History: 1951 c. 319 s. 231.

45.05 County and municipal memorials. (1) Any city council, village, town or county board may by gift, purchase, contract or condemnation acquire property, real or personal, for the purpose of providing, furnishing, constructing, erecting, repairing, maintaining, or conducting a suitable memorial to the memory of former residents thereof who lost their lives in the military or naval service of the state or of the United States, or to commemorate and honor the deeds of persons, residents thereof, or of the state or United States, who served the nation in any war, or other persons who rendered great state or national service, or to the memory of any president of the United States, or for a combination of any of such purposes, which are hereby declared to be public purposes.

(2) Such memorial shall be of such character as shall be determined by the governing body of such city, village, town or county, and without limitation because of enumeration, may comprise a public building, hospital, sanitarium, home for the aged or indigent, park, recreation facility, community forest or other suitable object having a public purpose.

(3) Any city council, town, village or county board may appropriate money and may levy a tax in order to acquire, pay for, construct, erect, furnish, equip, operate, repair, maintain or reconstruct a suitable memorial for the purpose or purposes provided in this section.

(4) Any city council or village, town or county board may authorize the use of any public property respectively of such city, village, town or county as a site for a memorial, and any county may authorize its public property to be so used by any city, village or town therein.

(5) Any city council, village, town or county board may by ordinance or contract provide for the management, control or operation of any memorial, and it may enter into a written lease, for a term not exceeding 25 years, with any duly chartered and incorporated veterans' organization established in said town, city or village, such lease to include provisions for the amount of rental and such conditions of public use as it may determine.

(6) Any county, city, village or town that has previously taken action toward the establishment of a monument or memorial under the statutes of 1943 or prior statutes may continue under such previously existing statutes or may proceed under this section.

Under an agreement which Milwaukee county, under authority of 45.055, entered into with a corporation organized for the purposes specified in 45.05 of constructing, maintaining and conducting a war-memorial project, the county was to acquire privately owned real estate and was to obtain the vacation of certain city streets, and the corporation was to erect on the site a veterans' building, an art gallery and audience halls at a total cost of \$5,000,000, to be raised by it, but the project was subject to abandonment in various contingencies; the development of the site for public use was so uncertain that the county's proposed condemnation, on the basis of such agreement, was not justified. *Schumm v. Milwaukee County*, 258 W 256, 45 NW (2d) 673.

45.055 Joint memorials. Any city council or village, town or county board may contract with or make an appropriation, or both, to any other unit of government or to any nonprofit corporation without capital stock organized expressly for any of the purposes of section 45.05 or to any duly chartered and incorporated veterans' organization established in any such city, village, town or county, and for the purpose of raising funds for such memorial purposes or contributions, may levy taxes upon the taxable property of such unit of government not exceeding 5 mills on the dollar in all which said taxes may be spread over a period of 5 years, or to borrow money and issue the bonds of the respective municipalities therefor in the manner and under the regulations provided by chapter 67; provided that the facilities of such memorial are made available to the residents of the governmental unit making such appropriation to the extent that the governing body of the governmental unit may require.

By granting statutory permission to municipal corporations to contract with nonprofit corporations for the erection and maintenance of war memorials, the legislature did not give to municipalities condemnation rights which the municipality, acting alone, did not have. *Schumm v. Milwaukee County*, 258 W 256, 45 NW (2d) 673.

45.058 Memorials in populous counties. (2) The board of directors of such corporation shall be designated as the "memorial board", and its members shall be styled "trustees". The membership of the memorial board may include special members, who need not be members of the corporation.

(3) The memorial board shall consist of 15 members; of whom 8 may be special members to be elected as provided in this section; and the remaining members shall be elected from the membership of the corporation.

(4) Special members of the memorial board shall be elected by the county board of such county and consist of:

- (a) For special members:

3. Any vacancy in such special membership shall be filled by the county board for the unexpired term, and until a successor is elected and qualified.

(b) For elected members from the corporate membership: The terms of such trustees shall be for such numbers of years that those of an equal number, as nearly as may be, shall expire in 2, 3, and 4 years, and successive terms of 4 years each thereafter and until their successors are elected and qualified.

(6) The articles of incorporation of the corporation shall provide originally or by amendment, in addition to other necessary provisions, and as permitted by this section, for the classification of the members of the corporation, for the election of trustees proportionately from and by such classifications, for the terms of the members of the corporation and for the officers, their duties, and the terms thereof to be elected from the membership.

(7) Any such war memorial may be constructed upon any land ceded before July 15, 1953 by the state of Wisconsin to any municipality in this state notwithstanding any restrictions, limitations or conditions as to the nature of the use of any such land contained in the legislative act, granting the land to any such municipality, and notwithstanding such restrictions, limitations or conditions incorporated in any subsequent conveyance of said lands by such municipality.

(8) Any such war memorial may be constructed in any public park and the use of such park lands as a location for a war memorial shall not be deemed to be inconsistent with the use of the same for park purposes. However, no war memorial shall be constructed in a public park until the park commission or park board having jurisdiction of such park shall approve the same. The county board of any county may authorize the construction of a war memorial at different intervals of time if the proposed memorial consists of more than one building or structure and any county board subsequently elected shall carry into effect any contract authorized by s. 45.055 entered into on behalf of such county for the construction or maintenance of such a war memorial. The construction, maintenance and operation of a war memorial in a county park shall be subject to the jurisdiction of the county board and no part of the cost thereof shall be charged against the funds of the park commission or park board of such county.

Such county board or municipality is hereby empowered and authorized to permit the use and occupancy of such rooms and space for such term and subject to such conditions and provisions as may be by them imposed; provided, however, that any contract, lien or agreement between said county board, municipality or department thereof and any such organization now in force shall continue in force according to the terms thereof.

(2) The words "veteran", "soldier", "sailor", "marine" and "nurse" as used in this section and in sections 45.11, 45.12, 45.13, 45.14, 45.15, 45.43 and 45.44 shall apply with

(2) Such commission shall be organized by the election of one of their number as chairman. Said judge after the expiration of the terms of those first appointed shall annually appoint one person as a member of such commission for the term of 3 years. The county service officer in making such investigation may use such facilities for investigating as shall be made available by the county board of such county.

45.14 Commission, examination, aid. Such commission shall meet at the office of the county clerk or at such other place in the courthouse as the county board shall designate on or before the first Monday of January in each year and at such other times as may be necessary. The total disbursements made by the commission shall not exceed the amount collected from the tax levied. When such lists are filed the county clerk shall issue an order upon the county treasurer for the sum designated therein in each case and deliver it to the person entitled thereto. 45.17 Investigation and report. It shall also be the duty of such officers before assuming such charge and expense to make a careful inquiry into and examination of all the circumstances in any such case for the purpose of ascertaining the existence of either of the facts required by the preceding section, and they shall also report the same to the county clerk of their county, setting forth the fact that they found the family of

such deceased person in indigent circumstances and all the facts on which they based their action, together with the name, rank and command to which he belonged, the date of death, the place where buried, his occupation while living and an itemized statement of the expenses of such burial.

45.30 Commitment of insane veteran. (1) Whenever it appears that any veteran is eligible for treatment in a United States veterans' facility and commitment is necessary for the proper care and treatment of such veteran, the county judge of the county in which the veteran is found or the judge of any court of record in such county, may, upon receipt of a certificate of eligibility from the veterans' administration, after adjudging the veteran insane in accordance with law, direct such veteran's commitment to the veterans' administration for hospitalization in a United States veterans' facility. Upon admission to any such facility, the veteran shall be subject to the rules and regulations of the veterans' administration. (6) The department shall co-ordinate the activities of all state agencies performing functions relating to the medical, hospital, or other remedial care, placement and training; educational, economic or vocational rehabilitation of honorably discharged veterans, including such veterans with disabilities whether or not service connected or war connected. Interest and repaid principal shall be paid into the post-war rehabilitation trust fund. The department may lend for educational purposes not more than \$1,000 to any widow who has not remarried for herself or a minor child or children of a veteran whose death was directly or indirectly due to service causes if (1) such veteran otherwise would have qualified for such a loan, and (2) such widow or child shall have resided in Wisconsin for 5 years immediately preceding the date of application.

(8c) Any minor who is a veteran (as defined in s. 45.35 (5a)) and any minor who is the wife or widow of such a veteran may execute notes, mortgages and other contracts

and conveyances to the department and such notes, mortgages, contracts and conveyances shall not be subject to the defense of infancy.

Department has no power to pay to Wisconsin general hospital the cost of veteran's (fed.) 39 Atty. Gen. 201, qualified care in excess of the sum of \$5.90 per day provided by 142.10. (35 Atty. Gen. 118.)

45.352 Veterans' housing loans. (1) "Veteran" as used in this section and sections 45.353 and 45.354 shall have the same meaning as defined in section 45.35 (5a) and "department" means the Wisconsin department of veterans' affairs.

(2) (a) The department may loan not to exceed \$3,500 on the value of the housing accommodation for which it is made, including land, buildings and improvements, to any veteran making application therefor and establishing his qualifications and right to such loan under this section to the satisfaction of the department. Subject to such limitation the amount of each loan shall be fixed by the department with due regard to the condi-

tions and requirements of the applicant. Loans granted under this section shall be paid out of the appropriation in section 20.036 (12) (a). All receipts of interest and principal on such loans, payments of losses by insurers, and any other collections shall be deposited in the post-war rehabilitation trust fund.

(b) The department in administering this section is directed to determine that the purchase price to the veteran of any premises does not exceed the general average of property values and building costs in the area, that the veteran will not be incurring an excessive indebtedness in view of his income, and that the veteran requires a loan in addition to his own funds. In the event that the department determines that the applications for loans shall exceed the funds available, the department shall give priority of loans to the most necessitous cases and take all action necessary to spread the available funds among the maximum possible number of veterans. It is the intent of the legislature that the provisions of section 45.352 be construed as liberally as the language permits in favor of the veteran.

(3) Applications for loans shall be made to the department and shall be in such form and set forth such material information as the department shall prescribe. Each application for loan shall be signed by the veteran applying. The department shall pass upon the merits of each application and may disallow the loan applied for or grant it in whole or in part. Whenever the application and other information given by an applicant is not deemed sufficient or satisfactory for making a determination thereon, the department may use such means of availing itself of the facts as it may deem practical.

(4) A loan under this section shall be granted only to a veteran who:

(a) Requires the loan for the purchase, improvement or construction of a home for himself or family.

(b) Can show to the satisfaction of the department that the total cost of such home, including land, does not exceed \$15,000.

(c) Has available for application on the cost of such home an amount equivalent to 5 per cent of such total cost. Such amount may consist of money and other assets, including land to be used for the construction, which land may be taken at its assessed valuation for taxation purposes.

(d) Is financially able, with the aid of such loan, to conclude the purchase, improvement or construction of such home.

(4a) The department may grant a loan under this section, to a veteran otherwise eligible hereunder, for the purpose of refinancing or increasing an existing loan when satisfied as to the need therefor.

(4b) Those veterans otherwise qualified for housing loans under section 45.35 (5a) who remained in or reentered the active military service after World War II are eligible for loans made under this section.

(5) Each loan made under this section shall be repaid to the department in equal monthly instalments commencing upon occupancy by the veteran, and over a period of not to exceed 20 years, with the option to pay additional sums on any instalment-paying day. Such loan shall bear interest at the rate of 2 per cent per annum on unpaid balances of principal and shall be evidenced by a promissory, instalment note payable to the department and executed by the veteran to whom the loan is made. The department is authorized to obtain guarantees for such loans under the provisions of section 505 of the servicemen's readjustment act. The note shall be secured by a mortgage on the real estate in respect to which the loan is granted. Such mortgage shall be substantially in the form, contain the covenants and be executed in the manner prescribed in chapter 235 and shall provide for adequate insurance against loss by fire and wind and that the premises therein described are free and clear of all incumbrances whatsoever. But any such mortgage may be junior and subject to one prior mortgage, and in such case shall include an exception as to such prior mortgage, giving a description thereof. Such mortgage shall have priority over all liens upon the mortgaged premises and the buildings and improvements thereon, except tax and special assessment liens, which are filed after the recording of such mortgage.

(6) The department may accept when necessary to protect a mortgage loan, a quitclaim deed or warranty deed to the mortgaged property in full satisfaction of the mortgage debt (and thereupon to satisfy the same), and to manage, operate, lease, exchange, sell and convey, by land contract, quitclaim deed or warranty deed and to grant easements in any real property acquired by the department.

(7) The department shall have and exercise the rights, as the case may be, of owners or mortgagees generally; and any payments or expenses necessary to be made to protect the state's interest shall be made from the appropriation made by section 20.036 (12) (a).

(8) The board shall make such necessary rules and regulations, not inconsistent with law, for the effective and efficient administration of the department's powers, duties and functions under this section.

(9) The department shall be represented by the attorney-general in all actions and proceedings arising by virtue of the provisions of this section and the rules and regulations made by the department.

(10) (a) Whenever any instalment of principal, interest or other charge payable under the terms of a note or mortgage given under this section shall become delinquent, the department may, upon application of the mortgagor and recommendation of his county veterans' service officer as hereinafter provided, by agreement in writing duly executed by the parties, extend the time within which the obligation under such note and mortgage or any part thereof shall be paid, reduce the amount of monthly instalments and provide such other terms and conditions relative to the time and manner of repaying the obligation, not inconsistent with this section, as the department shall deem necessary and reasonable in view of all the circumstances of the case. If the department shall find an application is made without sufficient cause to justify granting relief under this subsection it may deny the same.

(b) An application under this subsection shall be in writing, subscribed and sworn to by the applicant, set forth the reasons for making the application and such other information as the department may require. Forms for such applications shall be prescribed and furnished by the department. The application shall be accompanied by a statement subscribed by the applicant's county veterans' service officer setting forth that he has read the application and after investigation believes it does or does not merit consideration and his reasons for such belief.

45.37 Grand Army Home for Veterans; management; who entitled to membership and burial. (1) The Wisconsin department of veterans' affairs (hereafter in this section referred to as the department) shall operate and conduct the Grand Army Home for Veterans at King (hereafter in this section referred to as the home) and employ a commandant and such officers, nurses, attendants and other personnel as may be necessary for the proper conduct of the home. In compliance with the provisions of the compensation plan established pursuant to s. 16.105 (4) it shall have authority to make and determine charges for meals, living quarters, laundry and other services furnished to employes and members of the employes' family maintained as such. All moneys received from each and every person for or on account of such services shall be paid within one week after receipt into the general fund and shall be credited to the appropriation provided for this purpose by ch. 20. Complete personal maintenance and medical care shall be furnished all members under the policy of the department.

(1a) The department is authorized to compromise and settle, on the best terms possible, having due regard to all the equities of the several cases, the claims of the department against officers and employes of the home, arising out of the ration draw during the 10 years preceding the date of passage hereof.

(2) Within the limitations of the facilities of the home, the department may admit to membership the following:

(a) Those men and women of Wisconsin who served at least 90 days of active duty in the armed forces of the United States during a war period or under conditions comparable thereto as may be determined by department, and who meet the following requirements:

1. Who were discharged from such service under conditions considered honorable by the department;

2. Who are found by the department to lack adequate means of support for themselves and dependents, and are temporarily or permanently incapacitated, due to physical disability or age, from following any substantially gainful occupation;

3. Who are eligible to similar care in a facility controlled by the United States veterans' administration;

4. Who are 50 years of age or over;

5. Who were bona fide residents of Wisconsin at the time of entering service with the armed forces and who have resided in Wisconsin continuously for the 10 years next preceding the date of application for membership;

6. Veterans with less than 90 days of service, if otherwise qualified as specified herein, shall be considered eligible if such service was terminated as a result of service connected disability. Disabled veterans under 50 years of age, if otherwise qualified, may be admitted if unable to secure adequate care from the federal government. Veterans whose services are not credited to Wisconsin but who are otherwise qualified for membership may be admitted if they have resided continuously in Wisconsin, for the 15 years next preceding the date of application. Residence in Wisconsin for the purpose of this subsection may not be initiated by residence in a United States veterans administration facility.

(b) The wives of those veterans who are eligible to membership under the provisions of paragraph (a) who have lived continuously with their veteran husbands not less than 10 years before making application, and whose husbands are members of the home or are institutionalized because of physical or mental disability. Wives who become members after July 7, 1949 and who become widowed while they are members of the home must qualify for membership as widows under the provisions of subsection (2) (c) if their membership is to be continued.

(c) The widows of those veterans who, if living, would be qualified under paragraph (a) who were married to and living with their veteran husbands not less than 10 years immediately prior to death; who have not remarried; who at the date of application are 50 years of age or over; who have resided in Wisconsin continuously for the 10 years next preceding the date of application; who are physically disabled; who are unable adequately to care for themselves and lack adequate means of support. Widows who were married to and living with the veteran at the time he entered service with the armed forces, if otherwise eligible, shall be considered eligible if such marriage was terminated before 10 years by the death of the veteran while in service or as the result of physical disability incurred during such service.

(d) The widowed mothers of veterans whether living or dead, qualified for membership under paragraph (a), when such widowed mothers have reached the age of 60 years, have resided in Wisconsin continuously for the 10 years next preceding the date of application, and are physically disabled, are unable adequately to care for themselves, and lack adequate means of support.

(e) No persons shall be admitted to the home who have been convicted of a felony, or of a crime involving moral turpitude, without producing sufficient evidence of subsequent good conduct and reformation of character as to be satisfactory to the department, nor shall any chronic alcoholics, drug addicts, psychotics, or active tuberculous cases be admitted.

(f) The members of the home on July 7, 1949 shall not be required to requalify for membership because of changes made in eligibility standards unless they are subsequently discharged and later apply for reentry into the home, or unless the financial or physical status of any member has changed or improved so that he would no longer be eligible for admission under the standards applicable at the time of his admission. After such date the department shall refuse admission to persons who have conveyed or disposed of property or any interest therein of a value in excess of \$500 by gift or sale for an inadequate consideration, except in cases where the property is conveyed to the state of Wisconsin. If the department determines that any such conveyance or disposition of property had no relation to prospective entrance into the home, the last above provision shall not be applicable.

(g) Applications, except in cases where there is immediate need for physical care or economic assistance, shall be passed upon in the order of priority in point of time of the commencement of the military service upon which the privilege of membership in the home is based. Wives, widows and mothers shall have the same priority as that of the person from whom their privilege of membership is derived.

(h) Each member of the home, regardless of the date of his admission, shall pay the following portions of his annual income into the general fund of the state. If husband and wife are both members their incomes shall be combined before applying the rates.

INCOME BRACKETS	RATES
1st \$120	none
2nd \$120	none

6th \$120	70 per cent
7th \$120	75 per cent
All remaining income	100 per cent

Payments of the amounts indicated above shall be made at such time and in such amounts as the board of the department shall provide by rule or regulation. The department may remit not to exceed \$10 monthly from the payments required of each married veteran for the personal use of his wife while she is a member of the home. The department may remit such sums monthly as it deems necessary for the care of nonmember dependents of a member. "Income" as used in this section, shall include, without limitation by enumeration, all pensions from state, federal or private sources, annuities, social security payments and recurrent insurance payments from state, federal and private sources but shall not include wages, salary or payment to a member for services rendered to the home as an employe thereof.

(3) (a) If any member of the home shall die without legal dependents, his real property shall descend and his personal property shall be distributed to the state of Wisconsin as sole heir for the sole use and benefit of the home, and no will, previously or hereafter drawn, making a contrary disposal shall be valid. A wife or mother residing at the home shall be included among and considered as a legal dependent for the purpose of this subsection.

(b) The provisions of sections 49.25 and 49.26 shall take precedence over the provisions of paragraph (a) whenever old-age assistance is granted to members.

(3a) If a member of the home shall die leaving at the home cash or other personal property of a value not exceeding \$500, the commandant of the home may turn over such property or its proceeds to the state treasurer for the sole use and benefit of the home, without administration, subject to refund within 6 years to any creditor or legal dependent who shall establish his right to the fund or property or any portion thereof. The attorney-general upon being satisfied that a claim out of such funds or property is legal and valid may certify the same to the state treasurer and the treasurer shall satisfy the same.

(4) The provisions of section 142.07 are applicable to veterans of all wars while members of the home, subject to the same restrictions and with the same privileges now enjoyed by the veterans of World War I at the Wisconsin general hospital. Costs incident to the hospitalization of members of the home shall be paid from the appropriation for the operation of the home, except for those veterans of World War I who are eligible to hospitalization and treatment under the provisions of section 45.38 and except those veterans of World War II who are eligible to treatment under the provisions of section 45.35.

(5) The commandant of the home may receive, disperse and account for personal funds of members of the home, other than state funds or old-age assistance payments, received from any source, under policies adopted by the board of veterans' affairs; except that the personal funds, income or property of members receiving old-age assistance shall be subject to the provisions of sections 49.25 and 49.26.

(6) Any veteran who served honorably in any branch of the military forces of the United States, while engaged in any war of the United States and who at the time of his death was a resident of this state, shall be eligible for burial and interment at the home. Cost of preparing grave and erection of marker shall be paid from the appropriation made by section 20.036 (7) (a).

(7) Burial shall be provided in the cemetery of the home for any wife, widow or mother of an honorably discharged veteran of any branch of the military forces of the United States who was engaged in any of its wars, where such wife, widow or mother at the time of her death was a member of the home or if not a member where she within 6

months of the veteran's death applies to the department for permission to be buried at the home at her own expense. Permission shall be given by the department for a period of one year from date of granting, but may be extended, on her request, for additional one-year periods. All expenses incident to the burial at the home of a member shall be paid from the estate of the decedent, except that if there is no estate or the estate is insufficient, the expense of burial, or necessary part thereof, shall be paid from the appropriation made by section 20.036 (7) (a) and the amount expended therefor shall not exceed the amount therein specified.

(8) The department shall have power to acquire, by gift, purchase or condemnation, lands necessary for the purposes of the home. Title thereto shall be taken in the name of the state of Wisconsin and shall be held by and for the uses and purposes of said home so long as used for the present objects and purposes thereof. No payment shall be made out of the state treasury or otherwise for any such land until the title has been examined and approved by the attorney-general. Every such deed of conveyance shall be immediately recorded in the office of the proper register of deeds and thereafter filed with the secretary of state.

(9) The commandant and employes designated by him may summarily arrest all persons within or upon the grounds of said institution who are guilty of any offense against the laws of the state of Wisconsin or the rules and regulations governing said home; and for such purpose the commandant and his deputies have all the power of constables.

(10) For the purpose of providing an infirmary-domiciliary building at the Grand Army home for veterans at King, improvements and additions thereto and equipment therefor, and to enable the construction, financing and ultimate acquisition thereof, and for no other purpose unless authorized by the legislature, the board of veterans' affairs shall have the following powers and duties:

(a) The power to lease and re-lease state-owned lands at the Grand Army home for veterans at King and improvements to a nonprofit-sharing corporation for terms not exceeding 50 years each, and to enter into contracts with such corporation, all upon condition that the corporation shall construct on the leased land an infirmary-domiciliary building, or additions and improvements thereto, and provide such equipment therefor, as the board of veterans' affairs shall designate and shall lease the same to the board of veterans' affairs upon satisfactory terms as to the current rental, maintenance and ultimate purchase by the board of veterans' affairs.

(3) Any person while in the military service of the United States or within 6 months after terminating such service, or his agent or attorney during such period, may petition a court of record in any county in which he owns property for relief under this section. Upon filing of such petition the court shall make an order fixing the time of hearing thereon and requiring the giving of such notice of the hearing as it may deem reasonable. If after hearing the court shall find that the person on whose behalf the petition is made is, or within 6 months next preceding the filing of such petition was, in the military service of the United States and owns property within the county on which taxes have fallen due or will fall due, and that his ability to pay such taxes has been materially adversely affected by reason of his being in military service, the court shall enter an order determining that such person is entitled to relief under this section. When an order shall so determine it may further suspend proceedings for the collection of taxes on such property for a period not exceeding 6 months after termination of the military service of the person on whose behalf the petition is made, or for such time as may reasonably be necessary to complete the agreement provided in subsection (7) and thereafter no sale of property or tax certificates to enforce collection of taxes on such property shall be made, all proceedings for that purpose shall be suspended, except under such terms as the court in such order may direct.

(4) Whenever any tax or assessment on real property including all special assessments shall not be paid when due, the penalty provisions providing for an eight-tenths of one per cent per month as provided by section 74.03 (4) and the maximum limitation of 6 per cent per annum as provided by such soldiers' and sailors' civil relief act shall be waived for the purpose hereof and upon the conditions specified hereinafter.

(6) The person owning or having an interest in any property in respect to which such order is made, his agent or attorney, may file with the county treasurer or with the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes as to such taxes and assessments a certified copy of such order of suspension together with an affidavit in triplicate, sworn to by such person or his agent or attorney setting forth the name of the owner, the legal description of the property, the type of property, when acquired, volume and page number where such deed was duly recorded if acquired by deed and the name of the estate if acquired by descent, amount of delinquent taxes if any, and the names of the holders of any outstanding mortgage, lien or other incumbrance. Upon such filing the county treasurer or the city treasurer, as the case may be, shall file a first copy thereof in the office of the register of deeds of such county, the second copy to be filed in the office of such treasurer, as the case may be, wherein there will be marked, in the tax sale record book or such other record books as he may maintain, proper notation to the effect that a person in military service is the holder of the legal title thereto and has made application for special relief as herein provided, and the third copy shall be immediately forwarded to the office of the clerk of the town, city or village wherein the property is located, or if it be located in a city authorized to sell lands for nonpayment of its taxes to the tax commissioner thereof, who shall make an appropriate notation thereof on his records.

(7) Any person seeking relief under this section, within 6 months after termination of his military service, or his agent or attorney, or in case of death of such person, his personal representative, widow or heir at law, may apply to the county treasurer of the county, or the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes, as the case may be, wherein such property is located for an agreement for scheduled instalment payments, covering the taxes accrued during such person's period of military service, provided that such taxes will be paid over a period of time equal to a period no longer than twice the length of military service of such person, in equal periodic instalments of not less than \$10, and subject to such other terms as may be just and reasonable.

(8) In the event default is made by the applicant in the performance of any of the provisions of such agreement, such treasurer, as the case may be, shall forthwith notify

the applicant of such default and the amount and date due, by written notice either served personally or by registered mail with return receipt demanded to the address set forth in such application. If such defaulted payment is not fully made within 10 days after service of such notice, then such treasurer without further notice may declare that the entire amount of such tax subject to the scheduled instalments shall be immediately due and payable and that such agreement is fully rescinded and terminated. Thereupon the county treasurer shall notify the register of deeds and the town, city or village treasurer thereof, or if the city treasurer of cities authorized by law to sell lands for the nonpayment of taxes the latter shall notify the register of deeds and the county treasurer and such officers and shall make appropriate notations thereof on their records. Thereafter, the county treasurer or city treasurer as to taxes of cities authorized by law to sell land for the nonpayment of taxes, may without further order of the court enforce the collection of such tax or assessment and sell such tax certificates together with such penalties and interest as may have accrued thereon from the date of default of such scheduled instalment payment.
