**SENATE BILL 190*****Analysis by the Legislative Reference Bureau*****RESPIRATORY CARE INTERSTATE COMPACT**

This bill ratifies and enters Wisconsin into the Respiratory Care Interstate Compact, which provides for the ability of a respiratory care practitioner to become eligible to practice in other compact states. Significant provisions of the compact include the following:

1. The creation of a Respiratory Care Interstate Compact Commission, which includes one administrator or staff member of the licensure authorities of each member state. The commission has various powers and duties granted in the compact, including establishing bylaws, promulgating binding rules for the compact, hiring officers, electing or appointing employees, and establishing and electing an executive committee. The commission may levy on and collect an annual assessment from each member state or impose fees on licensees of member states to cover the cost of the operations and activities of the commission and its staff.

2. A process whereby a respiratory care practitioner may obtain a compact privilege to practice in another member state. A licensee's primary state of residence is considered to be his or her home state, and any other member state in which the licensee wishes to practice is considered a remote state. A licensee providing respiratory therapy in a remote state under the compact privilege is required under the compact to function within the scope of practice authorized by the remote state.

A remote state may take actions against a respiratory care practitioner's compact privilege within that remote state, and if a respiratory care practitioner's home state license is encumbered, the respiratory care practitioner loses his or her compact privilege in all remote states until the home state license is no longer encumbered and two years have elapsed from the date on which the license is no longer encumbered.

3. The ability of member states to issue subpoenas that are enforceable in other states.

4. The creation of a coordinated database and reporting system containing licensure and disciplinary action information on respiratory care practitioners. The compact provides that member states are responsible for reporting any adverse action against a licensee and for monitoring the database to determine whether adverse action has been taken against a licensee. A member state must submit a uniform data set to the data system with certain information specified in the compact, as required by the rules of the commission.

5. Provisions regarding resolutions of disputes among member states and between member and nonmember states, including a process for termination of a state's membership in the compact if the state defaults on its obligations under the compact.

The compact becomes effective in this state upon enactment in seven states. The compact provides that it may be amended upon enactment of an amendment by

**SENATE BILL 190****SECTION 1**

all member states. A state may withdraw from the compact by repealing the statute authorizing the compact, but the compact provides that a withdrawal does not take effect until 180 days after the effective date of that repeal.

**STATUTES AND RULES EXAMINATION FOR RESPIRATORY CARE PRACTITIONERS**

The bill prohibits the Medical Examining Board from requiring an applicant to pass a statutes and rules examination as a condition of certification as a respiratory care practitioner. The bill allows the board to require an applicant to affirm that the applicant has read and understands the statutes and rules that apply to the applicant's practice as a respiratory care practitioner.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

6 present a medical certificate required under s. 69.18 (2) within 6 days after the

11 report filed with the board under s. 655.045 (1), as created by 1985 Wisconsin Act  
12 29, which is not a finding of negligence or in a report filed with the board under s.  
13 50.36 (3) (c) may, within the discretion of the board, be used as the basis of an  
14 investigation of a person named in the report. The board may require a person

1 board may require a person holding a license ~~or~~, certificate, or respiratory care  
2 compact privilege to undergo and may consider the results of one or more physical,  
3 mental or professional competency examinations if the board believes that the  
4 results of any such examinations may be useful to the board in conducting its  
5 hearing. A unanimous finding by a panel established under s. 655.02, 1983 stats.,  
6 or a finding by a court that a physician has acted negligently in treating a patient is  
7 conclusive evidence that the physician is guilty of negligence in treatment. A  
8 finding that is not a unanimous finding by a panel established under s. 655.02, 1983  
9 stats., that a physician has acted negligently in treating a patient is presumptive  
10 evidence that the physician is guilty of negligence in treatment. A certified copy of  
11 the findings of fact, conclusions of law and order of the panel or the order of a court  
12 is presumptive evidence that the finding of negligence in treatment was made. The  
13 board shall render a decision within 90 days after the date on which the hearing is  
14 held or, if subsequent proceedings are conducted under s. 227.46 (2), within 90 days  
15 after the date on which those proceedings are completed.

16 (c) Subject to par. (cm), after a disciplinary hearing, the board may, when it  
17 determines that a panel established under s. 655.02, 1983 stats., has unanimously  
18 found or a court has found that a person has been negligent in treating a patient or  
19 when it finds a person guilty of unprofessional conduct or negligence in treatment,  
20 do one or more of the following: warn or reprimand that person, or limit, suspend or  
21 revoke any license ~~or~~, certificate, or respiratory care compact privilege granted by  
22 the board to that person. The board may condition the removal of limitations on a  
23 license ~~or~~, certificate, or respiratory care compact privilege or the restoration of a  
24 suspended or revoked license ~~or~~, certificate, or respiratory care compact privilege

**SENATE BILL 190****SECTION 13**

1 upon obtaining minimum results specified by the board on one or more physical,  
2 mental or professional competency examinations if the board believes that  
3 obtaining the minimum results is related to correcting one or more of the bases  
4 upon which the limitation, suspension or revocation was imposed.

5 (e) A person whose license ~~or~~, certificate, or respiratory care compact privilege  
6 is limited under this subchapter shall be permitted to continue practice upon  
7 condition that the person will refrain from engaging in unprofessional conduct; that  
8 the person will appear before the board or its officers or agents at such times and  
9 places as may be designated by the board from time to time; that the person will  
10 fully disclose to the board or its officers or agents the nature of the person's practice  
11 and conduct; that the person will fully comply with the limits placed on his or her  
12 practice and conduct by the board; that the person will obtain additional training,  
13 education or supervision required by the board; and that the person will cooperate  
14 with the board.

15 (f) Unless a suspended license ~~or~~, certificate, or respiratory care compact  
16 privilege is revoked during the period of suspension, upon the expiration of the  
17 period of suspension the license ~~or~~, certificate, or respiratory care compact privilege  
18 shall again become operative and effective. However, the board may require the  
19 holder of any such suspended license ~~or~~, certificate, or respiratory care compact  
20 privilege to pass the examinations required for the original grant of the license ~~or~~,  
21 certificate, or respiratory care compact privilege before allowing such suspended  
22 license ~~or~~, certificate, or respiratory care compact privilege again to become  
23 operative and effective.

24 (h) Nothing in this subsection prohibits the board, in its discretion, from

**SENATE BILL 190****SECTION 13**

1 investigating and conducting disciplinary proceedings on allegations of  
2 unprofessional conduct by persons holding a license ~~or~~ certificate, or respiratory  
3 care compact privilege granted by the board when the allegations of unprofessional  
4 conduct may also constitute allegations of negligence in treatment.

5 **SECTION 14.** 448.02 (3) (a) of the statutes, as affected by 2023 Wisconsin Act  
6 172 and 2025 Wisconsin Act .... (this act), is repealed and recreated to read:

7 448.02 (3) (a) The board shall investigate allegations of unprofessional  
8 conduct and negligence in treatment by persons holding a license, certificate, or

10 physician has violated s. 253.10 (3), 448.30 or 450.13 (2) or has failed to present a  
11 medical certification required under s. 69.18 (2) within 21 days after the  
12 pronouncement of death of the person who is the subject of the required certificate  
13 or that a physician has failed at least 6 times within a 6-month period to present a  
14 medical certificate required under s. 69.18 (2) within 6 days after the  
15 pronouncement of death of the person who is the subject of the required certificate  
16 is an allegation of unprofessional conduct. Information contained in reports filed  
17 with the board under s. 49.45 (2) (a) 12r., 50.36 (3) (b), 609.17 or 632.715, or under  
18 42 CFR 1001.2005, shall be investigated by the board. Information contained in a  
19 report filed with the board under s. 655.045 (1), as created by 1985 Wisconsin Act  
20 29, which is not a finding of negligence or in a report filed with the board under s.  
21 50.36 (3) (c) may, within the discretion of the board, be used as the basis of an  
22 investigation of a person named in the report. The board may require a person  
23 holding a license, certificate, or respiratory care compact privilege to undergo and  
24 may consider the results of one or more physical, mental or professional competency

2 useful to the board in conducting its investigation.

3 **SECTION 15.** 448.02 (4) (a) and (b) of the statutes are amended to read:

4 448.02 (4) (a) The board may summarily suspend or limit any license ~~or,~~

8 violated the provisions of this subchapter and that it is necessary to suspend or  
9 limit the license ~~or,~~ certificate, or respiratory care compact privilege immediately to  
10 protect the public health, safety, or welfare. The holder of the license ~~or,~~ certificate,  
11 or respiratory care compact privilege shall be granted an opportunity to be heard

13 designated by the chair or, if the board chair is not available, the board vice-chair  
14 and 2 board members designated by the vice-chair, shall exercise the authority  
15 granted by this paragraph to summarily suspend or limit a license ~~or,~~ certificate, or  
16 respiratory care compact privilege in the manner provided under par. (b).

17 (b) An order of summary suspension or limitation shall be served upon the  
18 holder of the license ~~or,~~ certificate, or respiratory care compact privilege in the  
19 manner provided in s. 801.11 for service of summons. The order of summary  
20 suspension or limitation shall be effective upon service or upon actual notice of the  
21 summary suspension or limitation given to the holder of the license ~~or,~~ certificate,

2 of summary suspension or limitation remains in effect until the effective date of a  
3 final decision and order in the disciplinary proceeding against the holder or until

7 cause why the order of summary suspension or limitation should not be continued  
8 and the order of summary suspension or limitation shall notify the holder of the  
9 license ~~or~~, certificate, or respiratory care compact privilege of that right. If a  
10 hearing to show cause is requested by the holder of the license ~~or~~, certificate, or

2     subchapter, on such terms and conditions as it may deem appropriate.

3           **SECTION 18.** 448.02 (8) (a) of the statutes is amended to read:

6     confidential administrative warning to a holder of a license ~~or~~, certificate, or  
7     respiratory care compact privilege if the board determines that there is evidence of  
8     misconduct by him or her. The board may issue an administrative warning under  
9     this paragraph only if the board determines that no further action is warranted  
10    because the matter involves minor misconduct and the issuance of an  
11    administrative warning adequately protects the public by putting the holder of the  
12    license ~~or~~, certificate, or respiratory care compact privilege on notice that any  
13    subsequent misconduct may result in disciplinary action. The board shall review  
14    the determination if the holder of the license ~~or~~, certificate, or respiratory care

14 granting and renewing the compact privilege.

15           (4) COMPACT PRIVILEGE. (a) To exercise the compact privilege under the

1 procedures, actions, processes, and the circumstances under which they may be  
2 undertaken may be established through means, including, but not limited to,  
3 statute, regulations, case law, and other processes available to the state respiratory  
4 therapy licensing authority or other government agency.

5 (d) If a licensee's compact privilege in a remote state is removed by the remote  
6 state, the individual shall lose or be ineligible for the compact privilege in that  
7 remote state until the compact privilege is no longer limited or restricted by that

10 privilege in all remote states until the following occur:

11 1. The home state license is no longer encumbered; and

12 2. Two years have elapsed from the date on which the license is no longer  
13 encumbered due to the adverse action.

21 (b) An active military member and their spouse shall not be required to pay to  
22 the commission for a compact privilege any fee that may otherwise be charged by

2 spouse for a compact privilege.

3 (6) ADVERSE ACTIONS. (a) A member state in which a licensee is licensed  
4 shall have authority to impose adverse action against the license issued by that  
5 member state.

6 (b) A member state may take adverse action based on significant investigative  
7 information of a remote state or the home state, so long as the member state follows  
8 its own procedures for imposing adverse action.

9 (c) Nothing in this compact shall override a member state's decision that  
10 participation in an alternative program may be used in lieu of adverse action and  
11 that such participation shall remain nonpublic if required by the member state's  
12 laws.

13 (d) A remote state shall have the authority to:

15 privilege in that state;

16 2. Issue subpoenas for both hearings and investigations that require the  
17 attendance and testimony of witnesses, and the production of evidence.

18 a. Subpoenas may be issued by a respiratory therapy licensing authority in a  
19 member state for the attendance and testimony of witnesses and the production of  
20 evidence.

21 b. Subpoenas issued by a respiratory therapy licensing authority in a member  
22 state for the attendance and testimony of witnesses shall be enforced in the latter  
23 state by any court of competent jurisdiction in the latter state, according to the

**SENATE BILL 190****SECTION 42**

1 practice and procedure of that court applicable to subpoenas issued in proceedings  
2 pending before it.

3 c. Subpoenas issued by a respiratory therapy licensing authority in a member  
4 state for production of evidence from another member state shall be enforced in the  
5 latter state, according to the practice and procedure of that court applicable to  
6 subpoenas issued in the proceedings pending before it.

7 d. The issuing authority shall pay any witness fees, travel expenses, mileage,  
8 and other fees required by the service statutes of the state where the witnesses or  
9 evidence are located;

10 3. Unless otherwise prohibited by state law, recover from the licensee the costs

20 **(9) RULE MAKING.** (a) The commission shall promulgate reasonable rules in  
21 order to effectively and efficiently implement and administer the purposes and  
22 provisions of the compact. A rule shall be invalid and have no force or effect only if  
23 a court of competent jurisdiction holds that the rule is invalid because the  
24 commission exercised its rule-making authority in a manner that is beyond the

**SENATE BILL 190****SECTION 42**

1 scope and purposes of the compact, or the powers granted hereunder, or based upon  
2 another applicable standard of review.

3 (b) For purposes of the compact, the rules of the commission shall have the  
4 force of law in each member state.

5 (c) The commission shall exercise its rule-making powers pursuant to the  
6 criteria set forth in this subsection and the rules adopted thereunder. Rules shall  
7 become binding as of the date specified in each rule.

8 (d) If a majority of the legislatures of the member states rejects a rule or  
9 portion of a rule, by enactment of a statute or resolution in the same manner used  
10 to adopt the compact within 4 years of the date of adoption of the rule, then such  
11 rule shall have no further force and effect in any member state.

12 (e) Rules shall be adopted at a regular or special meeting of the commission.

13 (f) Prior to adoption of a proposed rule, the commission shall hold a public  
14 hearing and allow persons to provide oral and written comments, data, facts,  
15 opinions, and arguments.

16 (g) Prior to adoption of a proposed rule by the commission, and at least 30

19 making:

23 3. In such other way(s) as the commission may by rule specify.

24 (h) The notice of proposed rule making shall include:

**SENATE BILL 190****SECTION 42**

1           1. The time, date, and location of the public hearing at which the commission

3           location of the meeting where the commission will consider and vote on the  
4           proposed rule;

5           2. If the hearing is held via telecommunication, video conference, or other  
6           electronic means, the commission shall include the mechanism for access to the  
7           hearing in the notice of proposed rule making;

8           3. The text of the proposed rule and the reason therefor;

9           4. A request for comments on the proposed rule from any interested person;  
10          and

11          5. The manner in which interested persons may submit written comments.

12          (i) All hearings will be recorded. A copy of the recording and all written  
13          comments and documents received by the commission in response to the proposed  
14          rule shall be available to the public.

15          (j) Nothing in this subsection shall be construed as requiring a separate  
16          hearing on each rule. Rules may be grouped for the convenience of the commission  
17          at hearings required by this subsection.

18          (k) The commission shall, by majority vote of all commissioners, take final  
19          action on the proposed rule based on the rule-making record and the full text of the  
20          rule.

21          1. The commission may adopt changes to the proposed rule provided the  
22          changes are consistent with the original purpose of the proposed rule.

23          2. The commission shall provide an explanation of the reasons for substantive

**SENATE BILL 190****SECTION 42**

1 changes made to the proposed rule as well as reasons for substantive changes not  
2 made that were recommended by commenters.

4 Except for an emergency as provided in par. (L), the effective date of the rule shall  
5 be no sooner than 30 days after issuing the notice that it adopted or amended the  
6 rule.

7 (L) Upon determination that an emergency exists, the commission may  
8 consider and adopt an emergency rule with 24 hours' notice, and with opportunity  
9 to comment, provided that the usual rule-making procedures provided in the  
10 compact and in this subsection shall be retroactively applied to the rule as soon as  
11 reasonably possible, in no event later than 90 days after the effective date of the  
12 rule. For the purposes of this provision, an emergency rule is one that must be  
13 adopted immediately in order to:

- 14 1. Meet an imminent threat to public health, safety, or welfare;  
15 2. Prevent a loss of commission or member state funds;  
16 3. Meet a deadline for the promulgation of a rule that is established by federal  
17 law or rule; or  
18 4. Protect public health and safety.

19 (m) The commission or an authorized committee of the commission may direct  
20 revisions to a previously adopted rule for purposes of correcting typographical  
21 errors, errors in format, errors in consistency, or grammatical errors. Public notice  
22 of any revisions shall be posted on the website of the commission. The revision shall  
23 be subject to challenge by any person for a period of 30 days after posting. The  
24 revision may be challenged only on grounds that the revision results in a material

**SENATE BILL 190****SECTION 42**

1 change to a rule. A challenge shall be made in writing and delivered to the  
2 commission prior to the end of the notice period. If no challenge is made, the  
3 revision will take effect without further action. If the revision is challenged, the  
4 revision may not take effect without the approval of the commission.

5 (n) No member state's rule-making process or procedural requirements shall  
6 apply to the commission.

7 1. The commission shall have no authority over any member state's rule-  
8 making process or procedural requirements that do not pertain to the compact.

9 (o) Nothing in this compact, nor any rule or regulation of the commission,  
10 shall be construed to limit, restrict, or in any way reduce the ability of a member  
11 state to enact and enforce laws, regulations, or other rules related to the practice of  
12 respiratory therapy in that state, where those laws, regulations, or other rules are  
13 not inconsistent with the provisions of this compact.

14 **(10) OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.** (a) *Oversight.* 1.  
15 The executive and judicial branches of state government in each member state shall  
16 enforce this compact and take all actions necessary and appropriate to implement  
17 the compact.

18 2. Venue is proper and judicial proceedings by or against the commission shall  
19 be brought solely and exclusively in a court of competent jurisdiction where the  
20 principal office of the commission is located. The commission may waive venue and  
21 jurisdictional defenses to the extent it adopts or consents to participate in  
22 alternative dispute resolution proceedings. Nothing herein shall affect or limit the  
23 selection or propriety of venue in any action against a licensee for professional  
24 malpractice, misconduct or any such similar matter.

**SENATE BILL 190****SECTION 42**

1           3. The commission shall be entitled to receive service of process in any  
2 proceeding regarding the enforcement or interpretation of the compact and shall  
3 have standing to intervene in such a proceeding for all purposes. Failure to provide  
4 the commission service of process shall render a judgment or order void as to the  
5 commission, this compact, or promulgated rules.

6           (b) *Default, technical assistance, and termination.* 1. If the commission  
7 determines that a member state has defaulted in the performance of its obligations  
8 or responsibilities under this compact or the promulgated rules, the commission  
9 shall provide written notice to the defaulting state. The notice of default shall  
10 describe the default, the proposed means of curing the default, and any other action  
11 that the commission may take, and shall offer training and specific technical  
12 assistance regarding the default.

13           2. The commission shall provide a copy of the notice of default to the other  
14 member states.

15           (c) If a state in default fails to cure the default, the defaulting state may be  
16 terminated from the compact upon an affirmative vote of a majority of the  
17 commissioners of the member states, and all rights, privileges and benefits  
18 conferred on that state by this compact may be terminated on the effective date of  
19 termination. A cure of the default does not relieve the offending state of obligations  
20 or liabilities incurred during the period of default.

21           (d) Termination of membership in the compact shall be imposed only after all  
22 other means of securing compliance have been exhausted. Notice of intent to  
23 suspend or terminate shall be given by the commission to the governor, the majority  
24 and minority leaders of the defaulting state's legislature, the defaulting state's

**SENATE BILL 190****SECTION 42**

1 respiratory therapy licensing authority and each of the member states' respiratory  
2 therapy licensing authorities.

3 (e) A state that has been terminated is responsible for all assessments,  
4 obligations, and liabilities incurred through the effective date of termination,  
5 including obligations that extend beyond the effective date of termination, if  
6 necessary.

7 (f) Upon the termination of a state's membership from this compact, that  
8 state shall immediately provide notice to all licensees and compact privilege holders  
9 (of which the commission has a record) within that state of such termination. The  
10 terminated state shall continue to recognize all licenses granted pursuant to this  
11 compact for a minimum of 180 days after the date of said notice of termination.

12 (g) The commission shall not bear any costs related to a state that is found to  
13 be in default or that has been terminated from the compact, unless agreed upon in  
14 writing between the commission and the defaulting state.

15 (h) The defaulting state may appeal the action of the commission by  
16 petitioning the U.S. District Court for the District of Columbia or the federal  
17 district where the commission has its principal offices. The prevailing party shall  
18 be awarded all costs of such litigation, including reasonable attorney's fees.

19 (i) *Dispute resolution.* 1. Upon request by a member state, the commission  
20 shall attempt to resolve disputes related to the compact that arise among member  
21 states and between member and nonmember states.

22 2. The commission shall promulgate a rule providing for both mediation and  
23 binding dispute resolution for disputes, as appropriate.

24 (j) *Enforcement.* 1. By majority vote, as may be further provided by rule, the

**SENATE BILL 190****SECTION 42**

1 commission may initiate legal action against a member state in default in the  
2 United States District Court for the District of Columbia or the federal district  
3 where the commission has its principal offices to enforce compliance with the  
4 provisions of the compact and its promulgated rules. A member state by enactment  
5 of this compact consents to venue and jurisdiction in such court for the purposes set  
6 forth herein. The relief sought may include both injunctive relief and damages. In  
7 the event judicial enforcement is necessary, the prevailing party shall be awarded  
8 all costs of such litigation, including reasonable attorney's fees. The remedies  
9 herein shall not be the exclusive remedies of the commission. The commission may  
10 pursue any other remedies available under federal or the defaulting member state's  
11 law.

12 2. A member state may initiate legal action against the commission in the  
13 U.S. District Court for the District of Columbia or the federal district where the  
14 commission has its principal offices to enforce compliance with the provisions of the  
15 compact and its promulgated rules. The relief sought may include both injunctive  
16 relief and damages. In the event judicial enforcement is necessary, the prevailing  
17 party shall be awarded all costs of such litigation, including reasonable attorney's  
18 fees.

19 3. No person other than a member state shall enforce this compact against the  
20 commission.

21 **(11) EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.** (a) The compact shall  
22 come into effect on the date on which the compact statute is enacted into law in the  
23 7th member state ("effective date").

24 1. On or after the effective date of the compact, the commission shall convene

**SENATE BILL 190****SECTION 42**

1 and review the enactment of each of the first 7 member states (“charter member  
2 states”) to determine if the statute enacted by each such charter member state is  
3 materially different than the model compact.

4 a. A charter member state whose enactment is found to be materially  
5 different from the model compact shall be entitled to the default process set forth in  
6 sub. (10).

7 b. If any member state is later found to be in default, or is terminated or  
8 withdraws from the compact, the commission shall remain in existence and the  
9 compact shall remain in effect even if the number of member states should be less  
10 than 7.

11 2. Member states enacting the compact subsequent to the 7 initial charter  
12 member states shall be subject to the process set forth herein and commission rule  
13 to determine if their enactments are materially different from the model compact  
14 and whether they qualify for participation in the compact.

15 3. All actions taken for the benefit of the commission or in furtherance of the  
16 purposes of the administration of the compact prior to the effective date of the  
17 compact or the commission coming into existence shall be considered to be actions  
18 of the commission unless specifically repudiated by the commission. The  
19 commission shall own and have all rights to any intellectual property developed on  
20 behalf or in furtherance of the commission by individuals or entities involved in  
21 organizing or establishing the commission, as may be further set forth in rules of  
22 the commission.

23 4. Any state that joins the compact subsequent to the commission’s initial  
24 adoption of the rules and bylaws shall be subject to the rules and bylaws as they

**SENATE BILL 190****SECTION 42**

1 exist on the date on which the compact becomes law in that state. Any rule that has  
2 been previously adopted by the commission shall have the full force and effect of law  
3 on the date the compact becomes law in that state.

4 (b) Any member state may withdraw from this compact by enacting a statute  
5 repealing the same.

6 1. A member state's withdrawal shall not take effect until 180 days after  
7 enactment of the repealing statute.

8 2. Withdrawal shall not affect the continuing requirement of the withdrawing  
9 state's respiratory therapy licensing authority to comply with the investigative and  
10 adverse action reporting requirements of this compact prior to the effective date of  
11 withdrawal.

12 3. Upon the enactment of a statute withdrawing from this compact, a state  
13 shall immediately provide notice of such withdrawal to all licensees and compact  
14 privilege holders (of which the commission has a record) within that state.  
15 Notwithstanding any subsequent statutory enactment to the contrary, such  
16 withdrawing state shall continue to recognize all licenses granted pursuant to this  
17 compact for a minimum of 180 days after the date of such notice of withdrawal.

18 (c) Nothing contained in this compact shall be construed to invalidate or  
19 prevent any licensure agreement or other cooperative arrangement between a  
20 member state and a nonmember state that does not conflict with the provisions of  
21 this compact.

22 (d) This compact may be amended by the member states. No amendment to  
23 this compact shall become effective and binding upon any member state until it is  
24 enacted into the laws of all member states.

**SENATE BILL 190****SECTION 42**

1           **(12) CONSTRUCTION AND SEVERABILITY.** (a) This compact and the  
2 commission's rule-making authority shall be liberally construed so as to effectuate  
3 the purposes and the implementation and administration of the compact.  
4 Provisions of the compact expressly authorizing or requiring the promulgation of  
5 rules shall not be construed to limit the commission's rule-making authority solely  
6 for those purposes.

7           (b) The provisions of this compact shall be severable, and if any phrase,  
8 clause, sentence or provision of this compact is held by a court of competent  
9 jurisdiction to be contrary to the constitution of any member state, a state seeking  
10 participation in the compact, or of the United States, or the applicability thereof to  
11 any government, agency, person or circumstance is held to be unconstitutional by a  
12 court of competent jurisdiction, the validity of the remainder of this compact and  
13 the applicability thereof to any other government, agency, person or circumstance  
14 shall not be affected thereby.

15           (c) Notwithstanding par. (b), the commission may deny a state's participation  
16 in the compact or, in accordance with the requirements of sub. (10), terminate a  
17 member state's participation in the compact, if it determines that a constitutional  
18 requirement of a member state is a material departure from the compact.  
19 Otherwise, if this compact shall be held to be contrary to the constitution of any  
20 member state, the compact shall remain in full force and effect as to the remaining  
21 member states and in full force and effect as to the member state affected as to all  
22 severable matters.

23           **(13) CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.** (a) Nothing

**SENATE BILL 190****SECTION 42**

1 herein shall prevent or inhibit the enforcement of any other law of a member state  
2 that is not inconsistent with the compact.

3 (b) Any laws, statutes, regulations, or other legal requirements in a member  
4 state in conflict with the compact are superseded to the extent of the conflict,  
5 including any subsequently enacted state laws.

6 (c) All permissible agreements between the commission and the member  
7 states are binding in accordance with their terms.

8 (d) Other than as expressly set forth herein, nothing in this compact will  
9 impact initial licensure.
