10 Compact.

Analysis by the Legislative Reference Bureau

This bill ratifies and enters Wisconsin into the Dietitian Licensure Compact, which provides for the ability of a dietitian to become eligible to practice in other compact states. Significant provisions of the compact include the following:

SENATE BILL 71

1. The creation of a Dietitian Licensure Compact Commission, which includes the primary administrators of the licensure authorities of each member state. The commission has various powers and duties granted in the compact, including establishing bylaws, promulgating rules for the compact, appointing officers and hiring employees, and establishing and electing an executive committee. The commission may levy on and collect an annual assessment from each member state or impose fees on licensees to whom it grants a compact privilege to cover the cost of the operations and activities of the commission and its staff.

2. The ability for a dietitian to obtain a “compact privilege,” which allows a dietitian to practice dietetics in another compact state (remote state) if the dietitian satisfies certain criteria. The compact specifies a number of requirements in order for a dietitian to exercise a compact privilege, including holding an unencumbered dietitian license in a home state and paying any fees and meeting any jurisprudence requirements that may be imposed by a remote state. A dietitian practicing in a remote state under a compact privilege must adhere to the laws and regulations of that state. A remote state may, in accordance with that state’s laws, take adverse action against a licensee’s compact privilege within that state. If a dietitian’s license is encumbered, the dietitian loses the compact privilege in all remote states until certain criteria are satisfied. If a dietitian’s compact privilege in any remote state is removed, the dietitian may lose the compact privilege in all other remote states until certain criteria are satisfied.

3. The ability of member states to issue subpoenas that are enforceable in other states.

4. The creation of a coordinated data system containing licensure and disciplinary action information on dietitians. The compact requires member states to report adverse actions against licensees and to monitor the data system to determine whether adverse actions have been taken against licensees. A member state must submit a uniform data set to the data system on all individuals to whom the compact is applicable as required by the rules of the commission.

5. Provisions regarding resolutions of disputes between member states and between member and nonmember states, including a process for termination of a state’s membership in the compact if the state defaults on its obligations under the compact.

The compact becomes effective in this state upon its enactment in seven states. The compact provides that it may be amended upon enactment of an amendment by all member states. A state may withdraw from the compact by repealing the statute authorizing the compact, but the compact provides that a withdrawal does not take effect until 180 days after the effective date of that repeal.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

- 7 1. License and regulate the practice of dietetics; and
8 2. Have a mechanism in place for receiving and investigating complaints
9 about licensees.

10 (b) A member state shall:

16 (d) Individuals not residing in a member state shall continue to be able to
17 apply for a member state's single state license as provided under the laws of each
18 member state. However, the single state license granted to these individuals shall
19 not be recognized as granting a compact privilege to engage in the practice of
20 dietetics in any other member state.

21 (e) Nothing in this compact shall affect the requirements established by a
22 member state for the issuance of a single state license.

23 (f) At no point shall the compact commission have the power to define the

SENATE BILL 71**SECTION 30**

1 requirements for the issuance of a single state license to practice dietetics. The
2 member states shall retain sole jurisdiction over the provision of these
3 requirements.

4 (4) COMPACT PRIVILEGE. (a) To exercise the compact privilege under the
5 terms and provisions of the compact, the licensee shall:

6 1. Satisfy one of the following:

10 i. An education program which is either:

11 a) A master's degree or doctoral degree that is programmatically accredited

21 ii. A planned, documented, supervised practice experience in dietetics that is
22 programmatically accredited by (i) ACEND, or (ii) a dietetics accrediting agency

7 and accompanied by a period of continuous licensure thereafter, all of which may be
8 further governed by the rules of the compact commission.

9 2. Hold an unencumbered license in the home state;

10 3. Notify the compact commission that the licensee is seeking a compact
11 privilege within a remote state;

12 4. Pay any applicable fees, including any state fee, for the compact privilege;

13 5. Meet any jurisprudence requirements established by the remote state in
14 which the licensee is seeking a compact privilege; and

16 restriction on a license taken by any nonmember state within 30 days from the date
17 the action is taken.

18 (b) The compact privilege is valid until the expiration date of the home state
19 license. To maintain a compact privilege, renewal of the compact privilege shall be
20 congruent with the renewal of the home state license as the compact commission
21 may define by rule. The licensee must comply with the requirements of par. (a) to
22 maintain the compact privilege in the remote state.

23 (c) A licensee exercising a compact privilege shall adhere to the laws and

SENATE BILL 71**SECTION 30**

1 regulations of the remote state. Licensees shall be responsible for educating
2 themselves on, and complying with, any and all state laws relating to the practice of
3 dietetics in such remote state.

4 (d) Notwithstanding anything to the contrary provided in this compact or
5 state law, a licensee exercising a compact privilege shall not be required to complete
6 continuing education requirements required by a remote state. A licensee
7 exercising a compact privilege is only required to meet any continuing education
8 requirements as required by the home state.

9 **(5) OBTAINING A NEW HOME STATE LICENSE BASED ON A COMPACT PRIVILEGE.**

10 (a) A licensee may hold a home state license, which allows for a compact privilege in
11 other member states, in only one member state at a time.

12 (b) If a licensee changes home state by moving between two member states:

13 1. The licensee shall file an application for obtaining a new home state license
14 based on a compact privilege, pay all applicable fees, and notify the current and new
15 home state in accordance with the rules of the compact commission.

16 2. Upon receipt of an application for obtaining a new home state license by
17 virtue of a compact privilege, the new home state shall verify that the licensee
18 meets the criteria in sub. (4) via the data system, and require that the licensee
19 complete the following:

20 a. Federal bureau of investigation fingerprint based criminal history record
21 information check;

22 b. Any other criminal history record information required by the new home
23 state; and

SENATE BILL 71**SECTION 30**

1 c. Any jurisprudence requirements of the new home state.

2 3. The former home state shall convert the former home state license into a
3 compact privilege once the new home state has activated the new home state license
4 in accordance with applicable rules adopted by the compact commission.

5 4. Notwithstanding any other provision of this compact, if the licensee cannot
6 meet the criteria in sub. (4), the new home state may apply its requirements for
7 issuing a new single state license.

8 5. The licensee shall pay all applicable fees to the new home state in order to
9 be issued a new home state license.

10 (c) If a licensee changes their state of residence by moving from a member
11 state to a nonmember state, or from a nonmember state to a member state, the state
12 criteria shall apply for issuance of a single state license in the new state.

13 (d) Nothing in this compact shall interfere with a licensee's ability to hold a
14 single state license in multiple states; however, for the purposes of this compact, a
15 licensee shall have only one home state license.

16 (e) Nothing in this compact shall affect the requirements established by a
17 member state for the issuance of a single state license.

18 **(6) ACTIVE MILITARY MEMBERS OR THEIR SPOUSES.** An active military member,
19 or their spouse, shall designate a home state where the individual has a current
20 license in good standing. The individual may retain the home state designation
21 during the period the service member is on active duty.

22 **(7) ADVERSE ACTIONS.** (a) In addition to the other powers conferred by state

SENATE BILL 71**SECTION 30**

1 law, a remote state shall have the authority, in accordance with existing state due
2 process law, to:

3 1. Take adverse action against a licensee's compact privilege within that
4 member state; and

5 2. Issue subpoenas for both hearings and investigations that require the
6 attendance and testimony of witnesses as well as the production of evidence.
7 Subpoenas issued by a licensing authority in a member state for the attendance and
8 testimony of witnesses or the production of evidence from another member state
9 shall be enforced in the latter state by any court of competent jurisdiction, according
10 to the practice and procedure applicable to subpoenas issued in proceedings
11 pending before that court. The issuing authority shall pay any witness fees, travel
12 expenses, mileage, and other fees required by the service statutes of the state in
13 which the witnesses or evidence are located.

14 (b) Only the home state shall have the power to take adverse action against a
15 licensee's home state license.

16 (c) For purposes of taking adverse action, the home state shall give the same
17 priority and effect to reported conduct received from a member state as it would if
18 the conduct had occurred within the home state. In so doing, the home state shall
19 apply its own state laws to determine appropriate action.

20 (d) The home state shall complete any pending investigations of a licensee
21 who changes home states during the course of the investigations. The home state
22 shall also have authority to take appropriate action and shall promptly report the
23 conclusions of the investigations to the administrator of the data system. The

SENATE BILL 71**SECTION 30**

1 administrator of the data system shall promptly notify the new home state of any
2 adverse actions.

3 (e) A member state, if otherwise permitted by state law, may recover from the
4 affected licensee the costs of investigations and dispositions of cases resulting from
5 any adverse action taken against that licensee.

6 (f) A member state may take adverse action based on the factual findings of
7 another remote state, provided that the member state follows its own procedures for
8 taking the adverse action.

9 (g) *Joint investigations.* 1. In addition to the authority granted to a member
10 state by its respective state law, any member state may participate with other
11 member states in joint investigations of licensees.

12 2. Member states shall share any investigative, litigation, or compliance
13 materials in furtherance of any joint investigation initiated under the compact.

14 (h) If adverse action is taken by the home state against a licensee's home state
15 license resulting in an encumbrance on the home state license, the licensee's
16 compact privilege in all other member states shall be revoked until all
17 encumbrances have been removed from the home state license. All home state
18 disciplinary orders that impose adverse action against a licensee shall include a
19 statement that the licensee's compact privileges are revoked in all member states
20 during the pendency of the order.

21 (i) Once an encumbered license in the home state is restored to an
22 unencumbered license (as certified by the home state's licensing authority), the

SENATE BILL 71**SECTION 30**

1 licensee must meet the requirements of sub. (4) (a) and follow the administrative
2 requirements to reapply to obtain a compact privilege in any remote state.

3 (j) If a member state takes adverse action, it shall promptly notify the
4 administrator of the data system. The administrator of the data system shall
5 promptly notify the other member states of any adverse actions.

6 (k) Nothing in this compact shall override a member state's decision that
7 participation in an alternative program may be used in lieu of adverse action.

8 **(8) ESTABLISHMENT OF THE DIETITIAN LICENSURE COMPACT COMMISSION.** (a)
9 The compact member states hereby create and establish a joint government agency
10 whose membership consists of all member states that have enacted the compact
11 known as the dietitian licensure compact commission. The compact commission is
12 an instrumentality of the compact states acting jointly and not an instrumentality
13 of any one state. The compact commission shall come into existence on or after the
14 effective date of the compact as set forth in sub. (12).

15 (b) *Membership, voting, and meetings.* 1. Each member state shall have and

5 7. Delegates shall meet and vote by such means as set forth in the bylaws. The
6 bylaws may provide for delegates to meet and vote in person or by

21 be sued under applicable law shall not be affected;

22 7. Maintain and certify records and information provided to a member state

SENATE BILL 71**SECTION 30**

1 as the authenticated business records of the compact commission, and designate an
2 agent to do so on the compact commission's behalf;

4 9. Borrow, accept, or contract for services of personnel, including, but not
5 limited to, employees of a member state;

6 10. Conduct an annual financial review;

8 grant such individuals appropriate authority to carry out the purposes of the
9 compact, and establish the compact commission's personnel policies and programs
10 relating to conflicts of interest, qualifications of personnel, and other related
11 personnel matters;

12 12. Assess and collect fees;

13 13. Accept any and all appropriate donations, grants of money, other sources

12 achieve the purposes of this compact.

11 or willful or wanton misconduct.

12 3. The compact commission shall indemnify and hold harmless any member,
13 officer, executive director, employee, and representative of the compact commission

5 6. Nothing in this compact shall be construed to be a waiver of sovereign

7 **(9) DATA SYSTEM.** (a) The compact commission shall provide for the
8 development, maintenance, operation, and utilization of a coordinated data system.

9 (b) The compact commission shall assign each applicant for a compact

19 4. Nonconfidential information related to alternative program participation,
20 the beginning and ending dates of such participation, and other information related
21 to such participation not made confidential under member state law;

22 5. Any denial of application for licensure, and the reason for such denial;

23 6. The presence of current significant investigative information; and

SENATE BILL 71**SECTION 30**

1 7. Other information that may facilitate the administration of this compact or
2 the protection of the public, as determined by the rules of the compact commission.

3 (d) The records and information provided to a member state pursuant to this
4 compact or through the data system, when certified by the compact commission or
5 an agent thereof, shall constitute the authenticated business records of the compact
6 commission, and shall be entitled to any associated hearsay exception in any
7 relevant judicial, quasi-judicial, or administrative proceedings in a member state.

8 (e) Current significant investigative information pertaining to a licensee in
9 any member state will only be available to other member states.

10 (f) It is the responsibility of the member states to report any adverse action
11 against a licensee and to monitor the data system to determine whether any
12 adverse action has been taken against a licensee. Adverse action information
13 pertaining to a licensee in any member state will be available to any other member
14 state.

15 (g) Member states contributing information to the data system may designate
16 information that may not be shared with the public without the express permission
17 of the contributing state.

18 (h) Any information submitted to the data system that is subsequently
19 expunged pursuant to federal law or the laws of the member state contributing the
20 information shall be removed from the data system.

21 **(10) RULE MAKING.** (a) The compact commission shall promulgate reasonable
22 rules in order to effectively and efficiently implement and administer the purposes
23 and provisions of the compact. A rule shall be invalid and have no force or effect

SENATE BILL 71**SECTION 30**

1 only if a court of competent jurisdiction holds that the rule is invalid because the
2 compact commission exercised its rule-making authority in a manner that is
3 beyond the scope and purposes of the compact, or the powers granted hereunder, or
4 based upon another applicable standard of review.

5 (b) The rules of the compact commission shall have the force of law in each
6 member state, provided however that where the rules conflict with the laws or
7 regulations of a member state that relate to the procedures, actions, and processes
8 a licensed dietitian is permitted to undertake in that state and the circumstances
9 under which they may do so, as held by a court of competent jurisdiction, the rules
10 of the compact commission shall be ineffective in that state to the extent of the
11 conflict.

12 (c) The compact commission shall exercise its rule-making powers pursuant to
13 the criteria set forth in this subsection and the rules adopted thereunder. Rules
14 shall become binding on the day following adoption or as of the date specified in the
15 rule or amendment, whichever is later.

16 (d) If a majority of the legislatures of the member states rejects a rule or
17 portion of a rule, by enactment of a statute or resolution in the same manner used
18 to adopt the compact within 4 years of the date of adoption of the rule, then such
19 rule shall have no further force and effect in any member state.

20 (e) Rules shall be adopted at a regular or special meeting of the compact
21 commission.

22 (f) Prior to adoption of a proposed rule, the compact commission shall hold a

SENATE BILL 71**SECTION 30**

1 public hearing and allow persons to provide oral and written comments, data, facts,
2 opinions, and arguments.

3 (g) Prior to adoption of a proposed rule by the compact commission, and at
4 least 30 days in advance of the meeting at which the compact commission will hold
5 a public hearing on the proposed rule, the compact commission shall provide a
6 notice of proposed rule making:

7 1. On the website of the compact commission or other publicly accessible
8 platform;

9 2. To persons who have requested notice of the compact commission's notices
10 of proposed rule making; and

11 3. In such other way as the compact commission may by rule specify.

12 (h) The notice of proposed rule making shall include:

13 1. The time, date, and location of the public hearing at which the compact
14 commission will hear public comments on the proposed rule and, if different, the
15 time, date, and location of the meeting where the compact commission will consider
16 and vote on the proposed rule;

17 2. If the hearing is held via telecommunication, video conference, or other
18 means of communication, the compact commission shall include the mechanism for
19 access to the hearing in the notice of proposed rule making;

20 3. The text of the proposed rule and the reason therefore;

21 4. A request for comments on the proposed rule from any interested person;
22 and

23 5. The manner in which interested persons may submit written comments.

SENATE BILL 71**SECTION 30**

1 (i) All hearings will be recorded. A copy of the recording and all written
2 comments and documents received by the compact commission in response to the
3 proposed rule shall be available to the public.

4 (j) Nothing in this subsection shall be construed as requiring a separate
5 hearing on each rule. Rules may be grouped for the convenience of the compact
6 commission at hearings required by this subsection.

7 (k) The compact commission shall, by majority vote of all members, take final
8 action on the proposed rule based on the rule-making record and the full text of the
9 rule.

10 1. The compact commission may adopt changes to the proposed rule provided
11 the changes do not enlarge the original purpose of the proposed rule.

12 2. The compact commission shall provide an explanation of the reasons for
13 substantive changes made to the proposed rule as well as reasons for substantive
14 changes not made that were recommended by commenters.

15 3. The compact commission shall determine a reasonable effective date for the
16 rule. Except for an emergency as provided in par. (L), the effective date of the rule
17 shall be no sooner than 30 days after issuing the notice that it adopted or amended
18 the rule.

19 (L) Upon determination that an emergency exists, the compact commission
20 may consider and adopt an emergency rule with 24 hours' notice, with opportunity
21 to comment, provided that the usual rule-making procedures provided in the
22 compact and in this subsection shall be retroactively applied to the rule as soon as
23 reasonably possible, in no event later than 90 days after the effective date of the

SENATE BILL 71**SECTION 30**

1 rule. For the purposes of this provision, an emergency rule is one that must be
2 adopted immediately in order to:

- 3 1. Meet an imminent threat to public health, safety, or welfare;
- 4 2. Prevent a loss of compact commission or member state funds;
- 5 3. Meet a deadline for the promulgation of a rule that is established by federal
6 law or rule; or
- 7 4. Protect public health and safety.

8 (m) The compact commission or an authorized committee of the compact
9 commission may direct revision to a previously adopted rule for purposes of
10 correcting typographical errors, errors in format, errors in consistency, or
11 grammatical errors. Public notice of any revision shall be posted on the website of
12 the compact commission. The revision shall be subject to challenge by any person
13 for a period of 30 days after posting. The revision may be challenged only on
14 grounds that the revision results in a material change to a rule. A challenge shall
15 be made in writing and delivered to the compact commission prior to the end of the
16 notice period. If no challenge is made, the revision will take effect without further
17 action. If the revision is challenged, the revision may not take effect without the
18 approval of the compact commission.

19 (n) No member state's rule-making requirements shall apply under this
20 compact.

21 **(11) OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.** (a) *Oversight.* 1.
22 The executive and judicial branches of state government in each member state shall

SENATE BILL 71**SECTION 30**

1 enforce this compact and take all actions necessary and appropriate to implement
2 this compact.

3 2. Except as otherwise provided in this compact, venue is proper and judicial
4 proceedings by or against the compact commission shall be brought solely and
5 exclusively in a court of competent jurisdiction where the principal office of the
6 compact commission is located. The compact commission may waive venue and
7 jurisdictional defenses to the extent it adopts or consents to participate in
8 alternative dispute resolution proceedings. Nothing herein shall affect or limit the
9 selection or propriety of venue in any action against a licensee for professional
10 malpractice, misconduct, or any such similar matter.

11 3. The compact commission shall be entitled to receive service of process in
12 any proceeding regarding the enforcement or interpretation of the compact and
13 shall have standing to intervene in such a proceeding for all purposes. Failure to
14 provide the compact commission service of process shall render a judgment or order
15 void as to the compact commission, this compact, or promulgated rules.

16 (b) *Default, technical assistance, and termination.* 1. If the compact
17 commission determines that a member state has defaulted in the performance of its
18 obligations or responsibilities under this compact or the promulgated rules, the
19 compact commission shall provide written notice to the defaulting state. The notice
20 of default shall describe the default, the proposed means of curing the default, and
21 any other action that the compact commission may take and shall offer training and
22 specific technical assistance regarding the default.

SENATE BILL 71**SECTION 30**

1 2. The compact commission shall provide a copy of the notice of default to the
2 other member states.

3 (c) If a state in default fails to cure the default, the defaulting state may be
4 terminated from the compact upon an affirmative vote of a majority of the delegates
5 of the member states, and all rights, privileges, and benefits conferred on that state
6 by this compact may be terminated on the effective date of termination. A cure of
7 the default does not relieve the offending state of obligations or liabilities incurred
8 during the period of default.

9 (d) Termination of membership in the compact shall be imposed only after all
10 other means of securing compliance have been exhausted. Notice of intent to
11 suspend or terminate shall be given by the compact commission to the governor, the
12 majority and minority leaders of the defaulting state's legislature, the defaulting
13 state's licensing authority, and each of the member states' licensing authority.

14 (e) A state that has been terminated is responsible for all assessments,
15 obligations, and liabilities incurred through the effective date of termination,
16 including obligations that extend beyond the effective date of termination.

17 (f) Upon the termination of a state's membership from this compact, that
18 state shall immediately provide notice to all licensees within that state of such
19 termination. The terminated state shall continue to recognize all compact
20 privileges granted pursuant to this compact for a minimum of 6 months after the
21 date of said notice of termination.

22 (g) The compact commission shall not bear any costs related to a state that is

SENATE BILL 71**SECTION 30**

1 found to be in default or that has been terminated from the compact, unless agreed
2 upon in writing between the compact commission and the defaulting state.

3 (h) The defaulting state may appeal the action of the compact commission by
4 petitioning the U.S. District Court for the District of Columbia or the federal
5 district where the compact commission has its principal offices. The prevailing
6 party shall be awarded all costs of such litigation, including reasonable attorney's
7 fees.

8 (i) *Dispute resolution.* 1. Upon request by a member state, the compact
9 commission shall attempt to resolve disputes related to the compact that arise
10 among member states and between member and nonmember states.

11 2. The compact commission shall promulgate a rule providing for both
12 mediation and binding dispute resolution for disputes as appropriate.

13 (j) *Enforcement.* 1. By supermajority vote, the compact commission may
14 initiate legal action against a member state in default in the U.S. District Court for
15 the District of Columbia or the federal district where the compact commission has
16 its principal offices to enforce compliance with the provisions of the compact and its
17 promulgated rules. The relief sought may include both injunctive relief and
18 damages. In the event judicial enforcement is necessary, the prevailing party shall
19 be awarded all costs of such litigation, including reasonable attorney's fees. The
20 remedies herein shall not be the exclusive remedies of the compact commission.
21 The compact commission may pursue any other remedies available under federal or
22 the defaulting member state's law.

23 2. A member state may initiate legal action against the compact commission

SENATE BILL 71**SECTION 30**

1 in the U.S. District Court for the District of Columbia or the federal district where
2 the compact commission has its principal offices to enforce compliance with the
3 provisions of the compact and its promulgated rules. The relief sought may include
4 both injunctive relief and damages. In the event judicial enforcement is necessary,
5 the prevailing party shall be awarded all costs of such litigation, including
6 reasonable attorney's fees.

7 3. No party other than a member state shall enforce this compact against the
8 compact commission.

9 **(12) EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.** (a) The compact shall
10 come into effect on the date on which the compact statute is enacted into law in the
11 7th member state.

12 1. On or after the effective date of the compact, the compact commission shall
13 convene and review the enactment of each of the first 7 member states ("charter
14 member states") to determine if the statute enacted by each such charter member
15 state is materially different than the model compact statute.

16 a. A charter member state whose enactment is found to be materially
17 different from the model compact statute shall be entitled to the default process set
18 forth in sub. (11).

19 b. If any member state is later found to be in default, or is terminated, or
20 withdraws from the compact, the compact commission shall remain in existence
21 and the compact shall remain in effect even if the number of member states should
22 be less than 7.

23 2. Member states enacting the compact subsequent to the 7 initial charter

SENATE BILL 71**SECTION 30**

1 member states shall be subject to the process set forth in sub. (8) (c) 21. to
2 determine if their enactments are materially different from the model compact
3 statute and whether they qualify for participation in the compact.

4 3. All actions taken for the benefit of the compact commission or in
5 furtherance of the purposes of the administration of the compact prior to the
6 effective date of the compact or the compact commission coming into existence shall
7 be considered to be actions of the compact commission unless specifically
8 repudiated by the compact commission.

9 4. Any state that joins the compact subsequent to the compact commission's
10 initial adoption of the rules and bylaws shall be subject to the rules and bylaws as
11 they exist on the date on which the compact becomes law in that state. Any rule
12 that has been previously adopted by the compact commission shall have the full
13 force and effect of law on the day the compact becomes law in that state.

14 (b) Any member state may withdraw from this compact by enacting a statute
15 repealing the same.

16 1. A member state's withdrawal shall not take effect until 180 days after
17 enactment of the repealing statute.

18 2. Withdrawal shall not affect the continuing requirement of the withdrawing
19 state's licensing authority to comply with the investigative and adverse action
20 reporting requirements of this compact prior to the effective date of withdrawal.

21 3. Upon the enactment of a statute withdrawing from this compact, a state
22 shall immediately provide notice of such withdrawal to all licensees within that
23 state. Notwithstanding any subsequent statutory enactment to the contrary, such

SENATE BILL 71**SECTION 30**

1 withdrawing state shall continue to recognize all compact privileges granted
2 pursuant to this compact for a minimum of 180 days after the date of such notice of
3 withdrawal.

4 (c) Nothing contained in this compact shall be construed to invalidate or
5 prevent any licensure agreement or other cooperative arrangement between a
6 member state and a nonmember state that does not conflict with the provisions of
7 this compact.

8 (d) This compact may be amended by the member states. No amendment to
9 this compact shall become effective and binding upon any member state until it is
10 enacted into the laws of all member states.

11 **(13) CONSTRUCTION AND SEVERABILITY.** (a) This compact and the compact
12 commission's rule-making authority shall be liberally construed so as to effectuate
13 the purposes and the implementation and administration of the compact.
14 Provisions of the compact expressly authorizing or requiring the promulgation of
15 rules shall not be construed to limit the compact commission's rule-making
16 authority solely for those purposes.

17 (b) The provisions of this compact shall be severable and if any phrase, clause,
18 sentence, or provision of this compact is held by a court of competent jurisdiction to
19 be contrary to the constitution of any member state, a state seeking participation in
20 the compact, or of the United States, or the applicability thereof to any government,
21 agency, person, or circumstance is held to be unconstitutional by a court of
22 competent jurisdiction, the validity of the remainder of this compact and the

SENATE BILL 71**SECTION 30**

1 applicability thereof to any other government, agency, person, or circumstance shall
2 not be affected thereby.

3 (c) Notwithstanding par. (b), the compact commission may deny a state's
4 participation in the compact or, in accordance with the requirements of sub. (11) (b),
5 terminate a member state's participation in the compact, if it determines that a
6 constitutional requirement of a member state is a material departure from the
7 compact. Otherwise, if this compact shall be held to be contrary to the constitution
8 of any member state, the compact shall remain in full force and effect as to the
9 remaining member states and in full force and effect as to the member state
10 affected as to all severable matters.

11 **(14) CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.** (a) Nothing
12 herein shall prevent or inhibit the enforcement of any other law of a member state
13 that is not inconsistent with the compact.

14 (b) Any laws, statutes, regulations, or other legal requirements in a member
15 state in conflict with the compact are superseded to the extent of the conflict.

16 (c) All permissible agreements between the compact commission and the
17 member states are binding in accordance with their terms.

18 **448.9888 Implementation of the dietitian licensure compact.** (1) In
19 this section:

20 (a) "Compact" means the dietitian licensure compact under s. 448.9887.

21 (b) "Compact privilege" means a compact privilege, as defined in s. 448.9887
