9     461; and

10            Whereas, Irish monks and scholars at the monasteries and schools founded by  
11     Saint Patrick preserved much of the learning that was lost throughout the rest of  
12     Europe during the collapse of the Western Roman Empire; and

6       Whereas, on September 8, 1860, the steamer *Lady Elgin* sank off the bluffs  
7       near Winnetka, Illinois, taking the lives of 297 people, including many of the Irish-  
8       American political leaders from Milwaukee, Wisconsin, and marking the end of the  
9       Irish domination of Milwaukee politics; and

10       Whereas, Irish immigrants constituted a majority of the 17th Wisconsin

Whereas, though originally a solemn Catholic holy day, Saint Patrick's Day  
has evolved into a much more secular holiday celebrating Irish music, culture, and  
heritage; now, therefore, be it
