

**ASSEMBLY BILL 50****SECTION 2898**

1 practitioner, unless the commissioner specifies by rule that the provider may bill or  
2 hold the enrollee liable for the ancillary item or service, if the item or service is any  
3 of the following:

- 5 2. Anesthesiology.
- 6 3. Pathology.
- 7 4. Radiology.
- 8 5. Neonatology.

10 intensivist.
- 11 7. A diagnostic service, including a radiology or laboratory service.
- 12 8. An item or service provided by a specialty practitioner that the  
13 commissioner specifies by rule.
- 14 9. An item or service provided by a nonparticipating provider when there is no  
15 participating provider who can furnish the item or service at the participating  
16 facility.

17 (d) Any notice and consent provided under par. (a) may not extend to items or  
18 services furnished as a result of unforeseen, urgent medical needs that arise at the  
19 time the item or service is provided.

20 (e) Any consent provided under par. (a) shall be retained by the provider for no  
21 less than 7 years.

22 (5) NOTICE BY PROVIDER OR FACILITY. Beginning no later than January 1,  
23 2026, a health care provider or health care facility shall make available, including

**ASSEMBLY BILL 50****SECTION 2898**

1 posting on a website, to enrollees in defined network plans, preferred provider  
2 plans, and self-insured governmental plans notice of the requirements on a provider  
3 or facility under sub. (4), of any other applicable state law requirements on the  
4 provider or facility with respect to charging an enrollee for an item or service if the  
5 provider or facility does not have a contractual relationship with the plan, and of  
6 information on contacting appropriate state or federal agencies in the event the  
7 enrollee believes the provider or facility violates any of the requirements under this  
8 section or other applicable law.

9       **(6) NEGOTIATION; DISPUTE RESOLUTION.** A provider or facility that is entitled  
10 to receive an initial payment or notice of denial under sub. (2) (c) 4. a. or (3) (c) may  
11 initiate, within 30 days of receiving the initial payment or notice of denial, open  
12 negotiations with the defined network plan, preferred provider plan, or self-insured  
13 governmental plan to determine a payment amount for an emergency medical  
14 service or other item or service for a period that terminates 30 days after initiating  
15 open negotiations. If the open negotiation period under this subsection terminates  
16 without determination of a payment amount, the provider, facility, defined network  
17 plan, preferred provider plan, or self-insured governmental plan may initiate,  
18 within the 4 days beginning on the day after the open negotiation period ends, the  
19 independent dispute resolution process as specified by the commissioner. If the  
20 independent dispute resolution decision-maker determines the payment amount,  
21 the party to the independent dispute resolution process whose amount was not  
22 selected shall pay the fees for the independent dispute resolution. If the parties to  
23 the independent dispute resolution reach a settlement on the payment amount, the

**ASSEMBLY BILL 50****SECTION 2898**

1 parties to the independent dispute resolution shall equally divide the payment for  
2 the fees for the independent dispute resolution.

3 (7) CONTINUITY OF CARE. (a) In this subsection:

20 threatening, degenerative, potentially disabling, or congenital and requires  
21 specialized medical care over a prolonged period.

17 **SECTION 3023.** 765.001 (2) of the statutes is amended to read:

18 765.001 (2) INTENT. It is the intent of chs. 765 to 768 to promote the stability  
19 and best interests of marriage and the family. It is the intent of the legislature to  
20 recognize the valuable contributions of both spouses during the marriage and at  
21 termination of the marriage by dissolution or death. Marriage is the institution  
22 that is the foundation of the family and of society. Its stability is basic to morality  
23 and civilization, and of vital interest to society and the state. The consequences of

**ASSEMBLY BILL 50****SECTION 3023**

1 the marriage contract are more significant to society than those of other contracts,  
2 and the public interest must be taken into account always. The seriousness of  
3 marriage makes adequate premarital counseling and education for family living  
4 highly desirable and courses thereon are urged upon all persons contemplating  
5 marriage. The impairment or dissolution of the marriage relation generally results  
6 in injury to the public wholly apart from the effect upon the parties immediately  
7 concerned. Under the laws of this state, marriage is a legal relationship between 2  
8 equal persons, ~~a husband and wife~~, who owe to each other mutual responsibility  
9 and support. Each spouse has an equal obligation in accordance with his or her  
10 ability to contribute money or services or both which are necessary for the adequate  
11 support and maintenance of his or her minor children and of the other spouse. No  
12 spouse may be presumed primarily liable for support expenses under this  
13 subsection.

14 **SECTION 3024.** 765.01 of the statutes is amended to read:

15 **765.01 A civil contract.** Marriage, so far as its validity at law is concerned,  
16 is a civil contract, to which the consent of the parties capable in law of contracting  
17 is essential, and which creates the legal status of ~~husband and wife~~ spouse to each  
18 other.

19 **SECTION 3025.** 765.02 (3) of the statutes is created to read:

20 **765.02 (3)** Marriage may be contracted between persons of the same sex or  
21 different sexes.

22 **SECTION 3026.** 765.03 (1) of the statutes is amended to read:

23 **765.03 (1)** No marriage shall be contracted while either of the parties has a

1 ~~husband or wife~~ spouse living, nor between persons who are nearer of kin than 2nd  
2 cousins except that marriage may be contracted between first cousins ~~where the~~  
3 ~~female has attained the age of 55 years or where~~ if either party, at the time of  
4 application for a marriage license, submits an affidavit signed by a physician  
5 stating that either party is permanently sterile or that the 2 parties are otherwise  
6 permanently biologically incapable of producing a child together. Relationship  
7 under this section shall be computed by the rule of the civil law, whether the parties  
8 to the marriage are of the half or of the whole blood. A marriage may not be  
9 contracted if either party has such want of understanding as renders him or her  
10 incapable of assenting to marriage.

11 **SECTION 3027.** 765.16 (1m) (intro.) of the statutes is amended to read:

12 765.16 **(1m)** (intro.) Marriage may be validly solemnized and contracted in  
13 this state only after a marriage license has been issued therefor, and only by the  
14 mutual declarations of the 2 parties to be joined in marriage that ~~they take~~ each  
15 takes the other as ~~husband and wife~~ his or her spouse, made before an authorized  
16 officiating person and in the presence of at least 2 competent adult witnesses other  
17 than the officiating person. If one of the parties is serving on active duty in the U.S.  
18 armed forces or in forces incorporated in the U.S. armed forces, in a reserve unit of  
19 the U.S. armed forces, or in the national guard, the presence of only one competent  
20 adult witness other than the officiating person is required. The following are  
21 authorized to be officiating persons:

22 **SECTION 3028.** 765.16 (1m) (c) of the statutes is amended to read:

4 **SECTION 3029.** 765.23 of the statutes is amended to read:

5 **765.23 Immaterial irregularities otherwise.** No marriage hereafter  
6 contracted shall be void either by reason of the marriage license having been issued  
7 by a county clerk not having jurisdiction to issue the same; or by reason of any  
8 informality or irregularity of form in the application for the marriage license or in  
9 the marriage license itself, or the incompetency of the witnesses to such marriage;  
10 or because the marriage may have been solemnized more than 60 days after the  
11 date of the marriage license, if the marriage is in other respects lawful and is  
12 consummated with the full belief on the part of the persons so married, or either of  
13 them, that they have been lawfully joined in marriage. Where a marriage has been  
14 celebrated in one of the forms provided for in s. 765.16 (1m), and the parties thereto  
15 have immediately thereafter assumed the habit and repute of ~~husband and wife~~ a  
16 married couple, and having continued the same uninterruptedly thereafter for the  
17 period of one year, or until the death of either of them, it shall be deemed that a  
18 marriage license has been issued as required by ss. 765.05 to 765.24 and 767.803.

19 **SECTION 3030.** 765.24 of the statutes is amended to read:

20 **765.24 Removal of impediments to subsequent marriage.** If a person  
21 during the lifetime of a ~~husband or wife~~ spouse with whom the marriage is in force,  
22 enters into a subsequent marriage contract in accordance with s. 765.16, and the  
23 parties thereto live together thereafter as ~~husband and wife~~ a married couple, and

8 after the removal of such impediment and ~~the issue of~~ any children born during  
9 such subsequent marriage shall be considered as the marital ~~issue~~ children of both  
10 ~~parents~~ parties.

11 **SECTION 3031.** 765.30 (3) (a) of the statutes is amended to read:

12 765.30 (3) (a) *Penalty for unlawful solemnization of marriage.* Any officiating  
13 person who solemnizes a marriage unless the contracting parties have first  
14 obtained a proper marriage license as heretofore provided; or unless the parties to  
15 such marriage declare that ~~they take~~ each takes the other as ~~husband and wife~~ his  
16 or her spouse; or without the presence of competent adult witnesses as required
